INDEPENDENT AUDITORS' REPORT

To the Evara Health Retirement Plan Trustees

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of the Evara Health Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of May 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended May 31, 2022, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental Schedule of Assets (Held at End of Year) as of May 31, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed

to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

NOTES TO FINANCIAL STATEMENTS

May 31, 2022

NOTE A - DESCRIPTION OF THE PLAN

The following description of the Evara Health Retirement Plan, formerly known as the Community Health Centers of Pinellas, Inc. Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General

The Plan is a defined contribution plan covering all employees of Community Health Centers of Pinellas, Inc. d/b/a Evara Health ("CHCP"). Employees may contribute to the Plan immediately upon employment and may become eligible for employer contributions when they have completed one year of service. Employees who normally work less than twenty hours per week are ineligible to make elective deferrals or receive employer contributions.

The Plan was established on February 29, 1992 and amended as of June 1, 2018, and further amended/restated as of January 1, 2022. The name of the Plan was amended/restated as of this last amendment to Evara Health Retirement Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

CHCP serves as the Plan sponsor and administrator. No officer or employee of CHCP receives compensation from the Plan.

2. Contributions

Each year, participants may defer up to 100 percent of pretax annual compensation, as defined in the Plan, within IRS limits. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investments options offered by the Plan.

CHCP may elect to make a discretionary matching contribution to employees each year. Employer contributions would be invested at the direction of the participant. To be eligible to receive the employer matching contribution the participant must have been employed for one year and normally work more than twenty hours per week. No employer matching contributions were made to the Plan for the year ended May 31, 2022.

CHCP may also make a discretionary non-elective contribution to the Plan for participants who have completed at least one year of service during the Plan year. The employees' share of discretionary employer contributions is invested at the direction of the participant. CHCP made a discretionary contribution of 3% of compensation for all eligible participants for the plan year ended May 31, 2022 totaling \$894,212, which was reduced by forfeitures of \$7,498 to \$886,714.

NOTE A - DESCRIPTION OF THE PLAN - Continued

3. Participant Accounts

Each participant's account is adjusted for distributions to the participant, participant's contributions, employer contributions, and Plan earnings or losses, as well as a portion of the administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. All participant accounts are maintained by the custodian of the Plan assets. Participants direct their allocation among the investment funds allowed under the Plan.

4. Vesting

Participants are immediately vested in their employee elective and rollover contributions, plus actual earnings thereon. The vested portion of any participant's Employer Contributions Account is determined according to a graduated scale based on years of continuous service as follows:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2 years	0%
2 years, but less than 3 years	20%
3 years, but less than 4 years	40%
4 years, but less than 5 years	60%
5 years, but less than 6 years	80%
6 years or more	100%

5. Payment of Benefits

Participants, who terminate employment as a result of retirement, total and permanent disability, or death, shall be entitled to receive the value of his or her entire account under the terms of the Plan. A participant who terminates employment for any other reason shall be entitled to receive the vested portion of his or her account. The Plan also provides for certain hardship withdrawals as defined in the Plan document.

6. Forfeitures

Forfeitures may be used to offset Plan expenses or to reduce the employer's contributions to the Plan. Forfeitures for the year ended May 31, 2022 were \$45,227.

7. Plan Termination

Although it has not expressed any intent to do so, CHCP has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination, participants become 100% vested in their accounts.

NOTE A - DESCRIPTION OF THE PLAN - Continued

8. Participant Distributions

No plan participants have elected to have distributions as of May 31, 2022, and not had their vested balances paid to them by year end.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the plan. The plan had no fully benefit-responsive investment contracts at May 31, 2022 nor 2021.

2. Investments, Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments purchased and sold as well as held during the year.

3. Plan Expenses

The employer incurs substantially all administrative expenses related to the Plan.

4. Payment of Benefits

Benefits are recorded when processed and paid by the Plan.

5. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts and disclosure. Actual results could differ from those estimates.

NOTE C - INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The investments of the Plan were held and administered by Variable Annuity Life Insurance Company (the "Custodian") during the plan year ended May 31, 2022 and 2021. The Custodian has supplied the Plan administrator with certain information utilized in preparing the financial statements and supplemental schedule.

The Plan administrator has obtained certification from the Custodian certifying that the information provided by the Custodian is complete and accurate as of May 31, 2022 and 2021 and for the year ended May 31, 2022. In accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, the Plan administrator has elected not to have this information audited by the Plan's independent certified public accountants.

The following information included in the accompanying financial statements and supplemental schedule of assets (held at end of year) was obtained from data that has been prepared and certified to be complete and accurate by the Custodian:

	<u>2022</u>	<u>2021</u>
Investments, at fair value

Total investments	<u>\$ 13,324,172</u>	<u>\$ 13,123,683</u>

NOTE D - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") ASC 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements).

Evava Health Retirement Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

May 31, 2022

NOTE D - FAIR VALUE MEASUREMENTS - Continued

The standard describes three levels of inputs that may be used to measure fair value:

- Level 1 Inputs to valuation methodology are quoted prices available in active markets for identical investments as of the reporting date;
- Level 2 Inputs to the valuation methodology are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value can be determined through the use of models or other valuation methodologies; and
- Level 3 Inputs to the valuation methodology are unobservable inputs in situations where there is little or no market activity for the asset or liability and the reporting entity makes estimates and assumptions related to the pricing of the asset or liability including assumptions regarding risk.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy:

Pooled Separate Accounts - Valued at the close of each business day as reported by each fund, which is then adjusted for dividends and separate account fees. This is consistent with a market approach technique.

Mutual Funds - Valued at the close of each business day as reported by each fund at the net asset value, which is then adjusted for dividends and account fees. This is consistent with a market approach technique.

Investment Contracts with Insurance Companies – General Accounts - Valued at cost plus accumulated interest at the rate specified in the respective contract. The rate is subject to periodic resetting at the discretion of the insurance company.

The methods described above may produce a fair value calculation that may not be indicative of the net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE E - TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code. The terms of the Plan have been prepared to conform with the sample language provided by the Internal Revenue Service in Revenue Procedure 2007-71. The Plan administrator intends to apply for a determination letter on the Plan once the IRS opens such a program.

Evava Health Retirement Plan

NOTES TO FINANCIAL STATEMENTS - CONTINUED

May 31, 2022

NOTE E - TAX STATUS - Continued

The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan has been amended however, the Plan administrator believes the Plan is currently being operated in compliance with applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of May 31, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2019.

NOTE F - RISKS AND UNCERTAINTIES

The Plan invests in various investments securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amount reported in the Statement of Net Assets Available for Benefits.

NOTE G - ADMINISTRATION OF PLAN ASSETS/PARTY-IN-INTEREST TRANSACTIONS

VALIC holds the Plan's assets. As Plan custodian, VALIC provides recordkeeping for the Plan and invests cash received, interest and dividend income, and makes distributions to participants. Accordingly, these transactions qualify as party-in-interest transactions.

Officers or employees of CHCP also perform administrative functions, but no officer or employee received compensation from the Plan.

NOTE H - SUBSEQUENT EVENTS

The Plan's management has evaluated events and transactions occurring subsequent to May 31, 2022 as of March 9, 2023 which is the date the financial statements were available to be issued.
