INDEPENDENT AUDITORS' REPORT

To the 401(k) Administrative Committee and Participants of the
NSG Technology, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the NSG Technology, Inc. 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("U.S. GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the 2021 financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the 2021 financial statements.

In preparing the 2021 financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern one year after the date the 2021 financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the 2021 financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the 2021 financial statements.

In performing an audit in accordance with U.S. GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with U.S. GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated August 26, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NSG TECHNOLOGY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

1. Description of Plan

The following description of the NSG Technology, Inc. 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted by NSG Technology, Inc. (the "Company") on January 1, 2003, and was most recently amended and restated effective January 1, 2020. The Plan is defined as a contribution retirement plan arrangement described in the Internal Revenue Code ("IRC") Section 401(a). All non-excluded employees, as defined by the Plan document, are eligible to participate in the Plan after three months of service (minimum 1,000 hours), provided that they are at least age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and certain provisions of the IRC.

Plan Administration

The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan. Reliance Trust Company ("Reliance") is the appointed custodian of the Plan. The custodian of the Plan acts at the direction of the Plan's administrator.

Contributions

Employees may begin deferring a portion of their eligible compensation into the Plan on a before-tax and after-tax (Roth) basis pursuant to Code Section 401(k) up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans. Participants direct their investments into various investment options offered by the Plan. For the year ended December 31, 2021, the Company made a safe harbor employer match of 100% of the participant deferral contributions up to a maximum of 4% of the employee's eligible compensation. For the year ended December 31, 2021, the employer safe harbor matching contribution was approximately \$704,000.

Additionally, the Plan may provide for a discretionary profit sharing contribution to the Plan each year. No profit sharing contribution was made or approved for the year ended December 31, 2021.

Participant Accounts

Each participant's account is credited with the participant's contributions, employer contributions, Plan earnings or losses, and rollovers from other qualified plans. Plan earnings or losses are allocated based upon each participant's account balance. Certain fees are charged to the fund investments and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

Vesting

Participant contributions, employer matching contributions, employer profit sharing contributions (if any), and rollovers, as well as all earnings on these contributions, are fully vested when made or earned.

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

1. Description of Plan, continued

Forfeitures

Forfeitures that occur during a Plan year will be used to reduce Plan administration fees or to reduce future employer contributions. As of December 31, 2021 and 2020, there were no forfeitures or forfeiture activity.

Participant Notes Receivable

Participants are allowed three loans at any time and may borrow from their fund accounts a minimum of \$1,000 up to 50% of the value of their account balance, or \$50,000, whichever is less. Notes receivable terms range from one to five years, except for notes receivable used to purchase a primary residence, which have a maximum term of thirty years. The notes receivable are secured by no more than 50% of the balance in the participant's account and bear interest at a rate computed using the prime rate (as specified in commensurate with local prevailing rates as published in the Wall Street Journal) plus 1% at the time of loan origination. The interest rate on participant notes receivable as of December 31, 2021 was 4.25% to 6.50%. Principal and interest are paid in equal installments through semi-monthly payroll deductions.

Payment of Benefits

When participants leave the employer, upon retirement or for any other reason, those participants (or their beneficiaries) may receive the value of their salary deferrals, vested employer contributions, rollovers, and the net earnings thereon in a single lump-sum payment.

The Plan allows for in-service withdrawals at age 59½ and hardship withdrawals, as defined by the Plan document.

In order to receive distributions, participants (or their beneficiaries) are required to file the appropriate forms with the Plan administrator. Account values will be determined as of the day the distribution is made.

The Plan allows for automatic lump sum distributions of participant vested account balances that do not exceed \$1,000. In the event of a mandatory distribution greater than \$1,000, but less than \$5,000, for which the participant does not elect to have such distribution paid directly to an eligible retirement plan specified by the participant in a direct rollover or to receive the distribution directly, then the Plan administrator will pay the distribution in a direct rollover to an individual retirement account designated by the Plan administrator.

Investment Options

Upon enrollment in the Plan, a participant may direct his or her contributions in percentage increments into a series of registered investment companies (mutual funds) and money market funds offered by the Plan. Participants may change their investment options at any time.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

NSG TECHNOLOGY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

2. Summary of Significant Accounting Policies, continued

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant Notes Receivable

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2021 and 2020, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) of fair value of investments. The Company paid the majority of all necessary and proper expenses incurred in the administration of the Plan. Such expenses were primarily comprised of fees and expenses related to the maintenance of the Plan's records.

NSG TECHNOLOGY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

3. Information Prepared and Certified by the Custodian (Unaudited)

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by Reliance as of December 31, 2021 and 2020, and for the year ended December 31, 2021:

	2021	2020
Investments:		
Registered investment companies	\$ 41,949,491	\$ 36,124,349
Participant notes receivable	\$ 195,381	\$ 197,789
Net appreciation in fair value of registered investment companies	\$ 2,616,555	
Interest and dividends	\$ 2,144,469	
Other income	\$ 57,790	
Interest on participant notes receivable	\$ 11,344	

4. Fair Value Measurements

Accounting standards for fair value measurements establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under these accounting standards are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NSG TECHNOLOGY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

4. Fair Value Measurements, continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Cash equivalents: Valued based on redemption values on the last business day of the Plan year.

Preferred stocks, common stocks, corporate bonds and U.S. government securities: Valued at the closing price reported on the active market on which the individual securities are traded.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 41,949,491	\$ -	\$ -	\$ 41,949,491

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Registered investment companies	\$ 36,124,349	\$ -	\$ -	\$ 36,124,349

5. Related Party Transactions and Party-in-Interest Transactions

Certain Plan investments in mutual and money market funds are managed by Reliance. Any purchases and sales of these funds are performed in the open market at fair value. Such transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan, and are specifically exempt from the prohibition of party-in-interest transactions under ERISA. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investments, as they are paid through revenue sharing, rather than a direct payment. The balance of the revenue sharing account as of December 31, 2021 was approximately \$151,400 and is being used to offset Plan expenses.

NSG TECHNOLOGY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021

6. Tax Status

The Plan has adopted a prototype Plan document that has received an opinion letter from the Internal Revenue Service dated October 6, 2020. The Plan document has been amended since receiving that opinion letter. However, the Plan administrator believes that the Plan is currently designed and is currently being operated in compliance with the applicable requirements of the IRC and ERISA, and that the trust, which forms a part of the Plan, is exempt from income tax. Accordingly, no provision has been made for federal and state income taxes.

7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market fluctuations, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks will occur in the near term that could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

In January 2020, the WHO declared the COVID-19 outbreak as a pandemic resulting in adversely impacted global commercial activity and significant declines and volatility in financial markets, resulting in economic uncertainties which may negatively impact investment performance across the globe. The COVID-19 outbreak presents uncertainty and risk with respect to the Plan's performance and its financial results.

The Plan invested in four funds at 17%, 13%, 11% and 11% of net assets as of December 31, 2021. The Plan invested in three funds at 16%, 15% and 10% of net assets as of December 31, 2020.

9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements as of December 31, 2021 and 2020 to the Form 5500:

	2021	2020
Per financial statements	\$ 42,208,498	\$ 36,584,039
Participant contributions receivable	-	(160,861)
Employer contribution receivable	(63,626)	(101,039)

NSG TECHNOLOGY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

9. Reconciliation of Financial Statements to Form 5500, continued

The following is a reconciliation of net income per the financial statements for the year ended December 31, 2021 to the Form 5500:

Net income per financial statements	\$	5,624,459
Employer contribution receivable, 2021		(63,626)
Participant contributions receivable, 2020		160,861
Employer contribution receivable, 2020		101,039
Net income per Form 5500	\$	<u>5,822,733</u>

10. Subsequent Events

Effective January 1, 2022, the Plan was amended to include auto enrollment of 3% of compensation and will contribute the funds as pretax contributions, with 1% increases at the beginning of each Plan year up to 15% of compensation.

Effective July 1, 2022, the Plan document was amended and restated to bring the Plan into compliance with current legislative and regulatory changes. The provisions of the Plan remain consistent with the prior Plan document.

In accordance with accounting standards affecting disclosures of subsequent events, the Plan evaluated subsequent events for recognition and disclosure through January 31, 2023, the date which these financial statements were available to be issued. Management concluded that, other than noted above, no material subsequent events have occurred since December 31, 2021 that require recognition or disclosure in such financial statements.
