## INDEPENDENT AUDITORS' REPORT

Plan Administrator  
Treadmaxx Tire Distributors Inc. 401(k) Plan  
Appleton, Wisconsin

### Report on the Audit of the Financial Statements

#### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 and 2021 Financial Statements***

We have performed audits of the accompanying financial statements of Treadmaxx Tire Distributors Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of May 2, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the period ended May 2, 2022 and year ended December 31, 2021, and the related notes to the financial statements (2022 and 2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audits of the 2022 and 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from qualified institutions as of and for the period and year ended May 2, 2022 and December 31, 2021, respectively, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

#### ***Opinion on the 2022 and 2021 Financial Statements***

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 and 2021 Financial Statements section:

- The amounts and disclosures in the 2022 and 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 and 2021 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Basis for Opinion on the 2022 and 2021 Financial Statements***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 and 2021 Financial Statements section of our report. We are required to be independent of Treadmaxx Tire Distributors Inc. 401(k) Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

***Responsibilities of Management for the 2022 and 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Treadmaxx Tire Distributors Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

***Auditors' Responsibilities for the Audit of the 2022 and 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 and 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Treadmaxx Tire Distributors Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Treadmaxx Tire Distributors Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 and 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Auditor's Report on the 2020 Financial Statements***

The financial statements of Treadmaxx Tire Distributors Inc. 401(k) Plan as of and for the year ended December 31, 2020, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the predecessor auditors not to perform and they did not perform any auditing procedures with respect to the information certified by a qualified institution. Their report, dated September 27, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**TREADMAXX TIRE DISTRIBUTORS INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**MAY 2, 2022 AND DECEMBER 31, 2021 AND 2020**

**NOTE 1 DESCRIPTION OF PLAN**

The following description of Treadmaxx Tire Distributors Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan covering substantially all employees of Treadmaxx Tire Distributors, Inc. (Company) who have worked at least 59 days. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

Effective May 2, 2022, participant account balances and all assets were transferred and merged into U.S. Venture Affiliates 401(k) Retirement Savings Plan (a related entity). The total amount of the transfer was \$8,593,096. All eligible participants in the Plan became eligible to participate in the U.S. Venture Affiliates 401(k) Retirement Savings Plan.

**Contributions**

The Plan includes a salary deferral arrangement allowed under Section 401(k) of the Internal Revenue Code (IRC). Participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) or Roth contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contributions plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have pre-tax deferrals set at a rate of 4% of eligible compensation and their contributions invested in the applicable retirement fund based on the participant's year of birth until changed. Any automatically enrolled participants will have their deferral rate automatically increased by 1% each April unless they affirmatively elect not to participate in the automatic increase. The Company may, at its discretion, make a matching contribution. For the period ended May 2, 2022 and years ended December 31, 2021 and 2020, the Company matched 25% of participant deferrals up to 6% of each participating employee's compensation. A nonelective contribution may be contributed at the option of the Company's Board of Directors. No such nonelective contribution was made to the Plan during 2022, 2021 or 2020. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

**Participant Accounts**

Each participant's account is credited with the participant's contributions, Company matching contributions, as well as allocations of the Company nonelective contributions and plan earnings (losses). Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, accounts balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**TREADMAXX TIRE DISTRIBUTORS INC. 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
MAY 2, 2022 AND DECEMBER 31, 2021 AND 2020**

**NOTE 1 DESCRIPTION OF PLAN (CONTINUED)**

**Vesting**

Participants are immediately vested in their voluntary contributions, rollover contributions, and actual earnings thereon. Company matching contributions, nonelective contributions, and actual earnings thereon are subject to vesting based on years of continuous service. Participants would be 100% vested after three years of credited services.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at the market rate as determined at the time of the loan by the Plan Administrator. Principal and interest is paid ratably through regular payroll deductions.

**Benefit Payments**

Active participants may elect a lump-sum in-service or hardship distribution as eligible according to the Plan document. On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or periodic installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. However, if the value of the vested benefit is less than \$5,000, a lump-sum distribution will be made regardless of whether or not an election has been made.

**Forfeited Accounts**

Forfeited nonvested accounts may be used to pay plan expenses, reduce Company contributions, or be allocated to participant accounts. Forfeited nonvested accounts as of May 2, 2022 and December 31, 2021 and 2020 totaled \$-0-, \$2,600, and \$1,397, respectively. There were \$-0-, \$9,666, and \$32,316 of forfeitures used to pay plan expenses for the period ended May 2, 2022 and years ended December 31, 2021 and 2020, respectively.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Accounting Method**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion on fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**TREADMAXX TIRE DISTRIBUTORS INC. 401(K) PLAN  
NOTES TO FINANCIAL STATEMENTS  
MAY 2, 2022 AND DECEMBER 31, 2021 AND 2020**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Use of Estimates**

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of May 2, 2022 and December 31, 2021 or 2020. Delinquent notes receivable are recorded as distributions on the basis of the terms of the Plan document.

**Payment of Benefits**

Benefits are recorded when paid.

**Excess Contributions Payable**

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding deduction reflected as corrective contribution distributions. The Plan distributed the excess contributions to the applicable participants prior to March 15, 2022.

**Administrative Expenses**

Administrative expenses may be paid either by the Plan or by the Company. Expenses paid by the Company are excluded from these financial statements. Certain administrative expenses of maintaining the Plan that are paid by the Plan are included in administrative expenses. In addition, certain investment related expenses are included in net appreciation (depreciation) of fair value of investments.

**Reclassifications**

Certain amounts in the 2020 financial statements have been reclassified to conform with the 2022 and 2021 presentation. These reclassifications do not affect net assets available for benefits as previously reported.

**Subsequent Events**

The Plan has evaluated subsequent events through March 14, 2023, the date on which the financial statements were available to be issued.

**NOTES TO FINANCIAL STATEMENTS**  
**MAY 2, 2022 AND DECEMBER 31, 2021 AND 2020**

**NOTE 3 CERTIFICATION OF INVESTMENT INFORMATION**

Empower Trust Company, LLC (formerly known as Great-West Trust Company, LLC), qualified institution of the Plan, has supplied the Plan Administrator with certifications as to the completeness and accuracy of all investment information and notes receivable from participants reflected on the accompanying statements of net assets available for benefits as of May 2, 2022 and December 31, 2021 and 2020, the statements of changes in net assets available for benefits for the period January 1, 2022 to May 2, 2022, and for years ended December 31, 2021 and 2020, and the supplemental schedule of assets (held at end of year) as of December 31, 2021.

**NOTE 4 FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

*Level 1* – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2* – Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3* – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 or 2020. The Plan held no assets as of May 2, 2022.

*Mutual Funds:* Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**TREADMAXX TIRE DISTRIBUTORS INC. 401(K) PLAN**  
**NOTES TO FINANCIAL STATEMENTS**  
**MAY 2, 2022 AND DECEMBER 31, 2021 AND 2020**

**NOTE 4 FAIR VALUE MEASUREMENTS (CONTINUED)**

*Collective Trust Fund:* Valued at the NAV of units of the collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

	2021			Total
	Level 1	Level 2	Level 3	
Mutual Funds	\$ 11,698,835	\$ -	\$ -	\$ 11,698,835
Investments Measured at Net Asset Value*				225,515
Total Investments at Fair Value				\$ 11,924,350
	2020			
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 11,787,351	\$ -	\$ -	\$ 11,787,351
Investments Measured at Net Asset Value*				179,651
Total Investments at Fair Value				\$ 11,967,002

\* Certain investments that were measured at net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2021 or 2020, respectively. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

Investment	Fair Value		Unfunded Commitments	Redemption Frequency	Redemption Notice Period

**MAY 2, 2022 AND DECEMBER 31, 2021 AND 2020**

**NOTE 5 PLAN TAX STATUS**

The Plan is placing reliance on an opinion letter received from the IRS indicating that the Plan is qualified under Section 401 of the IRC and is therefore not subject to tax under current income tax law.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE 6 PARTY-IN-INTEREST TRANSACTIONS**

Fees paid by the Plan for investment management, trust services, and other administrative services qualify as party-in-interest transactions and are included under administrative expenses on the statements of changes in net assets available for benefits for the period ended May 2, 2022, and years ended December 31, 2021 and 2020, respectively. These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
