## REPORT OF INDEPENDENT AUDITORS

To the Plan Administrator of the  
SCL Health Retirement Savings Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 and 2021 Financial Statements**

We have performed an audit of the financial statements of the SCL Health Retirement Savings Plan (the “Plan”), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets as of May 16, 2022 (in Liquidation) and December 31, 2021 (in Liquidation), and the related statements of changes in net assets for the period from January 1, 2022 to May 16, 2022 (in Liquidation), and for the year ended December 31, 2021 (in Liquidation), and the related notes to the financial statements (2022 and 2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 and 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021 and as of May 16, 2022 and for the period January 1, 2022 to May 16, 2022, stating that the certified investment information, as described in Note F to the financial statements, is complete and accurate.

### **Disclaimer of Opinion on the 2022 and 2021 Financial Statements**

We do not express an opinion on the accompanying 2022 and 2021 Financial Statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 and 2021 Financial Statements section of our report, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

### **Basis for Disclaimer of Opinion on the 2022 and 2021 Financial Statements**

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying 2022 and 2021 Financial Statements may have been affected by these conditions.

Further, as described in Note C to the financial statements, the Plan has excluded from investments in the accompanying statements of net assets, certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America ("GAAP") require that these accounts and the related income and distributions be included in the accompanying financial statements.

### **Responsibilities of Management for the 2022 and 2021 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 and 2021 Financial Statements**

Our responsibility is to conduct an audit of the Plan's financial statements in accordance with auditing standards generally accepted in the United States of America and to issue an auditor's report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2022 and 2021 Financial Statements section of our report, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

## **Other Matters**

### **Plan Termination and Liquidation Basis of Accounting**

As discussed in Notes A, B and H to the financial statements, the Plan sponsor elected to terminate the Plan, effective September 30, 2021, and management determined that liquidation is imminent. As a result, the 2022 and 2021 Financial Statements have been prepared on the liquidation basis of accounting. Our opinion is not modified with respect to this matter.

### **2021 Supplemental Schedule Required by ERISA**

The supplemental schedule of Form 5500, Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 and 2021 Financial Statements section of our report, it is inappropriate to, and we do not, express an opinion on this supplemental schedule.

### **Auditor's Report on the 2020 Financial Statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Further, the Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the accompanying financial statements may have been affected by these conditions.

The Plan has excluded from the 2020 financial statements certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the 2020 financial statements. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not determinable. GAAP requires that these accounts and the related income and distributions be included in the 2020 financial statements.

In our report dated October 12, 2021, we indicated that because of the significance of the information that we did not audit, we were not able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements.

## SCL HEALTH RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS

May 16, 2022 (in Liquidation), December 31, 2021 (in Liquidation) and 2020 (Ongoing)

#### A. Description of Plan

##### General

The following description of the SCL Health Retirement Savings Plan (the “Plan”) provides general information about the Plan’s provisions. The Sisters of Charity of Leavenworth Health System, Inc. (“SCL Health” or the “Company”) is the Plan sponsor. SCL Health originally established the Plan effective January 1, 1998, as a “church plan” under Internal Revenue Code (the “Code”) Section 414(e) as a 403(b) plan. The Plan was restated effective January 1, 2016, after SCL Health restated its certificate of formation to reorganize as a separate non-profit organization from the church. By doing so, the Plan became subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan was most recently amended and restated effective June 30, 2019. Participants should refer to the Plan document and summary plan description for a more complete description of the Plan’s provisions, copies of which may be obtained from the Plan sponsor.

The SCL Health Office of the President is responsible for the general administration of the Plan. In addition, SCL Health or related employers entered into custodial agreements to hold the funds necessary to provide the benefits set forth in the Plan. Fidelity Management Trust Company (“Fidelity”), The Lincoln National Life Insurance Company (“Lincoln”), Massachusetts Mutual Financial Group (“Mass Mutual”), The Variable Annuity Life Insurance Company (“VALIC”), Brighthouse Life Insurance Company (“Brighthouse”), and MetLife Life Insurance Company (“MetLife”), are the custodians and record keepers for the Plan. The custodial agreements may contain provisions granting authority to SCL Health to settle the accounts of the custodians on behalf of all persons having or claiming an interest in the Plan.

The Plan is a defined contribution plan covering common law employees of SCL Health or a related employer that has adopted the Plan (as defined in the Plan document). Participants may begin making contributions to the Plan as soon as administratively feasible on or after the date of hire.

Effective June 30, 2017, the Platte Valley Medical Center TDA Pension Plan (the “Platte Valley Plan”) merged into the Plan. Certain Platte Valley Plan assets held with Lincoln Financial Group Trust Company, Inc. were physically transferred to Fidelity, one of the Plan’s custodians, on July 3, 2017; however, Plan assets held by other custodians are maintained as separate trust accounts although legally part of the Plan. Effective January 1, 2018, Platte Valley Medical Group, LLC physicians became eligible to participate in the Plan.

Effective April 8, 2018, the SCL Health Board of Directors approved the adoption of SCL Health 401(k) Retirement Savings Plan (“401(k) Plan”). As a result, all current Platte Valley Medical Center participants ceased active participation in the Plan. The former participants were allowed to keep their balances in this Plan at that time or voluntarily rollover their balances into the 401(k) Plan. Additionally, all employees hired by SCL Health on or after April 8, 2018, other than those hired by Mother House of the Sisters of Charity of Leavenworth, Kansas, the University of Saint Mary and Mount St. Vincent Home, Inc., and employees of St. James Healthcare whose employees are covered by a collective bargaining agreement, shall not be eligible to participate in the Plan.

**SCL HEALTH RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**A. Description of Plan – continued**

**General – continued**

Effective June 29, 2019, all employers ceased participating in the Plan except: (1) the Mother House of the Sisters of Charity of Leavenworth, Kansas; (2) the University of Saint Mary; and (3) St. James Healthcare, solely with respect to employees governed by the terms of a collective bargaining agreement under which retirement benefits were the subject of good faith bargaining between the parties (the “Union Employees”). Accordingly, employees of such discontinuing employers and non-Union Employees of St. James Healthcare ceased to be eligible employees in the Plan as of such date. Additionally, effective from and after June 30, 2019, there are no other participating employers in the Plan, and employees of SCL Health are no longer eligible to participate in the Plan.

On March 27, 2020, former President Trump signed into law the “Coronavirus Aid, Relief, and Economic Security Act” (the “CARES Act”) which allowed plan sponsors to immediately adopt certain retirement plan provisions to allow qualified individuals, as defined in the CARES Act, additional access to retirement plan balances. As a result, while the Plan has not been formally amended, the Company determined it was in the best interest of the participants to allow a) a COVID-19 distribution up to \$100,000, b) an increase in the available participant loan amount up to \$100,000, not to exceed 100% of the participant’s account balance, and c) deferral of 2020 loan repayments for a year.

During June 2020, St. James Healthcare Union Employees ceased being eligible to participate in the Plan and became eligible to participate in the SCL Health 401(k) Retirement Savings Plan.

On August 4, 2021, the Company elected to terminate the Plan effective September 30, 2021. See Note B for further details.

Effective April 1, 2022, SCL Health merged with Intermountain Health Care, Inc. As the Plan was already in the process of terminating, there was no significant impact on the Plan as a result of the merger.

**Contributions**

Each year, eligible SCL Health associates may make elective deferrals under the Plan from eligible compensation earned while an eligible employee as defined by the Plan. Participants who have attained age 50 before the end of the year are eligible to make catch-up contributions. All contributions are subject to certain limitations of the Code.

Participants direct their elective contributions into various investment options offered by the Plan and can change their investment options on a daily basis.

## SCL HEALTH RETIREMENT SAVINGS PLAN

### NOTES TO FINANCIAL STATEMENTS *(continued)*

#### **A. Description of Plan – continued**

##### **Participant Accounts**

Each participant's account is credited with the participant's contributions and is charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. Allocations of administrative expenses are based on the participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

##### **Vesting**

Participants are immediately vested in their contributions and in any rollover contributions plus actual earnings thereon.

##### **Participant Loans**

Participants may borrow from their accounts in increments of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance, not less than \$1,000. Loan terms range from 1–5 years or longer for the purchase of a principal residence. The \$50,000 limit is reduced by the participant's highest outstanding loan balance within all plans sponsored by the Plan sponsor during the preceding 12-month period. A participant may not have more than two loans outstanding at any point in time. The loan is secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates at the date of issuance as determined at the time of the loan. Principal and interest is paid ratably through monthly electronic fund transfer paid directly by the participant over not more than five years, except for loans to purchase a principal residence. If a participant terminates employment with SCL Health the loan balance is due and payable. If the loan is not repaid, it will automatically be treated as a distribution to the participant after three months.

##### **Payment of Benefits**

Upon separation from service due to death, disability, retirement, or termination, a participant whose vested account balance exceeds \$5,000 may elect to receive either a lump-sum or may elect to defer payment until any later date up to age 70½. A participant whose vested account balance is \$5,000 or less and has not commenced receiving installment payments will automatically receive an immediate lump-sum distribution equal to their vested account balance or may elect to rollover the balance to another employer's eligible retirement plan or to an Individual Retirement Account.

**SCL HEALTH RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**A. Description of Plan – continued**

**Payment of Benefits – continued**

In-service withdrawals are available in certain limited circumstances, as defined by the Plan. Hardship withdrawals are allowed for participants incurring an immediate and heavy financial need, as defined by the Plan. Hardship withdrawals are strictly regulated by the Internal Revenue Service (“IRS”), and a participant must exhaust all available loan options within all plans sponsored by the Plan sponsor and available distributions prior to requesting a hardship withdrawal. Effective January 1, 2019, the Plan’s hardship withdrawal provisions were updated in connection with the Bipartisan Budget Act. As a result, participants are no longer (1) required to obtain a loan prior to requesting a hardship withdrawal; (2) participant deferral contributions are no longer suspended after receipt of a hardship withdrawal; and (3) earnings on elective deferral contributions in a participant’s account are included as part of a hardship withdrawal.

**Investment Options**

Upon enrollment in the Plan, a participant may direct their salary deferrals in 1% increments into any of the Plan’s investment options.

**Plan Expenses**

All Plan expenses may be paid out of the trust fund unless paid by the Plan sponsor. Such expenses include, without limitation, any expense incident to the functioning of the administrator and/or Investment Committee, custodial fees, and investment manager fees. Until paid, such fees and expenses remain a liability of the Plan. Expenses that are paid by SCL Health are excluded from these financial statements.

**B. Summary of Significant Accounting Policies**

**Basis of Accounting**

As discussed in Note A, on August 4, 2021, the Company elected to terminate the Plan effective September 30, 2021, subject to provisions set forth in ERISA. As a result, the Plan changed its basis of accounting for the period subsequent to December 31, 2020 to the liquidation basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

**SCL HEALTH RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**B. Summary of Significant Accounting Policies**

**Basis of Accounting – continued**

As of May 16, 2022, all of the Plan’s investments had been liquidated at fair value, except for the insurance contracts which were allocated to the participants at contract value, and distributed to participants of the Plan in accordance with ERISA rules and regulations. For participants who did not make a distribution election, their participant accounts were moved to the SCL Health 401(k) Retirement Savings Plan as part of a group rollover on approximately November 2, 2021 with certain self-directed brokerage accounts distributed in-kind a few weeks later. Included in the group rollover to the 401(k) Plan were approximately \$7 million in participant loans. The group rollover has been recorded as distributions in the Plan’s statement of changes in net assets for the year ended December 31, 2021. There were no significant amounts of accrued income or liquidation costs that needed to be recorded as of December 31, 2021. The Plan fully liquidated effective May 16, 2022, at which time the remaining insurance contracts were allocated to certain participants holding these investments.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

**Use of Estimates**

The preparation of financial statements in conformity with GAAP requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes and supplemental schedules. Actual results could differ from those estimates.

**Contributions**

Contributions from the participants are accrued as they become obligations of the Company, as determined by the Plan’s administrator, and in the period in which they are deducted, in accordance with salary deferral agreements.

**Investment Valuation and Income Recognition**

The investments of the Plan are stated at fair value (except for fully-benefit responsive investment contracts, which are reported at contract value) as of the end of the year and are subject to market or credit risks customarily associated with equity investments. Fair value measurements are determined in accordance with GAAP, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about assets and liabilities measured at fair value. See Notes C and D for information related to the Plan’s valuation methodologies.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded as earned. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

**SCL HEALTH RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**B. Summary of Significant Accounting Policies – continued**

**Notes Receivable from Participants**

Notes receivable from participants are recorded at the unpaid principal balance plus accrued but unpaid interest.

**Payment of Benefits**

Benefits are recorded when paid.

**Recently Adopted Accounting Pronouncement**

During 2021, the Plan adopted Accounting Standards Update No. 2013-07, *Presentation of Financial Statements – Liquidation Basis of Accounting*, which provides clarifying guidance for the liquidation basis of accounting. The adoption did not have a material effect on the financial statements, other than primarily adding additional disclosures regarding the Plan's termination and related liquidation of Plan assets. Accordingly, the Plan changed its basis of accounting from the ongoing basis to the liquidation basis of accounting.

**C. Excluded Investments and Activity**

The Plan has excluded from investments in the accompanying financial statements certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded from the accompanying financial statements. The amount of these excluded annuity and custodial accounts and the related income and distributions are not determinable. GAAP requires these accounts and the related income and distributions to be included in the accompanying financial statements.

**D. Fair Value Measurements**

GAAP defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and establishes a three-tier hierarchy that is used to identify assets and liabilities measured at fair value. The hierarchy focuses on the inputs used to measure fair value and requires that the lowest level input be used. The three levels defined are as follows:

- Level 1 — observable inputs that are based upon quoted market prices for identical assets or liabilities within active markets.

**SCL HEALTH RETIREMENT SAVINGS PLAN**

**NOTES TO FINANCIAL STATEMENTS (continued)**

**D. Fair Value Measurements – continued**

- Level 2 — observable inputs other than Level 1 that are based upon quoted market prices for similar assets or liabilities, based upon quoted prices within inactive markets, or inputs other than quoted market prices that are observable through market data for substantially the full term of the asset or liability.
- Level 3 — inputs that are unobservable for the particular asset or liability due to little or no market activity and are significant to the fair value of the asset or liability. These inputs reflect assumptions that market participants would use when valuing the particular asset or liability.

GAAP requires that management describe the methodologies used to measure the fair value of assets and liabilities. The methodologies used to measure the fair value of the Plan’s investments are as follows:

- Mutual funds are valued at the published per share net asset value (“NAV”) of shares held by the Plan and are classified within Level 1 of the valuation hierarchy. There are no significant restrictions on redeeming these investments at NAV.
- The self-directed brokerage account consists primarily of shares of registered investment companies that are valued at the closing priced reported on the active market on which the individual securities are traded and classified within Level 1 of the valuation hierarchy.

There have been no changes in the methodologies used at May 16, 2022, December 31, 2021 and 2020. The following table details the Plan’s investments at fair value by level, within the fair value hierarchy, as of May 16, 2022, December 31, 2021 and 2020. At May 16, 2022, December 31, 2021, and 2020 the Plan has no investments classified within Level 2 or Level 3 of the valuation hierarchy. No investments were held as of May 16, 2022.

**Investments at Fair Value as of December 31, 2021**

	<b>Level 1</b>	<b>Total</b>
Self-directed brokerage	\$ -	\$ -
Mutual funds	2,467,308	2,467,308
	\$ 2,467,308	\$ 2,467,308

**Investments at Fair Value as of December 31, 2020**

	<b>Level 1</b>	<b>Total</b>
Self-directed brokerage	\$ 20,145,651	\$ 20,145,651
Mutual funds	814,103,549	814,103,549
	\$ 834,249,200	\$ 834,249,200

**D. Fair Value Measurements – continued**

These items are classified in their entirety based on the lowest priority level of input that is significant to the fair value measurement. The assessment of the significance of a particular input to the fair value measurement requires judgment and may affect the placement of assets and liabilities within the levels of the fair value hierarchy.

**E. Fully Benefit-Responsive Investment Contracts**

The Plan holds traditional investment contracts at VALIC, Lincoln, and Mass Mutual (which became part of Empower and Great-West during 2021) as of December 31, 2021 and 2020. No such contracts were held at May 16, 2022 as all remaining contracts were allocated to participants in connection with the Plan’s termination. The contracts meet the fully benefit-responsive investment contract criteria and therefore are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The traditional investment contracts held by the Plan are guaranteed investment contracts. The contract issuers are contractually obligated to repay the principal and interest at a specified interest rate that are guaranteed to the Plan. The crediting rates are based on a formula established by the contract issuers but may not be less than 3% to 4%. The crediting rates are reviewed on a quarterly basis for resetting. The contracts cannot be terminated before the scheduled maturity dates.

The following represents balance of investment contracts held by the Plan as of December 31, 2021 and 2020:

	<b>2021</b>	<b>2020</b>
Lincoln Financial Group Fixed Account	\$ 1,202,027	\$ 1,271,490
VALIC Fixed Income Plus	10,001	3,316
Talcott Resolution General Account	397,571	494,057
Total	<b>\$ 1,609,599</b>	<b>\$ 1,768,863</b>

There were no such investments held at May 16, 2022.

VALIC began transferring the investment contract to Fidelity on October 14, 2015. In accordance with the contract, VALIC will transfer a percentage of the remaining investment balance to Fidelity each year beginning October 14, 2015, over a five year period. As of December 31, 2021 there is a balance held with VALIC related to participant loans and interest.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also limit the ability of the Plan to transact at contract value with the participants.

**F. Certified Investments**

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at December 31, 2021 and 2020, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the period January 1, 2022 to May 16, 2022, and for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Fidelity, VALIC, Lincoln, MetLife, Brighthouse, Great-West and Mass Mutual, (the custodians of the Plan).

**G. Tax Status**

The Plan is maintained and administered in accordance with Section 403(b) of the Code; therefore, contributions and earnings from investment of Plan assets are not taxable to the participants until distributed.

Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan sponsor believes that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**H. Plan Termination**

The Company has the right under the Plan to terminate the Plan subject to the provisions set forth in ERISA. On August 4, 2021, SCL Health approved an amendment to terminate the Plan effective September 30, 2021. Any unvested accounts were fully vested as a result of the termination.

**I. Party-in-Interest Transactions**

Party-in-interest transactions include those with fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, an employee organization whose members are covered by the Plan, a person who owns 50% or more of such an employer or employee organization, or relatives of such persons.

**SCL HEALTH RETIREMENT SAVINGS PLAN**  
**NOTES TO FINANCIAL STATEMENTS (continued)**

**I. Party-in-Interest Transactions – continued**

The Plan invests in shares of mutual funds managed by Brighthouse and MetLife, shares of mutual funds and a self-directed brokerage account managed by Fidelity and a traditional annuity contract managed by VALIC who act as custodians for the Plan. The Plan holds guaranteed investment contracts with Lincoln and MassMutual/Great-West who also act as custodians for the Plan. The Plan offers a group annuity contract managed by The Talcott Resolution Life Insurance Company (the “Talcott Resolution Contract”). MassMutual acts as the administrator of the Talcott Resolution Contract. Transactions in such investments, as well as loans made to participants, qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules. The Plan paid certain expenses related to Plan operations and investment activity. These transactions are party-in-interest transactions under ERISA which are exempt from the prohibited transaction rules.

Fidelity receives revenue from certain mutual fund service providers for services Fidelity provides to the funds. This revenue is used to offset certain amounts owed to Fidelity for its administrative services provided to the Plan. If the revenue received by Fidelity from such mutual fund service providers exceeds the amount owed under the terms of the custodial and recordkeeping agreement, Fidelity remits the excess to the Plan’s trust on a quarterly basis. Such amounts may be applied to pay Plan administrative expenses or allocated to the accounts of participants. The Plan or SCL Health may make a payment to Fidelity for administrative expenses not covered by sharing of the excess revenue.

**J. Subsequent Events**
