The financial statements comprise the statement of net assets available for benefits as of May 31, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended May 31, 2022, stating that the certified investment information, as described in Note 9 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section –

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter—Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended May 31, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 3, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS
MAY 31, 2022 AND 2021**

NOTE 1 - DESCRIPTION OF THE PLAN

The TOC-Woodworkers, IAM Defined Contribution Plan and Trust (the "Plan") is a defined contribution multiemployer plan with a §401(k) feature covering all eligible employees under the collective bargaining agreement or special agreement. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

THE PLAN DOCUMENT INCLUDES DETAILED RULES FOR EACH SITUATION. PARTICIPANTS SHOULD REFER TO THE PLAN DOCUMENT AND ANY AMENDMENTS REGARDING SPECIFIC PROVISIONS OF THE PLAN.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Basis of Accounting

The financial statements of the Plan are recorded on the accrual basis of accounting.

B. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

C. Employer Contributions

Employer contributions as reported are contributions made by employers on behalf of employees for hours worked during the year. Participants may also contribute to the Plan through tax-deferred salary deductions of eligible compensation, as defined in the Plan, up to the statutory maximum as determined by the Internal Revenue Code. Rollover and catch-up contributions are permitted. Contributions receivable is estimated based on contributions received subsequent to the end of the year. No allowance is provided for uncollectible accounts. Participants are immediately 100% vested.

D. Investment Valuation and Income Recognition

Accounting standards establish a fair value hierarchy that prioritizes valuation inputs into three levels based on the extent to which inputs used in measuring fair value are observable in the market:

Level 1 – Inputs are quoted prices in active markets.

Level 2 – Inputs are based on quoted prices for similar instruments and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data.

Level 3 – Inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

D. Investment Valuation and Income Recognition (Continued)

The following tables represent the Plan's fair value hierarchy for its financial assets measured at fair value on a recurring basis:

May 31, 2022				
	Level 1	Level 2	Level 3	Total
Short-Term Investment Funds	\$ -	\$ 6,391,517	\$ -	\$ 6,391,517
Investments Measured at Net Asset Value ^A				125,804,698
				<u>\$ 132,196,215</u>

May 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ 149,429,635	\$ -	\$ -	\$ 149,429,635
Short-Term Investment Funds	-	1,322,166	-	1,322,166
Total Assets in the Fair Value Hierarchy	<u>\$ 149,429,635</u>	<u>\$ 1,322,166</u>	<u>\$ -</u>	<u>\$ 150,751,801</u>

^A In accordance with ASC 820, investments measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Level 1 investments consist of mutual funds valued based on quoted prices in an active market. Level 2 investments consist of short-term investment funds valued at \$1 per share based on the values of the underlying securities and pricing matrices of similar securities.

Investments in common/collective trusts are direct filing entities and measured at net asset value per share (NAV) as a practical expedient in accordance with ASC 820. Such investments are not required to be categorized within the fair value hierarchy. Shares may be redeemed any time at net asset value. There are no restrictions on redemptions and no unfunded commitments to purchase additional shares.

Dividends are recorded on the ex-dividend date and interest income is recorded on the accrual basis. Mutual fund capital gains distributions are included in the dividend income. Net appreciation and depreciation includes gains and losses on investments bought and sold as well as held during the year.

E. Risks and Uncertainties

The Plan provides for investment options that are exposed to various risks such as interest rate, market fluctuations, and credit risk. Due to the level of uncertainty related to changes in the value of investment securities, it is possible that changes in the various risk factors, could materially affect participants' account balances and the amounts reported in the financial statements.

MAY 31, 2022 AND 2021**

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

F. Tax-Exempt Status

No provision for federal income tax is made. The Plan received its most recent favorable IRS determination letter dated January 6, 2017. The Plan administrator and the Plan's legal counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken a tax position that more likely than not would not be sustained upon examination by a tax authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. Forfeitures

There were no forfeitures during the years ended May 31, 2022 and 2021.

NOTE 3 - FUNDING POLICY

The Board of Trustees has established a funding policy and method in order to promote the purpose of the Plan and to ensure compliance with ERISA. Each employer contributes to the Plan such amounts and at such times as are required by the applicable provisions of the collective bargaining agreement, or such other agreements as are approved by the Board of Trustees. Employer contributions are based on hourly contribution rates and are made on a monthly basis.

NOTE 4 - PLAN TERMINATION

Upon the termination of the Plan, per the agreement and declaration of Trust, any and all monies remaining in the Plan after payment of all expenses and obligations of the Plan shall be distributed among the participants.

NOTE 5 - ADMINISTRATION

The Plan is administered by BeneSys for \$10,650 per month effective June 1, 2019. Participants are allocated a portion of administrative expenses based on their account balances. Milliman provides recordkeeping and daily valuation services for \$3.92 per month, per participant based on their account balance.

NOTE 6 - HEDGED RESERVE - TIMBER OPERATORS, INC. - I.W.A. DEFINED BENEFIT PLAN

Included in the net assets available for benefits is a hedged reserve account funded with assets from the terminated Timber Operators Council, Inc. - I.W.A. Defined Benefit Plan. The reserve is available to fund pension benefits for former participants and beneficiaries of the terminated defined benefit plan who come out of the "woodwork" and establish a right to benefits. Excess assets in the account may be allocated, on an agreed upon formula approved by the Board of Trustees, to former participants or their specified beneficiaries of the defined benefit plan.

NOTE 7 - METROPOLITAN LIFE CONTRACT

Metropolitan Life is holding \$4,855,184 as of June 30, 2021, to fund retirement benefits under a group annuity contract purchased for the benefit of former participants and their beneficiaries of the Timber Operators Council, Inc. - I.W.A. Defined Benefit Plan before its termination. The amount currently being held by Metropolitan Life is not reflected as an asset of the Plan. The Plan owns the group annuity contract. The group annuity contract is a participating annuity so from time to time the Plan receives an "excess asset" distribution from Metropolitan Life, which is allocated to the hedged reserve account. Metropolitan Life is solely responsible for determining when an excess assets distribution is made pursuant to the annuity contract.

NOTE 8 - RELATED PARTY TRANSACTIONS

On January 1, 2018, the Plan entered into a contract with Vigilant Services, Inc. ("VSI") for services of a VSI representative as an employer trustee and co-chair of the Board of Trustees of the Plan, representing those contributing employers not represented by any other trustee. The Plan agreed to pay \$2,500 per month.

NOTE 9 - FINANCIAL INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Information regarding investments held at May 31, 2022 and 2021 and investment income (loss) for the years then ended that is disclosed in the accompanying financial statements and supplemental schedule was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Matrix Trust Company, the custodian of the Plan.

NOTE 10 - SUBSEQUENT EVENTS

Management has evaluated subsequent events through March 10, 2023, the date on which the financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosures in these financial statements.
