## **Independent Auditor's Report**

To the Plan Administrator and Participants  
of the Total Quality Maintenance, Inc. Profit Sharing Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the September 30, 2022 Financial Statements**

We have performed an audit of the financial statements of the Total Quality Maintenance, Inc. Profit Sharing Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of September 30, 2022, and for the year then ended, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

### **Opinion on the September 30, 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying September 30, 2022 financial statements, other than those agreed to or derived from the

certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying September 30, 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion on the September 30, 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the September 30, 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the September 30, 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the September 30, 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the September 30, 2022 financial statements section of our report, our objectives are to obtain reasonable assurance about whether the September 30, 2022 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the September 30, 2022 financial statements, and reading the disclosures relating to

the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America. We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter – September 30, 2022 Supplemental Schedule Required by ERISA**

The supplemental Schedule of Assets (Held at End of Year) as of September 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter – Auditor’s Report on the September 30, 2021 Financial Statements**

We were engaged to audit the September 30, 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 26, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the September 30, 2021 financial statements, and (b) the form and content of the information included in the September 30, 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor’s Rules and Regulations for Reporting and Disclosure under ERISA.

## TOTAL QUALITY MAINTENANCE, INC. PROFIT SHARING PLAN

### NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2022 AND 2021 (See Independent Auditor's Report)

#### NOTE 1 - DESCRIPTION OF PLAN

The following description of the Total Quality Maintenance, Inc. Profit Sharing Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

**General** - The Plan is a defined contribution plan that was established on October 1, 2000 by Total Quality Maintenance, Inc. ("the Company" or "Plan Administrator") covering all eligible employees of the Company as defined in the Plan agreement. Certain classes of employees as defined in the Plan agreement are excluded from plan participation. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

A Plan Committee ("the Committee") manages the operation and administration of the Plan, including the appropriateness of the Plan's investment offerings and investment performance. The Company has contracted with Minnesota Life Insurance Company ("Minnesota Life") to act as custodian and with Securian Financial Services ("Securian") to process and maintain certain records of participant data. The Company has contracted with a third-party administrator to provide certain record-keeping and plan services. Certain company personnel serve as plan trustees.

**Contributions** - Each year, participants may contribute an amount of eligible pre-tax annual compensation as defined in the Plan agreement, not to exceed the maximum statutory amount. The Plan allows for ROTH deferral contributions. Participants who are age 50 or older can elect to make catch-up contributions to the Plan, not to exceed the maximum statutory amount. Participants may also contribute amounts representing distributions from other qualified eligible plans.

The Plan allows for an employer safe harbor matching contribution subject to certain eligibility requirements. For the year ended September 30, 2022, the Company contributed a safe harbor matching contribution equal to 100% of the participant's elective deferrals not to exceed 3% of the participant's eligible compensation, plus 50% of the participant's elective deferrals between 3% and 5% of the participant's eligible compensation. The Company's safe harbor matching contribution was \$133,339 for the year ended September 30, 2022.

The Plan also allows for an employer discretionary matching contribution and/or an employer discretionary non-elective contribution subject to certain eligibility requirements; none were made for the year ended September 30, 2022.

NOTES TO FINANCIAL STATEMENTS (Continued)  
SEPTEMBER 30, 2022 AND 2021 (See Independent Auditor's Report)

**Participant Accounts** - Each participant's account is credited with the participant's contribution, the Company's safe harbor matching contribution, the discretionary matching contribution (if any), an allocation of the discretionary non-elective contribution (if any), plan earnings and losses, and plan expenses as applicable to the Plan. Allocations of the discretionary non-elective contribution are based on employee classification. Allocations of plan earnings and losses are based on individual participant investment choices. All contributions/investments are participant directed. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**Vesting** - Participants are 100% vested in their contributions, rollover amounts and safe harbor matching contribution, plus actual earnings thereon. Vesting in the discretionary matching contribution and discretionary non-elective contribution and earnings is based on years of credited service as follows: less than 2 years – 0%, 2 years but less than 3 years – 20%, 3 years but less than 4 years – 40%, 4 years but less than 5 years – 60%, 5 years but less than 6 years – 80% and 6 years or more – 100%. Participants become fully vested in the event of death, disability, retirement age, or plan termination.

**Notes Receivable from Participants** - Notes receivable from participants are not permitted in the Plan.

**Payment of Benefits** - Upon the satisfaction of certain distributable events, participants or their beneficiaries may elect to receive their vested account balance and are paid in accordance with plan provisions.

**Forfeited Accounts** - Forfeited accounts can be used to restore forfeitures, to reduce employer contributions, reallocated to eligible participants or to pay plan expenses.

### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Basis of Accounting** - The financial statements of the Plan are prepared on the accrual basis of accounting.

**Use of Estimates** - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTES TO FINANCIAL STATEMENTS (Continued)  
SEPTEMBER 30, 2022 AND 2021 (See Independent Auditor's Report)

***Investment Valuation and Income Recognition*** - Investments are reported at fair value except for fully benefit-responsive investments which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by Minnesota Life. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

***Excess Contributions Payable*** - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability. As of September 30, 2022 and 2021, there were no excess contributions payable.

***Plan Expenses*** - For the year ended September 30, 2022, some plan fees were paid by the Company and these amounts are excluded from the Plan's financial statements. Investment/fund fees, certain participant transaction fees and annual plan administration fees are charged to participant accounts as applicable.

***Payment of Benefits*** - Benefits are recorded when paid.

***Subsequent Events*** - The Plan has evaluated subsequent events through March 15, 2023, the date the financial statements were available to be issued.

### NOTE 3 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS (Continued)  
SEPTEMBER 30, 2022 AND 2021 (See Independent Auditor's Report)

### **NOTE 4 - CERTIFIED INVESTMENTS**

Certain information related to investments disclosed in the accompanying financial statements and ERISA required supplemental schedule, including investments held at September 30, 2022 and 2021, interest and net depreciation in fair value of investments for the year ended September 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Minnesota Life.

### **NOTE 5 - FAIR VALUE MEASUREMENTS**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

**Level 1** - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has ability to access.

**Level 2** - Inputs other than quoted prices include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

**Level 3** - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS (Continued)  
SEPTEMBER 30, 2022 AND 2021 (See Independent Auditor's Report)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of September 30, 2022 and 2021.

**Pooled Separate Accounts:** Units held in the Plan's pooled separate accounts under the Plan's contract with Minnesota Life are valued using a net asset value ("NAV") method similar to a mutual fund NAV calculation. The NAV is based on the fair value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of units outstanding. The NAV of a pooled separate account is calculated based on a compilation of primarily observable market information. The number of units of the fund that are outstanding on the calculation date is derived from observable purchases, and redemption activity in the fund. The Plan invests in the custodian's pooled separate accounts, which invest in various types of securities. The NAV is used as a practical expedient to estimate fair value for the funds. This practical expedient would not be used if it is determined to be probable that the funds will sell the investments for an amount different from the reported NAV. For the pooled separate accounts under the Plan's contract with Minnesota Life, there are no unfunded commitments and the units can be redeemed daily. The contract can be liquidated with a 60 day discontinuance written notice sent by the Company to Minnesota Life. A market value/liquidation charge may apply upon termination of the contract. At this time, the Plan Sponsor does not intend to terminate its contract with Minnesota Life.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30, 2022 and 2021.

| <u>Assets at Fair Value as of September 30, 2022</u> |                |                |                |              |

NOTES TO FINANCIAL STATEMENTS (Continued)  
SEPTEMBER 30, 2022 AND 2021 (See Independent Auditor's Report)

- (a) Certain investments that were measured at NAV (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

### **NOTE 6 - GUARANTEED ACCOUNT**

The Minnesota Life Guaranteed Return Account is invested in the general assets of Minnesota Life. General assets are predominately fixed income investments. The fund is considered fully benefit responsive. As of September 30, 2022 and 2021, the fund is reported at contract value which approximates fair value.

The fund's value does not fluctuate daily with the investment markets. Minnesota Life guarantees the principal amount and pays a stated rate of interest. The guarantees are based on the financial strength and claims-paying ability of Minnesota Life. Because the fund guarantees the preservation of principal and accrued interest, Minnesota Life assumes the market risk associated with the investment of these assets. To assist in managing this risk, the following transfer restrictions apply: transfer restrictions may exist for transfers out of the fund to any competing investment option. Currently the Plan has no competing investment options. The fund's minimum crediting rate under the contract is 1.50%. The rate from October 1, 2021 to September 30, 2022 was 1.50%.

### **NOTE 7 - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS**

Plan investments are held by Minnesota Life. Any purchases and sales of these investments are performed in the open market at fair value or contract value. Plan related fees are paid to Minnesota Life, to Securian, and to the third-party administrator. The Plan has other service providers. All these transactions, while considered party-in-interest transactions under ERISA regulations, are permitted under the provisions of the Plan and are specifically exempt from the prohibition of party-in-interest transactions under ERISA.

### **NOTE 8 - PLAN TERMINATION AND/OR MODIFICATION**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

## **TOTAL QUALITY MAINTENANCE, INC. PROFIT SHARING PLAN**

NOTES TO FINANCIAL STATEMENTS (Continued)  
SEPTEMBER 30, 2022 AND 2021 (See Independent Auditor's Report)

### **NOTE 9 - TAX STATUS**

The Plan adopted a non-standardized pre-approved plan which received an opinion letter dated June 30, 2020 from the IRS. Plan has been amended since, however, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes the Plan is qualified, and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by various taxing authorities and government agencies. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### **NOTE 10 - SUBSEQUENT EVENT**

The global COVID-19 outbreak and various other macroeconomic factors such as rising interest rates, inflation, supply chain and labor disruptions, geopolitical risks, and other risks and uncertainties have caused financial market disruptions. These factors could have adversely impacted the amounts reported in the financial statements and the value of participants' account balances. The Plan Administrator is unable to quantify the potential effects of the various factors on the financial status of the Plan and participants' account balances.
