Independent Auditor's Report

To the Plan Administrator of
Jupiter Christian School, Inc. 401(k) Retirement Plan
Jupiter, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed audit of the accompanying financial statements of Jupiter Christian School, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for benefits as of December 31, 2021 and the related statement of changes in net assets available for benefits for the period July 1, 2021 through December 31, 2021, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Jupiter Christian School, Inc. 401(k) Retirement Plan financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institutions, in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained certification from the qualified institutions as of December 31, 2021 and June 30, 2021 and for the period July 1, 2021 through December 31, 2021, stating that the certified investment information, as described in Note 3 to the 2021 financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Jupiter Christian School, Inc. 401(k) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of 2021 financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Jupiter Christian School, Inc. 401(k) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Jupiter Christian School, Inc. 401(k) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Jupiter Christian School, Inc. 401(k) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2021 Supplemental Information Required by ERISA

The supplemental information of Schedule H, line 4a – schedule of delinquent participant contributions and Schedule H, line 4i – schedule of assets (held at end of year), as of or for the period ended December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental information, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental information that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental information, we evaluated whether the supplemental information, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- The form and content of the supplemental information, other than the information in the supplemental information that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental information related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C)

Emphasis of Matter – Change in Fiscal Year

As described in Note 1 to the financial statements, the Board of Directors of Jupiter Christian School, Inc. approved a Plan amendment to change the Plan fiscal year from June 30 to December 31. Our opinion is not modified with respect to that matter.

Other Matter - Auditor's Report on the June 30, 2021 Financial Statements

We were engaged to audit the June 30, 2021 financial statements of the Jupiter Christian School, Inc. 401(k) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company (U.S.A.). In our report, dated March 10, 2022, we indicated that: (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the June 30, 2021 financial statements, and (b) the form and content of the information included in the June 30, 2021 financial statements other than that derived from the certified information, were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

JUPITER CHRISTIAN SCHOOL, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Jupiter Christian School, Inc. 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a defined contribution plan established on October 1, 1998 for the benefit of the employees of Jupiter Christian School, Inc. (the Plan Sponsor, the School, or the Employer). The Plan has since been amended and restated throughout the years to comply with tax legislation. The Plan covers substantially all employees of Jupiter Christian School, Inc. Eligible employees enter the Plan after completing the service requirement of at least 500 hours of credited service or six (6) months of credited service and reaching age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The School is the Plan Administrator and responsible for the Plan's governance, Plan operations, the appropriateness of investment offerings, and monitoring investment performance. John Hancock Life Insurance Company (U.S.A) served as the Plan's Custodian as of June 30, 2021, and for the period July 1, 2021, through November 16, 2021. Effective November 17, 2021, Transamerica Financial Life Insurance Company (Transamerica) became the Custodian and recordkeeper of the Plan. Definiti (Pension Studio, Inc.) provided third party administrative services to the Plan for the period July 1, 2021, through July 21, 2021. Effective July 22, 2022, TAG Resources, LLC (TAG) provides fiduciary and third-party administrative services to the Plan.

Plan amendment and restatement

The Plan was amended and restated effective October 1, 2021 to comply with certain tax legislation and to change the Plan fiscal year end from June 30th to December 31st. Additionally, effective October 1, 2021, the Plan was amended to change the service requirement from 500 hours of credited service or six (6) months of credited service to completing of 83 hours of credited service or one (1) month of credited service to be eligible for participating in the Plan.

Contributions

Each year, participants may contribute up to 90% of their annual compensation, as defined by the Plan, within the limits prescribed by the Internal Revenue Service (IRS). For the period ended December 31, 2021, individual participant contributions were limited to \$19,500. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions of up to \$6,500 for the period ended December 31, 2021. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Plan's provisions also provide for Roth 401(k) elective deferrals.

The Employer may make discretionary matching and profit-sharing contributions to the Plan. Participants must complete 1,000 hours of credited service or one year of credited service, reach the age of 21, and be employed on the last day of the Plan year in order to be eligible for discretionary and profit-sharing matching contributions. For the period ended December 31, 2021, the Employer elected to not make any contributions.

Participant accounts

Each participant's account is credited with the participant's contributions and an allocation of: (a) the School's contributions (if any), and (b) Plan earnings or losses thereon, and charged with his or her withdrawals and an allocation of administrative expenses. Allocations are based on participant earnings or losses, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of this investment options available under the Plan.

Note 1 – Description of Plan, Continued

Vesting

Participants are immediately vested in their individual contributions plus actual earnings or losses thereon. Vesting in any Employer contributions, plus any earnings or losses thereon, is based on years of continuous service. Participants who become eligible, and are enrolled in the Plan, will receive vesting credit for years of service based only on the elapsed time method, as defined. A participant is fully vested after six years of credited service based on a graded vesting schedule. Participant accounts become fully vested upon reaching normal retirement age of sixty-five (65), death, disability, or upon Plan termination.

Forfeitures

Forfeited non-vested accounts may be used to offset certain Plan administrative expenses or reduce future Employer contributions. For the period ended December 31, 2021, forfeitures totaling \$4,728 were utilized by the Plan to offset certain Plan administrative expenses. As of December 31, 2021 and June 30, 2021, available forfeited nonvested accounts totaled \$13,469 and \$0 respectively.

Participant notes receivable

Participants are permitted to borrow a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms may not exceed five years, unless used to purchase a principal residence which may have terms of up to 30 years. Loans are secured by the vested account balance in the participant's account and bear a reasonable rate of interest. A participant may only have one loan outstanding at any time. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Principal and interest are repaid through regular payroll deductions.

Payment of benefits

On termination of service due to death, disability, or normal retirement age (65), or qualifying under certain hardship rules, as prescribed by the IRS, a participant (or beneficiary) may elect to receive distributions from the Plan equal to the value of the participant's vested interest in his or her account in either a lump-sum distribution, or purchase of an annuity. For termination of service for any other reason, a participant may choose to leave the vested interest in the Plan if such amounts exceed \$5,000 or elect a lump sum distribution. Participants may elect to take an in-service distribution of vested funds if they meet certain defined requirements, including becoming disabled, reaching age 59½, or for heavy financial hardship needs, as defined.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets. Certain administrative expenses are paid by the Plan Sponsor and are not reflected in these financial statements.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan are prepared using the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

JUPITER CHRISTIAN SCHOOL, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Investment valuation and income recognition

Investments are reported at fair value (except for the fully benefit-responsive investment contract which is valued at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and the Custodian.

Interest income is recognized when earned. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP requires the Plan management to make estimates and assumptions that affect the reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and those differences may be material.

Risks and uncertainties

The Plan provides for various investment securities. Investment securities are exposed to various risks, such as interest rate risk, market risk, liquidity risk and credit risk. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risks in the near-term would materially affect participants' account balances and the amounts reported in the financial statements.

Participant notes receivables

Participant notes receivable are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual method. Related fees are recorded as administrative expenses and expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2021 and June 30, 2021. If a participant ceases to make scheduled repayments and the Plan Administrator deems the participant note receivable to be in default, the note receivable balance is reduced, and a benefit payment recorded.

Payments of benefits

The Plan records benefits when paid.

Plan administration

The Employer is the Plan Administrator and, as such, controls and manages the operation and administration of the Plan pursuant to the terms and conditions of the Plan. John Hancock Life Insurance Company (U.S.A) served as the Plan's Custodian as of June 30, 2021, and for the period July 1, 2021, through November 16, 2021. Effective November 17, 2021, Transamerica Financial Life Insurance Company (Transamerica) became the Custodian of the Plan. Definiti (Pension Studio, Inc.) provided third party administrative services to the Plan for the period July 1, 2021, through July 21, 2021. Effective July 22, 2021, TAG Resources, LLC (TAG) became the Plan's third-party administrator and recordkeeper. Fees from covered service providers of the Plan are in compliance with Department of Labor's (DOL) regulations regarding ERISA Section 408(b)(2).

JUPITER CHRISTIAN SCHOOL, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Administrative expenses

Administrative expenses include loan fees charged directly to participants' accounts and investment management service fees which are paid through revenue sharing and forfeitures of the Plan Sponsor's contributions, with any remaining balance paid from investment returns.

Uncertain tax positions

U.S. GAAP requires the Plan to assess its uncertain tax positions for the likelihood they would be overturned upon examination by the IRS. In accordance with this guidance, the Plan Administrator has determined it does not have any positions at December 31, 2021 that it would be unable to substantiate.

Note 3 – Investment information Certified by the Custodian and Former Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company, (the Custodian) and John Hancock Life Insurance Company (U.S.A), (the former Custodian), both qualified institutions, have certified that the following investment information included in the accompanying financial statements and ERISA-required supplemental schedule is complete and accurate:

- Investments and participant notes receivable as shown on the statements of net assets available for benefits as of December 31, 2021 and June 30, 2021;
- Net investment activity and interest income on participant notes receivable as shown in the statement of changes in net assets available for benefits for the period July 1, 2021 through December 31, 2021; and
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of December 31, 2021.

At the request of the Plan's Administrator, the Plan's independent auditors did not perform auditing procedures with respect to this certified information, except for comparing such certified information to the related investment information included in the financial statements and ERISA-required supplemental schedule.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

JUPITER CHRISTIAN SCHOOL, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 4 – Fair Value Measurements, Continued

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodology used at December 31, 2021 and June 30, 2021.

Following is a description of the valuation methodology used for assets measured at fair value:

Pooled separate accounts – Valued at its net asset value (NAV) based upon the units of such pooled separate accounts held by the Plan at year-end multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon significant observable inputs, but are not based upon quoted market prices in an active market and are therefore considered Level 2 investments within the fair value hierarchy.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's investments measured at fair value, on a recurring basis, as of December 31, 2021 and June 30, 2021.

	Fair Value Measurements as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 1,692,843	\$ -	\$ 1,692,843

	Fair Value Measurements as of June 30, 2021			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 1,749,251	\$ -	\$ 1,749,251

Note 5 – Guaranteed Investment in Contract with Insurance Company

The Plan has a fully benefit-responsive traditional investment contract with Transamerica Financial Life Insurance Company (Transamerica are the issuer) in the Transamerica Stable Value Advantage Option (Stable Value Advantage Option) totaling \$16,574 as of December 31, 2021. Contributions to the Stable Value Advantage Option are maintained in Transamerica's general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. Transamerica is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The effective rate of interest is established every January 1 and July 1 and is based on the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period.

The average crediting rate for the period ended December 31, 2021 was 1.45%. Per the contract's terms, Transamerica may not terminate the agreement prior to the scheduled maturity date.

The contract meets the fully benefit-responsive investment criteria and, therefore, is reported at contract value. Contract value is the relevant measurement for fully benefit-responsive investment contracts, because it is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by Transamerica, represents contributions made under the contract, plus earnings, less participant withdrawals and expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

JUPITER CHRISTIAN SCHOOL, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 5 – Guaranteed Investment in Contract with Insurance Company, Continued

The Plan's ability to receive amounts due is dependent on Transamerica's ability to meet its financial obligations. Transamerica's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events limit the ability of the Plan to transact at contract value with Transamerica. Such events include amendments to the Plan documents (including complete or partial plan termination or merger with another plan), changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, bankruptcy of the Plan Sponsor or other Plan Sponsor events that cause a significant withdrawal from the Plan, the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA or premature termination of the contract.

The Plan Administrator does not believe any events are probable of occurring that might limit the ability of the Plan to transact at contract value with Transamerica and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow Transamerica to terminate the contract with the Plan and settle at an amount different from contract value. Such events include an uncured violation of the Plan's investment guidelines, a breach of a material obligation under the contract, a material misrepresentation or a material amendment to the agreement without consent of Transamerica.

Note 6 – Party-In-Interest Transactions

Parties-in-interest are defined under the DOL Regulations as any fiduciary of the Plan, any party rendering service to the Plan, the Employer and certain others. For the period July 1, 2021 through November 16, 2021, the Plan's investments were maintained and managed by John Hancock Life Insurance Company (former Custodian) who served as the Plan's Custodian and, therefore, transactions with the former Custodian qualified as party-in-interest transactions. Effective November 17, 2021, and as of December 31, 2021, Transamerica Financial Life Insurance Company (Transamerica) serves as the Plan's Custodian. The Plan's investments consist of pooled separate accounts and a guaranteed investment contract issued, managed, and administered by Transamerica. Therefore, transactions with Transamerica qualify as party-in-interest transactions.

Certain administrative functions are performed by officers and employees of the Plan Sponsor. No officer or employee receives compensation from the Plan for these services.

Fees incurred for the Plan for investment management services are included in net appreciation in fair value of investments, which were not covered by revenue sharing. The Plan also made direct payments to service providers which were not covered by revenue sharing.

Note 7 – Fidelity Bond

The Plan has complied with the fidelity bonding requirements of ERISA.

Note 8 – Tax Status

The IRS determined, by letter, dated August 17, 2021, that the Non-Standardized Pre-Approved Profit Sharing Plan and related trust as then designed, qualifies under Section 401(a) of the Internal Revenue Code (IRC) and, therefore, the Plan and its related trust are tax-exempt. The Plan has not received a determination letter specific to the Plan itself. The Plan has been amended since receiving the determination letter, however, the Plan Administrator and the Plan's tax counsel believe that the Plan, as designed, is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

JUPITER CHRISTIAN SCHOOL, INC. 401(k) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 8 – Tax Status, Continued

The Plan is subject to routine audit by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2019.

Note 9 – Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Employer contribution portion of their account balances.

Note 10 – Delinquent Participant Contributions

During the period ended December 31, 2021, the Plan Sponsor failed to timely remit certain participant deferrals and loan repayments to the Plan totaling \$65,052. As of the date of this report, the Plan Sponsor has corrected \$45,352 of the late remittances and the related lost earnings has been reimbursed to the Plan. Late remittances of participant contributions constitute a prohibited transaction under ERISA section 406, regardless of materiality. Plan Sponsor has not remitted lost earnings to the Plan for \$19,700 of late remittances.

Note 11 – Subsequent Events

Effective January 1, 2022, the Plan was amended to revise the period service requirement to 250 hours of credited service or 3 months of credited service. Additionally, the Plan was amended to change the School's discretionary matching contribution to 200% of the participant's contributions that are not in excess of 2% of the Participant's eligible compensation, as defined.

The Plan evaluated events occurring subsequent to December 31, 2021 through February 15, 2023, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the notes thereto.
