Report of Independent Auditors

To the Plan Administrator and Participants
403(b) Thrift Plan of Community Nurse Home Care, Inc.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the 403(b) Thrift Plan of Community Nurse Home Care, Inc., an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with the ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section

- The amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the 403(b) Thrift Plan of Community Nurse Home Care, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Community Nurse Home Care, Inc.'s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the 403(b) Thrift Plan of Community Nurse Home Care, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of Community Nurse Home Care, Inc.'s ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of June 30, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the 403(b) Thrift Plan of Community Nurse Home Care, Inc. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

June 30, 2022

1. Description of Plan

The following description of the 403(b) Thrift Plan of Community Nurse Home Care, Inc. (Plan) provides only general information. Participants should refer to the Summary Plan Description and the Plan document for a more complete description of the Plan's provisions.

General

The Plan, effective October 1, 2007 and most recently amended and restated effective February 27, 2020, is a defined contribution plan covering all employees of Community Nurse Home Care, Inc. and Community Nurse Private Care, Inc. (collectively, the Company). The Plan also includes assets contributed as part of the tax-deferred annuity plan through a plan information sharing agreement. Employees are eligible to participate in the Plan on the first day of the month after the date of hire and upon completion of an enrollment form. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute from 1% to 100% of their respective pretax annual compensation, subject to limitations established by the Plan and the Internal Revenue Service. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan provides for a 1% automatic deferral election for eligible employees. The automatic deferral election is applicable to newly hired eligible employees unless they affirmatively elect either a different reduction amount or no reduction. Amounts will be invested in retirement age funds based upon date of birth of participant.

The Plan permits Roth elective deferrals. Roth elective deferrals are treated in the same manner as participant elective deferrals, except that Roth elective deferrals are not "pre-tax" deferrals as defined in the Code.

Certain employees may be eligible to make additional contributions. To be eligible for this special catch-up contribution, you must have completed at least 15 years of service with the Company.

403(b) Thrift Plan of Community Nurse
Home Care, Inc.

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Contributions (continued)

The Company provides a discretionary base contribution to those eligible participants in the Plan over 21 years of age and who have completed one year of service (12 consecutive months.) Once eligible, participant must have at least 1,000 hours of service during the year to receive a contribution and be employed at the end of the Plan year. For the plan years ended June 30, 2022 and 2021, the Company contributed 3% and 3.2%, respectively, of eligible compensation. The gross contribution approved for each of the plan years ended June 30, 2022 and 2021 was \$214,029 and \$236,478, respectively. The net contribution contributed by the Company was \$212,249 and \$212,641 for the years ended June 30, 2022 and 2021, respectively, after the use of forfeitures.

Participants direct the investment of their contributions and the Company contribution into various investment options offered by the Plan.

Participants Accounts

Each participant's account is credited with the participant's contribution, Company contributions and a pro rata allocation of the Fund's investment gains or losses. The benefit to which a participant is entitled is the vested portion from the participant's account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's base contribution portion of their accounts plus actual earnings thereon is based on years of continuous service.

A participant is 100% vested in their Company base contributions after the completion of three years of credited service.

Forfeitures

At June 30, 2022 and 2021, forfeited non-vested employer contributions totaled \$3,466 and \$23,740, respectively. These amounts are used to reduce future employer contributions. Forfeitures used to reduce employer contributions during the years ended June 30, 2022 and 2021 amounted to \$1,780 and \$23,836, respectively.

403(b) Thrift Plan of Community Nurse
Home Care, Inc.

Notes to Financial Statements (continued)

1. Description of Plan (continued)

Notes Receivable from Participants

Participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested employee contribution account. Loan terms range from 1-5 years or up to 10 years for the purchase of a primary residence. Participants' account balances are held as collateral against the loan. The amount borrowed plus 20% is secured against the Interest Accumulation Account of the participant. Loan proceeds are from Mutual of America's general assets. Loans bear interest at a rate set by Mutual of America's Rates Committee and are re-evaluated every quarter. New loans are charged a rate 3% higher than the current rate credited to the Interest Accumulation Account. As of June 30, 2022 and 2021, collateralized loans to participants totaled \$11,316 and \$17,453, respectively.

Effective May 1, 2020, all participant loans are repaid through automatic clearing house (ACH) payments or other method from the participant's bank account and not through payroll deduction.

Payment of Benefits

Upon termination of service, or upon death, disability or retirement, a participant may receive a lump-sum amount equal to the vested value of his or her account or other available options.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its discretionary contributions at any time and to terminate the Plan subject to the provisions of ERISA.

2. Summary of Accounting Policies

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting.

403(b) Thrift Plan of Community Nurse
Home Care, Inc.

Notes to Financial Statements (continued)

2. Summary of Accounting Policies (continued)

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for the fully benefit-responsive interest accumulation account, which is reported at contract value. Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (an exit price). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for the management of investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, management fees and operating expenses are reflected as a reduction of investment return for such investments.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan's expenses are paid either by the Plan or the Company, as provided by the Plan document. Expenses that are paid directly by the Company are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid directly by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits.

403(b) Thrift Plan of Community Nurse
Home Care, Inc.

Notes to Financial Statements (continued)

2. Summary of Accounting Policies (continued)

Reclassification

Certain 2021 financial statement amounts have been reclassified to conform to the 2022 financial statement presentation.

3. Investments

All investment information disclosed in the accompanying financial statements and schedule, including investments held at June 30, 2022 and 2021, and net appreciation in fair value of pooled separate accounts, dividends and interest income and investment expenses for the years then ended, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan.

4. Fair Value Measurements

The fair value framework establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below.

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- Quoted prices for similar assets and liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in markets that are not active
- Observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

403(b) Thrift Plan of Community Nurse
Home Care, Inc.

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

The following is a description of the valuation methodologies used by the Plan. There have been no changes in the valuation methodologies at June 30, 2022 and 2021.

Pooled separate accounts are valued at the fair value of the participation units owned by the Plan in the pooled separate accounts of Mutual of America Life Insurance Company (MofA) which are based on quoted redemption values. Such redemption values are established daily based on the quoted market prices of the underlying securities at the end of each business day and unitized by Mutual of America. Participant transactions (purchased and sales) may occur daily. There are no unfunded commitments.

The valuation methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while plan management believes the valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Plan holds no investments that are required to be leveled within the fair value hierarchy as of June 30, 2022 and 2021.

Investments measured at net asset value

	<u>2022</u>	<u>2021</u>
Pooled separate accounts *	<u>\$ 8,769,260</u>	<u>\$ 9,828,954</u>
Investments at fair value	<u>\$ 8,769,260</u>	<u>\$ 9,828,954</u>

403(b) Thrift Plan of Community Nurse
Home Care, Inc.

Notes to Financial Statements (continued)

4. Fair Value Measurements (continued)

* In accordance with Accounting Standards Update 2015-07 of ASC 820-10, certain investments that are measured at fair value using the net asset value per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

Accounting standards require disclosure of investment strategies for investments valued using net asset value as a practical expedient to estimate fair value if the investment does not file a Form 5500 with the DOL as a direct filing entity.

The following table discloses investment strategies for such investments:

	<u>2022</u>	<u>2021</u>
Investments measured at net asset value		
Pooled separate accounts:		
Target retirement date (a)	\$ 4,615,917	\$ 4,856,475
Lifestyle (b)	441,637	478,888
Growth (c)	2,047,689	2,594,735
Fixed income (d)	436,029	469,239
Growth and income (e)	1,227,988	1,429,617
Total pooled separate accounts	<u>\$ 8,769,260</u>	<u>\$ 9,828,954</u>

- (a) Target date retirement accounts seek high total return until its target retirement date. Thereafter, the account's objective is to seek high current income and, as a secondary objective, capital appreciation.
- (b) Lifestyle pooled separate accounts seek to invest in a mix of investments that take more risk when the fund has a more aggressive investment strategy versus a conservative investment strategy and adjusts the risk over time.
- (c) Growth pooled separate accounts seek to achieve conservation of capital, current income and long-term growth of capital and income.
- (d) Fixed income pooled separate accounts seek long term growth of capital while seeking to both manage the volatility of return and limit the magnitude of portfolio losses.
- (e) Growth and income pooled separate accounts seek capital growth and current income and invest in equity and debt securities of domestic and foreign companies.

403(b) Thrift Plan of Community Nurse
Home Care, Inc.

Notes to Financial Statements (continued)

5. Interest Accumulation Account

The *interest accumulation account* with MofA maintains the contributions in a general account. This contract/account meets the fully benefit responsive investment contract criteria and therefore is reported at contract value. Contract value is the relative measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the contract. Contract value, as reported by MofA, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. MofA is contractually obligated to repay the principal and a specified MofA interest rate that is guaranteed to the Plan. There are no surrender charges or market value adjustments associated with this account at any time. The rate of interest cannot be less than 1%. The average rate of return allocated to participant accounts was 1.35% and 1.57% for the years ended June 30, 2022 and 2021, respectively.

6. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

7. Parties-In-Interest

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, the management of investments held by the custodian are considered party-in-interest transactions.

Plan investments are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is also the plan recordkeeper and, therefore, these investment transactions qualify as party-in-interest. These investments and transactions are considered to be party-in-interest transactions; however, they are exempt from the prohibited transaction rules under ERISA.

403(b) Thrift Plan of Community Nurse
Home Care, Inc.

Notes to Financial Statements (continued)

8. Income Tax Status

The Plan has adopted the Mutual of America Prototype Non-Standardized 403(b) Plan and the prototype has received an advisory letter from the Internal Revenue Service (IRS) dated March 31, 2017 stating that the form of the plan is acceptable under Section 403(b) of the Internal Revenue Code (Code), and therefore, the related trust is tax exempt. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Although the Plan has been amended since receiving the advisory letter, the plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax exempt.

Accounting standards require recording uncertain income tax positions that exist in the Plan's financial statements. Plan management has determined there are no uncertain tax positions and believes there is no adjustment or disclosure required in the Plan's financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

9. Reconciliation of Financial Statements to the Form 5500

The following is a reconciliation of the Plan's net assets as reported in the Form 5500 to net assets available for benefits per the financial statements at June 30, 2022 and 2021:

	<u>2022</u>	<u>2021</u>
Net assets available for benefits per the Form 5500	\$ 11,826,406	\$ 12,792,155
Plus: employer contributions receivable	<u>212,249</u>	<u>212,641</u>
Net assets available for benefits per the financial statements	<u>\$ 12,038,655</u>	<u>\$ 13,004,796</u>

The following is a reconciliation of the net change per the Form 5500 to the net change per the financial statements for the year ended June 30, 2022:

Net decrease per the Form 5500	\$ (965,749)
Less: employer contributions receivable at June 30, 2021	(212,641)
Add: employer contributions receivable at June 30, 2022	<u>212,249</u>
Net decrease per the financial statements	<u>\$ (966,141)</u>
