## **INDEPENDENT AUDITOR'S REPORT**

Board of Directors of Community Health Net  
Community Health Net 403(b) Retirement Plan  
Erie, Pennsylvania

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements**

We have performed an audit of the financial statements of the Community Health Net 403(b) Retirement Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA (qualified institution).

Management has obtained certifications from the qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is either complete and accurate or to the best of their knowledge, is accurate and complete.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the 2022 financial statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Other Matter - 2022 Supplemental Schedule Required by the ERISA**

The supplemental schedule, schedule of assets held at end of year, as of June 30, 2022, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.
- The information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

## **Other Matter - Auditor's Report on the 2021 Financial Statements**

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institutions. In our report dated March 28, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the ERISA.

## COMMUNITY HEALTH NET 403(b) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### Note 1. Description of Plan

The following is a brief description of the Community Health Net 403(b) Retirement Plan (Plan) and provides only general information. Participants should refer to the Plan document or the Summary Plan Description for a complete description of the Plan's provisions.

**General:** The Plan is a defined contribution 403(b) plan covering employees of Community Health Net (Organization or Plan Sponsor) who work at least 20 hours per week. The Plan is intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Eligibility:** Employees are eligible to participate in the Plan immediately upon being hired by the Organization. Participants are eligible for employer discretionary contributions after one year (1,000 hours) of service.

**Contributions:** Employees may contribute annual compensation as defined in the Plan up to the maximum amount allowed by the Internal Revenue Code. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Organization may make discretionary matching contributions. The Plan elected to make matching contributions of up to 2% of each participant's deferral for each of the Plan years ended June 30, 2022 and 2021. The Organization may also make non-elective contributions, but has not elected to do so since the Plan's inception.

**Participant accounts:** Each participant's account is (a) credited with the participant's contributions, (b) credited with the Organization's contributions, if any, (c) credited (reduced) with an allocation of investment income (loss) and appreciation (depreciation) in the fair value of investments, (d) reduced by the participant's withdrawals, and (e) reduced by administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocations to individual participant accounts are based upon share values at specified valuation dates.

**Vesting:** Participants are immediately vested in their contributions and rollover contributions, as defined by the Plan document, plus actual earnings thereon. Vesting in the Organization's matching and non-elective contribution portions of their accounts plus actual earnings thereon are based on years of service on a graduated vesting schedule. Participants are 100% vested after five years of credited service. Additionally, participants become fully vested, regardless of vesting table, upon attainment of normal retirement age, upon retirement due to disability, upon death, or upon termination of the Plan.

**Notes receivable from participants:** Loans are not permitted by the Plan.

**Payment of benefits:** On termination of service due to death, disability, or retirement, a participant will receive a lump-sum distribution. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. The Plan Sponsor may initiate a mandatory distribution for those terminated participants whose vested account balance is \$1,000 or less. Participants were also entitled to receive all or a portion of their before-tax savings contributions in the form of a hardship withdrawal, if they had met Plan provisions for such a withdrawal.

**Forfeited accounts:** Forfeitures which are attributable to employer contributions and which are not used to pay administrative expenses of the Plan will be used to reduce employer contributions. Forfeitures of \$1,659 and \$4,502 were used for Plan expenses during the Plan years ended June 30, 2022 and 2021, respectively. As of June 30, 2022 and 2021, forfeited non-vested accounts totaled \$3,118 and \$1,434, respectively.

#### **Note 2. Significant Accounting Policies**

The accounting policies followed by the Plan and the method of applying those policies which materially affect the determination of net assets available for benefits and changes in net assets available for benefits are as follows:

**Basis of accounting:** The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

**Use of estimates:** The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets available for Plan benefits and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Investment valuation and income recognition:** Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Payments of benefits:** Benefits are recorded when paid.

**Administrative expenses:** The Plan's administrative expenses are paid by either the Plan or the Plan Sponsor as provided by the Plan document.

**Subsequent events:** In preparing these financial statements, the Plan evaluated events that occurred through February 10, 2023, the date the financial statements were available to be issued, for potential recognition or disclosure.

#### **Note 3. Information Certified by Custodians and Agent for the Custodian**

The Plan Administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the ERISA for 2022 and 2021. Accordingly, Empower Retirement, a trademark of Great-West Life & Annuity Insurance Company (Empower), Brighthouse Life Insurance Company (Brighthouse Financial), and Massachusetts Mutual Life Insurance Company (Mass Mutual), the administrative services provider for contracts issued by Talcott Resolution Life Insurance Company, as agent (Agent) for Talcott Resolution Life Insurance Company, the Custodians of the Plan, have certified to the completeness and accuracy or to the best of their knowledge, accuracy and completeness of all investments reported on the accompanying statements of net assets available for benefits as of June 30, 2022 and 2021, the related investment activity reported on the statements of changes in net assets available for benefits for the years ended June 30, 2022 and 2021, and the supplemental Form 5500, Schedule H, Part IV, Line 4i - schedule of assets held at end of year as of June 30, 2022.

#### Note 4. Investments and Fair Value Measurements

Authoritative guidance regarding *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level I measurements) and the lowest priority to unobservable inputs (Level III measurements). The three levels of the fair value hierarchy under the authoritative guidance are described below:

Level I Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level II Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level II input must be observable for substantially the full term of the asset or liability.

Level III Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following are descriptions of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 or 2021:

*Mutual funds:* Valued at the closing price reported in the active market in which the individual funds are traded.

*Pooled separate accounts:* Valued at the Net Asset Value (NAV) of units. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

*Guaranteed interest accounts:* Valued at fair value by discounting related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the breakdown presented on the schedule of assets held at end of year.

### Investments Measured Using NAV per Share as Practical Expedient

The following table summarizes investments for which fair value is measured using the net assets value per share practical expedient as of June 30. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

|                          | Fair Value        |                   | Unfunded Commitments | Redemption Frequency (If Currently Eligible) | Redemption Notice Period |

### Note 5. Related Party Transactions

Certain Plan investments are managed by the Custodians and Agent for the Custodian and, therefore, these transactions qualify as party-in-interest transactions.

Fees paid by the Plan for administrative services amounted to \$28,524 and \$28,992 for the years ended June 30, 2022 and 2021, respectively. Certain administrative expenses are paid directly by the Organization for which it is not reimbursed. Certain administrative functions are performed by officers or employees of the Organization. No such officers or employees receive compensation from the Plan.

## COMMUNITY HEALTH NET 403(b) RETIREMENT PLAN

### NOTES TO FINANCIAL STATEMENTS

---

#### **Note 6. Plan Termination**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become 100 percent vested in their entire account.

#### **Note 7. Tax Status**

The Plan has adopted a volume submitter 403(b) Plan. The sponsor of the prototype plan has received an opinion letter, dated March 31, 2017, from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended and restated since receiving the determination letter; however, the Plan Administrator believes that the Plan is designed and operated in compliance with the applicable requirements of the Internal Revenue Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the appropriate taxing authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, tax returns for the years ended June 30, 2019, and thereafter remain subject to examination by the appropriate taxing authorities.

#### **Note 8. Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported on the statements of net assets available for benefits. During the Plan year as well as going forward, the credit and liquidity environment in the United States and throughout the global financial system resulted/may result in substantial volatility in financial markets and the banking system.
