INDEPENDENT AUDITOR'S REPORT

**INBANK 401(k) and ESOP RETIREMENT PLAN**

December 31, 2021

## INDEPENDENT AUDITOR'S REPORT

Plan Administrator  
InBank 401(k) and ESOP Retirement Plan  
Greenwood Village, Colorado

### ***Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements***

We have performed an audit of the financial statements of InBank 401(k) and ESOP Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Notes C and D to the financial statements, is complete and accurate.

### ***Opinion on the 2021 Financial Statements***

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion on the 2021 Financial Statements***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of c, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the 2021 Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about InBank 401(k) and ESOP Retirement Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the 2021 Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of InBank 401(k) and ESOP Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about InBank 401(k) and ESOP Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Other Matters***

#### ***Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule of Assets (Held at End of Year) as of December 31, 2021, and Supplemental Schedule of Delinquent Participant Contributions, are presented for purposes of additional analysis and are not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **InBank 401(k) and ESOP Retirement Plan**

### **NOTES TO FINANCIAL STATEMENTS**

**December 31, 2021**

#### **NOTE A - DESCRIPTION OF PLAN**

The following description of InBank 401(k) and ESOP Retirement Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Plan covers all eligible employees of InBankshares, Corp and its wholly owned subsidiary, InBank (collectively, "the Company").

##### General

The Plan contains two components: 1) A 401(k) defined contribution plan component subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA), and 2) an employee stock ownership plan (ESOP) component subject to the applicable provisions of ERISA that is designed to comply with Section 4975(e)(7) and the regulations thereunder of the Internal Revenue Code of 1986, as amended.

Employees of the Company are eligible to participate in the Plan on the first day of the calendar quarter following their completion of thirty days of continuous service provided they have worked at least eighty hours during that thirty-day period. However, eligibility for Company profit-sharing and ESOP contributions requires participants to have worked at least 1,000 hours during the Plan year and be employed on December 31 which is the last day of the Plan year. Collectively bargained employees, leased employees and employees who are non-resident aliens are not eligible to participate.

##### Contributions

Each year, participants may contribute to the 401(k) component of the Plan up to one hundred percent of their annual compensation as defined by the Plan (not to exceed the limits set by the Internal Revenue Code) on a pre-tax basis or as Roth contributions. Participants may also contribute rollover distributions from other qualified plans. The Company will automatically enroll eligible employees at a contribution rate of three percent of eligible compensation, though employees may elect a different contribution rate at any time.

The Company makes safe harbor matching contributions to the 401(K) component of the Plan for all participating employees at a rate of one-hundred percent on the first three percent of the participants' eligible compensation contributed, and a rate of fifty-percent on the next two-percent of the participants' eligible compensation contributed. In addition, the Company may make discretionary profit-sharing contributions to the Plan for a given Plan year, which are allocated among participants in proportion to eligible compensation.

## **InBank 401(k) and ESOP Retirement Plan**

### **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**December 31, 2021**

Participants may not contribute to the ESOP component of the Plan. The Company may make discretionary ESOP contributions to the Plan for a given Plan year, which are allocated among participants in proportion to eligible compensation.

#### Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's safe harbor match, (b) the Company's discretionary profit-sharing and ESOP contributions, and (c) Plan earnings. Allocations are based on participant compensation as defined by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of the 401(k) component of their account into various investment options offered by the Plan. The 401(k) component of the Plan currently offers various mutual funds and a collective investment trust as investment options for participants. The ESOP component of the Plan is not directed by participants.

#### Vesting

Participants are immediately vested in their contributions and the Company's safe harbor match, plus earnings thereon. Vesting in the Company's profit-sharing contributions and ESOP contributions, plus earnings thereon, is twenty-five percent for each year of service and participants are one-hundred percent vested after five years of service.

If an employee dies, suffers total and permanent disability, or attains normal retirement age of 65 while still employed by the Company, his or her entire interest in all accounts will become fully vested, without regard to the length of service with the Company.

#### Notes Receivable from Participants

Participants may borrow from their accounts up to the lesser of \$50,000 or fifty percent of their vested account balance reduced by the highest outstanding loan balance in the participant's account during the prior twelve-month period. The loans are secured by the vested balance in the participant's account and bear interest at the Wall Street Journal prime rate plus one percent at the time the loan is made. Principal and interest are paid ratably through payroll deductions over a period not to exceed five years, though loans for the purpose of purchasing the participant's primary residence may have longer repayment terms if permitted by the Plan Administrator.

### **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**December 31, 2021**

#### Payment of Benefits

Payment of benefits is made upon retirement, disability, death, or termination of employment. If a participant's vested account balance does not exceed \$1,000 the Plan will distribute the vested balance in a lump sum cash payment. If a participant's account balance exceeds \$1,000, the Plan will distribute the vested balance in a lump sum cash payment unless that participant elects to rollover their distribution to another qualified plan or individual retirement account; however, participants may elect to directly receive Company common stock with respect to the ESOP component of their accounts. The Plan also provides for hardship withdrawals in certain instances as specified in the Plan.

#### Forfeited Accounts

Forfeited non-vested accounts are used to reduce future employer contributions and pay certain Plan expenses. At December 31, 2021, forfeited non-vested accounts totaled \$-0 -.

### **NOTE B - SUMMARY OF ACCOUNTING POLICIES**

#### Basis of Accounting and Use of Estimates

The financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from these estimates.

#### Investments and Income Recognition

Investments are recorded at fair value. See Note C for discussion of these measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's unrealized gains and losses on investments held, realized gains and losses on investments sold, and capital gain distributions within investment funds.

## **InBank 401(k) and ESOP Retirement Plan**

### **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**December 31, 2021**

#### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

#### Payment of Benefits

Benefits are recorded when paid.

#### Operating Expenses

Expenses of maintaining the Plan are generally paid by the Company, though certain administration and transaction charges are paid by the Plan.

#### Subsequent Events

The Plan evaluates events occurring subsequent to the balance sheet date, through the date the financial statements are eligible to be issued, to determine whether the events require recognition or disclosure in the financial statements. If a subsequent event evidences conditions existing at the balance sheet date, the effects are recognized in the financial statements (recognized subsequent event). If a subsequent event evidences conditions arising after the balance sheet date, the effects are not recognized in the financial statements but rather disclosed in the notes to the financial statements (non-recognized subsequent event). The effects of subsequent events are only recognized if material or disclosed if the financial statements would otherwise be misleading.

With respect to the December 31, 2021 financial statements, the Plan has evaluated subsequent events through March 16, 2023.

#### **NOTE C – INVESTMENTS AND FAIR VALUE MEASUREMENTS**

The following is a summary of the Plan's investments at fair value as of December 31, 2021, which was derived from information prepared by Principal Trust Company (the custodian) and furnished to the Plan administrator. The Plan administrator has obtained a certification from Principal Trust Company that such information is complete and accurate.

|                                   |                     |
|-----------------------------------|---------------------|
| Mutual funds                      | \$ 6,951,168        |
| Collective investment trust       | 85,313              |
| InBankshares, Corp - common stock | 160,227             |
| Total investments                 | <u>\$ 7,196,708</u> |

During 2021 the Plan's investments appreciated by \$685,035. This amount includes unrealized gains and losses on investments held, realized gains and losses on investments sold, and capital gain distributions within funds.

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1      Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2      Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

### NOTES TO FINANCIAL STATEMENTS (CONTINUED)

**December 31, 2021**

Level 3      Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used in 2021.

*Mutual funds* – Valued using the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective investment trust* – Valued using the NAV per unit of the funds. The NAV is based on the fair values of the underlying investments held by the fund less its liabilities. The fund generally determines the fair values of the underlying investments based on market quoted pricing.

*Common stock of InBankshares, Corp* – Valued by an independent appraiser using a combination of the market and income approaches. Although InBankshares, Corp's common stock is traded on OTC Markets' QX platform under the symbol INBC, regulations require the ESOP to obtain an independent appraisal.

The following table presents the Plan's investments by level within the fair value hierarchy:

## **InBank 401(k) and ESOP Retirement Plan**

### **NOTES TO FINANCIAL STATEMENTS (CONTINUED)**

**December 31, 2021**

#### **NOTE D – PLAN TERMINATION**

The Company has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become one hundred percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in accordance with the provisions of the Plan. The Company intends to substantially modify or replace the Plan to remove the ESOP component, targeting a completion date in 2023.

#### **NOTE E – TAX STATUS**

The Internal Revenue Service has determined and informed the Company by letter dated June 4, 2019, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator does not believe there are any such uncertain tax positions. The Plan may be subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

#### **NOTE F – RISKS AND UNCERTAINTIES**

The Plan invests in various investment options. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
