Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Sequoia Consulting Group 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(1)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of December 31, 2021, and the related statement of changes in net assets available for benefits (modified cash basis) for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determine it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of Sequoia Consulting Group 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

We draw attention to Note 2 to the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described in Note 2, and for determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibilities for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about of Sequoia Consulting Group 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain processional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Sequoia Consulting Group 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Sequoia Consulting Group 401(k) Plan's ability to continue as a going concern for a reasonable period time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting.

Accordingly, the objective of an ERISA Section 103(1)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting.

We are required to communicate with those charged with governance regarding, amount other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Line 4a – Schedule of Delinquent Participant Contributions (modified cash basis) for the year ended December 31, 2021 and supplemental Schedule H, Line 4i – Schedule of Assets Held (At End of Year) (modified cash basis) as of December 31, 2021 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under IRISA.

In our opinion

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of Sequoia Consulting Group 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 11, 2021 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN

The following description of the Sequoia Consulting Group 401(k), ("the Plan"), is provided for general information purposes only. Eligible employees, as defined by the Plan ("Participants"), should refer to the Plan document for a complete description of the Plan provisions.

General

The Plan is a profit sharing plan within the meaning of Internal Revenue Code (IRC) Section 401(a) and contains a cash or deferred arrangement as provided for by IRC Section 401(k). The Plan covers all eligible employees of Sequoia Consulting Group LLC and Bootstrap Incubation, LLC ("Employer") who have completed three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Participation in the Plan becomes effective on the 1st day of each month during the Plan year after a Participant meets the eligibility requirements.

Ascensus Trust Company ("Ascensus") is the Plan trustee.

Contributions

Employees who actively participate in the Plan may contribute an amount equal to a dollar amount or percentage of the employees' compensation not to exceed the limits imposed by Code section 401(k). Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers Participants investment options into various mutual funds. Participants may increase or decrease their elective deferrals percentage on the 1st day of each month. Participants may terminate their contributions at any time. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan at three months unless they affirmatively elect not to participant in the Plan. Automatically enrolled Participants have their deferral rate set at 3 percent of eligible compensation and their contributions invested in a designated balanced fund until changed by the Participant.

Under the terms of the plan, affective January 1, 2021 the Employer makes a safe harbor non-elective and non-forfeitable contribution to each eligible Participant in an amount equal to 3 percent of compensation. The Employer made safe harbor contributions during the year ended December 31, 2021.

The Employer may also make discretionary profit sharing contributions to the Plan which would be allocated to eligible Participants who are employed on the last day of the Plan year. The last day requirement will be waived for the following reasons: the Participant's termination of employment after having incurred a disability, termination of employment after having reached normal retirement age, or death. The Employer did not make discretionary profit sharing contributions during the years ended December 31, 2021 and December 31, 2020.

Rollover and Transfer Contributions

The Plan accepts rollover contributions from other tax-deferred plans (401(k), IRA, 403(b)), profit sharing, pension) if proof can be furnished that the contribution has been in such a plan or a Rollover IRA.

During 2021, rollover contributions from other plans were $63,006.

1. DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each Participant's account is credited with (a) Participant's contribution and allocations (b) Employer's contributions and (c) Plan earnings (losses), and charged with an allocation of administrative expenses.

Allocations are based on Participant earnings or account balances, as defined. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the profit sharing and Employer contribution portions of their accounts, and any earnings credited thereon, are based upon their years of vested service.

The Employer safe harbor matching and profit sharing contributions, and any earnings credited thereon will vest according to the following schedule:

Less than One	0%	Less than One	0%

2	0%	2	20%
3	100%	3	40%
4	100%	4	60%
5	100%	5	80%
6	100%	6	100%

Notes Receivable from Participants

However, a Participant may have only one loan outstanding at any time and will not be permitted to take loans from Roth deferrals. Loans may be additionally limited in accordance with Plan provisions. The loans are secured by the balance in the Participant's account, interest rates are 4.25% for the year ended December 31, 2021, and loans mature September 2022.

Benefit Payments

On termination of service due to death, disability, or retirement, a Participant may elect to receive a lump sum amount equal to the value of the Participant's vested interest in his or her account, or receive partial distribution payments, or rollover into another qualified account. In the event of a Participant's death, the full value of their account is payable to their beneficiary in a lump sum. The cash out level for terminated participants is $5,000 or less under the Plan. The Employer may pay the amount in cash or roll it into an IRA on the Participant's behalf.

Investment Funds

Participants may allocate their account balance to 32 mutual fund investments or the collective investment funds that are valued daily. Participants may elect to change their investment allocations on a daily basis.

Changes to investment allocations become effective on the day of the change or the next business day according to when the request for a change was made in relation to the stock market close of business.

Forfeitures

Forfeiture of Employer's matching and profit sharing contributions are applied to reduce Employer contributions. For the year ended December 31, 2021, there were no forfeited contributions.

Administrative Expenses

All reasonable Plan administration expenses, including those involved in retaining necessary professional assistance are paid by the Employer.

The Coronavirus Aid, Relief, and Economic Security (CARES) Act

The CARES Act was signed into law on March 27, 2020 in response to the COVID-19 pandemic. The Act allows employers to loosen the participant distribution and loan provisions. The Employer has chosen not to adopt the new provisions in the CARES Act. For additional information please refer to the CARES Act.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are presented on the modified cash method of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. The modified cash basis of accounting recognizes revenues as they are received and expenses as they are paid and adjusts investments securities to fair value.

Investment contracts held by a defined contribution plan are required to be reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

Notes Receivable from Participants

Notes receivable from Participants are measured as received. Interest income is recorded on the modified cash basis. Related fees are recorded as administrative expenses and are expensed when they are paid. Delinquent Participant notes are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. See Note 3 for discussion of fair value measurements. The Plan's investment committee determines the Plan's valuation polices utilizing information provided by the investment advisers and custodians.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the modified cash basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the Plan year.

Cash and Cash Equivalents

Cash and cash equivalents consist of highly liquid investments that have original maturities of three months or less.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

All expenses of maintaining the Plan are paid by the Employer.

3. FAIR VALUE OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, provides the frame-work for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

3. FAIR VALUE OF FINANCIAL ASSETS AND FINANCIAL LIABILITIES (CONTINUED)

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in non-active markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full-term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds: Valued at the net asset value ('NAV') of shares held by the Plan at year end.

The following table sets forth by level within the fair value hierarchy a summary of Plan investments measured at fair value as of December 31, 2021 and 2020.

	Investment Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,090,881	$ -	$ -	$ 5,090,881
Total investment assets at fair value	$ 5,090,881	$ -	$ -	$ 5,090,881

	Investment Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 3,655,969	$ -	$ -	$ 3,655,969
Total investment assets at fair value	$ 3,655,969	$ -	$ -	$ 3,655,969

4. PLAN AMENDMENT AND TERMINATION

Subject to the provisions of ERISA, the Company has the right to amend the Plan at any time, provided no amendment will divert any part of the Plan's assets to any purpose other than for the exclusive benefit of the Participants in the Plan or eliminate an optional form of distribution. In the event of Plan termination, Participants would become 100 percent vested in their Employer contributions.

The Plan was amended effective January 1, 2021 in order to allow for QACA Safe Harbor Contributions.

5. RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Fees paid by the Plan for investment management services were included as a reduction of the returns earned on each fund. Certain administrative fees related to administration of the Plan were paid by the Plan or by the Employer. These transactions qualify as party-in-interest transactions.

6. TAX STATUS

On April 2, 2012, the IRS stated that the prototype adopted by the Plan, as designed, qualifies under Internal Revenue Code (IRC) Section 401(a). The Plan has not received a determination letter specific to the Plan itself; however, the Plan administrator believes the Plan is designed and is operating in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

7. INVESTMENTS CERTIFIED BY THE TRUSTEE (UNAUDITED)

Certain information related to investments and notes receivable from Participants disclosed in the accompanying financial statements and supplemental schedules, including investments, notes receivable from Participants held at December 31, 2021 and 2020, net appreciation (depreciation) in fair value of investments, interest, and dividends for the year ended December 31, 2021, was obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by Ascensus Trust Company (the Trustee of the Plan).

At December 31, 2021and 2020, the Plan's investments were held by the Trustee. The following is a summary of the Plan's financial information that is included in the financial statements based on information certified by the Trustee as complete and accurate in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for the Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Net Income per Form 5500	$ 1,374,440

9. SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through February 8, 2023, the date the financial statements were available to be issued.

The full impact of the COVID-19 outbreak continues to evolve as of the date of this report. This pandemic has adversely affected global economic activity and has contributed to significant volatility in the general economic and financial markets. As COVID-19 continues to spread, the potential impacts, including a global, regional or other economic recession, are increasingly difficult to assess. These events or fear of such an event, present material uncertainty and risk with respect to the Plan's overall performance and financial results. Because the values of the Plan's individual investments have and will fluctuate in response to changing market conditions, the amount of losses that will be recognized in subsequent periods, if any, and related impact on the Plan's liquidity cannot be determined at this time
