Plan Administrator  
JPL Management, Inc. 401(k)/Profit Sharing Plan  
Elizabethtown, Kentucky

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements**

We have performed an audit of the financial statements of JPL Management, Inc. 401(k)/Profit Sharing Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 28, 2022 (in liquidation) and December 31, 2021 (ongoing), and the related statements of changes in net assets available for benefits for the period January 1 through December 28, 2022 (in liquidation) and the 2021 year (ongoing) then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from Transamerica Life Insurance Company, the Trustee, for the period January 1, 2022 through December 28, 2022, and the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the Financial Statements section-

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the financial statements referred to above related to assets held by and certified to by Transamerica Life Insurance Company, the Trustee, agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Emphasis of Matter – Basis of Accounting**

As discussed in Note B to the financial statements, the governing body of the plan approved a plan of termination, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the accrual basis of accounting used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a

substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**JPL Management, Inc. 401(k)/Profit Sharing Plan**

December 28, 2022 and December 31, 2021

**Note A--Description of Plan**

The following description of the JPL Management, Inc. (the "Company") 401(k)/Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan provisions.

Plan Termination--Effective September 9, 2022, the Plan was amended to terminate the Plan due to the sale of the Company. As a result of the sale, effective August 31, 2022, the Plan was frozen, and the account balances of the Plan participants were liquidated effective December 28, 2022.

General--The Plan was a defined contribution plan covering employees of the Company who had reached the age of 21 and had completed one year or 1,000 hours of service to the Company. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions--Each year, participants could contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to Internal Revenue Service ("IRS") limitations. Participants could also elect to make contributions on an after-tax basis designated as Roth contributions. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants directed the investment of their contributions into various investment options offered by the Plan. Each year the Company contributed an amount as determined by the Plan formula and could make matching contributions equal to a discretionary percentage of the participant's elective deferral. Contributions are subject to certain IRS statutory limitations.

Participant Accounts--Each participant's account was credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings (losses) and charged with an allocation of administrative expenses paid by the Plan. Allocations were based on participant compensation or account balances, as defined. The benefit to which a participant was entitled is the benefit that could be provided from the participant's vested account.

Investment Options--Upon enrollment in the Plan, participants could direct the investment of their accounts into various mutual fund investment options offered by the Plan. They could change their investment options among those investments provided at any time during the Plan year.

Vesting--Participants were immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts was based on years of continuous service. A participant was 100% vested after six years of credited service.

Participant Loans--Participant loans were not allowed by the Plan.

Payment of Benefits--On termination of service due to death, disability or retirement, a participant could elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or, if permitted under the Plan at the time of distribution, an alternative form of payment. For termination of service due to other reasons, a participant will receive the value of the vested interest in his or her account as a lump-sum distribution.

December 28, 2022 and December 31, 2021

**Note A--Description of Plan--Continued**

Forfeited Accounts--At December 28, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$0 and \$18,104, respectively. These accounts could be used first for payment of plan expenses and second to reduce any employer contributions. In 2022 and 2021, forfeitures utilized to pay Plan expenses totaled \$8,152 and \$105, respectively.

**Note B--Summary of Significant Accounting Policies**

The Plan follows generally accepted accounting principles as outlined in the Financial Accounting Standards Board's *Accounting Standards Codification* ("ASC"). Significant accounting policies are as follows:

Basis of Accounting--Upon the Company's decision to terminate the Plan and related Trust effective August 31, 2022, the Plan changed its basis of accounting to the liquidation basis. This basis is used in presenting the December 28, 2022 financial statements.

Use of Estimates--The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition--Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits--Benefits are recorded when paid.

Administrative Expenses--Certain expenses of maintaining the Plan are paid by the Company and are therefore excluded from these financial statements. Investment-related expenses are included in net appreciation in fair value of investments.

Date of Management's Review of Subsequent Events--Subsequent events were evaluated through March 7, 2023, which is the date the financial statements were available to be issued.

*Unaudited Information Certified by the Plan Trustees*

The December 28, 2022 and December 31, 2021, statements of net assets available for benefits, the investment activities included on the statements of changes in net assets available for benefits for the period ended December 28, 2022 and the year ended December 31, 2021, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with ERISA Section 103(a)(3)(C) for 2022 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. The information certified includes total investments of \$0 and \$712,246 at December 28, 2022 and December 31, 2021, respectively, and related net appreciation (depreciation) in fair value of investments, including investment loss of \$117,301 and investment income of \$144,662 for the period ended December 28, 2022 and the year ended December 31, 2021.

**Note D--Fair Value Measurements**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted process for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for when Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

*Level 1 Fair Value Measurements*

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

**JPL Management, Inc. 401(k)/Profit Sharing Plan**

December 28, 2022 and December 31, 2021

**Note D--Fair Value Measurements--Continued**

The following table sets forth the Plan's investments at fair value as of December 28, 2022 and December 31, 2021:

	<u>Fair Value</u>	<u>Fair Value Measurements Using Quoted Prices in Active Markets for Identical Assets (Level 1)</u>
<b><u>December 28, 2022 (in liquidation)</u></b>		
Mutual funds	\$ -	\$ -
<b>Total Investments at Fair Value</b>	<u>\$ -</u>	<u>\$ -</u>
<b><u>December 31, 2021 (ongoing)</u></b>		
Mutual funds	\$ 712,246	\$ 712,246
<b>Total Investments at Fair Value</b>	<u>\$ 712,246</u>	<u>\$ 712,246</u>

Gains and losses in changes in net assets available for benefits for the period ended December 28, 2022 and the year ended December 31, 2021, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the period ended December 28, 2022 and the year ended December 31, 2021, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

**Note E--Related Party and Party-In-Interest Transactions**

Certain Plan investments are shares of mutual funds managed by Transamerica Life Insurance Company. Transamerica Life Insurance Company served as the Trustee of the Plan and, therefore, these transactions qualify as party-in-interest. During 2022 and 2021, the Trustee was paid directly by the Plan fees of \$16,300 and \$8,991, respectively.

These party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

December 28, 2022 and December 31, 2021

**Note F--Income Tax Status**

The Company adopted a Prototype Non-standardized Profit Sharing Plan with a cash or deferral arrangement ("CODA") which received a favorable opinion letter from the IRS on March 22, 2021, which stated that the Plan is designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.
