INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Pioneer Physicians Network, Inc.
401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Pioneer Physicians Network, Inc. 401(k) Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pioneer Physicians Network, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Pioneer Physicians Network, Inc. 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Pioneer Physicians Network, Inc. 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements.

The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 – DESCRIPTION OF THE PLAN

The following brief description of Pioneer Physicians Network, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution retirement plan covering all employees of Pioneer Physicians Network, Inc. (the Company) who meet the minimum service requirements. Employees who are U.S. residents and not covered by a collective bargaining agreement are eligible to participate in the Plan upon completion of one year of employment and having attained age 21, as defined by the Plan. This eligibility becomes effective on the first day of the first and seventh months of the Plan year following twelve consecutive months of employment. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan was amended and restated effective January 1, 2021. The Plan administrator is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Effective January 1, 2023, the Plan was amended and restated to exclude certain forms of compensation from the definition of Plan Compensation.

CONTRIBUTIONS

A participant may contribute, through payroll reductions, up to 100% of their compensation on either a pre-tax or Roth basis, up to the maximum dollar amount allowed by law (plus catch-up contributions as defined by the Plan document). Participants may also contribute amounts representing distributions from other qualified plans. Additionally, the Company can make qualified employer matching contributions. The Company made qualified employer matching contributions equal to 100% of the first 3% and 50% of the next 2% of the participants' eligible compensation. Total Company matching contributions were \$689,564 and \$246,602 for the years ended December 31, 2021 and 2020, respectively.

Each year the Company may, at its discretion, make a Qualified Nonelective Employer Contribution (QNEC, or "Profit Sharing") for the plan year in any amount necessary to satisfy or help satisfy the Plan's anti-discrimination testing requirements. Total Company QNEC were \$1,155,562 and \$1,268,054 for the years ended December 31, 2021 and 2020, respectively.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

In the case of a severe financial hardship, the Company, at its sole discretion, may direct distribution of the participant's account, subject to certain restrictions. The Plan requires mandatory distributions for terminated employees with balances under \$5,000.

In December 2019, the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) was signed into law. The SECURE Act increased the age for required minimum distributions from 70 ½ to 72. This change is effective for participants who turned 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

In March 2020, the Coronavirus Aid, Relief and Economic Security Act (CARES Act) was signed into law. The CARES Act is designed to provide fast and direct economic assistance for workers in the midst of the COVID-19 pandemic. The CARES Act suspends required minimum distribution provisions for the year ending December 31, 2020 and also qualified participants impacted by the COVID-19 pandemic to withdraw up to \$100,000 of their vested account balance without being subject to the 10% early withdrawal penalty from January 1, 2020 to December 31, 2020. In addition, the required minimum distribution requirement was waived for participants who turned 70 ½ in 2019 and postponed their first required minimum distribution until April 1, 2020.

Participants who took a Coronavirus-related distribution could spread the income over a three-year period for income tax purposes or avoid income taxes if the distribution is repaid within the three-year period following the distribution. The voluntary adoption of this provision by the Plan was effective March 27, 2020. As of December 31, 2021, the Plan has not been formally amended, as a formal amendment is not required until the plan year December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts an amount up to the lesser of \$50,000 or 50% of the participant's total vested account balance. Notes receivable terms range from one to five years or up to 30 years for the purchase of a primary residence. The notes receivable are secured by the balance in the participant's vested account. Interest is set at prevailing interest rates at the time the notes receivable are issued. Principal and interest are paid ratably through payroll deductions.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS (CONTINUED)

The CARES Act allowed participants to borrow up to \$100,000, or 100% of their vested account balance between the period of March 27, 2020 and September 27, 2020. The first payment date on a new loan was deferred up to one year. Participants with outstanding loans (meaning loans taken before the CARES Act was enacted) for which a payment was due between March 27, 2020 and December 31, 2020, could delay their loan repayments up to one year. Interest continued to accrue on these deferred payments. The term of the loan was extended by the length of the deferment period.

The CARES Act also removed the 10% early withdrawal penalty for a coronavirus-related distribution up to \$100,000 made during 2020. Participants who took a coronavirus-related distribution could spread the income over a three-year period for income tax purposes or avoid income taxes if the distribution is repaid within the three-year period following the distribution. The voluntary adoption of this provision by the Plan was effective March 27, 2020. As of December 31, 2021, the Plan has not been formally amended, as a formal amendment is not required until the plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

FORFEITURES

Forfeitures are created when participants terminate employment prior to becoming entitled to full benefits. Forfeitures are used to offset Company contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$16,259 and \$6,696, respectively. For the years ended December 31, 2021 and 2020, forfeitures used to offset Company's discretionary matching contributions were \$7,949 and \$5,341, respectively.

BASIS OF ACCOUNTING

The accompanying financial statements have been prepared on the accrual basis of accounting.

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. generally accepted accounting principles (GAAP) requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by its investment advisor. See Note 3 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains on the investments purchased and sold, as well as held, during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as distributions in compliance with the terms of the Plan document. In management's opinion, all notes receivable are fully collectible; accordingly, no allowance for credit losses was recorded as of December 31, 2021 and 2020.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Administrative expenses of the Plan may be paid out of Plan assets to the extent not paid by the Company. During 2021 and 2020, the Plan paid trustee, investment advisory and other administrative expenses of \$10,179 and \$9,175, respectively. The Plan's other administrative expenses were paid by the Company and are excluded from these financial statements.

SUBSEQUENT EVENTS

The Company evaluated subsequent events through March 23, 2023, the date these financial statements were available to be issued. Except as described in Note 1, there were no other subsequent events that required recognition or additional disclosure in these financial statements

NOTE 3 – FAIR VALUE MEASUREMENTS

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. It applies to fair value measurements already required or permitted by existing standards. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under GAAP are described as follows:

- Level 1 - Observable inputs such as quoted prices in an active market for identical assets or liabilities.
- Level 2 - Inputs to the valuation methodology that are observable, either directly or indirectly, such as quoted prices for similar assets or liabilities; quoted prices for identical or similar assets or liabilities in inactive markets; or other inputs that are observable or can be corroborated by observable market data for substantially the full terms of the assets or liabilities. Level 2 inputs are derived principally from, or corroborated by, observable market data by correlation or other means. If the asset or liability has a specified term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 - Inputs to the valuation methodology that are unobservable and supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The fair value measurement level of assets and liabilities within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 3 – FAIR VALUE MEASUREMENTS (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual funds – Investments in mutual funds are stated at the respective fund's net asset value (NAV), which is determined based on quoted market prices on the last business day of the Plan year. The NAV is a quoted price on an active market.

The following table sets forth by measurement level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 41,121,287	\$ 41,121,287
Money market deposit account		<u>548,700</u>
Total Assets at Fair Value		<u>\$ 41,669,987</u>

The following table sets forth by measurement level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2020:

	<u>Level 1</u>	<u>Total</u>
Mutual funds	\$ 33,953,421	\$ 33,953,421
Money market deposit account		<u>813,552</u>
Total Assets at Fair Value		<u>\$ 34,766,973</u>

NOTE 4 – INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, net appreciation in fair value of investments and interest and dividends for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Charles Schwab Trust Bank, the trustee of the Plan. This information has not been audited by the Plan's independent auditors.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5 – TAX STATUS

The Plan adopted a Volume Submitter Profit Sharing Plan with a cash or deferral arrangement. The Volume Submitter Plan obtained its latest opinion letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the Volume Submitter Plan, as then designed, was in compliance with the applicable requirements of the IRC. Effective January 1, 2021, the Plan adopted Non-Standardized Defined Contribution Pre-Approved Plan. The Non-Standardized Pre-Approved Plan obtained its latest opinion letter on June 30, 2020, in which the IRS stated that the Non-Standardized Defined Contribution Pre-Approved Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Therefore, no provision for income taxes has been included in the Plan's financial statements. Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. As of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax year pending or in progress.

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all participants will become fully vested in the balance in their accounts.

NOTE 7 – PARTIES-IN-INTEREST TRANSACTIONS

Certain Plan investments are invested in funds managed by Charles Schwab Trust Bank. Charles Schwab Trust Bank is the trustee as defined by the Plan document and, therefore, these transactions are considered party-in-interest transactions. The Plan also makes loans to Plan participants who are also considered to be parties-in-interest.

NOTE 8 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 – EXCESS CONTRIBUTIONS PAYABLE

In order to comply with participant contributions limits per the IRS guidelines, the Plan administrator elected to refund excess elective deferrals and employer matching contributions to the affected employees. For the Plan year ended December 31, 2020, participants' contributions were reduced by \$6,968 and employer matching contributions were reduced by \$1,374. These amounts have been included as excess contributions payable in the accompanying 2020 Statement of Net Assets Available for Benefits.

NOTE 10 – EMPLOYER CONTRIBUTIONS ADJUSTMENTS

During 2021, certain types of compensation were improperly excluded from the calculation of the participants' deferrals and the employer's matching contributions. In order to correct the error for the plan year ended December 31, 2021, the Plan administrator contributed \$81,862 to the Plan which was allocated to the affected participants. The total amount of the lost earnings will be remitted to the Plan in 2023. The total amount of \$81,862 has been included in employer contributions receivable in the accompanying 2021 Statement of Net Assets Available for Benefits.
