Independent Auditor's Report

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of the 401(k) Profit Sharing Plan for Employees of Specialized Alternatives for Families and Youth of America, Inc. (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA (ERISA Section 103(a)(3)(C) audit). As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency (qualified institution), provided that the investment information is prepared and certified to by the qualified institution in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the year then ended, stating that the certified investment information, as described in the notes to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report

- the amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP); and
- the certified investment information in the accompanying 2021 financial statements agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is responsible for maintaining a current plan instrument, including all plan amendments. Management is also responsible for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the 2021 financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2021 financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter — 2021 Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the 2021 financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2021 financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- the certified investment information in the supplemental schedule agrees to, or is derived from, in all material respects, the information prepared and certified by a qualified institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Other Matter — Report on the 2020 Financial Statements

We were engaged to audit the statement of net assets available for benefits of the Plan as of December 31, 2020 and the related statement of changes in net assets available for benefits for the year then ended. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by the qualified institution. Our audit report, dated September 3, 2021, indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the information certified by the qualified institution were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements
December 31, 2021 and 2020

Plan Description

The following description of the 401(k) Profit Sharing Plan for Employees of Specialized Alternatives for Families and Youth of America, Inc. (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all employees of Specialized Alternatives for Families and Youth of America, Inc. (the Organization and Plan Sponsor) who have attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan is sponsored and administered by the Organization.

Contributions

Participants may elect to defer up to the lesser of 100% of their compensation as defined by the Plan or the maximum contribution allowable per the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Organization has implemented the use of the safe-harbor method for employer contributions, matching 100% of the first 3% of deferrals and 50% of the next 2% of deferrals.

Additional profit sharing contributions may be made by the Organization at the option of the Organization's management; however, no profit sharing contributions were made in 2021 or 2020. The Plan provides for the acceptance of rollover contributions from other plans qualified under the IRC. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Organization's contributions, (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions and the employer safe-harbor matching contributions plus actual earnings thereon. Vesting in the Organization profit sharing contribution portions of their accounts plus earnings thereon is based on years of continuous service according to the following schedule.

Plan Description (continued)

Vesting (continued)

Participants are subject to the following three-year cliff vesting schedule.

Years of Service	Vesting Percentage
Less than 1	0%
2	0%
3 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance subject to certain Department of Labor and Internal Revenue Service (IRS) requirements. Note receivable terms range from one to five years or longer for the purchase of a primary residence. Notes receivable are secured by the balance in the participants' accounts and bear interest of 4.25% to 6.25%. Principal and interest are paid ratably through bi-weekly payroll deductions.

Payment of Benefits

Upon termination of service, a participant may elect to receive installments or a lump-sum amount equal to the value of his or her account on the date of distribution. Participant account balances of \$1,000 or less at the time of termination will be distributed to participants without their consent.

Active participants may request hardship withdrawals from their account balances, subject to Plan provisions. A participant who receives a distribution on account of hardship is prohibited from making deferrals for six months after receipt of the distribution.

Forfeited Accounts

Forfeitures are used to reduce future employer contributions. There were no unallocated forfeiture balances as of December 31, 2021 or 2020. Forfeitures of approximately \$22,900 and \$38,400 were used to reduce employer contributions during 2021 and 2020, respectively.

Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

December 31, 2021 and 2020

Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recognized on the ex-dividend date, and interest is recognized on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. If a participant ceases to make repayments on a note receivable and the plan administrator deems the note receivable to be in default, the balance on the note receivable from the participant is reclassified to benefits paid to participants.

Contributions

Participant contributions are recorded and credited to each participant's account when received by the custodian. Any contributions attributable to the Plan year but not received by the custodian by the last day of the Plan year are recorded as a receivable.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Plan pays fees for administrative services. Certain expenses of maintaining the Plan are paid directly by the Organization and are excluded from these financial statements. Investment related expenses are included in investment income.

Information Prepared and Certified by the Trustee and Custodian

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified as complete and accurate by the trustee and custodian of the Plan.

	2021	2020
Mutual funds	\$ 18,207,908	\$ -
Common collective trust	640	-
Notes receivable from participants	188,819	166,861
Pooled separate accounts	-	17,134,594
Guaranteed income fund	-	1,047,333
Total	\$ 18,397,367	\$ 18,348,788

The trustee and custodian also certified the completeness and accuracy of the following related to the aforementioned investments for the years ended December 31:

	2021	2020
Net appreciation in fair value of investments	\$ 2,242,505	\$ 1,965,863
Interest and dividends	566,397	19,150

Fair Value Measurements

U.S. GAAP established a fair value hierarchy that prioritizes the inputs to measure the fair value of the assets or liabilities being measured. Fair value is defined as the exchange value that would be received on the measurement date to sell an asset or to value the amount paid to transfer a liability in the principal or most advantageous market available to the entity in an orderly transaction between market participants. The three levels of the fair value hierarchy are as follows:

- Level 1 Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities that the Plan has the ability to access at the measurement date. Level 1 inputs provide the most reliable measure of fair value as of the measurement date.
- Level 2 Inputs are based on significant observable inputs, including unadjusted quoted market prices for similar assets and liabilities in active markets, unadjusted quoted prices for identical or similar assets or liabilities in markets that are not active, or inputs other than quoted prices that are observable for the asset or liability.
- Level 3 Inputs are significant unobservable inputs for the asset or liability.

Notes to Financial Statements
December 31, 2021 and 2020

Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

Mutual Funds: Valued at the quoted net asset value (NAV) of shares held by the Plan at year-end.

*Common
Collective
Trust:*

Valued at the NAV provided by the administrator of the fund. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on the determined NAV per unit, which is determined daily. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. For this fund, there are no unfunded commitments, redemption restrictions and participants can transact daily.

*Pooled
Separate
Accounts:*

Valued at fair value based on the underlying investments as reported to the Plan by Mutual of America Life Insurance Company (MALIC).

*Guaranteed
Income
Fund:*

Valued at the net asset value (NAV) provided by the MALIC. Issues and redemptions of units are recorded upon receipt of unit holder's instructions based on contract value per unit. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the contract value of the underlying investments held by the fund less its liabilities. For this fund, there are no unfunded commitments, redemption restrictions, and participants can transact daily.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

401(k) PROFIT SHARING PLAN FOR EMPLOYEES OF SPECIALIZED ALTERNATIVES FOR FAMILIES AND YOUTH OF AMERICA, INC.

Notes to Financial Statements December 31, 2021 and 2020

Fair Value Measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's net assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 18,207,908	\$ -	\$ -	\$ 18,207,908
Investments measured at net asset value*	-	-	-	640
Total assets at fair value	\$ 18,207,908	\$ -	\$ -	\$ 18,208,548

Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 17,134,594	\$ -	\$ 17,134,594
Investments measured at net asset value*	-	-	-	1,047,333
Total assets at fair value	\$ -	\$ 17,134,594	\$ -	\$ 18,181,927

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Plan Termination

Under the Plan, the Organization has the right to terminate the Plan at any time. The Organization has expressed no present intention to terminate the Plan. In the event of plan termination, participants would become 100% vested in their accounts.

Transfer of Assets

Effective September 1, 2021, the Plan switched service providers from MALIC to Reliance Trust Company (Reliance). No significant Plan provision were changed with the switch in providers. Plan assets transferred to the new custodian were transferred into funds comparable to those offered by the previous custodian.

401(k) PROFIT SHARING PLAN FOR EMPLOYEES OF SPECIALIZED ALTERNATIVES FOR FAMILIES AND YOUTH OF AMERICA, INC.

Notes to Financial Statements
December 31, 2021 and 2020

Tax Status

Effective September 1, 2021, the Plan has adopted a volume submitter profit sharing plan which received a favorable opinion letter dated October 6, 2020 from the Internal Revenue Service (IRS). The opinion letter stated that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the opinion letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Prior to September 1, 2021, the Plan had received a favorable letter from the IRS dated February 20, 2018. The opinion letter stated the Plan and related trust were designed in accordance with applicable sections of the IRC.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31:

	2021	2020
Net assets available for benefits per financial statements	\$ 18,397,367	\$ 18,402,400
Less contributions receivable	-	(53,612)
Net assets available for benefits per Form 5500	\$ 18,397,367	\$ 18,348,788

The following is a reconciliation of net increase in net assets per the financial statements to the Form 5500 for the year ending December 31, 2020:

	2021	2020
Net (decrease) increase in net assets per financial statements	\$(5,033)	\$ 2,044,239
Plus prior year contributions receivable	53,612	7,792
Less current year contributions receivable	-	(53,612)
Net increase in net assets per Form 5500	\$ 48,579	\$ 1,998,419

Notes to Financial Statements
December 31, 2021 and 2020

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the 2021 statement of net assets available for benefits.

Transactions with Parties-in-Interest

Certain Plan investments, including mutual funds and a common collective trust, are held by Reliance. Reliance is the custodian as defined by the Plan document and, therefore, these transactions qualify as exempt party-in-interest transactions. For 2020, plan invested in shares of pooled separate accounts and an insurance company general account managed by MALIC. Such transactions are exempt from being prohibited transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

ADP Retirement Services (ADPRS) is the Plan administrator at December 31, 2021. All transactions with ADPRS qualify as party-in-interest transactions. Fees paid by the Plan for administrative services amounted to \$25,128 and \$9,867 during 2021 and 2020, respectively.
