INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Cornell Scott-Hill Health Corporation

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of the Cornell Scott-Hill Health Corporation Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Cornell Scott-Hill Health Corporation Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cornell Scott-Hill Health Corporation Retirement Plan's ability to continue as a going concern for one year from the financial statement issuance date.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Cornell Scott-Hill Health Corporation Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Cornell Scott-Hill Health Corporation Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a – Schedule of Delinquent Participant Contributions for the year ended December 31, 2021 and Schedule H, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2021, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified

investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Cornell Scott-Hill Health Corporation Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated December 21, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CORNELL SCOTT-HILL HEALTH CORPORATION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Cornell Scott-Hill Health Corporation Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan which covers substantially all employees of Cornell Scott-Hill Health Corporation (the Company or Plan Sponsor). The Plan was established on June 1, 1999 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Board of Directors of the Company is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

The Plan was amended and restated, effective January 1, 2012, to permit employee deferrals under the provisions of Section 401(k) of the Internal Revenue Code (the Code) and for other changes as stated in the Plan agreement. Effective January 1, 2016, the Plan was amended to exclude employees who work less than 20 hours per week and less than 1,000 hours per year, or do not meet certain employment classifications as outlined in the plan agreement from participating in the Plan. In addition, it changed the entry date to the date eligibility is met, which is 30 days after employment and meeting the hours requirement.

CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted, which included provisions, which among others, provide temporary relief for those retirement plan participants affected by the coronavirus disease (COVID-19). Participants who met certain criteria could take a penalty-free hardship withdrawal, borrow from their accounts at higher limits and suspend making payments on their participant loans until 2021. During the period between March 27, 2020 and September 22, 2020, participants impacted by COVID-19 (as defined in the Plan document) could borrow from their account up to the lesser of \$100,000 or the vested account balance and could suspend loan repayments due during that period until January 2021.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CARES ACT (CONTINUED)

The CARES Act also removed the 10% early withdrawal penalty for a coronavirus-related distribution up to \$100,000 made during 2020. Participants who took a coronavirus-related distribution could spread the income over a three-year period for income tax purposes or avoid income taxes if the distribution is repaid with the three-year period following the distribution. The Consolidated Appropriations Act of 2021 provided similar withdrawal exemptions and extended the timeline for penalty free distributions through June 25, 2021.

The voluntary adoption of this provision by the Plan was effective March 27, 2020. As of December 31, 2020, the Plan has not been formally amended, as a formal amendment is not required until the plan year ended December 31, 2022. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

PLAN ADMINISTRATION

The Plan includes custodial contracts with Wells Fargo, Bank N.A. (Wells Fargo) for the period from January 1, 2020 to November 15, 2020, Charles Schwab Trust Bank (Charles Schwab) as of December 31, 2020 and for the period from November 16, 2020 to June 30, 2021, and Reliance Trust Company as of December 31, 2021 and for the period from July 1, 2021 to December 31, 2021, (collectively, the custodians). USI Consulting Group acted as recordkeeper and provided administrative and consulting services for the Plan for the period from January 1, 2020 to June 30, 2021. As of July 1, 2021, ADP acts as the recordkeeper and provides administrative and consulting services for the Plan.

CONTRIBUTIONS

Each year, participants may contribute a certain percentage of their eligible annual compensation in the form of pre-tax salary and/or after-tax Roth contributions. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral set at 2% of eligible compensation with their contributions invested in a designated retirement fund until changed by the participant.

CORNELL SCOTT-HILL HEALTH CORPORATION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participants are eligible to receive safe harbor matching contributions from the Company upon the completion of one year of service. The Company contributes a matching contribution equal to 100% of a participant's contribution up to 3% of eligible compensation, plus 50% of additional contributions up to 5% of compensation for a maximum match of 4% of compensation. In addition, the Plan Sponsor may make a discretionary profit-sharing contribution, which will be allocated among eligible participants with at least one year of service who are actively employed on the last day of the Plan year. The Plan made no discretionary profit sharing contributions for the years ended December 31, 2021 and 2020. Contributions are subject to Internal Revenue Service (IRS) limitations.

PARTICIPANTS' ACCOUNTS

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of the Company's discretionary profit-sharing contribution and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are 100% vested in all amounts within their accounts at all times.

PAYMENT OF BENEFITS

Upon retirement, disability, death or termination of employment, the participant shall become entitled to the total value of his or her vested account, determined as of the valuation date. The Plan also provides for in-service withdrawals by qualified participants. Participant withdrawals are recorded when paid. If employment is terminated, participants have the following options (a) withdraw all vested accounts in a single sum or (b) leave the vested accounts with the plan and defer receipt of benefits. Distributions will be paid by lump sum or installments over a number of years as defined in the Plan or the Code.

Upon qualification for financial hardship, a participant is entitled to the value of his or her deferral and profit sharing contribution accounts, determined as of the valuation date, which is payable immediately in a lump-sum distribution

CORNELL SCOTT-HILL HEALTH CORPORATION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined quarterly, is set at 1% above the prime rate as defined. Distributions to Plan participants turning 70 ½ (72 if 70th birthday is on or after July 1, 2019) are required in accordance with the Code and the Plan document. Additionally, the CARES Act waived minimum required distributions for 2020.

Generally, principal and interest are repaid ratably through payroll deductions. Loans must generally be repaid over a maximum of five years except loans for the purchase of a principal residence, which are repaid over a maximum of thirty years. If any scheduled loan repayment is not made with 90 days that the missed payment was due, the loan is considered to be in default and a distribution is recorded.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting. This basis conforms to accounting principles generally accepted in the United States of America (GAAP).

USE OF ESTIMATES

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for the fully benefit-responsive guaranteed income fund, which was reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The Plan Sponsor's Board of Directors determines the Plan's valuation policies utilizing information provided by the investment advisors, and custodians. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in the fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. No allowance for credit losses has been recorded as of December 31, 2021 and 2020.

PARTICIPANT CONTRIBUTIONS RECEIVABLE AND RECEIVABLE FROM PLAN SPONSOR

Amounts owed to the Plan for certain non-compliance matters have been accrued as a receivable to the Plan as of December 31, 2021 and 2020. Refer to Notes 9 and 10 for additional information.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Certain administrative expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Administrative expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - CERTIFICATION OF INVESTMENTS

Certain information related to investments and notes receivable disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends for the years ended December 31, 2021 and 2020, was obtained by management and agreed to or derived from information certified as complete and accurate by Wells Fargo, Charles Schwab and Reliance Trust Company. This information has not been audited by the Plan's independent auditors.

Below summarizes information certified by the custodians:

NOTE 4 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures (ASC 820)*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments that are measured at fair value as of December 31, 2021 and 2020:

2021					
Asset Category	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	Total
Mutual funds	\$ 21,476,343	\$ --	\$ --	\$ --	\$ 21,476,343
Common Collective Trusts	<u>--</u>	<u>--</u>	<u>--</u>	<u>804,287</u>	<u>804,287</u>
Total investments at fair value	<u>\$ 21,476,343</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 804,287</u>	<u>\$ 22,280,630</u>

2020					
Asset Category	Level 1	Level 2	Level 3	Investments Measured at Net Asset Value (a)	Total
Mutual funds	\$ 17,221,879	\$ --	\$ --	\$ --	\$ 17,221,879
Money market funds	<u>850,851</u>	<u>--</u>	<u>--</u>	<u>--</u>	<u>850,851</u>
Total investments at fair value	<u>\$ 18,072,730</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 18,072,730</u>

- (a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the Statements of Net Assets Available for Benefits.

There were no transfers between the levels during 2021 or 2020.

The following is a description of the valuation methodologies used for assets measured at fair value. There were no changes in valuation methodologies used at December 31, 2021 and 2020.

CORNELL SCOTT-HILL HEALTH CORPORATION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission (SEC). These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trust Funds – Valued at NAV per unit of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily.

Money Market Funds – Valued at the daily closing price as reported by the money market fund. The money market funds held by the Plan are open-end funds that are registered with the SEC. These funds are required to publish their daily NAV to transact at that price. The money market funds held by the Plan are deemed to be actively traded.

NOTE 5 - GUARANTEED INCOME FUND CONTRACT WITH INSURANCE COMPANY

The Plan acquired an interest in the Prudential Guaranteed Income Fund, an evergreen group annuity which was considered a fully benefit responsive contract and was collateralized by Prudential Insurance Company's general account. The account was credited with contributions and earnings thereon, and charged for participant withdrawals and administrative fees. The contract value of the Prudential Guaranteed Income Fund was \$115,885, as of December 31, 2020. As a result of the transfer in custodians, this investment was terminated effective July 1, 2021.

The issuer was contractually obligated to repay the principal and the specified interest rate guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the Plan's net assets available for benefits attributable to the guaranteed investment contract. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise.

CORNELL SCOTT-HILL HEALTH CORPORATION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 5 - GUARANTEED INCOME FUND CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Interest was credited on contract balances using a single “portfolio rate” approach. Under the methodology, a single interest crediting rate was applied to all contributions made to the product regardless of the timing of those contributions. Interest crediting rates were reviewed on a semi-annual basis for resetting.

Generally, there are not any events that could limit the ability of the Plan to transact at contract value paid within 90 days or, in certain rate-based circumstances, paid over time. There were not any events that allowed the issuer to terminate the contract and which required the Plan Sponsor to settle at an amount different than the contract value paid either within 90 days or over time.

NOTE 6 - TAX STATUS

The Plan Sponsor has obtained a determination letter from the IRS dated July 16, 2014 indicating that the Plan is designed in accordance with applicable sections of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The Plan administrator will take the necessary steps, if any, to maintain the Plan’s qualified status.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the taxing authorities. The Plan has analyzed its tax positions and has concluded that as of December 31, 2021 and 2020, there were no uncertain tax positions taken or expected to be taken. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

To the extent the Plan invests in assets managed by Wells Fargo, Charles Schwab or Reliance Trust, who are the custodians as defined by the Plan, these investments qualify as party-in-interest transactions. Fees incurred by the Plan for investment management services are included in net appreciation in fair value of investments presented in the accompanying statements of changes in net assets available for benefits. The Plan allows participants to take loans against their account balances, which are also considered exempt party-in-interest transactions.

RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

As described in Note 2, the Plan paid certain administrative expenses related to plan operations and investment activity to various service providers that are also considered party-in-interest transactions under ERISA. Fees paid by the Plan to Wells Fargo, Charles Schwab, Reliance Trust Company or their affiliates for administrative expenses totaled \$41,636 and \$21,502 for the years ended December 31, 2021 and 2020, respectively.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination, the assets available after payment of any Plan expenses will be distributed to the participants in accordance with the value of their accounts as of the date of termination.

NOTE 9 - DELINQUENT CONTRIBUTIONS

During the Plan year ended December 31, 2021, the Plan Sponsor determined that certain remittances totaling \$259,110 of participant contributions were not made timely in accordance with the Department of Labor's guidelines. During the Plan year ended December 31, 2020, the Plan Sponsor determined that certain remittances totaling \$228,310, \$9,100 and \$53 of participant contributions for the Plan years ended December 31, 2020, 2019 and 2017, respectively, were not made timely in accordance with the Department of Labor's guidelines. The Plan Sponsor categorized the remittances in question as prohibited transactions.

As of December 31, 2021, the Plan Sponsor has not yet corrected the 2021 delinquent participant contributions or calculated the necessary lost earnings related to these delinquent remittances. Lost earnings totaling \$161 related to the 2020, 2019 and 2017 delinquent participant contributions were deposited to the plan during the plan year ended December 31, 2021.

CORNELL SCOTT-HILL HEALTH CORPORATION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2021 AND 2020

NOTE 10 - COMPLIANCE MATTERS

During the plan year ended December 31, 2021, there were various compliance related discrepancies discovered, including certain participants being automatically enrolled in the plan prior to and subsequent to becoming eligible to participate, a participant with a lapse in receiving the eligible safe harbor match, a participant with an employee deferral withheld from payroll that was not remitted to their participant account, and several participants that have unreconciled variances between the ending and beginning balances as a result of the transfer between trustees. As of the date these financial statements were available to be issued, plan management is in the process of consulting with a third party consultant and an ERISA attorney in order to determine the impact as well as determining what calculations, if any, need to be performed in order to make participants whole, the amount of which is unknown at the time of issuance of these financial statements.

During the plan years 2017, 2018, 2019 and 2020, there were certain inaccuracies discovered with participant elective deferrals and employer matching contributions. This included certain participants' vacation accrual payouts being inaccurately excluded from participant contributions upon termination of employment with the Company, participant elective deferrals incorrectly withheld, or not withheld in accordance with the Plan auto-enrollment requirements, and employer match incorrectly calculated and received by the Plan. The total impact was \$18,745, excluding lost earnings, as of December 31, 2020 and was recorded as a receivable from the Plan Sponsor in the statements of net assets available for benefits. These amounts were remitted to the Plan during the year ended December 31, 2021.

NOTE 11 - RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan provides for various investment options in mutual funds, money market funds and a guaranteed income fund. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in value of investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.
