INDEPENDENT AUDITOR'S REPORT

Board of Trustees
Reinforced Iron Workers, Riggers
& Machinery Movers Local 405 Benefit Fund
Philadelphia, Pennsylvania

Opinion

We have audited the accompanying financial statements of Reinforced Iron Workers Riggers & Machinery Movers Local 405 Benefit Fund, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits (in liquidation) as of June 30, 2022 and 2021, and the related statement of changes in net assets available for benefits (in liquidation) for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Iron Workers Riggers & Machinery Movers Local 405 Benefit Fund as of June 30, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Iron Workers Riggers & Machinery Movers Local 405 Benefit Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of Matter

As described in Note 6 to the financial statements, the governing body of Iron Workers, Riggers & Machinery Movers Local 405 Benefit Fund approved a plan of liquidation in June 2021, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting to the liquidation basis of accounting. The liquidation basis usually causes little or no change in the values of Fund assets because most, if not all, Fund assets are fair value. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTES TO FINANCIAL STATEMENTS**

1. DESCRIPTION OF THE PLAN

The following brief description of Reinforced Iron Workers, Riggers & Machinery Movers Local 405 Benefit Fund is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Reinforced Iron Workers Local 405 Benefit Fund, by an Agreement and Declaration of Trust, was formed for the purpose of providing life, accident, sickness, and other benefits for all employees covered by the Collective Bargaining Agreement. The Plan currently provides only vacation benefits. The Benefit Fund is a defined contribution plan and is subject to the provisions of the Employee Retirement Security Act of 1974 (ERISA).

Members' vacation benefits are based on the amount of contributions received. Contributions are based on the number of hours paid.

The Plan may be amended and/or terminated by the Trustees or an agreement between more than half of the contractors (based on prior year contributions) and the union.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting and in accordance with the industry Audit Guide for Audits of Employer Benefit Plans issued by the American Institute of Certified Public Accountants (AICPA).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Contributions

Income from contributions consists of employee contributions. Contributions were deducted from employees' pay at a rate of \$6.00 per hour for Riggers only. Contributions are based on remittances received during the year plus those received during the normal cut-off period. No provision has been made for delinquent contractors' contributions based on the uncertainty of collection.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Depreciation

Depreciation on furniture and equipment is computed over the estimated useful life using the straight-line depreciation method.

Income Taxes

The Fund is exempt from federal income tax under Section 501(c)(9) of the Internal Revenue Code. Accordingly, no provision for income tax is included in the accompanying financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Subsequent Events

Management has evaluated events and transactions occurring subsequent to June 30, 2022 for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through October 28, 2022, the date these financial statements were available for issue.

3. CASH AND EQUIVALENTS

Cash represents cash in checking and savings accounts.

The Benefit Fund maintains cash balances in a financial institution located in the Philadelphia, Pennsylvania area. Accounts at this institution are insured by the Federal Deposit Insurance Corporation up to \$250,000. No amounts of deposit exceeded the insured amount.
