REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

Plan Administrator
Badger Plug Company Retirement and 401(k) Plan

Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2022 financial statements

We have performed an audit of the financial statements of Badger Plug Company Retirement and 401k Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of September 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended September 30, 2022, stating that the certified investment information, as described in Note H to the financial statements, is complete and accurate.

Opinion on the 2022 financial statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for opinion on the 2022 financial statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of management for the 2022 financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's responsibilities for the audit of the 2022 financial statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other matters

2022 supplemental schedules required by ERISA

The supplemental schedules of delinquent participant contributions for the year ended September 30, 2022 and schedule of assets (held at end of year) as of September 30, 2022 are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2022 supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2022 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2022 financial statements or to the 2022 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2022 supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2022 supplemental schedules, we evaluated whether the 2022 supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2022 supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2022 supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's report on the 2021 financial statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 29, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Badger Plug Company Retirement and 401(k) Plan

NOTES TO FINANCIAL STATEMENTS

September 30, 2022 and 2021

NOTE A - PLAN DESCRIPTION

The following description of the Badger Plug Company Retirement and 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Badger Plug Company (the Company). Employees are eligible to participate on the first of the month following completion of one month of service, and are automatically enrolled at 4% unless another election is made. The Plan also provides for auto escalation whereby participant deferrals are increased 1% annually up to 10%, unless another election is made.

For purposes of receiving employer contributions, employees are eligible on the first day of the Plan quarter following completion of one year of service. In order to be eligible to receive employer contributions to the Plan, Plan participants must be employed by the Company on the last day of the Plan year and have completed at least 1,000 hours of service in the Plan year.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan is qualified under Internal Revenue Code (IRC) Section 401(a), which permits an employee to contribute to the Plan with pre-tax and/or after-tax dollars.

OneAmerica Retirement Services is the recordkeeper. During the prior year, the Plan's trustee and custodian changed from BMO Harris Bank N.A. (BMO) to Matrix Trust Company (Matrix). BMO served as the trustee and custodian until May 21, 2021 and was succeeded by Matrix.

Contributions

Participants may contribute up to 75% of their compensation, not to exceed the limits of the IRC. The Company will match 50% of 401(k) contributions up to the first 4% of each employee's contributions.

The Plan includes an annual safe harbor profit-sharing contribution of 3% of eligible employee compensation. Employees may receive safe harbor profit-sharing contributions regardless of their hours of service during the Plan year. The Company may also make additional discretionary profit-sharing contributions to the Plan at the option of the Company's board of directors. The discretionary profit-sharing contributions for the years ended September 30, 2022 and 2021 were 2% of eligible employees' eligible wages.

Matching contributions amounted to \$197,342 and \$195,290 for the years ended September 30, 2022 and 2021, respectively. Total safe harbor and discretionary profit-sharing contributions amounted to \$576,261 and \$571,305 for the years ended September 30, 2022 and 2021, respectively.

Participants' Accounts

Each participant's account is credited with the participant's contribution, Company match and profit-sharing contributions, and allocations of Plan appreciation (depreciation) and forfeitures. Participants' accounts are also charged with an allocation of administrative expenses. The allocations are based on participants' earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Upon enrollment in the Plan, a participant may direct investments consisting of their employee contributions and employer contributions plus actual earnings thereon in 1% increments in any of the investment options offered by the Plan. Participants may change their investment options daily.

Vesting

Participants' contributions are 100% vested at all times. The Company's matching and discretionary profit-sharing contributions vest at 10% for the first two years and increase by 20% per year thereafter until 100% is reached at year six. The Company's safe harbor profit-sharing contributions vest after two years.

Payment of Benefits

On termination of service due to death or disability, the participant or beneficiary is entitled to receive as benefits the entire amount credited to their account as of that date. Upon a participant's termination from employment with the Company for a reason other than death or disability, the participant is entitled to the vested balance in their account.

The method of distribution is determined by an election made by the participant. The methods available are lump sum, installment payments (annual, quarterly or monthly) or direct transfer to another eligible plan. Participants experiencing financial hardship may withdraw from their participant-contribution balance, as defined by the Plan.

Forfeitures

Forfeited non-vested accounts are used to pay Plan expenses. Forfeitures of \$4,378 and \$12,413 were used to pay Plan expenses in 2022 and 2021, respectively. Unallocated forfeitures at September 30, 2022 and 2021 were \$27,508 and \$4,302, respectively.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are the significant accounting policies followed by the Plan:

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP).

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income are recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain Plan administrative expenses are paid by the Plan and are expensed when incurred.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE C - FAIR VALUE MEASUREMENTS

The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at September 30, 2022 and 2021.

Collective trust fund - Valued based on information reported by the investment advisor using the audited financial statements and net asset value (NAV) of the collective trust fund at year end.

Mutual funds - Valued at the NAV of shares held by the Plan at year end, as determined by reference to quoted market prices.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of September 30:

	2022			Total

Mutual funds	<u>\$ 21,921,635</u>	<u>\$ -</u>	<u>\$ -</u>	\$ 21,921,635

^(a) Redemption of the collective trust fund is generally permitted daily and there are no unfunded commitments.

NOTE D - TAX STATUS

The Plan was amended and restated July 1, 2022, using the OneAmerica Financial Partners, Inc. defined contribution pre-approved plan. The pre-approved plan obtained its latest opinion letter on August 19, 2020 in which the Internal Revenue Service (IRS) stated the pre-approved plan, as then designed, was in compliance with the applicable sections of the IRC. The Plan administrator believes that the Plan as designed is in compliance with the applicable provisions of the IRC, in all material respects.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of September 30, 2022 and 2021, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE E - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE F - RELATED-PARTY TRANSACTIONS

Certain administrative costs of the Plan are paid by the Company.

NOTE G - INFORMATION CERTIFIED BY TRUSTEES

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, BMO, the trustee for the period October 1, 2020 through May 21, 2021, and Matrix, the trustee for the period May 21, 2021 through September 30, 2022, have certified that the following data included in the financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, as shown in the statements of net assets available for benefits as of September 30, 2022 and 2021.
- Investment income, as shown in the statements of changes in net assets available for benefits for the years ended September 30, 2022 and 2021.
- Schedule H, line 4a - schedule of delinquent participant contributions for the year ended September 30, 2022
- Schedule H, line 4i - schedule of assets (held at end of year), September 30, 2022.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

NOTE H - SUBSEQUENT EVENTS

The Plan administrator evaluated the Plan's September 30, 2022 financial statements for subsequent events through March 20, 2023, the date the financial statements were available to be issued. The Plan administrator is not aware of any subsequent events which would require recognition or disclosure in the Plan's financial statements.
