INDEPENDENT AUDITORS' REPORT

To the Trustees of the
Commercial Interiors, Inc. 401(k) Plan

SCOPE AND NATURE OF THE ERISA SECTION 103(a)(3)(C) AUDIT

We performed an audit of the accompanying financial statements of the Commercial Interiors, Inc. 401(k) Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the Statement of Net Assets Available for Benefits as of December 31, 2021, the related Statement of Changes in Net Assets Available for Benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management obtained certification from a qualified institution as of and for the year ended December 31, 2021 stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

OPINION ON THE 2021 FINANCIAL STATEMENTS

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section:

- the amounts and disclosures in the 2021 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2021 financial statements referred to above related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

INDEPENDENT AUDITORS' REPORT, CONTINUED**BASIS FOR OPINION**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

RESPONSIBILITIES OF MANAGEMENT FOR THE 2021 FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

AUDITORS' RESPONSIBILITIES FOR THE AUDIT OF THE 2021 FINANCIAL STATEMENTS

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.

INDEPENDENT AUDITORS' REPORT, CONTINUED

Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

SUPPLEMENTAL SCHEDULE REQUIRED BY ERISA

The supplemental Schedule of Assets (Held at End of Year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their

INDEPENDENT AUDITORS' REPORT, CONTINUED

form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held and certified by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

AUDITORS' REPORT ON THE 2020 FINANCIAL STATEMENTS

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated September 22, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2020 financial statements and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 **DESCRIPTION OF PLAN**

The following description of the Commercial Interiors, Inc. 401(k) Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

GENERAL

The Plan is a defined-contribution plan that covers all eligible employees of Commercial Interiors, Inc., Commercial Construction LLC, and Commercial Property Management (collectively referred to as the Company). The Plan also covers all hourly employees of the Company who work on jobs subject to the Davis-Bacon Act. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

ELIGIBILITY

The Plan allows all employees (excluding residents of Puerto Rico) to enter the Plan and make salary deferrals on the first day of each month following employment, regardless of age. In order to be eligible to receive discretionary matching contributions, employees must participate in the Plan and complete at least one year of service, with an entry date of the first day of the month following requirements being met. In order to be eligible to receive profit-sharing contributions, participants must be employed on the last day of the Plan year and have completed at least one year of service. The profit-sharing contribution entry date is January 1 or July 1 following requirements being met. Employees who are working under contracts subject to prevailing wage provisions are automatically eligible to receive prevailing wage contributions as they are not subject to any age, service, or employment condition requirements.

CONTRIBUTIONS

Each year, participants may contribute up to 75% of eligible compensation, as defined in the Plan, up to the maximum amount permitted under the Internal Revenue Code. Participants who turn 50 years old before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans.

The Company may make discretionary matching and discretionary profit-sharing contributions. The Company also makes contributions equal to the sum of the employee's daily minimum fringe benefit contribution prevailing in the locality where the work is performed, as required by the Davis-Bacon Act.

(See Independent Auditors' Report)

INVESTMENT OPTIONS

Upon enrollment in the Plan, a participant may direct employee contributions into various investment options offered by the Plan. Specific information regarding these options may be obtained from the Plan Administrator. Participants may change their investment options at any time.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and (b) Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary contributions and Company contributions as required by the Davis-Bacon Act plus earnings thereon. A participant is 20% vested after two years of service and fully vested in Company contributions after six years of credited service. Participants are automatically fully vested upon early retirement (age 55 and at least six years of service), disability, death, or termination of the Plan.

PAYMENT OF BENEFITS

Upon termination of service, retirement, death, or disability, a participant or beneficiary is entitled to receive a lump-sum amount equal to the vested portion of the participant's account.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow up to 50% of their vested account balances not to exceed \$50,000. Note terms require amortization of principal and interest over a period not to exceed five years. Notes used to acquire a principal residence may extend beyond a five-year term as determined by the Plan Administrator. The notes receivable are collateralized by the balance in the participant's account and bear interest at the prime rate plus 1%. Notes receivable are repaid through payroll deductions and may be repaid in full at any time. Participants may have only one loan outstanding at a time.

(See Independent Auditors' Report)

FORFEITED ACCOUNTS

At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$9,905 and \$3,707, respectively. These accounts will be used to reduce future administrative expenses and Company contributions in accordance with the Plan document.

ADMINISTRATIVE EXPENSES

Certain administrative expenses of the Plan are paid by the Company. In addition, the Company provides services to the Plan without charge.

PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts, and the value of the interests of all participants and beneficiaries shall be determined and distributed to them in a lump sum.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ACCOUNTING STANDARDS CODIFICATION

All references in the financial statements to the Codification refer to the Accounting Standards Codification and the Hierarchy of Generally Accepted Accounting Principles (GAAP) issued by the Financial Accounting Standards Board. The Codification is the single source of authoritative GAAP in the United States.

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

BASIS OF ACCOUNTING

The accompanying financial statements are prepared on the accrual basis of accounting.

(See Independent Auditors' Report)

VALUATION OF INVESTMENTS

Investments are stated at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. See Note 4 for a discussion of fair value measurements.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are carried at their unpaid principal balance plus accrued interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

RISK AND UNCERTAINTIES

The Plan provides for investments in various investment securities, which are exposed to various risks, such as interest rate, credit, and overall volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term, and such changes could materially affect the amounts reported in the Statements of Net Assets Available for Benefits.

SUBSEQUENT EVENTS

The Plan evaluated subsequent events and transactions for potential recognition or disclosure in the financial statements through December 27, 2022, the date the financial statements were available to be issued.

NOTE 3 INFORMATION CERTIFIED BY THE TRUSTEE

The Plan's investments were held by John Hancock Life Insurance Company, the Trustee of the Plan, at December 31, 2021 and 2020. Financial information related to those investments is included in the accompanying financial statements based on information certified as complete and accurate by the Trustee. That information was not audited by the Plan's independent auditors. As of December 31, 2021 and 2020, certified investment information consisted of the following:

	<u>2021</u>	<u>2020</u>
Pooled Separate Accounts	\$ 8,719,644	\$ 7,179,897
Stable Value Contract	98,624	94,916
Total	<u>\$ 8,818,268</u>	<u>\$ 7,274,813</u>

(See Independent Auditors' Report)

During the year ended December 31, 2021, certified investment income consisted of the following:

Net Appreciation in Fair Value of Investments	\$ 877,627
Interest	<u>1,337</u>
	<u><u>\$ 878,964</u></u>

NOTE 4 VALUATION OF INVESTMENTS

Investments are recorded at fair value in accordance with the provisions of the Fair Value Measurements and Disclosures Topic of the Codification, which establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

Quoted prices for similar assets or liabilities in active markets;

Quoted prices for identical or similar assets or liabilities in inactive markets;

Inputs other than quoted prices that are observable for the asset or liability;

Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

(See Independent Auditors' Report)

Below is a description of the valuation methodology used for assets measured at fair value. There were no changes in the methodology used at December 31, 2021 and 2020.

Pooled Separate Accounts: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is quoted on a private market that is not active; however, the share price is based on underlying investments which are traded on an active market. These assets are classified as Level 2 within the fair value hierarchy.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 5 INVESTMENT IN STABLE VALUE CONTRACT

The Plan has an investment in the John Hancock Guaranteed Interest Account, which is a fully benefit-responsive investment contract and, therefore, reported at contract value. Contract value, as reported by the Trustee of the Plan, represents contributions made under the fund, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. Certain events limit the Plan's ability to transact at contract value with the issuer. Such events include the following: (a) amendments to the Plan document (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe any events that would limit the Plan's ability to transact at contract value with Plan participants or the issuer are probable of occurring.
