INDEPENDENT AUDITORS' REPORT

Tos Farms, Inc. Profit Sharing Plan
Hanford, California

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the June 30, 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Tos Farms, Inc. Profit Sharing Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the June 30, 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 1 to the financial statements, is complete and accurate.

Opinion on the June 30, 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the June 30, 2022 Financial Statements section –

- The amounts and disclosures in the June 30, 2022 financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the June 30, 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the June 30, 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the June 30, 2022 Financial Statements section of our report. We are required to be independent of Tos Farms, Inc. Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the June 30, 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Tos Farms, Inc. Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the June 30, 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the June 30, 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Tos Farms, Inc. Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Tos Farms, Inc. Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the June 30, 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

June 30, 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) for the year ended June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the June 30, 2021 Financial Statements

We have audited the statement of net assets available for benefits of Tos Farms, Inc. Profit Sharing Plan as of June 30, 2021, and the related statement of changes in net assets available for benefits for the year ended June 30, 2021 (not presented herein), and in our report dated March 16, 2023, we expressed an unmodified opinion on those financial statements.

1. DESCRIPTION OF PLAN:

The following brief description of the Plan provides only general information. Participants should refer to the Plan document for complete information.

General

The Tos Farms, Inc. Profit Sharing Plan (the "Plan") was adopted effective July 1, 1979 for all eligible employees (participants) of Tos Farms, Inc. and Tos Farming Company, LLC, a California limited liability company and Tos Land Company, a California S Corporation. The Plan was subsequently amended effective July 1, 1980, July 1, 1984, February 4, 1992, December 20, 1994, June 28, 2005, August 31, 2008, April 5, 2012, July 1, 2021, and April 1, 2022. The Plan and the related trust fund are established for the exclusive benefit of the participating employees and no part of the trust fund, including income from investments and employer contributions, can revert to the Plan or the Partnership. The Plan is subject to the provisions of the Employees Retirement Income Security Act of 1974 (ERISA).

Management has evaluated subsequent events through March 16, 2023, the date at which the financial statements were available to be issued. No significant subsequent events were discovered by management.

Eligibility and Vesting

An employee becomes eligible for participation in the Plan upon attainment of his twenty-first birthday, after completing one year of service and after completing one thousand hours of service. Contributions vest 100% at the end of the third year of service in the Plan and become fully vested upon the employee's death, incapacity, attainment of normal retirement age or upon termination of the Plan. An employee becomes eligible for normal retirement benefits upon attainment of his sixty-fifth birthday. Benefit payments may be made in a lump sum or in installments.

Administration

The Plan is administered by Pace TPA and plan administration costs were paid for by the Plan.

Contributions

The Plan is a defined contribution plan. As such, the Plan's contributions are determined each year at the discretion of the Board of Directors. All contributions made by the Plan to the trust are irrevocable and are used to pay benefits under the Plan or to pay expenses incurred in connection with the purchase and sale of securities or other investments of the trust fund.

Distributions

In the event of death, disability, retirement or termination, a participant's vested interest in the Plan will be distributed in a lump-sum payment or in installments as soon as administratively feasible.

1. DESCRIPTION OF PLAN (CONTINUED):

Termination

Although termination of the Plan is not presently contemplated, Tos Farms, Inc. has the right to terminate the Plan at any time. In the event of termination, participants become 100% vested in their respective investments, including all discretionary employer contributions.

Forfeited Accounts

Forfeitures may be used to reduce any employer contribution. Forfeitures in the amount of $27,317 and $961 were available for the reduction of employer contributions at June 30, 2022 and 2021, respectively.

Certified Investments

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at June 30, 2022, and net appreciation (depreciation) in fair value of investments and interest for the year ended June 30, 2022, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Standard Insurance Company (the trustee of the Plan).

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order for them to be in conformity with the current year presentation.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Accounting Method

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

Management uses estimates and assumptions in preparing these financial statements in accordance with generally accepted accounting principles. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenue and expenses. Actual results could vary from the estimates that were used.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Investments

As of June 30, 2022, and 2021, investments of the Plan are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Standard Insurance Company determines the Plan's valuation policies. Purchases and sales of investments are accounted for as of the trade date. Interest is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year. The primary objective of the Plan investments is to achieve long-term capital appreciation within reasonable risk parameters. The investments are reviewed annually for impairment by management. No impairments were recognized by the Plan during the years ended June 30, 2022, and 2021.

Operating Expenses

All expenses of maintaining the Plan are paid by the Plan. The Plan may also impose specific charges against individual participant accounts for certain transactions.

3. INVESTMENTS:

For the year ended June 30, 2022, the Plan's investments held by Standard Insurance Company, party-in-interest, (including investments bought, sold, and held during the year) are stated at fair value. Previously for the year ended June 30, 2021, the Plan's investments were held by Waterfront Wealth Advisors. Fair values and appreciation (depreciation) in value are summarized as follows:

	Net Increase (Decrease) In Value	Fair Value
June 30, 2022		
Investments consisted of:		
Insurance company guaranteed interest	$ 0	$ 892,587
Pooled separate accounts	(534,530)	3,617,214
Cash & money funds, includes Union Bank, a party-in-interest	0	70,156
	$ (534,530)	$ 4,579,957

3. INVESTMENTS (CONTINUED):

	Net Increase (Decrease) In Value	Fair Value
June 30, 2021		
Investments consisted of:		
Mutual funds	$ 417,175	$ 2,142,403
Preferred stocks	101	2,316
Corporate bonds	432	45,452
Common stocks	1,087,051	2,773,486
	1,504,759	4,963,657
Cash & money funds, includes Union Bank, a party-in-interest	0	95,225
	$ 1,504,759	$ 5,058,882

The fair value of investments that represent 5% or more of the Plan's net assets available for benefits is as follows:

	2022	2021
Schwab Total Stock Market Index	$ 1,501,747	$ 0
Fidelity International Index	469,212	0
Vanguard Total Bond Market	1,583,651	0
Standard Stable Asset D	892,587	0
Jefferies Finl Group Inc	0	365,701
	$ 4,447,197	$ 365,701

4. FAIR VALUE MEASUREMENTS:

Generally accepted accounting principles establish a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

4. FAIR VALUE MEASUREMENTS (CONTINUED):

The three levels of the fair value hierarchy are described as follows:

Level 1 Fair Value Measurements: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Fair Value Measurements: Inputs to the valuation methodology include:

1. quoted prices for similar assets or liabilities in active markets;
2. quoted prices for identical or similar assets or liabilities in inactive markets;
3. inputs other than quoted prices that are observable for the asset or liability;
4. inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements: Fair values are based on inputs other than quoted prices included within Level 1 that are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual funds: Valued at the net asset value of shares held by the Plan at year-end.

Money market funds: Valued at the net asset value of shares held by the Plan at year-end.

Common stocks and preferred stocks: Valued at the closing price reported on the active market where individual securities are traded.

Corporate bonds: Certain corporate bonds are valued at the closing price reported in the active market in which the bond is traded. Other corporate bonds are valued based on yields currently available on comparable securities of issuers with similar credit ratings. When quoted prices are not available for identical or similar bonds, the bond is valued under a discounted cash flows approach that maximizes observable inputs, such as current yields of similar instruments, but includes adjustments for certain risks that may not be observable, such as credit and liquidity risks.

4. FAIR VALUE MEASUREMENTS (CONTINUED):

Insurance company guaranteed interest: Not traded on an open market and public prices are not available. Backed by a general account and does not have specific underlying assets assigned.

Pooled separate accounts: An investment where each plan shares in a pooled fund on a participation unit basis. The Plan's interest in the account is the cumulative record of the number of participation units credited to the account and the number of units allocated or withdrawn from the account. The participation unit value is adjusted periodically to reflect investment results under the separate account.

The preceding method described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

		Fair Value Measurements Using:		
	Fair Value	Quoted Prices in Active Markets (Level 1)	Significant Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
June 30, 2022				
Insurance company guaranteed interest	$ 892,587	$ 0	$ 0	$ 892,587
Pooled separate accounts	3,617,214	0	3,617,214	0
Total	$ 4,509,801	$ 0	$ 3,617,214	$ 892,587
June 30, 2021				
Mutual funds	$ 2,142,403	$ 2,142,403	$ 0	$ 0
Preferred stocks	2,316	2,316	0	0
Corporate bonds	45,452	0	45,452	0
Common stocks	2,773,486	2,773,486	0	0
Total	$ 4,963,657	$ 4,918,205	$ 45,452	$ 0

5. RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H, FORM 5500:

At June 30, 2022 and 2021, there were no differences between assets available for benefits per the financial statements and the assets available per Schedule H, Form 5500. Also, there were no differences in benefits paid to participants per the financial statements and Schedule H, Form 5500.

6. INCOME TAXES:

The Plan obtained its latest determination letter on January 14, 2004, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provisions for income taxes have been included in the Plan's financial statements.

The income tax returns for the three prior years for federal and the four prior years for state income tax purposes are subject to examination by appropriate tax authorities. Interest and penalties, if imposed from tax positions, are recognized in the financial statements as general and administrative expenses.

7. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

8. RELATED PARTIES:

Certain Plan investments are shares of pooled separate accounts and insurance company guaranteed interest managed by Standard Insurance Company. Standard Insurance Company is the funding medium as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in the investment fair value amount.

The transactions between the Plan and its employers for the year ended June 30, 2022 are as follows:
