INDEPENDENT AUDITORS' REPORT

To the Board of Directors of
Progress Foundation 403(b) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Progress Foundation 403(b) Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (“GAAS”). Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 Financial Statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management’s election of the ERISA Section 103(a)(3)(C) audit does not affect management’s responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan’s ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan’s transactions that are presented and disclosed in the financial statements are in conformity with the Plan’s provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors’ Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors’ report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 Financial Statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental *Schedule H, Line 4i - Schedule of Assets (Held at End of Year)* as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment

information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 Financial Statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 15, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 Financial Statements, and (b) the form and content of the information included in the 2021 Financial Statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

PROGRESS FOUNDATION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Progress Foundation 403(b) Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

On January 1, 1995, Progress Foundation (the “Foundation”), the Plan’s sponsor, established the Plan for its employees.

The Plan operates under §403(b) of the Internal Revenue Code (“IRC”) and is also subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Plan covers all eligible employees upon their employment commencement date. Participation in the Plan may not be waived by eligible employees. Nationwide Trust Company, FSB (“Nationwide”) is the custodian of the Plan.

The Plan allows for participant elective salary before-tax and after-tax (“Roth”) contributions for union and non-union employees and provides an employer contribution for non-union employees.

The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, termination, or financial hardship. The Foundation’s Board of Trustees oversees the Plan.

ELIGIBILITY

All employees, except non-resident aliens and student employees, are immediately eligible to participate in the Plan and make elective deferrals. All employees who are 18 years or older, except employees who work less than 20 hours per week, Resident managers, temporary employees, or are governed by a collective bargaining agreement, are eligible to receive employer contributions.

CONTRIBUTIONS

Participants

Participants may voluntarily defer 100% of their before and after-tax eligible compensation under a salary reduction agreement. Participants may contribute up to the IRC limit (\$20,500 and \$19,500 for calendar years 2022 and 2021, respectively). In addition, participants aged 50 before the end of the plan year are eligible to make catch-up contributions up to the IRC limit (\$6,500 for calendar years 2022 and 2021).

Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover). The Plan will accept amounts rolled over from an employee’s prior plan, if the prior plan was a qualified retirement plan, an IRC §403(b) tax-sheltered annuity plan, a government IRC §457(b) plan, or traditional IRA.

PROGRESS FOUNDATION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Employer

The Plan allows for discretionary employer contributions. For the year ended June 30, 2022, the Foundation made contributions to each eligible non-union participant's account equal to 4% of the employee's eligible compensation.

PARTICIPANT ACCOUNTS

The Plan maintains a separate account for each participant, which is credited with the participant's contributions, the Foundation's contributions, Plan earnings, and charged with an allocation of administrative expenses. Participants self-direct their funds among the available investment options and may change their investment options daily. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their voluntary salary deferrals, Roth contributions, rollover contributions, and actual earnings thereon. Vesting in the Foundation's contribution portion of their accounts, plus earnings thereon, is based on a continuous year of service. The participant's individual account balance derived from employer contributions is fully vested after one year of service. Participants must work at least 1,000 hours to earn a year of vesting service.

INVESTMENT OPTIONS

Participants self-direct their account balance into one of the following investment options offered by Nationwide:

- *Investor Profile* – the participant selects a portfolio mix of investments that matches their investment profile.
- *Self-Selection* – the participant selects from the core-designated funds, which are determined and monitored by the Foundation.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Generally, the term of the loan may not exceed five years. However, if the loan is for the purchase of a principal residence, the plan administrator may permit a longer repayment term of up to 15 years. If any scheduled loan repayment remains unpaid for

more than ninety (90) days after it is due, the loan is considered to be in default. The participant is then treated as having received a deemed distribution for the outstanding balance of the loan. The loans are secured by the vested balance in the participant's account and bear interest equal to the Wall Street Journal's published prime rate plus 1% per annum. Principal and interest is paid ratably through payroll deductions. In the event of a participant termination, the loan provision places the Plan in the first position with respect to the participant's account balance.

PAYMENT OF BENEFITS

Distribution and withdrawals are payable upon termination, death, disability, financial hardship, or retirement. A participant may elect to receive an amount equal to the value of the participant's vested account balance, in either a lump-sum amount, or in installment payments over a period elected by the participant. Terminated participants with balances, excluding rollovers, of \$5,000 or less are automatically distributed in one lump sum. The Plan permits in-service distributions to participants who have attained age 59 ½. Normal retirement age is 65.

FORFEITED ACCOUNTS

The unvested portion of a terminated participant's employer contribution and related earnings are forfeited. Forfeitures may be used to pay employer contributions and administrative expenses of the Plan. Forfeitures are to be used in the Plan year following the year the designated forfeiture occurred. At June 30, 2022 and 2021, the forfeiture account totaled \$7,221 and \$3,386, respectively. During the year ended June 30, 2022, no forfeitures were used to reduce employer contributions or pay Plan expenses.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The accompanying financial statements of the Plan have been prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

USE OF ESTIMATES

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

PROGRESS FOUNDATION 403(b) RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at their fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balances plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 and 2021. Delinquent participant loans are recorded as deemed distributions on the basis of the terms of the plan agreement.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

ADMINISTRATIVE EXPENSES

Investment expenses incurred by the managers of the funds and directly related administrative expenses are deducted from the earnings of the Plan. Loan processing fees and distribution fees are paid by the participants. All other expenses of maintaining the Plan are paid by the Foundation and are not included in these financial statements.

NOTE 3 - INFORMATION PROVIDED AND CERTIFIED BY THE CUSTODIAN OF THE PLAN

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 30, 2022 and 2021, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the year ended June 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Nationwide (the custodian of the Plan). This information has not been audited by the Plan's auditor.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's financial assets and liabilities are carried at fair value, and are classified for disclosure purposes based on a hierarchy that gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). An asset's or a liability's classification is based on the lowest level input that is significant to its measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The levels of the fair value hierarchy are as follows:

Level 1

Inputs for the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted market prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Certain inputs that are unobservable (supported by little or no market activity) and significant to the fair value measurement.

There have been no changes in the methodologies used at June 30, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

Mutual Funds	<u>\$ 10,326,133</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 10,326,133</u>

NOTE 5 - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Cambridge Investment Research Advisors, LLC ("Cambridge") is the investment advisor for the Plan, National Benefit Services LLC ("NBS") is the third-party administrator of the Plan, and Nationwide is the custodian of the Plan, as such, they are considered parties-in-interest to the Plan under ERISA. In addition, the Plan has notes receivable from participants, which are considered party-in-interest transactions.

During the year ended June 30, 2022, direct fees paid to Cambridge, Nationwide and NBS for administrative and transactional services amounted to \$16,000, \$32,991 and \$3,840, respectively. During the year ended June 30, 2022, the Plan paid Nationwide \$6,648 in indirect fees which are netted against investment income, or applied against loan or distribution transactions.

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Foundation has the right under the plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of a plan termination, participants will become 100% vested in their employer contributions and earnings thereon. Any unallocated assets of the Plan will be allocated to participant accounts and distributed in such manner as the Foundation may determine. The accrued benefit to each participant shall be the value of their account balance.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 7 - TAX STATUS

The Plan adopted a prototype plan designed to be qualified under §403(b) of the IRC. The plan administrator and the Plan's tax counsel believe that terms of the Plan have been prepared to conform with the written Plan requirements of Regulation 1.403(b)-3 of the IRC. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under §403(b). Management believes the Plan is operating in conformity with all such requirements. The Plan's annual information returns are subject to examinations by taxing authorities. There are no examinations pending or in progress.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various mutual funds. These investments are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events, which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participant's account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 9 - NON-COMPLIANCE

During the year ended June 30, 2022, it was discovered that management had improperly excluded eligible compensation from employee and employer contributions for certain participants with a change in position or who were terminated. Management is in the process of self-correcting this error, which includes making all negatively impacted participants whole. This error is not material to the financial statements.

NOTE 10 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through March 14, 2023, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements were identified.
