INDEPENDENT AUDITOR'S REPORT

To the Administrative Committee
Keter Environmental Services Inc - 401(k)

Scope and Nature of ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Keter Environmental Services Inc - 401(k) (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the period from October 1, 2021 (Inception) through December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of December 31, 2021, and for the period from October 1, 2021 (Inception) through December 31, 2021, stating that the certified investment information, as described in Note 6 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section -

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

"Citrin Cooperman" is the brand under which Citrin Cooperman & Company, LLP, a licensed independent CPA firm, and Citrin Cooperman Advisors LLC serve clients' business needs. The two firms operate as separate legal entities in an alternative practice structure. Citrin Cooperman is an independent member of Moore North America, which is itself a regional member of Moore Global Network Limited (MGNL).

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Information Required by ERISA

The supplemental schedule H - line 4i - assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF PLAN

The following description of Keter Environmental Services Inc - 401(k) (the "Plan") provides only general information. For a more complete description of the Plan's provisions, refer to the agreement governing the Plan (the "Plan document").

General

The Plan is a defined contribution plan established on October 1, 2021, covering eligible employees of Keter Environmental Services, Inc. and Kes Industrial LLC (the "Plan Sponsor" or the "Company"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by the Company. Reliance Trust Company (the "Trustee") serves as the trustee to the Plan. The Administrative Committee is responsible for oversight of the Plan.

Prior to October 1, 2021, the employees of Keter Environmental Services, Inc. and Kes Industrial LLC were participants of another defined contribution plan offered by Resource Energy Systems LLC (the "RES Plan"). During October 2021, participant account balances totaling $5,992,891 were transferred from the RES Plan into the Plan. Total assets transferred from the RES Plan is included in "Transfers from other plan" in the accompanying statement of changes in net assets available for benefits.

Eligibility

Employees who have attained the age of 21 years or older and have completed three months of service, as defined in the Plan document, are eligible to participate in the Plan.

Contributions

Each year, participants may contribute up to 90% of pre-tax annual compensation, as defined in the Plan document. Participants may also make rollover contributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and a common collective trust as investment options for participants. Participants may also designate some or all of their elective deferral on a post-tax basis ("Roth Deferral Contribution"). Once the Roth Deferral Contribution election is made, the contribution amount will be included in the participant's income for income tax purposes, and the income tax withholding amounts will be deducted from the remainder of the participant's pay.

The Company's safe harbor matching contributions are equal to 100% of the first 4% of compensation that a participant contributes to the Plan. Company contributions are invested directly in the investment options as directed by the participant.

Qualified nonelective contributions may be made at the option of the Company. To be eligible for the Company's contributions, employees must be employed on the last day of the Plan year and must be credited with at least 1,000 hours of service during the Plan year, as defined. For the period from October 1, 2021 (Inception) through December 31, 2021, the Company elected not to make discretionary nonelective contributions to the Plan.

Participants' Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's matching contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

1. DESCRIPTION OF PLAN (CONTINUED)

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum amount of $500 up to a maximum amount equal to the lesser of a) $50,000, or b) 50% of the participant's vested account balance. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with market rates for similar loans. Participant loans generally must be fully repaid within five years, unless the loan was for the purchase of a primary residence, in which case the period can be extended to 30 years. Participants can have no more than two loans outstanding at any given time. At December 31, 2021, the interest rate on outstanding loans ranged from 5.25% to 6.75%, maturing on various dates through January 2027.

Vesting

Participants are immediately vested in their elective deferral and rollover contributions and safe harbor matching contributions, plus actual earnings thereon. Vesting in the Company's qualified nonelective contribution plus actual earnings thereon is based on years of service as follows:

Years of Service Completed	Vesting Percentage
1	20%
2	40%
3	60%
4	80%
5	100%

Participants who terminate employment due to death, disability or attainment of age 65, become 100% vested in their total account balance.

Payments of Benefits

Upon termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the participant's vested interest in his or her account or annual installments over a period of not more than their assumed life expectancy as determined at the time of distribution. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts

Forfeitures are used to pay for the administrative expenses of the Plan and to reduce employer contributions. At December 31, 2021, forfeited nonvested accounts totaled approximately $10. During the year ended December 31, 2021, the Plan Sponsor used $1,006 of available forfeitures to reduce the employer matching contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits at the date of the financial statements and changes in net assets available for benefits during the year. Accordingly, actual results could differ from those estimates. Any adjustments applied to estimated amounts are recognized in the year such adjustments are determined.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Fair Value Measurements

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Categorization within the valuation hierarchy is based upon the lowest level of input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Under this standard, fair value is defined as the exit price, or the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date.

The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

> Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
>
> Level 2 inputs to the valuation methodology include: quoted prices for similar assets or liabilities in active markets; quoted prices for identical assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and, inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
>
> Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value and which are included in the fair value hierarchy. There have been no changes in the methodologies used at December 31.

Mutual funds: are valued at quoted market prices, which represent the net asset value ("NAV") of the securities held in such funds and are classified as Level 1 investments. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

*Collective trust*s: are valued at the NAV of units of the collective trust. The NAV, as provided by the Trustee, is used as a practical expedient to estimating fair value. The NAV is based on the fair value of the underlying investments held by the fund, less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner. Unit values are determined by dividing the fund's net assets at fair value by its units outstanding at the valuation dates.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. Furthermore, although the Plan administrator believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Delinquent participant loans are considered to be deemed distributions and are reclassified as distributions based upon the terms of the Plan document.

Administrative Expenses

Substantially all expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in "Administrative expenses." Investment-related expenses are netted against "Net appreciation in fair value of investments."

Payment of Benefits

Benefits are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Subsequent Events

In accordance with FASB ASC 855, *Subsequent Events*, the Company has evaluated subsequent events through October 12, 2022, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

3. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

4. PLAN TERMINATION

Although it has not expressed any intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer discretionary contributions and be entitled to the entire amount of their account balance.

5. TAX STATUS

The Plan uses a prototype plan document, sponsored by the Trustee, which received an opinion letter from the Internal Revenue Service ("IRS") dated October 6, 2020, stating that the prototype document satisfied the provisions of the Internal Revenue Code ("IRC"). The Plan itself has not received a determination letter from the IRS. The Plan administrator and the Plan's tax council believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and that, therefore, the Plan qualifies under Section 401(a) of the IRC and is exempt from federal income taxes under Section 501(a) of such code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

6. INFORMATION CERTIFIED BY THE PLAN TRUSTEE

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The following is a summary of information regarding the Plan as of December 31, 2021, and for the period from October 1, 2021 (Inception) through December 31, 2021, which was prepared by or derived from information prepared by the Trustee, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the Trustee that such information along with the information included in the schedule H, line 4(i) - assets (held at end of year) as of December 31 is complete and accurate.

6. INFORMATION CERTIFIED BY THE PLAN TRUSTEE (CONTINUED)

Investments:	Amount
Mutual funds	$ 6,065,324
Collective trust fund	73,423
Total investments	6,138,747
Notes receivable from participants	91,769
Total certified assets	$ 6,230,516
Net appreciation in fair value of investments	$ 74,785
Dividend and other income	$ 186,817
Interest on notes receivable from participants	$ 1,231

7. RELATED-PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Additionally, certain Plan expenses are paid directly by the Company. Notes receivable from participants are also party-in-interest transactions.

8. FAIR VALUE MEASUREMENTS

The following table summarizes the Plan's investments measured at fair value on a recurring basis, categorized by U.S. GAAP's valuation hierarchy, as of December 31, 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2021			
Description	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,065,324	$ -	$ -	$ 6,065,324
Total assets in fair value hierarchy	$ 6,065,324	$ -	$ -	6,065,324
Investments measured at net asset value [1]				73,423
Total investments at fair value				$ 6,138,747

[1] Includes a collective trust fund which is measured at NAV as a practical expedient and is not classified in the fair value hierarchy. The fair value amounts presented in these tables are shown for the purpose of reconciling to the statement of net assets available for benefits.

9. NET ASSET VALUE PER SHARE

The following table sets forth a summary of the Plan's investments with a reported NAV per share as of December 31, 2021:

	Fair Value Estimated Using Net Asset Value per Share December 31, 2021				
Investment	Fair Value	Unfunded Commitments	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Collective trust fund	$ 73,423	$ -	Daily	None	12 Months
