Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. an employee benefit plan subject to the Employee Retirement Income Security Act of 1947 (ERISA), as permitted by ERISA Section 103(a)(3)(c) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022 and 2021 and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Independent Auditors' Report (continued)

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United State of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect managements responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the 2022 Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control – related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Independent Auditors' Report (continued)

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. As permitted by 29 CFR 2520.103-8 if the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 6, 2022 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. an employee benefit plan subject to the Employee Retirement Income Security Act of 1947 (ERISA), as permitted by ERISA Section 103(a)(3)(c) (ERISA Section 103(a)(3)(c) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022 and 2021 and the related statement of changes in net assets available for benefits for the years then ended and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Independent Auditors' Report (continued)

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United State of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be independent of 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(c) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(c) audit does not affect managements responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(c) Audit of the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Independent Auditors' Report (continued)

Auditors' Responsibilities for the Audit of the 2022 Financial Statements (continued)

Accordingly, the objective of an ERISA Section 103(a)(3)(c) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control – related matters that we identified during the audit.

Other Matter - 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at end of year) as of and for the year ended June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(c).

Independent Auditors' Report (continued)

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc. As permitted by 29 CFR 2520.103-8 if the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 6, 2022 we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**403(b) THRIFT PLAN OF THE
ARC NORTHERN CHESAPEAKE REGION, INC.**

Notes to Financial Statements
June 30, 2022 and 2021

1. Description of the Plan

The following description of the 403(b) Thrift Plan of The Arc Northern Chesapeake Region, Inc., (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. The Arc Northern Chesapeake Region, Inc. is the Plan Sponsor (the Sponsor).

- A. General - The Plan is a defined contribution plan covering substantially all employees of The Arc Northern Chesapeake Region, Inc. (The Arc). There is no age or service requirement to become eligible to make salary deferrals. Employees are required to be at least 18 years old and to have one year of service to be eligible for employer matching contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Sponsor oversees governance of the Plan, determines the appropriateness of investment offerings, and monitors investment performance.
- B. Contributions - Each year, participants may contribute up to 100 percent of pre-tax annual compensation, as defined in the Plan. Effective April 1, 2017, participants may elect to make post-tax Roth contributions. Effective July 1, 2021, the Plan was amended to allow for automatic contributions whereas all new hires are enrolled at an employee contribution percentage of 1% with an automatic annual increase up of an additional 1% per year up to a maximum of 3%. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Effective July 1, 2015, the Plan allows for discretionary employer matching contributions. For the years ended June 30, 2022 and 2021, the Employer made a matching contribution of \$1 for every \$1 contributed by the employee up to \$500. Participants direct the investment of their contributions and any employer contributions into various investment options offered by the Plan within its investment contracts with Lincoln National Life Insurance Company (Lincoln National) and Mutual of America Life Insurance Company (Mutual of America) under pooled separate accounts or guaranteed funds in the general account.
- C. Participant Accounts - Each participant's account is credited with the participant's contributions and allocations of (a) The Sponsor's contributions, and (b) plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined in the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- D. Vesting - Participants are immediately vested in their contributions, including designated Roth contributions and rollovers, plus actual earnings thereon. Participants are vested 33% per year in the portion of their accounts representing employer basic and matching contributions and are fully vested after three years of service.

Notes to Financial Statements
June 30, 2022 and 2021

1. Description of the Plan (continued)

- E. Notes Receivable from Participants - Participants may borrow from Mutual of America or Lincoln National based on their account balance at a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The notes are secured by the balance in the participant's account and bear interest at rates commensurate with the prevailing market rates. Principal and interest is paid ratably through payroll deduction to Mutual of America or Lincoln National, not the Plan.
- F. Payment of Benefits - On termination of service due to death, disability, or retirement, a participant or their beneficiary may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, installments, or an annuity. Retirement benefits paid to married participants are subject to certain provisions and spousal consents. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. If the balance of a participant's account is \$5,000 or less, the terminating participant's vesting balance can be distributed immediately with or without the taxpayer's consent. Hardship distributions are permitted in accordance with applicable federal laws. Upon taking a hardship distribution, the participant is not permitted to make contributions for a period of 6 months.
- G. Forfeited Accounts - At June 30, 2022 and 2021, forfeited non-vested accounts totaled \$948 and \$1,195, respectively. On July 1, 2015, the Plan was amended whereby forfeitures will be allocated among participants following year-end based on the ratio of each participant's compensation to the total of all plan participants' compensation. During the years ended June 30, 2022 and 2021, the Plan allocated \$1,643 and \$31, respectively.

2. Significant Accounting Policies

Basis of Accounting - The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments are reported at fair value, except for the fully benefit-responsive investment contract which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Sponsor determines the Plan's valuation policies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

ARC NORTHERN CHESAPEAKE REGION, INC.**

Notes to Financial Statements
June 30, 2022 and 2021

2. Significant Accounting Policies (continued)

Notes Receivable from Participants - Notes receivable from participants are not carried as plan assets as they are loans provided to the participants from Mutual of America and Lincoln National secured by participant account balances.

Payment of Benefits - Benefits are recorded when paid.

Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

3. Information Prepared and Certified by Mutual of America and Lincoln National Life Insurance Company

The following information included in the accompanying financial statements and supplemental schedule was obtained from data that has been prepared and certified to as complete and accurate by the trustees.

	<u>2022</u>	<u>2021</u>
Mutual of America:		
Investments at fair value:		
Pooled separate accounts	\$ 1,939,949	\$ 2,107,180
Interest accumulation account	476,546	423,837
Investment income (loss)	(309,944)	511,006
Lincoln National Life Insurance Company:		
Investments at fair value:		
Pooled separate accounts	\$ 398,367	\$ 474,271
Investments at contract value:		
Insurance company general account	128,121	129,026
Investment income (loss)	(72,482)	154,195

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits, except for the fully benefit-responsive investment contract, which is reported at contract value. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. The Sponsor determines the Plan's valuation policies. Although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to measure the fair value of certain financial instruments could result in a different fair value at the reporting date.

**403(b) THRIFT PLAN OF THE
ARC NORTHERN CHESAPEAKE REGION, INC.**

Notes to Financial Statements
June 30, 2022 and 2021

4. Fair Value Measurements (continued)

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2022 and 2021:

		Fair Value Measurements at End of Reporting Period Using:
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)
<u>June 30, 2022</u>		
Interest accumulation account	\$ 476,546	\$ 476,546
Total assets in the fair value hierarchy	476,546	
Investments measured at net asset value	2,338,316	
Investments at fair value	<u>\$ 2,814,862</u>	
<u>June 30, 2021</u>		
Interest accumulation account	\$ 423,839	\$ 423,839
Total assets in the fair value hierarchy	423,839	
Investments measured at net asset value	2,581,451	
Investments at fair value	<u>\$ 3,005,290</u>	

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets (Level 1). Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs were not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

ARC NORTHERN CHESAPEAKE REGION, INC.**

Notes to Financial Statements
June 30, 2022 and 2021

4. Fair Value Measurements (continued)

Level 1 Fair Value Measurements

The Mutual of America Interest Accumulation Account is considered to be comparable to a cash equivalent, as there are no front- or back-end charges (so investments in the account are completely liquid), the interest rate credited is the current rate and is not dependent on the length of time assets are invested, requests for withdrawal can be made at any time and are processed on the day that they are received, the insurance company does not have to liquidate securities in order to generate a payment, and the value shown is the redeemable value of the fund with no deferred sales charges, load assessments, or interest rate adjustments that would affect the value of a withdrawal request.

Investments Measured at Net Asset Value

Pooled separate accounts are valued at net asset value (NAV) of units held. The NAV is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liability. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV.

Gains and losses included in the changes in net assets available for benefits for the years ended 2022 and 2021, are reported in net appreciation (depreciation) in fair value of investments.

The Plan's policy is to recognize transfers between Level 1 and Level 2 and into and out of Level 3 at the end of the reporting period. For the year ended June 30, 2022, there were no significant transfers between Level 1 and Level 2 or into or out of Level 3.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent as of June 30, 2022 and 2021).

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	2022	2021			
Pooled separate accounts (a)	\$ 2,338,316	\$ 2,581,451	N/A	Daily	None

(a) The pooled separate accounts invest primarily in equity or fixed income securities based upon the stated objective of each individual investment option.

Notes to Financial Statements
June 30, 2022 and 2021

5. Investment Contracts with Insurance Companies

Pooled Separate Accounts

The Plan entered into a variable group annuity contract with Lincoln National Life Insurance Company and Mutual of America Life Insurance Company. Both maintain the contributions in pooled separate accounts which are invested, at the direction of the participants, in various mutual funds of registered management investment companies. The accounts are credited with earnings on the underlying investments and charged for plan withdrawals and administrative expenses charged by the underlying mutual funds and by Lincoln National Life Insurance Company and Mutual of America Life Insurance Company. These assets are valued at the current value of the underlying mutual funds. These are measured by the number of units of participation held by the Plan.

Interest Accumulation Account

Participants may elect to invest in a general account (Interest Accumulation Account), which is maintained by Mutual of America, and backed by the general assets of Mutual of America. Amounts placed in the general account are credited with interest at a rate determined by Mutual of America from time to time, and Mutual of America reserves the right to change the interest rates applicable to amounts held in the Interest Accumulation Account at their discretion, but not below the minimum guaranteed interest rate of 1%. Participant's principal and previously credited interest is guaranteed. The general account assets are carried at amortized cost, or contract value, which is deemed to be fair value for an insurance company general account. The investment is not a guaranteed investment contract, and therefore, the concept of benefit responsiveness does not apply. For the years ended June 30, 2022 and 2021, the Interest Accumulation Account average yields based on actual earnings and interest rate credited to participants was approximately 1.00% each year.

Fully Benefit-Responsive Investment Contract

The Plan entered into a fully benefit-responsive guaranteed investment contract with Lincoln National, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The investment balances are tracked in the Lincoln National Life Insurance Company Fixed Account.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statements of net assets available for benefits at fair value which is equivalent to contract value. Contract value, as reported to the Plan by Lincoln National, represents contributions made under the contracts, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**403(b) THRIFT PLAN OF THE
ARC NORTHERN CHESAPEAKE REGION, INC.**

Notes to Financial Statements
June 30, 2022 and 2021

5. Investment Contracts with Insurance Companies (continued)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The fair value of the Lincoln National Life Insurance Company Fixed Account at June 30, 2022 and 2021 was \$128,121 and \$129,026, respectively. The crediting interest rate is based on a formula agreed upon with the issuer. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with Lincoln National. Such events include the following: (a) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (b) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the Sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

6. Loans to Participants

Mutual of America and Lincoln National have reported to the Company that a total of \$48,012 and \$26,301 in loans to participants were outstanding at June 30, 2022 and 2021, respectively. As of June 30, 2022 and 2021, there were no defaulted loans. The collateral for these loans is held by the Plan in each participant's respective account balance.

7. Plan Termination

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue its participation at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan terminations, participants would become 100% vested in their employer contributions.

8. Tax Status

The Plan is qualified under Section 403(b) of the Internal Revenue Code (IRC). The plan administrator and the Sponsor believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

ARC NORTHERN CHESAPEAKE REGION, INC.**

Notes to Financial Statements
June 30, 2022 and 2021

9. Related-Party and Party-in-Interest Transactions

Plan investments are pooled separate accounts (with underlying mutual funds) and insurance company general accounts managed by Lincoln National Life Insurance Company and Mutual of America Life Insurance Company, the Trustees, as of June 30, 2022 and 2021. Lincoln National and Mutual of America also serve as the Plan's record keepers. Lincoln National and Mutual of America are therefore considered to be parties-in-interest. As described in Note 2, the Sponsor pays certain plan expenses. The Plan has a number of service providers. Such providers are parties-in-interest under ERISA. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

10. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, and the level of uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

11. Subsequent Events

The Plan has evaluated subsequent events through March 30, 2023, the date the financial statements were available to be issued.
