Independent Auditors' Report

To the Plan Administrator
Linode LLC 401(k) Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Linode LLC 401(k) Profit Sharing Plan (Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 (in liquidation) and December 31, 2021 (ongoing), and the related statement of changes in net assets available for benefits (in liquidation) for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Linode LLC 401(k) Profit Sharing Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of June 30, 2022, and December 31, 2021, and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audits and on the procedures performed as described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section -

- The amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Member of the American Institute of Certified Public Accountants • An Independent Member Firm of Prime Global

- The information in the financial statements related to assets held by, and certified by, a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of Linode LLC 401(k) Profit Sharing Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 7 to the financial statements, the governing body of Linode LLC 401(k) Profit Sharing Plan approved a plan of liquidation on March 20, 2022, and management determined liquidation is imminent. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2021 financial statements to the liquidation basis used in presenting the 2022 financial statements. Our opinion is not modified with respect to that matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Linode LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

To the Plan Administrator
Linode LLC 401(k) Profit Sharing Plan

Auditors' Responsibilities for the Audit of the Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Linode LLC 401(k) Profit Sharing Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about Linode LLC 401(k) Profit Sharing Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matter - Supplemental Schedules Required by ERISA

The supplemental schedule of assets (held at end of year), as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion -

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedule related to assets held by and certified by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022

NOTE 1: DESCRIPTION OF PLAN

The following description of the Linode LLC 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General - Originally effective January 1, 2008, the Plan was a defined contribution plan covering all eligible employees of Linode LLC (Company) for the purpose of saving for retirement. The Plan's most recent restatement was January 1, 2016. Prior to plan termination, the Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Effective March 20, 2022, the Plan was frozen as to eligibility and benefit accruals and was subsequently terminated.

Administration - The individual trustee of the Plan was Christopher Aker. John Hancock Life Insurance Company (John Hancock) (U.S.A.) served as the plan's custodian and recordkeeper. The Plan utilized Milberg Consulting LLC as a third-party administrator and to perform compliance testing.

Eligibility - Prior to plan termination, all employees of the Company were eligible except for employees covered by a collective bargaining agreement, leased employees, and nonresident aliens who received no earned income. Employees were eligible to participate in the Plan immediately; however, owners and officers had to complete one year (1,000 hours) of service. Eligible employees could enter the Plan on the first day of each plan quarter.

Prior to plan termination, employees were eligible to receive an allocation of the company safe harbor matching and profit-sharing contributions after attaining 21 years of age and completing one year (1,000 hours) of service. Entry dates to receive an allocation of the profit-sharing contribution were the first day of each plan quarter.

Contributions - Prior to the plan's termination, each year, participants could contribute up to 100% of annual eligible compensation, as defined in the plan document. Participants could elect to contribute to the Plan on a pretax basis or to contribute Roth elective deferrals on an after-tax basis. Participants who attained age 50 before the end of the plan year were eligible to make catch-up contributions. Participants could also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). Participants could direct the investment of their contributions into various investment options offered by the Plan. The Company would contribute a safe harbor nonelective contribution of 5% of a participant's eligible compensation. The Company could contribute a discretionary profit-sharing contribution each year. For the years ended June 30, 2022 and December 31, 2021, the Company made profit-sharing contributions of $0 and $1,153,631 respectively. Contributions were subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts - Prior to the plan's termination, each participant's account was credited with the participant's contributions, the company's safe harbor and profit-sharing contribution, investment earnings, and charged with an allocation of administrative expenses paid by the Plan. Allocations were based on participant earnings, account

NOTE 1: DESCRIPTION OF PLAN - CONTINUED

Participant Accounts - Continued - balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

Vesting - Prior to termination of the Plan, participants were immediately vested in their contributions and the company safe harbor matching contribution plus actual earnings thereon. Participants were vested in their company profit-sharing contributions based on years of service. A participant was 100% vested after attaining three years of vesting service, as defined in the plan document. Effective with plan termination, participants became 100% vested in all contribution sources.

Notes Receivable from Participants - Prior to plan termination, participants could borrow from their account a minimum of $1,000 up to a maximum equal to the lesser of $50,000 reduced to the extent that the participant's highest outstanding loan balance during the preceding twelve-month period exceeds the current balance, or 50% of their vested account balance. Loan terms ranged from one to five years. Loan terms could be up to 30 years for loans used for the purchase of a primary residence. Loans were secured by the balance in the participant's account and accrue interest at the prime rate plus 2%. Principal and interest were paid ratably through payroll deductions. The maximum number of participant loans at any one time was limited to two. In the event of retirement, disability, death, or termination of employment, the loan would be payable in full.

Payment of Benefits - Prior to plan termination, upon termination of service due to death, disability, severance of employment, or attaining normal retirement age (65), a participant could elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. As required under Section 401(a)(9) of the Internal Revenue Code (IRC), a participant who was not a five percent or more owner of the Company must begin receiving required minimum distributions from the Plan by April 1 of the calendar year following the later of (i) the calendar year following the year in which the participant reaches age 72, or (ii) the calendar year in which the participant retires.

For any distribution not in excess of $5,000, the participant was given the option to elect to have such distribution paid directly to an eligible retirement plan specified by him or her in a direct rollover or to receive the distribution directly. If neither option was selected, the plan administrator made such distribution in a direct rollover to an individual retirement plan designated by the plan administrator and had to provide written notice to the participant informing the participant that they have the option to transfer such amount into another individual retirement plan of his or her own choice.

Forfeitures - As of June 30, 2022 and December 31, 2021, the forfeiture account balance was $0 and $45,138, respectively. Forfeitures could be used to restore previously forfeited account balances, reduce company contributions, or to pay plan expenses. During 2022, $55,009 was used to reduce the 2021 profit-sharing contribution.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP). On March 20, 2022, the Plan was terminated, and liquidation was determined to be imminent. At that time, the Plan began using the liquidation basis of accounting.

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition - Investments were reported at fair value. Fair value is the price that would be received for the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants as of the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The plan's investments consisted of pooled separate accounts and guaranteed interest accounts. Units of each pooled separate account are determined on a participation-unit basis. The participation-unit value was adjusted daily to reflect investment results under the separate account. Purchases and sales of units were recorded on a trade-date basis. Interest and dividend income were recorded as the pooled separate accounts recognize investment earnings from the underlying investments to purchase additional participation units in the pooled separate account. The fair value of the guaranteed interest accounts is determined using a formula that incorporates prevailing interest rates. The formula is specified in the guaranteed interest accounts' schedule of the Plan's group annuity contract.

Participant and Employer Contributions Receivable - As of June 30, 2022 and December 31, 2021, the Plan had $0 and $850 in contributions receivable from participants and $0 and $955,803, respectively, in contributions receivable from the Company.

Notes Receivable from Participants - Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they are incurred. No allowance for credit losses has been recorded, as of June 30, 2022 and December 31, 2021. Delinquent participant loans were recorded as distributions based on the terms of the plan agreement.

Payments of Benefits - Benefits were recorded when paid.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - CONTINUED

Administrative Expenses - Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company are excluded from these financial statements. Costs associated with participant-initiated transactions were paid by the respective participants' accounts.

Subsequent Events **-** The plan's policy was to evaluate events and transactions subsequent to its year end for potential recognition in the financial statements or disclosure in the notes to the financial statements. The Company has evaluated events and transactions through the date of the independent auditors' report, which is the date the financial statements were available to be issued. See Note 7 for further detail on Plan termination.

NOTE 3: FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of fair value hierarchy are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of June 30, 2022 and December 31, 2021.

Pooled Separate Accounts - Valued at net asset value of units of the pooled separate account. Net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the pooled separate account will sell the investment for an amount different from the reported net asset value. Participant transactions may occur daily. (See Note 2).

Guaranteed Interest Accounts - Valued at fair value by using a formula that incorporates prevailing interest rates and is specified in the group annuity contract of the plan. (See Note 2).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30, 2022 and December 31, 2021:

	2022			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	$ -	$ -	$ -	$ -
Guaranteed Interest Accounts	-	-	-	-
Investments in Fair Value Hierarchy	-	-	-	-
Investments Measured at Net Asset Value (a)	-	-	-	-
Investments, at Fair Value	$ -	$ -	$ -	$ -

NOTE 3: FAIR VALUE MEASUREMENTS - CONTINUED

Guaranteed Interest Accounts - Continued

	2021			
	Level 1	Level 2	Level 3	Total
Interest-Bearing Cash	$ 45,137	$ -	$ -	$ 45,137
Guaranteed Interest Accounts	-	22,496	-	22,496
Investments in Fair Value Hierarchy	45,137	22,496	-	67,633
Investments Measured at Net Asset Value (a)	-	-	-	14,648,664
Investments, at Fair Value	$ 45,137	$ 22,496	$ -	$ 14,716,297

(a) In accordance with *Subtopic 820-10,* certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4: INFORMATION CERTIFIED BY CUSTODIAN

The plan's investments, as of June 30, 2022 and December 31, 2021, were held by John Hancock (U.S.A.). The Company elected the method of annual reporting compliance permitted by Section 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock, the custodian, has certified the following data included in the accompanying financial statements and supplemental schedule as complete and accurate:

	2022	2021
Investments, at Fair Value		
Interest-Bearing Cash	$ -	$ 45,137
Pooled Separate Accounts	-	14,648,664
Guaranteed Interest Accounts	-	22,496
Total Investments, at Fair Value	$ -	$ 14,716,297
Notes Receivable from Participants	$ -	$ 236,653

NOTE 4: INFORMATION CERTIFIED BY CUSTODIAN - CONTINUED

	2022
Net Depreciation in Fair Value of Investments	$ (3,105,840)
Interest on Notes Receivable from Participants	$ 5,537

NOTE 5: INVESTMENTS MEASURED USING THE NET ASSET VALUE PER SHARE PRACTICAL EXPEDIENT

Prior to plan termination, the plan's investments consisted of pooled separate accounts. Net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the pooled separate account will sell the investment for an amount different from the reported net asset value. Participant transactions may occur daily. There are no unfunded commitments. There is no redemption notice period.

NOTE 6: RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Prior to plan termination, the Plan did not consider normal plan operations such as participant and employer contributions to the Plan or benefits accrued or paid by the Plan for participants as party-in-interest transactions that require separate disclosure. Certain plan investments are units of pooled separate accounts managed by the custodian. Fees for professional services rendered by all parties in interest are substantially absorbed by the plan sponsor. These transactions qualify as party-in-interest transactions that are exempt from the prohibited transaction rules.

NOTE 7: PLAN TERMINATION

Effective March 20, 2022, the Plan was frozen as to eligibility and benefit accruals and termination of the Plan was deemed imminent. At that time of plan termination, participants became fully vested in their account balances. All account balances were distributed by June 30, 2022.

NOTE 8: TAX STATUS

The underlying Milberg Consulting LLC Volume Submitter Profit Sharing Plan with Cash or Deferred Arrangement received an advisory letter from the IRS dated September 30, 2014, stating that the Plan and related trust were designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the advisory letter, the Company believes that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and therefore, believes that the Plan is qualified, and the related trust is tax exempt.

NOTE 8: TAX STATUS - CONTINUED

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would be sustained upon examination by the IRS or DOL. The Company has analyzed the tax positions taken by the Plan and has concluded that as of June 30, 2022 and December 31, 2021, there were no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan's federal Form 5500 is subject to examination by the IRS and DOL, generally for the three years after it was filed.

NOTE 9: RISKS AND UNCERTAINTIES

Prior to plan termination, the Plan invested in various investment securities. Investments are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the value of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10: COMMITMENTS AND CONTINGENCIES

In the normal course of business, there are various commitments and contingencies outstanding which are not reflected in these financial statements. In the opinion of the Company, the outcome of such events, if any, would not have a material effect on the Plan's financial position or operations.
