RSM Puerto Rico 1081.01 Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of RSM Puerto Rico 1081.01 Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of June 30, 2022, and for the year then ended, stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of RSM Puerto Rico 1081.01 Retirement Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about RSM Puerto Rico 1081.01 Retirement Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the RSM Puerto Rico 1081.01 Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about RSM Puerto Rico 1081.01 Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the 2022 financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of RSM Puerto Rico 1081.01 Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated June 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

RSM PUERTO RICO 1081.01 RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

A. DESCRIPTION OF PLAN:

The following description of RSM Puerto Rico 1081.01 Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- (1) *General.* The Plan is a defined contribution plan covering all full-time employees of RSM Puerto Rico (the Company or Plan Sponsor). Participants must have twelve months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- (2) *Contributions.* Participants may contribute up to the maximum amounts permitted by Puerto Rico tax regulations. The Plan allows for participant directed investments and after tax contributions. The Plan also provides that employees who have met the requirements to be eligible to participate in the Plan will be automatically enrolled in the plan. As part of automatic enrollment, the participant should be deemed to have made a before-tax deferral election of 2% of compensation. The deemed election may be changed or revoked by the covered employee at any time subsequent to automatic enrollment. The Plan provides for the Plan Sponsor's discretionary and profit sharing contributions (as defined) which may be increased or decreased from year to year. A pro-rata share of the profit sharing contribution is allocated to non-participants, based on an agreed upon percentage. An active participant account is created with the contribution.
- (3) *Participant Accounts.* Each participant's account is credited with the participant's contribution, other voluntary contributions and transfers from other qualified plans, in addition to the allocation of (a) the Plan Sponsor's contributions, and (b) plan earnings. Allocations are based on (a) employee directions, or (b) account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- (4) *Vesting.* A participant vests in employer contributions at a rate of 20% incrementally after the second year until reaching 100% after six years. A participant in the Plan whose employment terminates for any reason before his or her death, attainment of age 60, or total and permanent disability is entitled to receive the vested portion of his or her employer contributions account, adjusted for plan earnings or losses thereon. A participant is entitled to receive 100% of the participant's own contributions, adjusted for plan earnings or losses thereon.
- (5) *Payment of Benefits.* On termination of service due to death, disability, retirement or other reasons, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount, or in periodic installments. No in-service distributions are allowed, except as permitted by tax regulations.
- (6) *Forfeitures.* Under the provisions of the Plan, unvested employer contributions are subject to forfeiture at the time a participant has a separation of employment. Unallocated forfeitures are invested in the Key Guaranteed Portfolio Fund and such forfeitures and related earnings, if any, can be used at the discretion of the Retirement Plan Committee. The Plan held forfeitures of \$13,217 (2022) and \$8,112 (2021).

A. DESCRIPTION OF PLAN (CONTINUED):

(7) *Frozen assets.* The Plan contains assets categorized as “Frozen Employer Money” amounting to \$1,246,892 (2022) and \$1,610,871 (2021). These assets were transferred from a predecessor money purchase plan to the current plan. As per terms of the transaction the frozen assets cannot be distributed until the participants reach the stipulated retirement age or terminate employment, whichever comes first.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Presentation

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note E for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is recorded on the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

Excess Contributions Payable

Amounts payable to participants for contributions in excess of amounts allowed by Puerto Rico tax regulations are recorded as a liability with a corresponding reduction to contributions.

Payment of Benefits

Benefits are recorded when paid.

E. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy prioritizes the inputs into three broad levels as follows: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly; and Level 3 inputs are unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own valuation assumptions. The following table sets forth by level, within the fair value hierarchy, the Plan's investments:

	Investments at fair value at June 30, 2022			
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

	Investments at fair value at June 30, 2021

Common collective trusts (a)				<u>85,199</u>
Total investments				<u>\$3,427,416</u>

(a) Common collective trusts (CCT's) that are measured at fair value using the net asset value per share (or its equivalent) as a practical expedient are not classified in the fair value hierarchy. The fair value amount presented in this table is intended to permit reconciliation of the fair value hierarchy to the amount presented in the statement of net assets available for plan benefits. No distributions are made to participants in these funds until units owned are redeemed, at which time the market value of redeemed units is distributed. Units of participation may be purchased or redeemed on the valuation dates at the fair value per unit on such valuation dates. All funds are valued daily. CCT's invest in a manner that allows greater potential appreciation in the early years but emphasize preservation of capital as a participant approaches retirement.

The following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual funds: Valued at the closing price reported on the active market on which the funds are traded.

Key Guaranteed Portfolio Fund (KGPF): The KGPF is a stable value general account product offered through a group annuity contract. Participant principal and interest are fully guaranteed by the entire general account assets of GWL&A. The credit interest rate is reset quarterly. Bonds invested in the general account are investment grade in quality and are diversified across a range of fixed income assets. The KGPF is benefit responsive for participant-initiated transactions.

The methods described above may produce a fair value calculation that may not be indicative of net realizable values or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

F. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts. Any unallocated assets of the Plan shall be allocated to participants' accounts and distributed in such a manner as the Company may determine.

G. TAX STATUS:

The Puerto Rico Treasury Department has determined and informed the Company by letter dated May 20, 2016, that the Plan and related trust are designed in accordance with applicable sections of the 2011 Puerto Rico Internal Revenue Code (PRIRC), as amended. The Plan Sponsor and management believe that the Plan is currently designed and being operated in compliance with the applicable Puerto Rico income tax laws and regulations, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements. Additionally, as long as the Plan is qualified under Puerto Rico income tax laws and regulations, participants will not be taxed on salary-deferred contributions or on investment earnings on such contributions at the time such contributions and investment earnings are received by the custodian but will be subject to tax thereon at such time as they receive distributions from the Plan.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Puerto Rico Treasury Department. The plan management has analyzed the tax positions taken by the Plan, and concluded that as of June 30, 2022, no uncertain positions are taken or are expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by the Puerto Rico Treasury Department; however, there are currently no audits for any tax periods in progress.

H. ADMINISTRATIVE EXPENSES:

The Plan Sponsor is assuming certain administrative expenses of the Plan. In addition, certain administrative functions are performed by officers or employees of the Plan Sponsor. No such officer or employee receives compensation from the Plan. Investment related expenses are included in net appreciation (depreciation) of fair value of investments.

I. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

JUNE 30, 2022 AND 2021

J. ELIGIBLE DISTRIBUTIONS:

During January 2020 a series of earthquakes affected parts of southern Puerto Rico causing significant damages to the region's infrastructure. In addition, with the emergency created by the coronavirus (COVID-19) outbreak, during March 2020 the government of Puerto Rico instituted a lockdown of all non-essential business, governmental operations and a shelter-in-place of all residents in Puerto Rico, with the exception of medical, law enforcement, military and other related to essential services. The Plan Sponsors operations were not significantly affected.

As a measure to provide financial relief, the Puerto Rico Treasury Department issued various administrative determinations, to allow certain eligible distributions from benefit plans and similar qualified plans. The eligible distributions were allowed, for the period from February 20, 2020 through December 31, 2020, to be treated as a distribution due to extreme economic emergency and taxed as follows:

1. The first \$10,000 distributed is tax exempt.
2. Distributions in excess of \$10,000 are taxed at a 10% preferential rate.
3. Distributions could be made up to \$100,000 in single or multiple transactions within the allowed period.

In addition, the one year suspension from participation applicable to hardship withdrawals was waived. Participants were allowed to continue pre-tax contributions after the emergency distribution. Compliance with the administrative determination was voluntary.

K. SUBSEQUENT EVENTS:

Management has evaluated subsequent events through March 22, 2023, date which the financial statements were available for issue.

During September, 2022, Puerto Rico was affected by the passing of Hurricane Fiona. The Puerto Rico Treasury Department issued a circular letter allowing for "eligible distributions" as described in Note J, above, for the period from October 6, 2022 through December 31, 2022.
