## **Independent Auditors' Report**

The Plan Administrator  
Trenam Law 401(k) Plan:

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements**

We have performed the audit of the financial statements of Trenam Law 401(k) Plan ("the Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022, Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the 2022 financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditors' Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on these financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other Matter - Supplemental Schedule Required by ERISA**

The supplemental schedules of Schedule of Assets (Held at End of Year) and Delinquent Participant Contributions as of and for the year ended June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including its form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

#### **Other Matter - Auditors' Report on the 2021 Financial Statements**

We were engaged to audit the Plan's financial statements as of and for the year ended June 30, 2021. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institution. In our report dated January 24, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **TRENAM LAW 401(K) PLAN**

### **Notes to Financial Statements**

**June 30, 2022 and 2021**

#### **(1) Description of the Plan**

The following description of the Trenam Law 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the plan document for a more complete description of the Plan’s provisions.

##### **(a) General**

The Plan is a defined contribution plan, covering all employees of Trenam, Kemker, Scharf, Barkin, and Frye, O’Neill & Mullis Professional Association (the “Plan Sponsor”) who have completed a minimum of 500 hours and six months of service and attained 21 years of age. Employees may enter the Plan on the first month following the six month waiting period and 500 hour requirement. The Plan was established effective January 1, 1980 and is subject to the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended. The Plan has adopted certain provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 (“EGTRRA”).

Effective July 1, 2017, the Company adopted a Defined Contribution Volume Submitter Plan (“DCVSP”) and Trust Agreement which amended and restated the Plan in its entirety. The Amended and Restated Plan Document changed the plan name to Trenam Law 401(k) Plan.

Effective May 1, 2022, the Company adopted a revised Defined Contribution Volume Submitter Plan (“DCVSP”) and Trust Agreement which amended and restated the Plan in its entirety.

As a result of the Bipartisan Budget Act of 2018 and effective January 1, 2019, the requirement to suspend employee contributions and Company matching contributions to the Plan as a result of a hardship withdrawal was removed.

##### **(b) Contributions**

Each participant may contribute an elective contribution of up to 100% of pre-tax or post-tax annual compensation, as defined in the Plan. The contribution shall not exceed the amount specified in Section 402(g) of the Internal Revenue Code with respect to any calendar year. Participants who have attained age 50 before the end of the plan year are eligible to make catch-up contributions.

The Plan Sponsor, at the discretion of its Executive Board, may contribute to the Plan a profit-sharing contribution. Profit-sharing contributions totaled approximately \$1,039,000 which was reduced by approximately \$35,000 of forfeitures for the Plan’s year ended June 30, 2022. The Plan Sponsor, at the discretion of its Executive Board, may also contribute a matching contribution, based on participants’ elective 401(k) contributions, which may be limited to a specified percentage or a specified dollar amount. Matching contributions totaled approximately \$298,000 for the Plan’s year ended June 30, 2022.

## TRENAM LAW 401(K) PLAN

### Notes to Financial Statements - Continued

#### (1) Description of the Plan - Continued

##### (b) Contributions - Continued

To be eligible for either the matching contribution or the profit-sharing contributions, participants must be employed on the last day of the plan year and have worked at least 500 hours during the year.

The Plan also accepts rollovers and direct transfers from other tax-qualified plans.

##### (c) Participant Accounts

Each participant's account is credited with the participant's elective contribution, an allocation of the discretionary profit-sharing contribution, any discretionary Plan Sponsor matching contribution, rollover contributions from other qualified retirement plans, allocation of plan earnings or losses, and forfeitures of terminated participants' non-vested accounts. Plan Sponsor profit-sharing contributions are based on participants' compensation levels, while the Plan Sponsor matching contributions are based on a percentage of the participant's elective contribution or a specified dollar amount. Plan earnings or losses allocations are based on participants' account balances.

Upon enrollment, a participant may direct his or her participant elective contribution, profit-sharing contribution, Plan Sponsor matching contribution, and rollover contribution to any of the Plan's fund options. Participants may also redirect their contributions or exchange their existing account balances among the funds on any business day.

##### (d) Vesting

Participants are immediately 100% vested in their elective contributions, rollover contributions, and earnings thereon. A participant's vesting percentage in his or her discretionary profit-sharing and matching contribution is based on the participant's period of service as follows:

| <u>Total Years of Service</u> | <u>Vested Interest</u> |
|-------------------------------|------------------------|
| 1                             | 0%                     |
| 2                             | 20%                    |
| 3                             | 40%                    |
| 4                             | 60%                    |
| 5                             | 80%                    |
| 6                             | 100%                   |

Certain participants of acquired companies received credit for prior service. A participant also becomes fully vested in all of his or her contributions upon death, total or permanent disability, or upon attaining normal retirement age (age 65).

## TRENAM LAW 401(K) PLAN

### Notes to Financial Statements - Continued

#### (1) Description of the Plan - Continued

##### (e) Payment of Benefits

The Plan provides for the payment of vested benefits to participants upon retirement, death, disability, immediate financial hardship, termination of employment, or upon reaching the age of 59½ years. Benefits are recorded when paid.

##### (f) Forfeitures

Forfeitures of the matching or profit-sharing contributions are used to reduce the Plan Sponsor's profit-sharing contributions in the plan year in which the forfeiture occurs. Forfeited non-vested accounts totaled approximately \$35,000 and \$39,000 as of June 30, 2022 and 2021, respectively. Forfeitures of \$39,000 were used to fund the 2021 profit-sharing contributions during the period ended June 30, 2022.

##### (g) Notes Receivable from Participants

The Plan provides for loans to participants bearing interest at the prime interest rate as published in the Wall Street Journal on the first business day of the month in which the loan is issued. Loans must be repaid over a period not to exceed five years unless the loan is used to acquire a principal residence. In addition, the minimum loan is \$1,000, while the maximum loan is limited to the lesser of \$50,000 or 50% of the participant's vested account balance. Each participant may have up to one loan outstanding at any given time. Principal and interest are paid ratably through payroll deductions. The interest rate on outstanding loans at June 30, 2022 ranged from 3.25% to 5.50%. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or 2021. If a participant ceases to make loan repayments, the loan balance is reduced and a benefit payment is recorded.

##### (h) Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of plan termination, all participants will become 100% vested in their accounts.

## TRENAM LAW 401(K) PLAN

### Notes to Financial Statements - Continued

#### (2) **Significant Accounting Policies**

##### (a) **Basis of Presentation**

The financial statements of the Plan are presented on the accrual basis of accounting and present the net assets available for benefits and changes in net assets available for benefits.

##### (b) **Investment Valuation and Income Recognition**

Investments in mutual funds are valued at fair value based on quoted market prices of publicly traded investments. Stable value fund is stated at fair value using the net asset value (“NAV”) per share as the practical expedient. The life insurance contract is valued at the cash surrender value, as determined by the insurance carrier.

The Morley Financial Services Stable Value Fund (“Fund”) is a common/collective trust stable value fund. The fund invests principally in guaranteed interest contracts (“GICs”) issued by insurance companies, synthetic investment contracts (“SICs”) issued by financial institutions, insurance companies, and other issuers, and securities supporting such SICs, and other similar instruments which are intended to maintain a constant net asset value. The Fund is valued based on the unit value of the funds. Unit’s values are determined by dividing the fund’s net assets, which represent the fair value of the underlying investments, by its units outstanding at the valuation dates.

Realized and unrealized gains and losses represent the change in market value of investments during the year.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

##### (c) **Administrative Expenses**

The Company may, at its sole discretion, pay all expenses for the administration of the fund, including the trustee’s compensation and the compensation of investment manager and other expenses incurred by the Plan’s administrator. Certain administrative and recordkeeping expenses are allocated proportionately to each participant based on the value of the account balances.

##### (d) **Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

## **TRENAM LAW 401(K) PLAN**

### **Notes to Financial Statements - Continued**

#### **(2) Significant Accounting Policies - Continued**

##### **(e) Risks and Uncertainties**

The Plan provides for various investment options in any combination of investment securities offered by the Plan. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such change could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.

##### **(f) Unit Values**

Individual participant accounts for the stable value fund are maintained on a unit value basis. Participants do not have beneficial ownership in the specific underlying securities or other assets in the funds, but do have an interest therein represented by units valued daily. The funds earn dividends and interest that are automatically reinvested in additional units. Generally, contributions to and withdrawals from the fund are converted to units by dividing the amounts of such transactions by the unit values as last determined, and the participants' accounts are charged or credited with the number of units properly attributable to each participant.

#### **(3) Information Certified by Delaware Charter Guarantee and Trust Company (d/b/a Principal Trust Company)**

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. #### (4) Fair Value Measurements

Accounting Standards Codification (“ASC”) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below.

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- (a) Quoted prices for similar assets or liabilities in active markets;
- (b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- (c) Inputs other than quoted prices that are observable for the asset or liability;
- (d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset’s or liability’s fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

*Mutual Funds:* valued at quoted market prices in an exchange and active markets, which represent the net asset values of shares held by the Plan at year-end.

*Common/Collective Trust:* underlying investments are in mutual funds valued at quoted market prices in an exchange and active markets, which represent the net asset values of shares held by the Plan at year-end.

*Life Insurance Contract:* valued at the cash surrender value at year end.

(a) In accordance with ASC Topic 820, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of the net assets available for benefits.

## **TRENAM LAW 401(K) PLAN**

### **Notes to Financial Statements - Continued**

#### **(5) Income Tax Status**

Effective July 1, 2017, the Plan adopted a DCVSP which received an opinion letter from the IRS dated March 31, 2014, stating that the plan, as then designed, is qualified under Section 401(a) of the IRC, and therefore, the related trust is exempt from taxation under Section 501(a) of the Code. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. Subsequent to this opinion by the IRS, the plan has been amended. The plan administrator and the Plan's tax counsel believe that the Plan is being operated in compliance with the applicable requirements of the Code, and therefore, believes that the Plan, as amended, is qualified and the related trust is tax exempt. For the period May 1, 2022 through June 30, 2022, the Plan had adopted a volume submitter plan sponsored by Principal Life Insurance Company, which received its latest opinion letter from the IRS dated June 30, 2020.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed tax positions taken by the Plan, and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

#### **(6) Party-in-Interest Transactions**

The Plan has elected Principal to serve as the Trustee of the Plan. During the year ended June 30, 2022, the Plan paid approximately \$190,000 to Principal for services provided as the Trustee of the Plan. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA; they are expressly exempted from the prohibited transaction rules.

Participant loans are considered party-in-interest transactions, as defined in Section 3(14) of ERISA, because they are transacted with plan participants. These transactions qualify as party-in-interest transactions, as defined in Section 3(14) of ERISA; they are, however, expressly exempted from the prohibited transaction rules.

#### **(7) Subsequent Events**

The Plan's management has evaluated events and transactions for potential recognition or disclosure in the financial statements through February 13, 2023, the date the financials were available to be issued.
