**Part I Asset and Liability Statement**

**1** Current value of plan assets and liabilities at the beginning and end of the plan year. Combine the value of plan assets held in more than one trust. Report the value of the plan's interest in a commingled fund containing the assets of more than one plan on a line-by-line basis unless the value is reportable on lines 1c(9) through 1c(14). Do not enter the value of that portion of an insurance contract which guarantees, during this plan year, to pay a specific dollar benefit at a future date. **Round off amounts to the nearest dollar.** MTIAs, CCTs, PSAs, and 103-12 IEs do not complete lines 1b(1), 1b(2), 1c(8), 1g, 1h, and 1i. CCTs, PSAs, and 103-12 IEs also do not complete lines 1d and 1e. See instructions.

## Independent Auditor's Report

To the Plan Administrator  
netPolarity, Inc. 401(k) Plan  
900 E Campbell Ave  
Campbell, CA 95008

### *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit*

We have performed audits of the financial statements of netPolarity, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of October 31, 2022 (liquidation basis) and December 31, 2021, and the related statement of changes in net assets available for benefits (liquidation basis) for the period ended October 31, 2022, and the related notes to the financial statements (liquidation basis).

Management, having determined it is permissible in the circumstances, has elected to have the audits of netPolarity, Inc. 401(k) Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of October 31, 2022 and December 31, 2021, and for the period ended October 31, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### *Opinion*

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of netPolarity, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about netPolarity, Inc. 401(k) Plan's ability to continue as a going concern for one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the netPolarity, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about netPolarity, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

***Other Matter – Supplemental Schedules Required by ERISA***

The supplemental schedule of Schedule H, line 4i – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

***Emphasis of Matter – Plan Termination***

As further discussed in Notes 1 and 2 of the financial statements, those charged with governance made a decision to terminate the netPolarity, Inc. 401(k) Plan. As a result, in accordance with accounting principles generally accepted in the United States of America, the netPolarity, Inc. 401(k) Plan has changed its basis of accounting from the going concern basis of accounting used in presenting the 2021 financial statements to the liquidation basis of accounting used in presenting the 2022 financial statements. All participant accounts were distributed by October 31, 2022. Our opinion is not modified with respect to this matter.

**netPolarity, Inc. 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended October 31, 2022 and Year Ended December 31, 2021**

**Note 1 – Description of Plan**

The following description of netPolarity, Inc. 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan Agreement or Summary Plan Description for a more complete description of the Plan’s provisions.

**Termination of the Plan**

The Company terminated the Plan effective August 31, 2022. In accordance with Plan provisions, all benefit accruals ceased, all participants became fully vested in their accounts, and all contributions ceased. The Company directed the distribution of participant’s accounts in a manner permitted by the Plan. All participant accounts were distributed by October 31, 2022.

**General**

The Plan was a defined contribution plan established by netPolarity, Inc. (the Plan Sponsor and Company) under the provisions of Section 401(a) of the United States Internal Revenue Code (the IRC), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company and any adopting participating employers. The Plan was subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as well as certain provisions of the federal income tax laws.

All employees of the Company and any participating affiliates were subject to the following eligibility requirements:

- Age: 21
- Service: 0 months
- Status Exclusions:
  - a. Members of collective bargaining agreement
  - b. Non-resident aliens with no U.S. earned income
  - c. Leased Employees
  - d. Other exclusion

Upon satisfying the eligibility requirements, employees could participate in the Plan on the first day of next month.

**Contributions**

The Plan was funded through employee elective deferrals and Company contributions. Each year, participants could elect to contribute a portion of their compensation, subject to certain maximum limitations imposed by Section 402(g) of the IRC. At the discretion of the plan administrator, participants were permitted to deposit or “rollover” into the Plan, distributions they have received from other plans and certain IRAs. Participants who had attained age 50 before the end of the Plan year were eligible to make catch-up contributions.

**netPolarity, Inc. 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended October 31, 2022 and Year Ended December 31, 2021**

The following contribution types were allowed by the plan:

- Elective deferrals
- Roth deferrals
- Employer matching
- Rollover contributions

Participants directed the investment of their contributions into various investment options offered by the Plan.

The Company could make discretionary profit-sharing contributions which were allocated in accordance with the plan document provisions. Participants must have been employed on the last day of the plan year to be eligible to receive discretionary profit-sharing contributions.

**Participant Accounts**

Each participant's account was credited with the participant's contribution, allocation of the Company's contributions, and Plan earnings or losses and charged with an allocation of administrative expenses. Allocations were charged based on either the size of the participant's account balance or equally to each participant. The benefit to which a participant was entitled was the benefit that can be provided from the participant's vested account.

**Vesting**

Participants were immediately 100% vested in their elective deferrals including catch-up contributions, rollover contributions from other plans, and actual earnings thereon. The method for crediting vesting service for company matching contributions was based on vesting periods of service. Participants were credited with a period of service for 1,000 hours earned. Participants were always 100% vested in their company matching contributions if they were employed on or after their Normal Retirement Age or if they terminate employment on account of their death or disability.

**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended October 31, 2022 and Year Ended December 31, 2021**

**Forfeited Accounts**

Forfeitures represent unvested portions of terminated participants' accounts. The Plan allowed forfeitures of non-vested Company contributions to be used in the following ways:

- Reduce Company Contributions
- Pay Administrative Expenses

At October 31, 2022 and December 31, 2021, forfeited non-vested accounts totaled \$0 and \$0, respectively. During 2022, forfeited non-vested accounts of \$0 were used.

**Investment Options**

Upon enrollment in the Plan, a participant could direct the contributions made to the Plan, for or on behalf of the participant, to any one or more of the investment funds determined at the discretion of the Plan Administrator and Plan Sponsor and in such multiples as the participant prescribes. A participant could change his or her investment direction with respect to future contributions or redirect the investment of his or her account balances.

**Notes Receivable from Participants**

Prior to the Plan's termination, participants were permitted to borrow from their participant account. The loans were secured by the balance in the participant's account at an interest rate determined by the Plan administrator.

Participants who were active employees could borrow against their vested account balances a minimum of \$1,000 up to a maximum amount equal to the lesser of 50% of their vested account balance or \$50,000. The loans, in the form of promissory notes, were secured by the balances in the participant's account, and bore interest at reasonable rates, which were commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest were paid ratably through payroll deductions and generally repaid within 5 years.

**Benefits Paid to Participants**

Upon termination of service, disability, or retirement, a participant was entitled to receive a distribution equal to the value of the participant's vested interest in his or her account. Distribution of a deceased participant's account were to be made to the designated beneficiary.

The following types of distributions were allowed by the plan:

- Hardship
- In Service
- Involuntary cash-outs
- Rollover source withdrawal at any time

**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended October 31, 2022 and Year Ended December 31, 2021**

**Plan Expenses**

The Plan's expenses were paid by either the Plan or the Company, as provided by the plan document. Expenses paid directly by the Company were excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that were paid by the Plan were recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment-related expenses were included in net appreciation/depreciation of fair value of investments.

**CARES Act**

The Coronavirus Aid, Relief, and Economic Security ("CARES") Act was signed into law on March 27, 2020. The CARES Act allows certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, delay the commencement date for required minimum distributions, and take a coronavirus-related distribution up to \$100,000 from the Plan beginning on or after January 1, 2020 and before December 31, 2020. The Plan adopted the temporary provisions of the CARES Act.

**Note 2 – Summary of Significant Accounting Policies**

**Basis of Accounting**

The financial statements have been prepared on the accrual basis of accounting in conformity with U.S. generally accepted accounting principles (U.S. GAAP). Certain prior period disclosures have been revised to conform to current year's presentation. Effective August 31, 2022, the netPolarity, Inc. Board of Directors adopted a resolution to terminate the Plan. As a result, the Plan's financial statements as of October 31, 2022 and for the period January 1, 2022 through October 31, 2022 have been prepared on the liquidation basis, in accordance with U.S. GAAP. This basis of accounting is considered appropriate when, among other things, liquidation of an entity is probable and the net realizable value of assets are reasonably determinable. Under the liquidations basis of accounting, assets are stated at their estimate net realized cash value and liabilities are stated at their anticipated settlement amounts. The estimated net realizable cash value for investments as of October 31, 2022 would be fair value. There were no material changes to the 2021 and 2022 financial statements as a result of using the liquidation basis of accounting.

**Use of Estimates**

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

**Reclassification**

Certain reclassifications may have been made to the 2021 financial statement presentation to correspond to the current year's format. Total net assets available for benefits are unchanged due to these reclassifications.

**netPolarity, Inc. 401(k) Plan**  
**Notes to Financial Statements (Liquidation Basis)**  
**Period Ended October 31, 2022 and Year Ended December 31, 2021**

**Investment Valuation and Income Recognition**

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. See Note 4 for discussion of fair value measurements. Interest and other income were recorded on the accrual basis. Purchases and sales of investments were recorded on the trade-date basis. Dividends were recorded on the ex-dividend date. The net appreciation (depreciation) of investments, including realized gains and losses on sales during the year and current changes in unrealized appreciation (depreciation) in the market value of investments held at year end, was presented in the statement of changes in net assets available for benefits.

**Notes Receivable from Participants**

Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income was recorded on the accrual basis. Related fees were recorded as administrative expenses and were expensed when they were incurred. No allowance for credit losses had been recorded as of October 31, 2022 and December 31, 2021. If a participant ceased to make scheduled repayments and the Plan administrator deemed the participant note receivable to be in default, the participant note receivable balance was reduced and a benefit payment recorded.

**Payment of Benefits**

Benefits were recorded when paid.

**Subsequent Events**

Subsequent events were evaluated through February 27, 2023, which is the date the financial statements were available to be issued.

**Note 3 – Certified Investments**

Certain information summarized below related to the accompanying financial statements and ERISA-required supplemental schedules was obtained by management and agreed to or derived from information certified as complete and accurate by John Hancock Life Insurance (U.S.A.), the custodian of the Plan.

**Note 4 – Fair Value Measurements**

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - Quoted prices for similar assets or liabilities in active markets;
  - Quoted prices for identical or similar assets or liabilities in inactive markets;
  - Inputs other than quoted prices that are observable for the asset or liability; and
  - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for instruments measured at fair value, including the general classification of such instruments pursuant to the valuation hierarchy. There have been no changes in the methodologies used at October 31, 2022 and December 31, 2021.

Pooled Separate Accounts

Pooled separate accounts were valued using the net asset value (NAV) of units held by the Plan at year end. The NAV was determined by the custodian of the fund and was based upon the fair value of the underlying assets held by the fund. There were no participant redemption restrictions for these investments; the redemption notice period was applicable only to the Plan.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value:

|  | <b>In Liquidation</b> |                     |

Gains and losses realized and unrealized, for the period ended October 31, 2022 were reported under net appreciation (depreciation) in fair value of investments on the accompanying statement of changes in net assets available for benefits.

**Note 5 – Related Party Transactions and Transactions with Parties-in-Interest**

A related party is any party who can control or significantly influence Plan management or operating policies. Parties-in-interest are defined under DOL Regulations as any employees of the Plan, fiduciaries of the Plan, service providers to the Plan, the employer whose employees are covered by the Plan, and certain significant owners of the employer and their relatives. Service providers may include, but are not limited to, the custodian, trustee, third party administrator (the TPA), investment managers, investment advisors, legal counsel, and Plan auditor.

During 2022, the Plan made direct payments of \$37,906 to certain parties-in-interest for administration and investment advisory fees, as allowed by ERISA. The Plan sponsor paid directly any other fees related to the operation of the Plan.

**Period Ended October 31, 2022 and Year Ended December 31, 2021**

Fees incurred by the plan for the investment management services were included in the net appreciation in fair value of the related investment, as they were paid using investment earnings rather than a direct payment.

**Note 6 – Risks and Uncertainties**

Prior to plan termination, the Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was, at least, reasonably possible that changes in values of investment securities could occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note 7 – Tax Status**

The Plan sponsor adopted a prototype non-standardized profit sharing plan with a cash or deferral arrangement which received a favorable opinion letter from the Internal Revenue Service dated March 31, 2014, which states that the Plan was designed in accordance with the applicable sections of the Internal Revenue Code (IRC) and is, therefore, not subject to tax under present income tax law. The Plan was required to operate in conformity with the IRC to maintain its qualification. Management is not aware of any course of action or series of events that have occurred that might adversely affect the Plan's qualified status.

U.S. GAAP required plan management to evaluate tax positions taken by the Plan. The financial statement effects of a tax position were recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The Plan Administrator had analyzed the tax positions taken by the Plan, and concluded that as of October 31, 2022 there were no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan was subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Generally, the statute of limitations for the IRS to assess taxes on a plan expires three (3) years from the due date of the return or the date on which it was filed, whichever is later.
