Independent Auditors' Report

Plan Administrator and Participants
Steinhafels, Inc. Profit Sharing 401(k) Plan
Waukesha, Wisconsin

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the June 30, 2022 Financial Statements

We have performed an audit of the financial statements of the Steinhafels, Inc. Profit Sharing 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (June 30, 2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the June 30, 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the June 30, 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the June 30, 2022 Financial Statements section:

- the amounts and disclosures in the accompanying June 30, 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying June 30, 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the June 30, 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the June 30, 2022 Financial Statements section of our report. We are required to be independent of the Steinhafels, Inc. Profit Sharing 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the June 30, 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Steinhafels, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern within one year after the date that the financial statements are issued (or within one year after the financial statements are available to be issued).

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the June 30, 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the June 30, 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures including examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Steinhafels, Inc. Profit Sharing 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Steinhafels, Inc. Profit Sharing 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the June 30, 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Auditor's Report on the June 30, 2021 Financial Statements

We were engaged to audit the June 30, 2021 financial statements of the Steinhafels, Inc. Profit Sharing 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. Steinhafels, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 1. Description of Plan

The following description of the Steinhafels, Inc. Profit Sharing 401(k) Plan (Plan) provides only general information. Participants should refer to the plan agreement for a complete description of the Plan's provisions.

General: The Plan is a defined contribution plan covering all employees of Steinhafels, Inc., Steinhafels Warehouse, Inc. and Mid America Bedding, Inc. (Companies) who are age 18 or older and meet certain service requirements with the exception of members of a collective bargaining unit, leased employees and non-resident aliens. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employees must complete 60 days of service to be eligible to make 401(k) deferral contributions and receive discretionary matching contributions. To be eligible for discretionary profit-sharing contributions, an employee must complete one year of service. A year of service is defined as completing 1,000 hours of service during the relevant eligibility computation period.

Contributions: Participants may elect to make pre-tax and Roth contributions through payroll deductions in accordance with annual limitations established by the Internal Revenue Code (IRC). Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

Upon fulfilling eligibility requirements, an employee will be automatically enrolled in the Plan at a 5% deferral rate. In addition, all eligible employees who currently do not contribute will be subjected to the automatic enrollment process each year. Employees can opt out of participating or choose different deferral percentages. The elective deferral percentage of participants who are automatically enrolled (and have been participating in the Plan for at least one month) will automatically increase each July 1 by 1% to a maximum of an 15% deferral rate unless an alternate election is made.

The Companies may make quarterly employer matching contributions. To receive a matching contribution, a participant must be employed on the last day of the quarter. For the fiscal year ended June 30, 2022, the Companies made a matching contribution equal to 25% of the first 5% of eligible compensation that a participant contributed to the Plan.

Discretionary profit-sharing contributions are determined by the Board of Directors and are allocated pro-rata to eligible participants as a uniform percentage of compensation. To receive an allocation, a participant must work 1,000 hours and be employed on the last day of the Plan year. The Companies did not make a profit-sharing contribution for the year ended June 30, 2022.

Participants direct the investment of both employee and employer contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds and common/collective trust funds as investment options for participants.

Notes to Financial Statements

Note 1. Description of Plan (cont.)

Participant Accounts: Each participant's account is credited with the participant's contributions, employer contributions, allocations of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution (and earnings thereon) is based on years of service:

Matching contributions: A participant vests over a modified vesting schedule: 1 year-50%; 2 years-100%.

Profit sharing contributions: A participant vests over a modified vesting schedule: 1 year-10%; 2 years-20%; 3 years-40%; 4 years-60%; 5 years-80%; 6 years-100%.

Participants become 100% vested in Company contributions upon death while in the employment of the Companies, upon disability, upon attaining normal retirement age or upon termination of the Plan.

Notes Receivable from Participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the balance in the participant's account and have an interest rate equal to the prime rate in effect at the inception of the loan. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits: On termination of service due to death, disability, separation or retirement, a participant may elect to receive a lump-sum amount or installment payments equal to the value of the participant's vested interest in his or her account. In addition, in-service withdrawals are allowed for participants that are 100% vested and reach age 59 ½ or in cases of financial hardship or disability.

The Plan has the ability to make automatic distributions without participant consent for terminated participants that fail to affirmatively elect a distribution and have a vested account balance under \$1,000.

Forfeited Accounts: At June 30, 2022 and 2021, forfeited nonvested accounts totaled \$4,754 and \$50,484, respectively. These accounts will be used to pay Plan expenses, reduce future employer contributions, or be allocated as additional contributions to the remaining participants. For the year ended June 30, 2022 forfeited nonvested accounts of \$65,900 were used to reduce employer contributions.

Steinhafels, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Accounting Policies

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the custodians. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or 2021.

Excess Contributions Refundable: Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan distributed the June 30, 2022 excess contributions to the applicable participants in January 2023.

Payment of Benefits: Benefits are recorded when paid.

Expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Allowable expenses paid by the Plan are included in administrative expenses. Expenses incurred at the Plan level are allocated to participant accounts. Fees related to the administration of notes receivable (participant loans) and distribution payments are charged directly to the individual participant's account. Investment related expenses are included in net depreciation of fair value of investments.

Notes to Financial Statements

Note 3. Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual funds: Valued at the net asset value (NAV) of shares held by the Plan at year-end.

Common/Collective trust fund: Valued at the NAV of units of a collective trust. The NAV, as provided by the trustees, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment adviser reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Note 3. Fair Value Measurement (cont.)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

Investments at Fair Value as of June 30, 2022				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 16,974,106</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,974,106</u>
Total assets in fair value hierarchy				16,974,106
Investments measured at NAV*				<u>20,831,658</u>
Total investments at fair value				<u>\$ 37,805,764</u>

Investments at Fair Value as of June 30, 2021				
	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 21,117,072</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 21,117,072</u>
Total assets in fair value hierarchy				21,117,072
Investments measured at NAV*				<u>21,408,598</u>
Total investments at fair value				<u>\$ 42,525,670</u>

* In accordance with Subtopic 820-10, certain investments that were measured at net asset value (NAV), or its equivalent, have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table sets forth disclosures of the Plan's investments whose fair value is measured using NAV as a practical expedient as of June 30, 2022 and 2021:

Investment	Fair Value		Unfunded Commitment	Redemption Frequency	Redemption Notice Period
	June 30, 2022	June 30, 2021			
Common/Collective Trust (CCT)	\$ 20,831,658	\$ 21,408,598	N/A	Daily	1 Day

The objective of the CCT investments is to maximize returns while maintaining an acceptable level of risk.

Note 4. Certified Investments

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 30, 2022 and 2021, and net depreciation in fair value of investments, and interest and dividends for the year ended June 30, 2022, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Principal Trust Company (the trustee of the Plan).

Note 5. Related-Party Transactions and Party in Interest Transactions

Principal Trust Company is the non-discretionary custodians as defined by the Plan. For the year ended June 30, 2022, administrative, recordkeeping and custodial fees of \$139,264 were paid to Principal Trust Company. These transactions qualify as exempt party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in any employer contributions.

Note 7. Tax Status

The Company has adopted a volume submitter plan. The IRS has determined and informed the trustee by a letter dated March 31, 2014, that the Plan is qualified under the appropriate sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Steinhafels, Inc. Profit Sharing 401(k) Plan

Notes to Financial Statements

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

Notes to Financial Statements

Note 10. Subsequent Event – Plan Restatement

Every six years, qualified retirement plans are required to restate plan documents to incorporate legislative and regulatory changes that occurred since the documents were last rewritten. The current restatement window (Cycle 3 Restatement) opened August 1, 2020 and closed on July 31, 2022.

In connection with the Cycle 3 Restatement, Principal Life Insurance Company drafted a non-standardized plan document and submitted it to the IRS for review. The IRS determined and issued a letter dated June 30, 2020 stating that the plan document is qualified under the appropriate sections of the IRC.

Effective July 22, 2022, the Plan completed the Cycle 3 Restatement by adopting the non-standardized plan document. There were no significant changes to the Plan provisions.

The Plan has evaluated subsequent events through April 5, 2023, the date the financial statements were issued.
