## **Independent Auditor's Report**

403(b) Plan Fiduciary & Board of Directors  
Target Community & Educational Services, Inc.

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit**

We have performed audits of the financial statements of Target Community & Educational Services 403(b) DC and TDA Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statements of net assets available for benefits (modified cash basis) as of June 30, 2022, and the related statement of changes in net assets available for benefits (modified cash basis) for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certification from a qualified institution as of June 30, 2022, and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion**

In our opinion, based on our audits and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.
- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

## **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Target Community & Educational Services 403(b) DC and TDA Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

## **Basis of Accounting**

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

## **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the modified cash basis of accounting described as part of Note 2, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Target Community & Educational Services 403(b) DC and TDA Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

## **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Target Community & Educational Services 403(b) DC and TDA Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Target Community & Educational Services 403(b) DC and TDA Plan's ability to continue as a going concern for a reasonable period of time.

Our audits did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of the modified cash basis of accounting described as part of Note 2.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with the modified cash basis of accounting previously described.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### **Supplemental Schedules Required by ERISA**

403(b) Plan Fiduciary & Board of Directors  
Target Community & Educational Services, Inc.

We were engaged to audit the accompanying statement of net assets available for benefits of Target Community & Educational Services 403(b) DC and TDA Plan (the Plan) as of June 30, 2021, and the related notes to the financial statement.

### **Management's Responsibility for the Financial Statement**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of a financial statement that is free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on the 2021 financial statement based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

### **Basis for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 4 and 5, which was certified by Teachers Insurance and Annuity Association of America (TIAA) and College Retirement Equities Fund (CREF), insurance companies for the Plan, except for comparing such information with the related information included in the financial statement. We have been informed by the plan administrator that this certification extends to investment records kept by TIAA for which TIAA, FSB (formerly TIAA-CREF Trust Company, FSB) acted as directed custodian and trustee, and executed investment transactions. The plan administrator has obtained the certification from the insurance companies as of and for the year ended June 30, 2021, that the information provided to the plan administrator by the recordkeeper is complete and accurate.

### **Disclaimer of Opinion**

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2021 financial statement. Accordingly, we do not express an opinion on the 2021 financial statement.

### **Report on Form and Content in Compliance With DOL Rules and Regulations for 2021 Financial Statement**

The form and content of the information included in the 2021 financial statement, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

**TARGET COMMUNITY & EDUCATIONAL SERVICES  
403(b) DC & TDA PLAN**

**Notes To Financial Statements**

**June 30, 2022 and 2021**

**Note 1 – Description of Plan**

The following brief description of the Plan is provided for general information purposes only. Participants who desire more complete information should refer to the 403(b) Plan Summary Plan Description (SPD) available from the Human Resources Department of Target Community & Educational Services, Inc. (Target).

**General**

The Plan is a defined contribution plan established by Target, which became effective March 1, 1991 and was amended and restated January 1, 2010. Effective July 1, 2013, the Plan was once again amended for the purpose of changing the Plan Sponsor's (employer) contribution. The Plan consists of two separate accounts with TIAA. One account is the "TDA Plan" which represents Plan transactions related to participant/employee contributions and the other account is the "DC Plan" which represents Plan transactions related to employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

**Contributions**

All employees are eligible to participate in the TDA Plan portion of the Plan. Each year, participants may contribute up to the IRS threshold of pretax annual compensation, as defined in the Plan. Self-elective deferrals are based on a percentage of the employee's compensation or a fixed dollar amount per pay. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

All employees, who are at least 18 years of age, are not non-resident aliens, and have completed 2 years of service, are eligible to participate in the DC Plan portion of the Plan once an election is made. Employer contributions under the DC Plan are concurrent with employee self-elective deferrals under the TDA Plan. Effective July 1, 2013, the employer matches the lesser of the employee's elective contribution or 5% of the employee's eligible salary less any bonus. This was an amended change from the previous employer contribution in which there was an hours of service requirement and, upon completion of the DC Plan enrollment forms, the employee received employer contributions equal to 3% and 5% of total compensation less bonuses after completing 2 years and 10 years of eligible service, respectively.

**Participant Accounts**

Each participant's account is credited with the participant's contribution and allocations of (a) Target's contribution and (b) Plan earnings, and charged with an allocation of investment administrative expenses and fees. Allocations are based on participant earnings or account balances, as defined in the Plan agreement. Participants elect their investment allocations of elective deferrals through an on-line process with TIAA. The employer match follows these investment allocations unless the employee chooses different allocations for the employer match. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

**TARGET COMMUNITY & EDUCATIONAL SERVICES  
403(b) DC & TDA PLAN**

**Notes To Financial Statements**

**June 30, 2022 and 2021**

**Note 1 – Description of Plan (continued)**

**Vesting**

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in Target's contributions in participant accounts plus actual earnings thereon is immediately 100% vested.

**Participant and Plan Loans**

The SPD defines loan provisions in which participants may borrow directly from TIAA (plan loan) or from their fund accounts (participant loan) as a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. If a participant loan is taken from a TIAA Annuity, the maximum loan amount is further limited by provisions stated in the SPD. The number of outstanding participant loans a participant can have at one time is three for amounts taken from TIAA mutual funds. Loan (participant) transactions are treated as a transfer to (from) the investment fund from (to) the participant loan account. Loan terms are limited to a maximum of five years per the current plan agreement unless it is used to acquire a principal residence of the eligible participant at which time the loan period becomes a maximum of ten years. Plan loans are secured by an amount equivalent to 110% of the outstanding loan balance and are held in the TIAA Traditional Annuity account of the participant. If there is not enough collateralized money in the TIAA Traditional Annuity at the time of the plan loan, amounts are transferred from other participant investment accounts to this annuity account. The interest rate of the loan will vary depending upon how the retirement balance is invested and can be a variable interest rate or a fixed interest rate of prime plus one, depending on which investment portfolio the loan is made from. Participants are provided with coupon books to pay principal and interest on the plan loans.

**Payment of Benefits**

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or in annuity installments as defined in the Plan agreement. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

**Note 2 – Summary of Significant Accounting Policies**

**Basis of Presentation**

The financial statements of the Plan are prepared under the modified cash basis method of accounting. Accordingly, contribution additions are included in the year in which they are collected and deducted in the year in which they are disbursed. Earnings on registered investment accounts include adjustments to the fair value of those accounts.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

**403(b) DC & TDA PLAN**

**Notes To Financial Statements**

**June 30, 2022 and 2021**

**Note 2 – Summary of Significant Accounting Policies (continued)**

**Use of Estimates**

The preparation of the financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Accordingly, actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an ordinary transaction between market participants at the measurement date. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or (depreciation) includes the Plan's gains and losses on investments purchased and sold as well as held during the year. Participants direct contributions into various investment options offered by the Plan.

**Notes Receivable from Participants**

Participant loans are issued directly from a participant's investment account. When this occurs, a reduction in the participant's account takes place and generates a notes receivable from the participant to capture the outstanding balance of the loan taken from the account. Notes receivable are measured at their unpaid balance plus any accrued but unpaid interest. Principal and interest payments are made directly to TIAA by the borrowing participant. Related fees are recorded as administrative expenses and charged back to the borrowing participant's account. No allowance for credit losses have been recorded as of June 30, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the loan to be a distribution, the participant's loan balance is reduced and the benefit payment is recorded.

The Plan had three participant loan issuances prior to fiscal year 2022 totaling \$30,461. No participant loans were issued in fiscal year 2022. Outstanding loan balances totaled \$18,396 and \$24,185 at June 30, 2022 and 2021, respectively. These participant loans have interest rates ranging from 4.25% to 5.75%, with oldest maturity date being August 15, 2025.

Plan loans are separate from participant loans and are offered to participants. These were effective during fiscal years 2022 and 2021. When a participant enters a plan loan, monies are borrowed directly from TIAA and collateralized by participant monies held in the annuity account (see Note 1). The participant's investment account is not reduced for plan loan borrowings. The outstanding plan loan balances held as collateral were \$6,555 and \$13,588 at June 30, 2022 and 2021, respectively.

**Payments of Benefits**

Benefits are recorded when paid.

**Notes To Financial Statements**

**June 30, 2022 and 2021**

**Note 2 – Summary of Significant Accounting Policies (continued)**

**Administrative Expenses**

Certain administrative expenses of maintaining the Plan are paid by Target and are therefore excluded from these financial statements. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's account. Participants incur certain expenses related to their individual accounts.

**Date of Management's Review**

Subsequent events were evaluated through February 24, 2023, which is the date the financial statements were available to be issued (see Note 10).

**Note 3 – Information Certified by Insurance Company**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, TIAA and CREF, insurance companies of the Plan at June 30, 2022 and 2021, have certified the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits (modified cash basis) as of June 30, 2022 and 2021, and the related investment activity reflected in the statement of changes in net assets available for benefits (modified cash basis) for the year ended June 30, 2022, and the accompanying notes to financial statements, and the supplemental information. The certification extends to investment records kept by TIAA for which TIAA, FSB (formerly TIAA-CREF Trust Company, FSB) acts as directed trustee and custodian. One certification is made for the TDA Plan and DC Plan which collectively represent Target Community Educational Services 403(b) Plan as all investments were combined for reporting purposes under one plan number for Plan years ending June 30, 2022 and 2021. Based on the certification by TIAA and CREF, the determination is made that there is no improper revenue recognition.

**Note 4 – Guaranteed Investment Contracts with Insurance Company**

At June 30, 2022 and 2021, the Plan had fully benefit-responsive and non-benefit responsive guaranteed investment contracts. These investment contracts were fixed dollar annuity contracts identified as TIAA Traditional (Annuity) on the Plan's investment statements. The contract amounts represent contributions made under the contracts, plus interest credited to the Plan's contracts, less any withdrawals and administrative expenses. There are no reserves against the contract values for credit risks of the contract issuers or otherwise. The crediting interest rate is based on an agreed upon formula with the issuer and is reviewed periodically, but not less than annually. The minimum guaranteed rate for fiscal years 2022 and 2021 was 3%. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value depending on the type of annuity contract.

**TARGET COMMUNITY & EDUCATIONAL SERVICES**  
**403(b) DC & TDA PLAN**

**Notes To Financial Statements**

**June 30, 2022 and 2021**

**Note 4 – Guaranteed Investment Contracts with Insurance Company (continued)**

The Non-Benefit Responsive TIAA Traditional Annuity amounts on the Plan's year end investment statements are comprised of employee and employer investment activity of Retirement Annuity (RA) contracts. The amounts as of June 30, 2022 and 2021 were \$523,171 and \$502,626, respectively, and represent contract amounts which approximates fair values. These contracts are fully and unconditionally guaranteed and backed by the claims-paying ability of TIAA.

The Benefit Responsive TIAA Traditional Annuity amounts on the Plan's year end investment statements are comprised of employee investment activity on Group Supplemental Retirement Annuity (GRSA) contracts and Supplemental Retirement Annuity (SRA) contracts which allow for lump sum distributions within a specified time frame after termination of employment. Because this TIAA Traditional Annuity investment account is fully and unconditionally guaranteed and backed by the claims-paying ability of TIAA, contract values are accepted as the relevant measurement attributable for that portion of the net assets available for benefits attributable to these defined investment contracts. Fully benefit-responsive amounts were \$268,325 and \$254,629 at June 30, 2022 and 2021, respectively.

A plan loan default occurred in fiscal year 2018 and has a collateralized principal and accrued interest balance of \$1,263 and \$1,211 at June 30, 2022 and 2021, respectively. These amounts are treated as Traditional Annuity for reporting purposes.

Certain events limit the Plan's ability to transact at contract value with the insurance company. Such events include the following: (a) amendments to the plan documents (including complete and partial plan termination or merger with another plan), (b) changes to the plan's prohibition on competing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events that would cause significant withdrawal from the plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. TIAA deems the value of TIAA Traditional Annuity contracts to be no less than the participant's accumulated balance with no identification of events limiting the Plan's ability to transact at contract value with the insurance company. Therefore, the plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with Plan participants are probable of occurring.

The guaranteed investment contract does not permit the insurance company to terminate the contract agreements through the sale or transfer on any securities exchange. The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

**Notes To Financial Statements**

**June 30, 2022 and 2021**

**Note 5 – Fair Value Measurements**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs are observable inputs other than the quoted prices for identical assets (Level 1). Level 3 inputs are unobservable inputs and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 or 3 plan assets pertain to the periods presented.

Level 1 Fair Value Measurements

The fair value of mutual funds (CREF accounts), variable annuity funds (TIAA Access Lifecycle accounts) and the pooled separate account (TIAA Real Estate) are based on market quotations or prices obtained from independent pricing sources and are used to value these investments' share values during and at the Plan's year-end. These funds include equity securities, fixed income instruments, short-term investments, variable annuities and real estate holdings.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021 which is readily determinable based on the amount invested in the Plan and interest accumulated on those assets:

|                                          | <u>Assets at Fair Value as of June 30, 2022</u> |                |                |                     |

Gains and losses (realized and unrealized) included in changes of net assets available for benefits for the years ended June 30, 2022 and 2021, are reported in net appreciation in fair value of investments.

The Plan's policy is to recognize transfers between Levels 1 and 2 and into and out of Level 3 as of the date of the event or change in circumstances that caused the transfer. For the years ended June 30, 2022 and 2021, there were no significant transfers between Levels 1 and 2 and no transfers into or out of Level 3.

**TARGET COMMUNITY & EDUCATIONAL SERVICES  
403(b) DC & TDA PLAN**

**Notes To Financial Statements**

**June 30, 2022 and 2021**

**Note 6 – Transactions with Parties-In-Interest**

During the year ended June 30, 2022 and 2021, the Plan invested in annuity contracts, mutual funds, variable annuity funds and a pooled account sponsored by TIAA. TIAA was the service provider for the Plan during the year. Therefore, the investments in these contracts and funds qualify as party-in-interest transactions. See Note 4 for investment contracts with insurance companies.

These party in-interest transactions are exempt from the prohibited transaction rules of ERISA.

**Note 7 – Plan Termination**

Although it has not expressed any intent to do so, Target has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. However, no such action may deprive any participant or beneficiary under the Plan of any vested right.

**Note 8 – Plan Amendments**

Effective January 1, 2010, Plan amendments occurred to comply with ERISA guidelines and the Pension Protection Act of 2006. Effective July 1, 2013, the Plan was once again amended for the purpose of changing the Plan Sponsor's (employer) contribution to a matching contribution based on participant contributions and eligible salaries. The original Plan was effective March 1, 1991.

**Note 9 –Tax Status**

The Internal Revenue Service (IRS) issued Revenue Procedure 2013-22 to establish a program for opinion and advisory letters for 403(b) pre-approved plans. Based on the start date of the Plan and the submission of TIAA's prototype plan with the IRS, it has been determined that the Plan operates in conformity with the Internal Revenue Code (IRC) to maintain its tax exemption. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes the Plan is qualified and the related trust is tax exempt.

**Note 10 – Risk and Uncertainties**

**Investments and Pandemic**

The Plan invested in various investment securities in 2022 and 2021. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits. On March 11, 2020, the World Health Organization characterized a novel strain of coronavirus (COVID-19) as a pandemic which has affected global markets and production. However, the pandemic will not impede the Plan's ability to continue because of the nature of the assets.

**June 30, 2022 and 2021**

**Note 10 – Risk and Uncertainties (continued)**

**Litigation and Claims**

The Plan is subject to litigation and claims arising during the ordinary course of business and Plan activities. When applicable, the Plan evaluates these uncertainties, and potential contingencies, based on information available. It is the opinion of management, that the Plan has adequate insurance to cover losses related to uncertainties and that no material adverse effect would occur to the financial position of the Plan.
