INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of  
Connecticut Pipe Trades Local No. 777 Annuity Plan  
Wethersfield, Connecticut

**Opinion**

We have audited the accompanying financial statements of Connecticut Pipe Trades Local No. 777 Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Connecticut Pipe Trades Local No. 777 Annuity Plan as of June 30, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Connecticut Pipe Trades Local No. 777 Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Connecticut Pipe Trades Local No. 777 Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Connecticut Pipe Trades Local No. 777 Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Connecticut Pipe Trades Local No. 777 Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplemental Schedule Required by ERISA**

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

CONNECTICUT PIPE TRADES LOCAL NO. 777 ANNUITY PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Connecticut Pipe Trades Local No. 777 Annuity Plan (Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

General

The Plan was formed July 1, 1995, under an agreement and declaration of trust between the Mechanical Contractors Association of Connecticut, Inc. (Employer Association) and the United Association of Journeymen and Apprentices of the Plumbing and Pipefitting Industry, Connecticut Plumbers and Pipefitters Local No. 777 (Union). The Plan is a multi-employer, jointly administered, collectively bargained, non-contributory, defined contribution profit-sharing plan designed to provide retirement, disability and death benefits for eligible participants and their beneficiaries in accordance with the provisions of the Plan. The Board of Trustees (Trustees) consisting of representatives of the Employers' Association and the Union have overall responsibility for the operation of the Plan. The Trustees determine the appropriateness of the Plan's investment operations and monitors investment performance.

Administration

The Plan is administered by Connecticut Pipe Trades Benefit Funds Administration, Inc. (Administrative Corporation), a corporation established by the benefit funds of the Connecticut Pipe Trades Local No. 777 for self-administration. The Administrative Corporation collects employer contributions for the Plan and wires the money directly to the Plan on a weekly basis. Certain administrative expenses are shared by the Plan and other Connecticut Pipe Trades plans. The administrative services and overhead costs are paid by the Administrative Corporation and reimbursed by the Plan.

Eligibility

Any employee who becomes engaged in covered employment shall automatically participate as of the date contributions are first made to the Plan on their behalf. Former participants of the Plumbers and Pipefitters Local No. 39, the Plumbers and Steamfitters Local 84, and the Plumbers and Pipefitters Local No. 305 Annuity Funds automatically became a participant in the Plan on the date the contributions were transferred to the Plan on their behalf.

Reciprocal Agreements

The Board of Trustees has entered into reciprocal agreements with the boards of trustees of other United Association annuity plans which provide for the transfer of contributions for hours the members work outside the jurisdiction of the Local No. 777 while the member is participating in the Plan.

Plan Amendment

Effective January 8, 2021, for distributions on or after April 1, 2020 until June 30, 2021, if a Participant's covered employment was terminated for any reason other than retirement, death or disability, and they had not worked in the plumbing or pipefitting industry for a period of at least three months (13 consecutive weeks), the participant would have been entitled to receive a distribution of 50% of their participant account, excluding delinquent contributions. Once the participant had not worked in the plumbing and pipefitting industry for a period of at least six consecutive months, the participant's remaining balance could have been withdrawn. Also, a participant who had not worked in the plumbing and pipefitting industry for a period of less than three months were entitled to receive a one-time distribution up to \$5,000 from their participant account.

CONNECTICUT PIPE TRADES LOCAL NO. 777 ANNUITY PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF PLAN – (CONTINUED)

Plan Amendment – (Continued)

As part of this amendment, effective for hardship withdrawals on or after April 1, 2020 until June 30, 2021, a participant was limited to one hardship distribution every three months.

As part of the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), the Plan elected to allow certain individuals affected by COVID-19 to be eligible for coronavirus-related distributions (CRDs) between January 1, 2020 through December 31, 2020 up to \$100,000, subject to certain provisions.

Contributions

The Plan is funded by contributions made by employers at a fixed rate for each hour worked in covered employment and as determined in accordance with the collective bargaining agreement in effect. For the years ended June 30, 2022 and 2021, the contribution rate was \$6.30 per hours worked by journeymen and various amounts per hour by apprentices based on their years of service.

Supplemental Contributions

Participants may elect to increase the hourly contribution rate payable to the Plan with a corresponding reduction in the participant's hourly wage rate. Any election for supplemental contributions must be irrevocable for the duration of the terms of the collective bargaining agreement. The additional hourly contribution rate that the participants direct may be in one dollar increments up to a maximum of \$5.00. Supplemental contributions for years ended June 30, 2022 and 2021 were \$1,493,050 and \$1,181,966, respectively and were included in employer contributions on the statement of changes in net assets available for benefits.

Participant Accounts

Each participant's account is credited with employer contributions and adjusted by net earnings or losses and administration fees, as defined by the Plan. The net earnings, or losses, and administration fees are allocated to participants using a non-discriminatory procedure, as outlined in the Plan. Participants can change their contribution allocation and investment options on a daily basis. Participants can direct the allocation of their investments in all investments other than the investment in the Administrative Corporation.

Plan Benefits

Participants and their eligible beneficiaries are entitled to their vested benefits upon retirement, termination, disability, or death. The method of payment may be a single lump sum payment, a monthly annuity, equal monthly installments or a combination of the forms of certain distributions, subject to certain restrictions as outlined by the Plan. Should a participant terminate employment and withdraw from the Union, if no contributions are required to be made on the participant's behalf for a period of six consecutive months, the participant may elect to receive 50% of their account balance (excluding delinquent contributions), and, if no contributions are received for 12 consecutive months, the remaining balance can be distributed. Hardship withdrawals to participants are allowed within the guidelines of the Plan and Internal Revenue Service regulations.

Vesting

Each participant is 100% vested in the value of the amounts allocated to his account, subject to adjustments for net earnings or losses and administration fees.

CONNECTICUT PIPE TRADES LOCAL NO. 777 ANNUITY PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting and Use of Estimates

The accompanying financial statements have been prepared using the accrual basis of accounting. The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires that management make estimates and assumptions that could affect certain reported amounts, and disclosures in the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The investments of the Plan are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transition between market participants at the measurement date. The Trustees determine the Plan's valuation policies utilizing information provided by its investment advisers, custodians and insurance company. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Contract value is the relevant measurement attributable for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Employer Contributions Receivable

The Plan considers employer contributions receivable to be fully collectible; accordingly, no allowance for doubtful accounts is required.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Fees and Other Expenses

The Plan Administrator allocates certain administrative and record-keeping costs to the Plan, in addition to the cost of payroll and related payroll benefits directly attributable to the Plan. In computing these allocated costs, various factors were considered, including time spent, space used, costs incurred, and volume of transactions relating to the Plan in relation to the various other entities administered by the Plan Administrator (see Note 8). These expenses are reported in common administrative expenses on the statement of changes in net assets available for benefits. Certain investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - INSURANCE

The Plan is insured by a fidelity bond against losses through fraud or dishonesty, up to a maximum of \$2,000,000. The Plan is also insured by a trustee and fiduciary liability insurance policy up to \$5,000,000 for each claim and in the aggregate. The Plan is also insured by cyber liability policy up to \$3,000,000.

CONNECTICUT PIPE TRADES LOCAL NO. 777 ANNUITY PLAN  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2022 AND 2021

NOTE 4 - PLAN TERMINATION

The Trustees expect and intend to continue the Plan indefinitely but reserve the right to amend or terminate it. If the Plan is terminated, Plan assets will be allocated to provide benefits to Plan members in the order of priority specified by the Plan, or as otherwise required by law. Under no circumstances shall any portion of the assets, directly or indirectly, revert or accrue to the benefit of any contributing employer.

NOTE 5 - NON-PARTICIPANT DIRECTED INVESTMENTS

The value of non-participant-directed investments consists of the investment in the Administrative Corporation, Connecticut Pipe Trades Benefit Funds Administration, Inc. The value of this investment was \$11,000 at June 30, 2022 and 2021. The value at both June 30, 2022 and 2021 was based on an independent appraisal.

NOTE 6 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The fair value hierarchy gives the highest priority to quoted prices (unadjusted) in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTE 6 - FAIR VALUE MEASUREMENTS – (CONTINUED)

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

*Mutual Funds:* Values are determined by obtaining quoted prices on nationally recognized securities exchanges.

*Administrative Corporation:* The value of this investment has been estimated on the basis of an appraisal that utilized the capitalization of net cash flow method for a common equity interest in the Administrative Corporation.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value:

Level 3 Investments

The principal valuation technique of the Administrative Corporation (Level 3 investment) is calculated using the capitalization of net cash flow and the fair value was \$11,000 as of June 30, 2022 and 2021. There were no changes in the fair value of the Level 3 assets and no related gains and losses for June 30, 2022 and 2021.

In estimating fair value of investments in Level 3, the Trustees may use third-party pricing sources or appraisers. In substantiating the reasonableness of the pricing data provided by third parties, the Trustees evaluate a variety of factors including review of methods and assumptions used by external sources, recently executed transactions, existing contracts, economic conditions, industry and market developments, and overall credit ratings.

NOTE 7 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT

The Plan has a fully benefit-responsive investment contract with New York Life. The investment in the New York Life Anchor Account is a pooled separate account. This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus interest credited to the participant's account in accordance with the contract's gross crediting rate, plus dividends, less participant withdrawals, and expenses payable from the contract's assets and other adjustments.

NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2022 AND 2021

NOTE 7 - FULLY BENEFIT-RESPONSIVE INVESTMENT CONTRACT – (CONTINUED)

The investment contract held by the Plan is a group annuity contract. Under this contract, a crediting rate is established for amounts invested in the account. The interest crediting rate may be reset no less frequently than quarterly and the minimum crediting rate is 0%. At June 30, 2022 and 2021, the interest crediting rate was 3.58% and 2.29%, respectively.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. These events may be different under each contract. Examples of such events include the following:

1. The failure of the trust to qualify for exemption from federal income tax or any required prohibited transaction under ERISA
2. Premature termination of the contract
3. Plan termination or merger
4. Changes to the Plan's prohibition on competing investment options or deletions of equity wash provisions
5. Bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spinoffs of a subsidiary) that cause a significant withdrawal from the Plan.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. These events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

NOTE 8 - SELF-ADMINISTRATION AND PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan and certain others. The Plan holds investments managed by John Hancock Trust Company, LLC (John Hancock). John Hancock is a service provider to the Plan and, therefore, these transactions and Plan's payment of fees to John Hancock qualify as party-in-interest transactions. In addition, the Plan has an investment in the Administrative Corporation and arrangements with service providers providing legal, audit and tax services. These transactions are considered exempt party-in-interest transactions under ERISA.

As discussed in Note 1, the Administrative Corporation collects employer contributions for the Plan and distributes the money directly to the Plan on a weekly basis. Cash contributions collected by the Administrative Corporation for the years ended June 30, 2022 and 2021, were \$12,383,940 and \$10,424,624, respectively.

NOTE 8 - SELF-ADMINISTRATION AND PARTY-IN-INTEREST TRANSACTIONS (CONTINUED)

Also discussed in Note 1, common costs of administration are allocated to the Connecticut Plumbers and Pipefitters Pension Plan, the Connecticut Pipe Trades Health Plan and the Plan. Any amounts due to or from the Administrative Corporation are included in the Statement of Net Assets Available for Benefits. Amounts due to the Administrative Corporation for administration to the Plan were \$65,052 and \$63,296 as of June 30, 2022 and 2021, respectively. These transactions are also considered exempt party-in-interest transactions under ERISA.

NOTE 9 - TAX STATUS

The Plan is qualified under section 401(a) of the Internal Revenue Code and is exempt from federal income tax. The Plan obtained its latest determination letter on May 15, 2015, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, Plan's legal counsel believes that the Plan is currently designed, and the Plan's administrator believes that the Plan is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believe that the Plan is qualified, and the related trust is tax exempt.

NOTE 10 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Cash is defined as amounts held by banks and on hand. The balances from time to time exceed the federally insured limits.

The Plan is involved in various legal actions arising in the normal course of operations. In the opinion of the Trustees and counsel, such matters will not have a material effect upon the financial position of the Plan.

The COVID-19 outbreak has adversely affected, and may continue to adversely affect, economic activity globally, nationally and locally, and the economic market conditions and other effects of the outbreak may adversely affect the volatility of the Plan assets. The extent of any adverse impact of the COVID-19 outbreak on the Plan's net assets and participants' account balances cannot be predicted at this time.

NOTE 11 - SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through April 5, 2023 the date which the financial statements were available to be issued.
