INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Moncler USA 401(k) Profit Sharing Plan & Trust

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Moncler USA 401(k) Profit Sharing Plan & Trust (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 7 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section -

- the amounts and disclosures in the accompanying 2021 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2021 Financial Statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2021 financial statements.

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP).

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such

information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2020 Financial Statements

The 2020 financial statements of the Plan were audited by Rotenberg Meril Solomon Bertiger & Guttilla, P.C. ("Rotenberg"), whose practice merged with Marcum LLP as of February 1, 2022. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed Rotenberg not to perform and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Their report dated October 14, 2021, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements and supplemental schedule(s) other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN

The following description of Moncler USA 401(k) Profit Sharing Plan & Trust (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan was established on January 1, 2015. The Plan is a defined contribution plan covering all eligible employees of Moncler USA, Inc. and its participating affiliate (the "Employer"). Employees are eligible to participate in the Plan at the minimum age of 18 after completing two consecutive months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). Management of the Employer is responsible for oversight of the Plan. The Plan's administrator determines the appropriateness of the Plan's investment offerings and monitors investment performance.

CONTRIBUTIONS

The Plan provides for pre-tax elective deferrals and/or Roth elective deferrals. Each year, participants may elect to contribute up to 90% of their eligible earnings as defined by the Plan. All employees are limited to a maximum contribution of \$19,500 in 2021 by Section 402(g) of the Internal Revenue Code ("IRC").

Participants age 50 or older before the end of the Plan year are eligible to make an additional annual "catch-up" contribution up to \$6,500 as a pre-tax or Roth contribution. If any participant's compensation deferrals for a year exceed the maximum allowable for that year, the excess amount may be returned to the participant as taxable compensation.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan.

The Employer makes a matching contribution equal to 100% of elective deferrals that do not exceed 4% of eligible earnings. The Employer may also make a discretionary non-elective contribution to the Plan. The discretionary contribution is allocated to the participants based upon a formula of participant compensation to total plan participant compensation. For the year ended December 31, 2021, matching contributions totaled \$407,856. There were no non-elective contributions.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PARTICIPANT ACCOUNTS

Each participant's account is credited with (a) the participant's contribution, (b) allocations of the Employer's contributions, if any, (c) rollover contributions, if any, and (d) appreciation in the value of the investments; and charged with (a) distributions made to the participant, (b) depreciation in the value of the investments, and (c) allocation of participant account administrative expenses. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately and fully vested in their contributions and rollover contributions plus actual earnings thereon. Vesting in the Employer's matching and non-elective contribution portions of their accounts is based on years of continuous service. Participants begin vesting in Employer contributions after one year of service, vesting at a rate of 20% per year thereafter, and are fully vested after six years of service. In the event of total disability, death or attainment of age 65, the participant will become 100% vested in their account.

NOTES RECEIVABLE FROM PARTICIPANT

Participants may borrow from their accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50% of their vested balance. However, the \$50,000 will be reduced by the excess, if any, of the highest outstanding note balance they had during the previous one-year period ending on the day before the date of the new note over the current outstanding balance of loans as of the date of the new loan to the participant. Participants are limited to one note outstanding at any time. Notes must be fully repaid within five years unless the note is used for the purchase of a primary residence, in which case repayment is extended to thirty years. Principal and interest must be paid through payroll deductions. The notes bear interest at Prime plus 2%. All notes are adequately secured by the balance of the participant's account.

PAYMENT OF BENEFITS AFTER TERMINATION OF EMPLOYMENT

Upon termination of service, participants may elect to have their benefits paid to them as a single lump sum, paid as a direct rollover to another qualified plan or individual retirement account, or distributed in installments or partial withdrawals if the participants' account balance exceeds \$5,000. An option to defer receiving payments until age 72 can also be elected if the participant's account exceeds \$5,000.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

PAYMENT OF BENEFITS AFTER TERMINATION OF EMPLOYMENT (CONTINUED)

If the participant's account balance is less than \$5,000 and the terminated participant fails to make a distribution election, the Plan may roll the balance into a traditional and/or Roth IRA account. If the account is less than \$1,000, the Plan may distribute the account directly to the participant in a lump sum. Termination of service may result from the death of the participant, total disability of the participant, retirement, or termination of employment. In the event of a death of a participant prior to retirement, 100% of the participant's vested account is paid to their beneficiary in a single lump sum.

FORFEITED ACCOUNTS

If a participant terminates before becoming fully vested in their account balance, the non-vested portion of the participant's account balance will be forfeited as of the earlier of the distribution of the entire vested portion of the participant's account or the last day of the plan year in which the former participant has a five-year break in service. Forfeitures may be used by the Plan to pay administrative expenses or reduce employer contributions. For the year ended December 31, 2021, \$36,648 of forfeitures were redeemed by the plan administrator and used to reduce the employer matching contribution. As of December 31, 2021 and 2020, the forfeited account balance was \$30,571 and \$9,681, respectively.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan have been prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America ("GAAP"). The Plan follows the accounting and reporting guidance as prescribed by the Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 962, "*Plan Accounting - Defined Contribution Pension Plans*."

USE OF ESTIMATES

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates and assumptions.

MONCLER USA 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for the discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses have been recorded as of December 31, 2021 or 2020.

EXCESS CONTRIBUTIONS PAYABLE

Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan distributes the excess contributions to the applicable participants prior to March 15th of the next fiscal year.

MONCLER USA 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

PAYMENT OF BENEFITS

Benefit payments to participants are recorded upon distribution.

EXPENSES

The cost and expenses of administering the Plan are paid by the Plan participants unless otherwise paid by the Employer. Expenses that are paid by the Employer are excluded from the financial statements. Administrative expenses incurred by the Plan include note receivable and benefit payment fees charged directly to the participant's accounts and recordkeeping fees. Investment related expenses are included in net appreciation or depreciation of fair value of investments.

NOTE 3 - FAIR VALUE MEASUREMENTS

The Plan values its investments under the provisions of FASB ASC 820, "*Fair Value Measurements and Disclosures*," which defines fair value under GAAP, establishes a framework for measuring fair value and enhances disclosures about fair value measurements. GAAP establishes a fair value hierarchy, which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset or liability's fair value measurement level within the fair value hierarchy is based upon the lowest level of any input that is significant to the fair value measurement.

The following provides a description of the three levels of inputs that may be used to measure fair value under the standard, the types of plan investments that fall under each category, and the valuation methodologies used to measure these investments at fair value. There have been no changes in the methodologies used at December 31, 2021 and 2020.

BASIS OF FAIR VALUE MEASUREMENTS

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability, and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

BASIS OF FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Mutual Funds:

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The tables below segregate all investments as of December 31, 2021 and 2020 that are measured at fair value on a recurring basis (at least annually) into the most appropriate level within the fair value hierarchy based on the inputs used to determine the fair value at the measurement date:

Assets at Fair Value as of December 31, 2021				
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy	<u>\$ 5,514,686</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 5,514,686
Investment measured at net asset value *				<u>824,204</u>
Investments at Fair Value				<u>\$ 6,338,890</u>
Assets at Fair Value as of December 31, 2020				
	Level 1	Level 2	Level 3	Total
Total Assets in the Fair Value Hierarchy	<u>\$ 4,232,509</u>	<u>\$ --</u>	<u>\$ --</u>	\$ 4,232,509
Investment measured at net asset value *				<u>508,468</u>
Investments at Fair Value				<u>\$ 4,740,977</u>

*These investments were measured at fair value using the NAV per share (or its equivalent) as a practical expedient and have not been categorized in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

COMMON COLLECTIVE TRUSTS

Common collective trusts are funds comprised of units that are not publicly traded. The underlying assets in the funds are valued at quoted prices on exchanges when readily available. When current market prices or quotations are not available, valuations are determined using valuation models adopted by the trustee or other inputs principally from or corroborated by observable market data.

The Plan's investment in the common collective trust is valued at the NAV of participation units held by the Plan at year-end. The value of these units is determined by the trustee based on the current market values of the underlying assets of the common collective trust. There are no funding commitments required by the common collective trust and there is no minimum notice or holding periods for plan participants. If management of the Plan wishes to withdraw the investment in the common collective trust, the Plan must provide the trustee with at least fifteen days' notice.

NOTE 4 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500:

The following schedule reconciles the net assets available for benefits per the financial statements at December 31, 2021 and 2020 to Schedule H of Form 5500:

MONCLER USA 401(K) PROFIT SHARING PLAN & TRUST

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 5 - PLAN TERMINATION

Although the Employer has not expressed any intent to do so, the Employer has the right, under the plan agreement, to amend any or all provisions of the Plan, as well as discontinue contributions and terminate the Plan at any time subject to the provisions of ERISA. In the event of plan termination, participants are 100% vested in their accounts.

NOTE 6 - TAX STATUS

The Plan has adopted the Automatic Data Processing Prototype 401(k) and Profit Sharing Plan (the "Prototype Plan"), which is qualified under Section 401 of the IRC as a tax-exempt plan. The Prototype Plan has received an opinion letter from the IRS dated July 16, 2014. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, the plan administrator believes that the Plan is qualified and the related trust is tax-exempt.

On February 15, 2022, the Plan adopted the ADP, LLC Non-Standardized Pre-Approved Profit Sharing/Money Purchase/CODA Plan (the "Non-Standardized Plan"), which is qualified under Section 401 of the IRC as a tax-exempt plan. The Non-Standardized Plan has received an opinion letter from the IRS dated October 6, 2020.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS or other authority. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2018.

NOTE 7 - CERTIFIED INVESTMENTS

Certain information related to investments from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments held at December 31, 2021 and 2020, and net appreciation in fair value of investments and interest and dividends for the year ended December 31, 2021, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company (the trustee of the Plan). This information has not been audited by the Plan's independent auditors.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED DECEMBER 31, 2021 AND 2020

NOTE 8 - PARTY-IN-INTEREST TRANSACTIONS

Certain employees of the Employer, who may also be participants in the Plan, perform administrative services to the Plan at no cost to the Plan.

NOTE 9 - EXCESS CONTRIBUTIONS PAYABLE

For the year ended December 31, 2020, certain contributions from highly compensated participants in the amount of \$11,619 did not comply with the participation discrimination rules set forth in Section 401(k)(3) of the IRC. The 2020 contributions exceeded the allowable deferral limit and were refunded to participants prior to March 15, 2021. For the year ended December 31, 2021, contributions from highly compensated participants complied with the participation discrimination rules set forth in Section 401(k)(3) of the IRC.

NOTE 10 - SUBSEQUENT EVENTS

The Plan evaluated subsequent events through December 8, 2022, which is the date the financial statements were available to be issued.
