Independent Auditor's Report

To the Plan Administrator of
Boston Senior Home Care, Inc. 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Boston Senior Home Care, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Boston Senior Home Care, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Senior Home Care, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Senior Home Care, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Senior Home Care, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Boston Senior Home Care, Inc. 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated April 7, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BOSTON SENIOR HOME CARE, INC. 403(B) RETIREMENT PLAN

Notes to Financial Statements
June 30, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Boston Senior Home Care, Inc. 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a 403(b) defined contribution plan covering substantially all employees of Boston Senior Home Care, Inc. (the Plan Sponsor). The Plan excludes those employees who normally work fewer than 20 hours per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor's Board of Directors.

b. Contributions

Each year, participants upon being hired may contribute a percentage up to 100% of pre-tax annual compensation, subject to annual Internal Revenue Service (IRS) limitations as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). The Plan allows for participants to make post-tax Roth contributions. All employees are eligible to make elective deferrals and receive employer matching and non-elective contributions immediately upon hire. Participants are eligible to receive employer matching contributions in the amount of 100% of each participant's elective contributions, up to 1% of a participant's compensation. The Plan Sponsor made matching and non-elective contributions of \$361,339 during the year ended June 30, 2022. The amount of the non-elective contribution is determined based on the participant's years of service as follows:

<u>Years of Service</u>	<u>Percentage of Compensation</u>
Less than 3	1%
More than 3 but less than 4	2%
More than 4 but less than 5	3%
More than 5 but less than 7	4%
7+ Years	5%

c. Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's matching contributions, as well as an allocation of the Plan Sponsor's non-elective contributions, if applicable, and the Plan earnings and depreciation of investments, and is charged with an allocation of administrative expenses paid by the Plan. Allocations are based on the participant's earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their voluntary contributions, employer matching and non-elective contributions, as well as actual earnings thereon.

1. DESCRIPTION OF THE PLAN (Continued)

e. Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The maximum term of the loan is 5 years, unless used for the purchase of a primary residence. The loans bear interest at the prime rate plus 2%. Participants may only have two loans outstanding at any given time. Principal and interest are paid ratably through bi-weekly payroll deductions.

f. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65, with no option for early retirement. Upon termination of service, a participant receives a lump-sum amount equal to the value of their vested account balance. There are also retirement benefits available upon disability and death. Beneficiaries are entitled to receive benefit payments on behalf of the participant upon the death of the participant.

The Plan allows in-service withdrawals upon attainment of age 59 ½. A participant may also request a withdrawal upon demonstration to the plan administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to Section 403(b) of the Internal Revenue Code (the Code) or standards established by the Secretary of the Treasury or their delegate.

Participants with account balances with a value less than \$5,000 automatically receive a lump-sum amount equal to the value of their account upon termination of service.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (GAAP) established by the Financial Accounting Standards Board (FASB). References to GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully-benefit-responsive investment contracts which are reported at contract value (see Note 9). Mutual funds are stated at quoted market prices on public exchanges, which represent the net asset value (NAV) of shares held by the Plan at year-end. Units held by the Plan in variable annuity accounts and pooled separate accounts are based on each fund's daily NAV as a practical expedient, which is considered by the Plan's management to be the best approximation of fair value. All investments, excluding mutual funds, are not traded on public exchanges and are redeemable only by the issuer. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the qualified institutions. See Note 4 for discussion of fair value measurement.

BOSTON SENIOR HOME CARE, INC. 403(B) RETIREMENT PLAN

Notes to Financial Statements
June 30, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Investment contracts held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowances for credit losses have been recorded as of June 30, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of June 30, 2022, there were \$8,215 of defaulted loans that have been deemed distributed and included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of distributions, recordkeeping and investment advisory services are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of investments.

Subsequent Events

Subsequent events have been evaluated through March 17, 2023, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements.

Notes to Financial Statements

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company, Inc. (TFLIC) and Ascensus as agent for Ascensus Trust Company (Ascensus), the qualified institutions, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of June 30, 2022 and 2021, and the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2022, and the related investment transactions and investment income and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2022.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price.

4. FAIR VALUE MEASUREMENT (Continued)

Variable annuity funds: The fair value of accumulation units held by the Plan in variable annuity accounts are based on each account's daily NAV as a practical expedient which is considered by Plan management to be the best approximation of fair value. The NAV is used as a practical expedient to estimate the fair value, unless it is probable that all or a portion of the variable annuities will be sold for an amount different than NAV. As of June 30, 2022 and 2021, the Plan had no plans to sell the variable annuities at amounts different from NAV. Data for NAVs are available daily to Plan administrators and client investors via the TFLIC website and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. Redemption frequency and notice period are available on a daily basis. There are no unfunded commitments from participants in the Plan who invest in these accounts.

Pooled separate account: The fair value of accumulation units held by the Plan in pooled separate accounts (registered investment companies held as pooled separate accounts) are based on each account's daily NAV as a practical expedient, which is considered by Plan management to be the best approximation of fair value. The NAV is used as a practical expedient to estimate the fair value, unless it is probable that all or a portion of the pooled separate accounts will be sold for an amount different than NAV. As of June 30, 2022 and 2021, the Plan had no plans to sell the pooled separate accounts at amounts different from NAV. Accounts are not exchange traded. Data for NAVs are available daily to Plan administrators and client investors via the website, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in these accounts.

There have been no changes in the methodologies used at June 30, 2022 and 2021.

The following tables present by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30:

Description	2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 5,941,540	\$ -	\$ -	\$ 5,941,540
Investments measured at NAV				26,124
Total investments, at fair value				\$ 5,967,664

Description	2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 7,075,611	\$ -	\$ -	\$ 7,075,611
Investments measured at NAV				32,482
Total investments, at fair value				\$ 7,108,093

4. FAIR VALUE MEASUREMENT (Continued)

The following table presents the category, fair value, redemption frequency and redemption notice period for the Plan's investments and respective fair values of which are estimated using the NAV per share as a practical expedient, as of June 30:

Category	Fair Value		Redemption Frequency (if currently eligible)	Redemption Notice Period
	2022	2021		
Variable Annuities:				
Large cap funds (a)	\$ 14,704	\$ 20,482	Daily	Daily
Money market fund (b)	<u>60</u>	<u>84</u>	Daily	Daily
Total Variable Annuities	14,764	20,566		
Pooled Separate Account:				
TFLIC Government Fixed Fund (c)	<u>11,360</u>	<u>11,916</u>	Limited to one per Quarter	Daily
Total investments, measured at NAV	<u>\$ 26,124</u>	<u>\$ 32,482</u>		

- (a) These funds invest mostly in common stocks of large capitalization companies, foreign securities and derivative instruments.
- (b) This fund is a type of fixed income mutual fund that invests in debt securities that are characterized by their short maturities and minimal credit risk.
- (c) This fund seeks as high a level of current income as is consistent with preservation of capital and liquidity.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accrued benefits shall be paid to participants in accordance with the provisions of the Plan.

6. INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The Plan has adopted a prototype plan and the IRS has determined and informed the Plan Sponsor by a letter dated March 31, 2017, that the Plan is designed in accordance with applicable sections of the Code. The Plan has since been amended; however, it is believed that the Plan is still qualified under section 403(b) of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institutions are considered party-in-interest transactions. During 2022, the Plan paid the qualified institutions fees related to the administration of participant loans and processing of distributions, recordkeeping and investment advisory service fees totaling \$31,871.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investments, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan has guaranteed investment contracts with TFLIC and Ascensus. All qualified institutions maintain the contributions in a general account. The accounts are credited with participant contributions and investment income and charged for participant withdrawals and administrative expenses. The guaranteed investment contracts' issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, the contract value is the relevant measure attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by the qualified institutions, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of their investment at contract value. The contract limits the percentage of the investment for periodic elective transfers to variable investments within the Plan during any twelve-month period.

The contracts are guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on the ability of the qualified institutions to meet its financial obligations from the general assets of the qualified institutions. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1 percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring. The guaranteed investment contracts do not permit TFLIC and Ascensus to terminate the agreement prior to the scheduled maturity date.

SUMMARY ANNUAL REPORT
for
Boston Senior Home Care, Inc 403(b) Retirement Plan

This is a summary of the annual report for Boston Senior Home Care, Inc 403(b) Retirement Plan, 04-2546251/001 for 07/01/2021 through 06/30/2022. The annual report has been filed with the Employee Benefits Security Administration, formerly known as the Pension and Welfare Benefits Administration, as required under the Employee Retirement Income Security Act of 1974 (ERISA).

Basic Financial Statement

Benefits under the plan are provided by insurance and trust. Plan expenses were \$888,204. These expenses included \$31,871 in administrative expenses and \$847,952 in benefits paid to participants and beneficiaries, and \$8,381 in other expenses. A total of 306 persons were participants in or beneficiaries of the plan at the end of the plan year, although not all of these persons had yet earned the right to receive benefits.

The value of plan assets, after subtracting liabilities of the plan, was \$7,858,758 as of 06/30/2022, compared to \$8,934,546 as of 07/01/2021. During the plan year the plan experienced a decrease in its net assets of (\$1,075,788). This decrease includes unrealized appreciation or depreciation in the value of plan assets; that is, the difference between the value of the plan's assets at the end of the year and the value of the assets at the beginning of the year or the cost of assets acquired during the year. The plan had total income of (\$187,584), including employer contributions of \$361,339, employee contributions of \$422,003, gains of \$0 from the sale of assets and earnings from investments of (\$1,173,491).

Independent Auditor's Report

To the Plan Administrator of
Boston Senior Home Care, Inc. 403(b) Retirement Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Boston Senior Home Care, Inc. 403(b) Retirement Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institutions).

Management has obtained certifications from the qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by the qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Boston Senior Home Care, Inc. 403(b) Retirement Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Senior Home Care, Inc. 403(b) Retirement Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Boston Senior Home Care, Inc. 403(b) Retirement Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Boston Senior Home Care, Inc. 403(b) Retirement Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements (Continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by the qualified institutions agrees to or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Boston Senior Home Care, Inc. 403(b) Retirement Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by the qualified institutions. In our report dated April 7, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and, accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

BOSTON SENIOR HOME CARE, INC. 403(B) RETIREMENT PLAN

Notes to Financial Statements
June 30, 2022 and 2021

1. DESCRIPTION OF THE PLAN

The following description of the Boston Senior Home Care, Inc. 403(b) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

a. General

The Plan is a 403(b) defined contribution plan covering substantially all employees of Boston Senior Home Care, Inc. (the Plan Sponsor). The Plan excludes those employees who normally work fewer than 20 hours per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The plan administrator determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Plan Sponsor's Board of Directors.

b. Contributions

Each year, participants upon being hired may contribute a percentage up to 100% of pre-tax annual compensation, subject to annual Internal Revenue Service (IRS) limitations as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). The Plan allows for participants to make post-tax Roth contributions. All employees are eligible to make elective deferrals and receive employer matching and non-elective contributions immediately upon hire. Participants are eligible to receive employer matching contributions in the amount of 100% of each participant's elective contributions, up to 1% of a participant's compensation. The Plan Sponsor made matching and non-elective contributions of \$361,339 during the year ended June 30, 2022. The amount of the non-elective contribution is determined based on the participant's years of service as follows:

<u>Years of Service</u>	<u>Percentage of Compensation</u>
Less than 3	1%
More than 3 but less than 4	2%
More than 4 but less than 5	3%
More than 5 but less than 7	4%
7+ Years	5%

c. Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's matching contributions, as well as an allocation of the Plan Sponsor's non-elective contributions, if applicable, and the Plan earnings and depreciation of investments, and is charged with an allocation of administrative expenses paid by the Plan. Allocations are based on the participant's earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

d. Vesting

Participants are immediately vested in their voluntary contributions, employer matching and non-elective contributions, as well as actual earnings thereon.

BOSTON SENIOR HOME CARE, INC. 403(B) RETIREMENT PLAN

Notes to Financial Statements
June 30, 2022 and 2021

1. DESCRIPTION OF THE PLAN (Continued)

e. Notes Receivable from Participants

Participants may borrow from their account a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The maximum term of the loan is 5 years, unless used for the purchase of a primary residence. The loans bear interest at the prime rate plus 2%. Participants may only have two loans outstanding at any given time. Principal and interest are paid ratably through bi-weekly payroll deductions.

f. Payment of Benefits

The Plan provides for a normal retirement benefit to be paid to participants who have reached the age of 65, with no option for early retirement. Upon termination of service, a participant receives a lump-sum amount equal to the value of their vested account balance. There are also retirement benefits available upon disability and death. Beneficiaries are entitled to receive benefit payments on behalf of the participant upon the death of the participant.

The Plan allows in-service withdrawals upon attainment of age 59 ½. A participant may also request a withdrawal upon demonstration to the plan administrator that they are suffering a "hardship". Hardship is defined in applicable regulations promulgated or to be promulgated pursuant to Section 403(b) of the Internal Revenue Code (the Code) or standards established by the Secretary of the Treasury or their delegate.

Participants with account balances with a value less than \$5,000 automatically receive a lump-sum amount equal to the value of their account upon termination of service.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Plan prepares its financial statements in accordance with generally accepted accounting principles (GAAP) established by the Financial Accounting Standards Board (FASB). References to GAAP in these notes are to the FASB Accounting Standards Codification (ASC).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value, except for fully-benefit-responsive investment contracts which are reported at contract value (see Note 9). Mutual funds are stated at quoted market prices on public exchanges, which represent the net asset value (NAV) of shares held by the Plan at year-end. Units held by the Plan in variable annuity accounts and pooled separate accounts are based on each fund's daily NAV as a practical expedient, which is considered by the Plan's management to be the best approximation of fair value. All investments, excluding mutual funds, are not traded on public exchanges and are redeemable only by the issuer. The Plan Sponsor determines the Plan's valuation policies utilizing information provided by the qualified institutions. See Note 4 for discussion of fair value measurement.

Notes to Financial Statements
June 30, 2022 and 2021

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income Recognition (Continued)

Investment contracts held by a defined contribution plan are required to be reported at fair value except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when incurred. No allowances for credit losses have been recorded as of June 30, 2022 and 2021. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be in default, the participant loan balance is reduced, and a benefit payment is recorded. As of June 30, 2022, there were \$8,215 of defaulted loans that have been deemed distributed and included in benefits paid to participants in the accompanying statement of changes in net assets available for benefits.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Sponsor and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and processing of distributions, recordkeeping and investment advisory services are charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net depreciation of investments.

Subsequent Events

Subsequent events have been evaluated through March 17, 2023, which is the date the financial statements were available to be issued. There were no events that met the criteria for recognition or disclosure in the financial statements.

3. INFORMATION PREPARED AND CERTIFIED BY THE PLAN'S QUALIFIED INSTITUTIONS

The plan administrator has elected the method of annual reporting compliance permitted by ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica Financial Life Insurance Company, Inc. (TFLIC) and Ascensus as agent for Ascensus Trust Company (Ascensus), the qualified institutions, have certified to the completeness and accuracy of all investments and notes receivable from participants reported in the accompanying statements of net assets available for benefits as of June 30, 2022 and 2021, and the supplemental schedule, Form 5500, Schedule H, Part IV, Line 4i - Schedule of Assets Held at End of Year as of June 30, 2022, and the related investment transactions and investment income and interest income on notes receivable from participants reported in the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2022.

At the request of the plan administrator, the Plan's independent auditors did not perform auditing procedures with respect to certified investment information, except for comparing such certified investment information included in the accompanying financial statements and supplemental schedule.

4. FAIR VALUE MEASUREMENT

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants as of the measurement date. *Fair Value Measurement* establishes a hierarchy of the valuation techniques based upon whether the inputs to those valuation techniques reflect assumptions other market participants would use based upon market data obtained from independent sources (also referred to as observable inputs). The fair value hierarchy is as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value:

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price.

4. FAIR VALUE MEASUREMENT (Continued)

Variable annuity funds: The fair value of accumulation units held by the Plan in variable annuity accounts are based on each account's daily NAV as a practical expedient which is considered by Plan management to be the best approximation of fair value. The NAV is used as a practical expedient to estimate the fair value, unless it is probable that all or a portion of the variable annuities will be sold for an amount different than NAV. As of June 30, 2022 and 2021, the Plan had no plans to sell the variable annuities at amounts different from NAV. Data for NAVs are available daily to Plan administrators and client investors via the TFLIC website and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. Redemption frequency and notice period are available on a daily basis. There are no unfunded commitments from participants in the Plan who invest in these accounts.

Pooled separate account: The fair value of accumulation units held by the Plan in pooled separate accounts (registered investment companies held as pooled separate accounts) are based on each account's daily NAV as a practical expedient, which is considered by Plan management to be the best approximation of fair value. The NAV is used as a practical expedient to estimate the fair value, unless it is probable that all or a portion of the pooled separate accounts will be sold for an amount different than NAV. As of June 30, 2022 and 2021, the Plan had no plans to sell the pooled separate accounts at amounts different from NAV. Accounts are not exchange traded. Data for NAVs are available daily to Plan administrators and client investors via the website, and provides sufficient corroborative evidence to ascertain the relationship between each fund's NAV and the values of individual underlying holdings. Underlying holdings are primarily valued using market quotations or prices obtained from independent pricing sources. There are no unfunded commitments from participants in the Plan who invest in these accounts.

There have been no changes in the methodologies used at June 30, 2022 and 2021.

The following tables present by level, within the fair value hierarchy, the Plan's investments at fair value as of June 30:

Description	2022			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 5,941,540	\$ -	\$ -	\$ 5,941,540
Investments measured at NAV				26,124
Total investments, at fair value				\$ 5,967,664

Description	2021			Total
	Level 1	Level 2	Level 3	
Mutual funds	\$ 7,075,611	\$ -	\$ -	\$ 7,075,611
Investments measured at NAV				32,482

4. FAIR VALUE MEASUREMENT (Continued)

The following table presents the category, fair value, redemption frequency and redemption notice period for the Plan's investments and respective fair values of which are estimated using the NAV per share as a practical expedient, as of June 30:

Category	Fair Value		Redemption Frequency (if currently eligible)	Redemption Notice Period
	2022	2021		
Variable Annuities:				
Large cap funds (a)	\$ 14,704	\$ 20,482	Daily	Daily
Money market fund (b)	<u>60</u>	<u>84</u>	Daily	Daily
Total Variable Annuities	14,764	20,566		
Pooled Separate Account:				
TFLIC Government Fixed Fund (c)	<u>11,360</u>	<u>11,916</u>	Limited to one per Quarter	Daily
Total investments, measured at NAV	<u>\$ 26,124</u>	<u>\$ 32,482</u>		

- (a) These funds invest mostly in common stocks of large capitalization companies, foreign securities and derivative instruments.
- (b) This fund is a type of fixed income mutual fund that invests in debt securities that are characterized by their short maturities and minimal credit risk.
- (c) This fund seeks as high a level of current income as is consistent with preservation of capital and liquidity.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, all accrued benefits shall be paid to participants in accordance with the provisions of the Plan.

6. INCOME TAX STATUS

The Plan has been designed to qualify under Section 403(b) of the Code. The Plan has adopted a prototype plan and the IRS has determined and informed the Plan Sponsor by a letter dated March 31, 2017, that the Plan is designed in accordance with applicable sections of the Code. The Plan has since been amended; however, it is believed that the Plan is still qualified under section 403(b) of the Code. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b).

GAAP requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more-likely-than-not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. PARTY-IN-INTEREST TRANSACTIONS

Section 3(14) of ERISA defines a party-in-interest to include, among others, fiduciaries or employees of the Plan, any person who provides services to the Plan or an employer whose employees are covered by the Plan. Accordingly, transactions with investment funds managed and held by the qualified institutions are considered party-in-interest transactions. During 2022, the Plan paid the qualified institutions fees related to the administration of participant loans and processing of distributions, recordkeeping and investment advisory service fees totaling \$31,871.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investments, which are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that these changes could materially affect the amounts reported in the statements of net assets available for benefits.

9. GUARANTEED INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan has guaranteed investment contracts with TFLIC and Ascensus. All qualified institutions maintain the contributions in a general account. The accounts are credited with participant contributions and investment income and charged for participant withdrawals and administrative expenses. The guaranteed investment contracts' issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contracts are fully benefit-responsive, the contract value is the relevant measure attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported by the qualified institutions, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal of all or a portion of their investment at contract value. The contract limits the percentage of the investment for periodic elective transfers to variable investments within the Plan during any twelve-month period.

The contracts are guaranteed against loss of principal, minus all withdrawals, including charges and adjustments. The guarantee is based on the ability of the qualified institutions to meet its financial obligations from the general assets of the qualified institutions. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 1 percent. Such interest rates are reviewed on a quarterly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan Sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the Plan to qualify for exemption from Federal income taxes or any required prohibited transaction exemption under ERISA.

The plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring. The guaranteed investment contracts do not permit TFLIC and Ascensus to terminate the agreement prior to the scheduled maturity date.
