INDEPENDENT AUDITORS' REPORT

To the Plan Administrator
Wellmore, Inc. 401(k) and Profit Sharing Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2021 Financial Statements

We have performed an audit of the financial statements of Wellmore, Inc. 401(k) and Profit Sharing Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion on the 2022 financial statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Auditors' Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 7, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

WELLMORE, INC. 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Wellmore, Inc. 401(k) and Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions, copies of which may be obtained from the Plan Sponsor.

GENERAL

The Plan is a defined contribution plan established to provide retirement benefits for employees of Wellmore, Inc. (the Organization or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan Sponsor has overall responsibility for the operation and administration of the Plan and determines the appropriateness of the Plan's investment offerings, and monitors investment performance.

CONTRIBUTIONS

The Plan permits pre and post-tax deferrals for employees of the Organization who have completed at least 2 months of eligible service and have reached the age of 21. Participants may contribute a percentage of compensation, as deferral contributions, subject to the maximum allowable by the Internal Revenue Code (the Code). Plan entry dates for salary deferrals are the first day of the month coinciding with or next following the date that eligibility conditions are satisfied. All employees hired after July 1, 2017, after meeting the eligibility requirements stated above, are automatic enrolled in the Plan at a 3% deferral percentage, with an auto escalation of 1% each year up to 6%. Participants who have attained age 50 as of the last day of the calendar year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified (and certain nonqualified) defined benefit or defined contribution plans (rollover contributions). In addition, the Organization may make matching and / or profit sharing contributions at the discretion of the Board of Directors. Participants must have completed one year of service and be employed on the last day of the year to be eligible for employer contributions. Plan entry dates for employer contributions are semi-annually on the first and seventh month of the Plan year once age and service requirements have been met.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CARES ACT

On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act (CARES Act) was enacted, which included provisions, which among others, provide temporary relief for those retirement plan participants affected by the coronavirus disease (COVID-19). Participants who met certain criteria could take a penalty-free hardship withdrawal, borrow from their accounts at higher limits and suspend making payments on their participant loans until 2021. During the period between March 27, 2020 and September 22, 2020, participants impacted by COVID-19 (as defined in the Plan agreement) could borrow from their account up to the lesser of \$100,000 or the vested account balance and could suspend loan repayments due during that period until January 2021.

As of June 30, 2022, the Plan has not been formally amended, as a formal amendment is not required until the plan year ended December 31, 2025. The Plan intends to formally adopt the amendment upon a future restatement of the Plan, prior to this date.

PARTICIPANT ACCOUNTS

Participants have separate accounts for employee and employer contributions for each investment option selected. Participants may elect to have contributions invested in any or all of the funds, subject to certain limitations, and may change their investment options on a daily basis. Investment income and administrative expenses are allocated to the participants' accounts regularly. Allocations of profit sharing contributions, investment income and administrative expenses are based on a participant's compensation, as defined.

The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately vested in their deferral and rollover contributions contribution, including the earnings on these amounts. Participants are fully vested in employer contributions after three years of continuous service.

Employees who reach the normal retirement age will be 100% vested in all accounts under the Plan. Special rules apply for employer contributions transferred into the Plan from the Employee Benefit Plan of Morris Foundation, Inc. (the Morris Foundation Plan). These funds will continue to follow a 6-year graded vesting schedule.

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

FORFEITURES

Forfeitures of contributions may be used to reduce any future employer contributions or to pay administrative expenses. Forfeited nonvested accounts totaled \$8,312 and \$40,887 at June 30, 2022 and 2021, respectively. For the year ended June 30, 2022 and 2021, \$0 and \$3,544 of forfeitures were used to pay administrative expenses, respectively.

INVESTMENT OPTIONS

Participants may direct their contributions to a variety of mutual funds and a guaranteed income fund held by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC. These accounts include a variety of investment options with various objectives and degrees of financial risk.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or one-half of their vested employee account balance. Loan terms range from one to five years, except for loans to purchase a primary residence, which may be offered over a term up to fifteen years. The loans are secured by the balance in the participant's account and bear interest at a rate that financial institutions would charge, as determined by the plan administrator. Participants may only have one loan outstanding at any given time. Generally, principal and interest are repaid ratably through payroll deductions. Loans are secured by the balance in the participant's account.

PAYMENT OF BENEFITS

The Plan also provides for in-service withdrawals by qualified participants. Effective January 24, 2018, the Plan was amended to allow participants who have reached normal retirement age to be able to withdraw from their entire account. Distributions will be paid by lump sum, qualified joint and survivor annuities, or installments over a number of years as defined in the Plan or the Code. Distributions in the form of annuities are only available for the merged funds from the Morris Foundation Plan.

Participants who are at least 59 1/2 years of age or disabled may withdraw all or a portion of their salary deferral and rollover account balances prior to termination.

WELLMORE, INC. 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

PAYMENT OF BENEFITS (CONTINUED)

In December 2019, the Setting Every Community Up for Retirement Enhancement Act (SECURE Act) was signed into law. The SECURE Act increased the age for required minimum distributions from 70 ½ to 72. This change is effective for participants who turn 70 ½ after December 31, 2019, and does not apply to participants already receiving required minimum distributions.

Upon qualification for financial hardship, a participant is entitled to the value of his or her deferral and profit sharing contribution accounts, determined as of the valuation date, which is payable immediately in a lump-sum distribution. The Plan was amended effective July 1, 2019 in accordance with the Bipartisan Budget Act of 2018 to remove the restriction that prohibited participants receiving hardship withdrawals from contributing into the Plan for six months.

BASIS OF ACCOUNTING

The Plan uses the accrual basis of accounting in the preparation of its financial statements.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

WELLMORE, INC. 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The plan administrator determines the Plan's valuation policies and procedures utilizing information provided by its investment advisors, custodians and insurance company. See Note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits to participants are recorded when paid.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expenses when incurred. No allowance for credit losses has been recorded at June 30, 2022 and 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

ADMINISTRATIVE EXPENSES

The Plan's expenses are paid either by the Plan or the Plan Sponsor, as provided by the plan document. Expenses that are paid directly by the Plan Sponsor are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deductions in the accompanying statements of changes in net assets available for benefits. In addition, certain investment related expenses are included in net (depreciation) appreciation of fair value of mutual funds.

WELLMORE, INC. 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 3 - INCOME TAX STATUS

The Plan has adopted a volume submitter plan that received a favorable opinion letter from the Internal Revenue Service (IRS) dated March 31, 2014 that it was in compliance with the applicable requirements of the Code. The plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods pending or in progress.

NOTE 4 - CERTIFICATION BY THE CUSTODIANS

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments, investment income and notes receivable from participants held at June 30, 2022 and 2021, and net (depreciation) appreciation in fair value of pooled separate accounts, interest income, and interest on notes receivable from participants for the years then ended, was obtained by management and agreed to or derived from information certified as complete and accurate by the custodians. This information has not been audited by the Plan's independent auditors.

NOTE 5 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification 820, *Fair Value Measurements (ASC 820)*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

WELLMORE, INC. 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual Funds – Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

WELLMORE, INC. 401(k) AND PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 5 - FAIR VALUE MEASUREMENTS (CONTINUED)

There have been no changes in the methodologies used at June 30, 2022 and 2021. The Plan's policy is to recognize transfers in and transfers out of levels as of the date of the event or change in circumstances that caused the transfer. There were no transfers between levels in 2022 or 2021.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

2022				
Asset Category	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 7,959,669</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 7,959,669</u>

2021				
Asset Category	Level 1	Level 2	Level 3	Total
Mutual funds	<u>\$ 9,355,802</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 9,355,802</u>

NOTE 6 - GUARANTEED INCOME FUND

The Plan entered into a fully-benefit responsive contract with Great-West Life & Annuity Insurance Company. The guaranteed portfolio fund is a guaranteed interest account that is part of the general account of Great-West Life & Annuity Insurance Company. Contract value, as reported to the Plan by Great-West Life & Annuity Insurance Company, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The guaranteed portfolio fund guarantees principal and guarantees the minimum interest rate will never be less than 0% for the life of the contract. The crediting interest rate resets quarterly based on market conditions.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEARS ENDED JUNE 30, 2022 AND 2021

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Plan investments included mutual funds and a guaranteed income fund managed by Great-West Life & Annuity Insurance Company and Great-West Trust Company, LLC who are the custodians as defined by the Plan, and, therefore, these investment transactions qualify as party-in-interest transactions. The Plan allows participants to take loans against their account balances, which are also considered exempt party-in-interest transactions. Fees paid by the Plan to the custodians for administrative expenses totaled \$71,399 and \$63,113 for the years ended June 30, 2022 and 2021, respectively.

NOTE 8 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become fully vested in their employer contributions.

NOTE 9 - RISKS AND UNCERTAINTIES

INVESTMENTS

The Plan provides for various investment options in mutual funds and a guaranteed income fund. These investments are exposed to various risks, such as interest rate, market and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the level of risk associated with certain securities, it is at least reasonably possible that changes in the values of investments will occur in the near term and those changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 10 - CORRECTIVE CONTRIBUTION

Management determined that employees were not enrolled into the Plan in accordance with the plan document and the auto-escalation was not properly calculated for the Plan for the year ended June 30, 2022. As a result, the plan sponsor paid into the Plan in December 2022 a non-elective contribution to the affected employees in the amount of \$1,155.

NOTE 11 - DELINQUENT CONTRIBUTIONS

For the year ended June 30, 2022, the Company identified employee deferrals in the amount of \$41,919 which were not remitted timely to the Plan, according to Rules Regulations 29 CFR 2510.3-102 of the United States Department of Labor Regulations. Corrections related to lost earnings for 2022 will be remitted in 2023.

NOTE 12- SUBSEQUENT EVENTS

In preparing these financial statements, The Plan has evaluated events and transactions for potential recognition or disclosure through April 6, 2023, the date the financial statements were available to be issued. Except as disclosed above, there were no subsequent events that require recognition or disclosure in these financial statements.
