Independent Auditor's Report

To the Plan Administrator of the
Achievement First, Inc. 403(b) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Achievement First, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C)"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained certifications from qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 10 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section:

- The amounts and disclosures in the accompanying 2022 Financial Statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 Financial Statements related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the 2022 Financial Statements* section of our report. We are required to be

independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the *Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements* section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a significant likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.

- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the 2022 Financial Statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental Schedule H, Part IV, Line 4(i) - Schedule of Assets (Held at End of Year) and Schedule of Delinquent Participant Contributions (Schedule H, Line 4a) as of or for the year ended June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by qualified institutions agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meet the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 29, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Achievement First, Inc. 403(b) Plan

Notes to Financial Statements June 30, 2022

Note 1 - Description of Plan

The following description of Achievement First, Inc. 403(b) Plan (the "Plan") provides only general information. Participants should refer to the Plan document, and any amendments thereto, for a more complete description of the Plan's provisions.

General

The Plan is an Internal Revenue Code (the "IRC") Section 403(b) defined contribution retirement plan covering all employees of Achievement First, Inc., Achievement First Bridgeport Academy, Inc., Achievement First Hartford Academy, Inc., Amistad Academy, Inc., Elm City College Preparatory Academy, Inc., Achievement First Brooklyn Charter Schools, and Achievement First Rhode Island, Inc. (collectively, the "Company"). Nonresident aliens and students performing services are excluded from participating in the Plan. Eligible employees are immediately eligible to make elective deferrals and are eligible to receive employer contributions with a minimum age of 21 and minimum service requirement of 1,000 hours in the applicable Plan year. Employment by the Company on the last day of the Plan year is required for a participant to receive an employer contribution. Employees who are part of a collective bargaining agreement not eligible to receive employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

State Street Bank and Trust Company ("State Street") is the custodian, and Transamerica Financial Life Insurance Company, Inc. ("Transamerica") is the recordkeeper to the Plan. All contributions are remitted into assets held with State Street. Participants have the ability to transfer assets held with The Variable Annuity Life Insurance Company ("VALIC") to State Street.

Contributions

Each year, participants may contribute up to 100 percent of pretax annual compensation, as defined in the Plan. Participants who have attained age 50 or who have completed at least 15 years of service before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover). The Company contributes 100 percent of the first 4 percent of base compensation that a participant contributes to the Plan up to a maximum matching contribution of \$2,500. Additional discretionary nonelective contributions may be contributed at the option of the Company and are allocated to participants proportionately based on participant's compensation compared to total compensation. For the year ended June 30, 2022, the Company did not make a nonelective contribution. Contributions are subject to certain Internal Revenue Service (the "IRS") limitations.

Participants direct the investment of their contributions and employer contributions into various investment options offered by the Plan. The Plan currently offers various variable annuity contracts, mutual funds and two fixed annuity contracts as investment options for participants.

Participant accounts

Each participant's account is credited with the participant's contributions and Company matching contributions, as well as allocations of Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Investment expenses are paid directly from the underlying assets of the respective investments and are included in net depreciation in fair value of investments in the statement of changes in net assets available for benefits.

Notes to Financial Statements June 30, 2022

Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. In the event of termination due to death, total and permanent disability, normal or early retirement, participants shall become 100% vested in the Company contribution portion of their account. For all other participants, vesting in the Company contribution portion of their account is based on credited years of service, as defined by the Plan, according to the following schedule:

<u>Years of service</u>	<u>Vested percentage</u>
Less than 3	0%
More than 3	100%

Payment of benefits

On termination of service, a participant may elect a lump-sum amount equal to the value of the participant's vested interest in his or her account, as defined in the Plan. The Plan includes an automatic cash out provision where participants with a vested account balance less than \$5,000 will receive a lump-sum distribution as soon as it is administratively practicable immediately following their separation from service with the Company.

Withdrawals from a participant's account balance may be made in the event of a financial hardship, in accordance with the provisions specified in the Plan. Additionally, in-service withdrawals are allowed in accordance with the provisions specified in the Plan for participants who have attained age 59-1/2.

Notes receivable from participants

Participants may borrow from the Transamerica portion of their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account. The loan interest rate on borrowing from Transamerica is set at 1% above the prime rate, as defined. Principal and interest are paid ratably through monthly payroll deductions.

Forfeited accounts

At June 30, 2022 and 2021, forfeited nonvested accounts totaled \$309,151 and \$214,281, respectively. These amounts shall be used to reduce Company contributions or to pay Plan expenses. Employer contributions and Plan expenses were reduced by \$167,206 during the year ended June 30, 2022.

Note 2 - Summary of accounting policies

Basis of accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

Use of estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that

Achievement First, Inc. 403(b) Plan

Notes to Financial Statements June 30, 2022

affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Company determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians and insurance company. See Note 3 for a discussion of fair value measurements.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. For variable annuity contracts, dividends are included in the net depreciation in fair value of investments. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 and 2021.

Payment of benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net depreciation in fair value of investments. Certain portfolio fees are paid by the Plan by reducing the balances of applicable participants.

Subsequent events

The Company has evaluated subsequent events through April 10, 2023, which is the date the financial statements were available to be issued.

Note 3 - Fair value measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities ("Level 1") and the lowest priority to unobservable inputs ("Level 3"). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;

Achievement First, Inc. 403(b) Plan

Notes to Financial Statements June 30, 2022

- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Variable annuity contracts: Investments are held in separate accounts that include mutual funds valued at the net asset value ("NAV") per share at the close of each business day as reported by each fund, which is then adjusted for dividends and separate account fees. This value is deemed equivalent to NAV, which is used as a practical expedient to estimate fair value. The accounts allow for daily redemptions and contributions.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at fair value as of June 30, 2022				
	Level 1	Level 2	Level 3	Total
Investments included in fair value hierarchy				
Mutual funds	\$ 43,545,347	\$ -	\$ -	\$ 43,545,347
Investments measured at NAV (a)				25,212,972
Total investments at fair value				\$ 68,758,319

Achievement First, Inc. 403(b) Plan

Notes to Financial Statements June 30, 2022

	Assets at fair value as of June 30, 2021			
	Level 1	Level 2	Level 3	Total
Investments included in fair value hierarchy				
Mutual funds	\$ 48,173,256	\$ -	\$ -	\$ 48,173,256
Investments measured at NAV (a)				32,407,245
Total investments at fair value				\$ 80,580,501

(a) In accordance with Subtopic 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Note 4 - Investment contract with insurance company

The Plan holds fixed annuity contracts with VALIC, an insurance company, via investments in the VALIC Fixed Account Plus ("FAP") and the VALIC Short Term Fixed Account ("STF"). Participants who choose to invest in these options make contributions that purchase a specific amount of lifetime income based on the contractual rate schedule in effect at the time the premium is paid. VALIC maintains the contributions in a general account. These contracts meet the fully benefit-responsive investment contract criteria and, therefore, are reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under each contract, plus earnings, less participant withdrawals, and administrative expenses.

The investment contracts held by the Plan are guaranteed investment contracts. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting interest rates are based on formulas agreed upon with the issuer and ranged between 1.20 percent and 1.40 percent during the year ended June 30, 2022, and between 1.30 percent and 1.40 percent during the year ended June 30, 2021, and have the potential for additional interest if declared by VALIC. The minimum guaranteed interest rate varies by participant and depends on the date the participant established their account. These minimums apply to all VALIC fixed options under the contract. Such interest rates are reviewed on a monthly basis for resetting. The contracts cannot be terminated before the scheduled maturity date.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, premature termination of the contracts, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA.

No events are probable of occurring that might limit the ability of the Plan to transact at contract value with the contract issuers and that also would limit the ability of the Plan to transact at contract value with the participants. VALIC currently permits transfers of up to 20 percent per year from the FAP during the

Achievement First, Inc. 403(b) Plan

Notes to Financial Statements June 30, 2022

accumulation period. Once a transfer has been made into the STF, no transfers from this account are permitted for 90 days during the accumulation period.

Although management has no intentions of terminating the group annuity investment contract, which provides for the benefit-responsive investment contract and the variable annuity contracts in which the Plan invests, certain provisions could impact the liquidity and the value of the contract upon termination.

In addition, certain events allow the issuer to terminate the contracts with the Plan and settle at an amount different from contract value. Those events may be different under each contract. Examples of such events include the following:

1. An uncured violation of the Plan's investment guidelines
2. A breach of material obligation under the contract
3. A material misrepresentation
4. A material amendment to the agreements without the consent of the issuer

Note 5 - Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in the Company contribution portion of their account.

Note 6 - Plan loans

In addition to the notes receivable from participants described in Note 1, participants invested in the VALIC portion of the Plan may borrow from VALIC a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance using the assets in the participant's tax deferred annuity portion of their account as collateral. Under this arrangement, VALIC has the right to collect the collateral in the event of default. At June 30, 2022 and 2021, Plan loans totaling \$174,185 and \$177,998, respectively, were outstanding under this arrangement, of which \$115,674 and \$117,788, respectively, were in default.

Note 7 - Tax status

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71 and the draft Listing of Required Modifications issued April 4, 2009. The volume submitter plan document, which the Plan has adopted in a nonstandardized adoption agreement, obtained its latest advisory letter on March 31, 2017, in which the IRS stated that the volume submitter plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan is required to operate in conformity with the Code to maintain the tax-exempt status for Plan participants under Section 403(b). The Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the Code.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Achievement First, Inc. 403(b) Plan

Notes to Financial Statements June 30, 2022

Note 8 - Related party transactions and party-in-interest transactions

The Plan's investments are fixed and variable annuity contracts managed by VALIC and mutual funds managed or held by State Street. VALIC and State Street are the custodians as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services are included in net depreciation in fair value of investments. The Plan allows participants to take loans against their account balances, which are also considered party-in-interest transactions.

Note 9 - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10 - Certified financial information

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Investments and notes receivable from participants held at June 30, 2022 and 2021, and investment income and interest income on notes receivable from participants for the year ended June 30, 2022, that are disclosed in the accompanying financial statements and supplemental schedule of assets (held at end of year) (Schedule H, Line 4i), were obtained or derived from information supplied to the Plan administrator and certified as complete and accurate by State Street Bank and Trust Company and Variable Annuity Insurance Life Company the custodians and Transamerica Financial Insurance Life Company, Inc., the recordkeeper of the Plan.

Note 11 - Nonexempt transactions

The Company had determined that nonexempt transactions occurred during the 2022 and 2021 plan years. These violations involved the submission of employee contributions and loan repayments to the Plan later than the earliest day on which such contributions could reasonably be segregated from the employer's general assets. The Company has taken corrective action for these nonexempt transactions on July 27, 2021, March 11, 2022, August 12, 2022, and February 19, 2023. Management believes that these transactions should not affect the tax-qualified status of the Plan; therefore, no provision for income taxes has been included in the Plan's financial statements.
