Independent Auditor's Report

RSM US LLP

Plan Administrator and Participants
Community Resources for Justice, Inc. 401(k) Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Community Resources for Justice, Inc. 401(k) Retirement Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules of Schedule H, Line 4a—Schedule of Delinquent Participant Contributions for the year ended June 30, 2022, and Schedule H, Line 4i—Schedule of Assets (Held at End of Year) as of June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

Note 1. Description of Plan

The following description of Community Resources for Justice, Inc. 401(k) Retirement Plan, (the Plan), provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and eligibility: The Plan is a defined contribution plan covering all eligible employees of Community Resources for Justice, Inc. (the Company) who have completed one month of service and are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). An employee of the Company serves as the Plan Administrator (Plan Administrator).

The Plan document was further amended and effective on July 1, 2021, to bring the Plan into compliance with the legislative and regulatory changes set forth in IRS Notice 2017-37 (i.e., the 6- year pre-approved plan restatement cycle). Subsequently, in February 2023, the Plan was amended with an effective date of July 1, 2021, to include a retroactive amendment to allow for eligible employees to receive the safe harbor match after meeting the service requirement of one month and the age requirement of 21.

Contributions: Each year, participants may contribute up to the maximum amount of pretax annual compensation as determined by the Internal Revenue Code (IRC). Roth contributions are also allowed. All participants who attain age 50 before the close of the plan year shall be eligible to make a catch-up contribution. Participants may rollover amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Company makes matching contributions under the safe harbor matching contribution formula. To receive employer matching contributions, eligible employees must participate in the Plan and make elective deferral contributions. The Company's matching contribution for the year ended June 30, 2022, was equal to 100% of the first 3% of eligible compensation and 50% of the next 2% of eligible compensation.

The Company may also make a discretionary matching or profit sharing contribution to the Plan each year at the option of the Company's board of directors. No discretionary matching or profit sharing contributions were made to the Plan during the year ended June 30, 2022. Contributions are subject to certain limitations.

Participant accounts: Each participant's account is credited with the participant's contributions, the Company's safe harbor matching contribution, allocations of any profit-sharing contribution and Plan earnings/losses and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting: Participants are immediately vested in their voluntary contributions and safe harbor matching contributions plus actual earnings thereon. Vesting in the Company's discretionary matching or profit sharing contributions is as follows:

Years of Service	Percentage Vested
Less than 1	0%
1 but less than 2	25%
2 but less than 3	50%
3 but less than 4	75%
4 or greater	100%

Note 1. Description of Plan (Continued)

Investment options: Upon enrollment in the Plan, a participant may direct all contributions to selected investments including mutual funds and a common collective trust in 1% increments. Participants may change their investment options daily.

Notes receivable from participants: Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loans must be repaid over a period of no more than five years unless the loan is to purchase a primary residence in which case the term may be longer. The loans are collateralized by the vested balance in the participant's account and bear interest at a rate comparable to local commercial rates at the time of the loan. The rates were 3.75% to 6.50% on loans outstanding at June 30, 2022, which mature through 2027. Principal and interest are paid ratably through payroll deductions and loans are due upon termination of the participant.

Benefit payments: The Plan permits withdrawals when a participant terminates employment, retires, or becomes disabled or deceased. In-service withdrawals are also permitted for certain financial hardships or when a participant attains age 59 ½. Benefits are payable in lump-sum payments with certain exceptions allowed.

Forfeitures: Amounts of participant forfeited nonvested accounts are used to reduce future administrative expenses and employer contributions to the Plan. During the year ended June 30, 2022, \$6,761 of forfeitures were generated and \$2,380 were used to offset the employer contributions. As of June 30, 2022 and 2021, forfeited account balances totaled \$76,467 and \$72,086, respectively.

Administrative expenses: Certain expenses of maintaining the Plan are paid directly by the Company and are excluded from these financial statements. Fees related to the administration of distributions and notes receivable from participants are charged directly to the participant's account and are included in administrative expense. Investment related expenses are included in net depreciation of fair value of investments.

Note 2. Summary of Significant Accounting Policies

Basis of accounting: The financial statements have been prepared in accordance with accounting standards set by the Financial Accounting Standards Board (FASB). The FASB sets accounting principles generally accepted in the United States of America (U.S. GAAP) to ensure net assets available for benefits and changes in net assets available for benefits are consistently reported. References to GAAP issued by the FASB in these footnotes are to the FASB Accounting Standards Codification (ASC).

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein, and disclosure of contingent assets and liabilities. Actual amounts could differ from those estimates.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

**Community Resources for Justice, Inc.
401(k) Retirement Plan**

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 or 2021. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded.

Benefit payments: Benefits are recorded when paid.

Accounting for uncertainty in income taxes: U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken any uncertain tax positions that more likely than not would not be sustained upon examination by a tax authority. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require adjustment to the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. federal, state, or local tax authorities for years on or before June 30, 2018.

Note 3. Information Certified and Provided by John Hancock Life Insurance Company (U.S.A.) (the Trustee)

The following is a summary of the Plan's asset information as of June 30, 2022 and 2021, and for the year ended June 30, 2022, included throughout the Plan's financial statements and supplemental schedules that was prepared by or derived from information provided by the trustee and furnished to the Plan Administrator. The Plan Administrator has obtained certifications from the trustee that information provided to the Plan Administrator by the trustee related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following assets.

	2022	2021
Investments, at fair value:		
Mutual fund	\$ 13,551,644	\$ 14,780,908
Common collective trust	219,296	189,016
	<u>\$ 13,770,940</u>	<u>\$ 14,969,924</u>
Notes receivable from participants	<u>\$ 439,105</u>	<u>\$ 487,216</u>

John Hancock Life Insurance Company (U.S.A.) also certified to the completeness and accuracy of \$2,110,716 of net depreciation in fair value of investments, \$3,118 of interest and dividends related to the aforementioned investments, and \$25,511 of interest income on notes receivable from participants for the year ended June 30, 2022.

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual funds: Mutual funds are valued at quoted market prices. These securities are categorized in Level 1 as they are actively traded.

Common collective trust: Investments in the John Hancock Stable Value Fund (the Portfolio) are stated at the estimated fair value based on the fair value of the underlying assets at net asset value (NAV) of the Portfolio as based on information reported in the Portfolio's audited financial statements at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

June 30, 2022				
	Total	Level 1	Level 2	Level 3
Investments:				
Mutual funds	\$ 13,551,644	\$ 13,551,644	\$ -	\$ -
Total Investments in fair value hierarchy	13,551,644	13,551,644	-	-
Common collective trust measured at NAV (a)	219,296	-	-	-
Investments at fair value	\$ 13,770,940	\$ 13,551,644	\$ -	\$ -
June 30, 2021				
	Total	Level 1	Level 2	Level 3
Investments:				
Mutual funds	\$ 14,780,908	\$ 14,780,908	\$ -	\$ -
Total Investments in fair value hierarchy	14,780,908	14,780,908	-	-
Common collective trust measured at NAV (a)	189,016	-	-	-
Investments at fair value	\$ 14,969,924	\$ 14,780,908	\$ -	\$ -

- (a) In accordance with Subtopic 820-10, certain investments that are measured at fair value using NAV per share practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

The following tables summarize investments measured at fair value based on NAV per share as of June 30, 2022 and 2021:

June 30, 2022				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate account invested in a collective trust (b)	\$ 219,296	\$ -	Daily	Participant withdrawals may be delayed up to 30 days; Plan-directed withdrawals may be delayed up to 12 months
June 30, 2021				
	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate account invested in a collective trust (b)	\$ 189,016	\$ -	Daily	Participant withdrawals may be delayed up to 30 days; Plan-directed withdrawals may be delayed up to 12 months

- (b) This category is a stable value fund which invests in a collective trust. The collective trust seeks to preserve principal and provide contract value liquidity on a daily basis for plan-permitted, participant-directed withdrawals while maintaining a competitive rate of interest. The collective trust invests primarily in diversified fixed income investments and in stabilizing agreements.

Notes to Financial Statements

Note 5. Party-in-Interest Transactions

As of June 30, 2022 and 2021, the Plan's investments are comprised of mutual funds and a common collective trust managed by affiliates of John Hancock Life Insurance Company (U.S.A.), the trustee of the Plan. These transactions qualify as party-in-interest transactions. The Plan issues notes receivable to participants, which are secured by the balances in the participants' accounts, which also constitute party-in-interest transactions.

Note 6. Tax Status

The Plan has received a determination letter from the IRS dated June 30, 2020, stating that the Plan is qualified under Section 401(a) of the Code and, therefore, the related trust is exempt from taxation. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualified status. The Plan Administrator and management of the Company believe that the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believe the Plan is qualified and the related trust is tax-exempt.

Note 7. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their accounts.

Note 8. Risk and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near-term and such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

Note 9. Prohibited Transactions

During 2022, the Plan sponsor inadvertently failed to deposit \$60,965 of participant contributions and loan repayments within the required timeframe as stated by the United States Department of Labor regulations. The Plan sponsor intends to deposit lost earnings to correct this failure in 2023. The Plan sponsor will file Form 5330 and pay applicable excise tax to the IRS. The correction and any excise taxes, if applicable will be made from the Plan sponsor's assets and not from assets of the Plan.

Note 10. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of the net assets available for benefits as reported per the financial statements to the Form 5500 as of June 30, 2022 and 2021, respectively:

	2022	2021
Net assets available for benefits per financial statements:	\$ 14,235,681	\$ 15,557,191

Note 10. Reconciliation of Financial Statements to Form 5500 (Continued)

The following is a reconciliation of the net decrease in assets available for benefits as reported per the financial statements to the Form 5500 for the year ended June 30, 2022:

Net decrease in assets available for benefits per the financial statements:	\$ (1,321,510)
Change in participant contribution receivable	50,996
Change in employer contribution receivable	23,419
Net decrease per Form 5500	<u><u>\$ (1,247,095)</u></u>

Note 11. Subsequent Events

Management has evaluated subsequent events through April 10, 2023, the date the financial statements were available to be issued. Effective July 1, 2022, the Plan was amended to exclude bonuses as eligible compensation. With the exception of the Plan amendment, no subsequent events have occurred that are not accounted for in the accompanying related notes to the financial statements.
