INDEPENDENT AUDITOR'S REPORT

To the Trustees
Standing Rock Community Grant School 401(k) Plan
Fort Yates, North Dakota

Report on the Financial Statements

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of **STANDING ROCK COMMUNITY GRANT SCHOOL 401(k) PLAN** the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section –

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements were available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures related to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the 2022 financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain other internal control-related matters that we identified during the audit.

Other Matter – 2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Assets Held at Year End is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including the form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion –

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C),

Other Matter - Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of **STANDING ROCK COMMUNITY GRANT SCHOOL 401(k) PLAN**. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated February 25, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

STANDING ROCK COMMUNITY GRANT SCHOOL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS JUNE 30, 2022 AND 2021

(1) Nature of Business and Summary of Significant Accounting Policies

Nature of Business of Plan Sponsor

Standing Rock Community Grant School (the School) operates an elementary and secondary school in Fort Yates, North Dakota.

Method of Accounting

The financial statements of the Standing Rock Community Grant School 401(k) Plan (the Plan) are prepared using the accrual method of accounting.

Use of Estimates and Basis of Accounting

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrators to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan provides for various investment options. Investments are exposed to various risks, such as interest, market, and credit risks. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value on a recurring basis, as determined by Bravera Wealth (the Trustee) (Note 4). Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded when received. Dividend income is recorded on the ex-dividend date. Due to the level of risk associated with certain investments, it is at least reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

Net Change in Fair Value of Investments

The net appreciation (depreciation) in fair market value of investments is composed of the realized gains and losses in securities that were sold or otherwise disposed of during the year and the unrealized gains and losses in securities held at the end of the year.

Payment of Benefits

Benefits are recorded when paid.

Subsequent Events

Subsequent events have been evaluated through March 31, 2023, the date which the financial statements were available to be issued.

NOTES TO FINANCIAL STATEMENTS (CONTINUED) JUNE 30, 2022 AND 2021

(2) Description of the Plan

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and Eligibility

The Plan is a defined contribution plan covering all regular employees of the School. The Plan and the trust of which it is a part are intended to satisfy all of the requirements for a qualified retirement plan under the appropriate provisions of the Internal Revenue Code (IRC) and similar state tax laws. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

There is no minimum age requirement. Employees who have completed one hour of service are eligible for the Plan. Plan entry is offered immediately upon completing one hour of service.

Contributions

Participants may contribute up to 50 percent of their pretax annual compensation, as defined by the Plan. Participants may also contribute (rollover) amounts representing distributions from other qualified plans. The School contributes to the Plan a discretionary matching contribution of the participant's salary deferral up to 10 percent of pretax annual compensation. Matching contributions for the Plan totaled \$327,426 as of June 30, 2022.

The Plan allows Roth elective deferrals. Contributions to Roth 401(k) accounts are made on an after-tax basis and contributions to a Roth 401(k) account are included in the participant's gross income. Future distributions of Roth elected contributions and earnings thereon will not be taxed, if certain criteria are met. Roth elective deferrals to the Plan are permanently designated as Roth elective deferrals in participant accounts and gains and losses attributable to such deferrals are accounted for separately.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of the School's contributions and Plan earnings (losses), and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. The portion of the participant's accounts attributable to the School's matching and discretionary contributions and earnings thereon are vested based on years of continuous service. The portion of the participant's accounts attributable to the School's matching and discretionary contributions become 100 percent vested after three years of service or if less than three years, upon reaching retirement, upon total disability or death, or upon termination of the plan.

Participant Notes Receivable

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms range from one to five years. The loans are secured by the balance in the participant's account and bear interest at average rates available on commercial loans, determined by the Trustee, at the time of application. Principal and interest are paid ratably through payroll deductions.

(2) Description of Plan (Continued)

Investment Options

Participants may direct their account balance to selected investments as made available and determined by the Plan Administrators. Participants may change the investment allocation of employee contributions on a daily basis. Participants may elect to discontinue contributions at any time. Participants may change salary deferral rates as of each payroll period.

Payment of Benefits

Benefit payments are made as soon as administratively feasible following the date on which a distribution request is made or is otherwise payable. On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Vested benefits less than \$1,000 are to be distributed as soon as administratively feasible after the participant's termination of employment. Vested benefits greater than \$1,000 but less than \$5,000 are rolled over into individual retirement accounts.

Forfeited Accounts

Non-vested account balances are forfeited upon termination. The Plan uses forfeitures to reduce employer contributions and fees. Forfeitures of \$3,615 were used to reduce employer contributions and fees during the year ended June 30, 2022. The year end forfeiture balance of the Plan was **\$114** and \$1,807 as of June 30, 2022, and 2021, respectively.

Hardship Withdrawals

Should a plan participant experience a hardship, they may elect to withdraw all or part of their vested account from the Plan. All cases of hardship must be presented in writing to and approved by the School's Plan Administrators. The School's Plan Administrators may request additional supporting documentation from plan participants to substantiate any case of hardship. The School's Plan Administrators may, at its discretion, approve all or part of the withdrawal request. Hardship withdrawals are recorded as distributions in the period in which they are paid.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the School. No such officer or employee receives compensation from the Plan. The Plan provides that trustee fees and other administrative expenses are paid by the School. If not paid by the School, these expenses become the responsibility of the Plan. Participant accounts are charged with an allocation of the distribution and loan fees that the participants incur.

(3) Plan Termination

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

STANDING ROCK COMMUNITY GRANT SCHOOL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2022 AND 2021

(4) Investments – Information Certified by the Trustee

The Plan's investments are held by Bravera Wealth (the Trustee), who performs all accounting functions associated with the Plan's investments. The Plan Administrators have obtained certifications from the Trustee that investments, assets, transactions, income and the schedule of assets held for investment purposes are complete and accurate. The fair value of investments at June 30, 2022 and 2021 is determined by the Trustee (Note 7).

In accordance with Section 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrators have received certification from the Trustee as to the accuracy and completeness of certain financial information of the Plan. Information contained in the following has been certified by the Trustee:

Statements of Net Assets Available for Benefits (except for Receivables)
Statement of Changes in Net Assets Available for Benefits (except for Contributions, Participant Notes
Receivable Interest, Benefits Paid to Participants, and Administrative Expenses)
Supplemental Schedule of Assets Held at Year End (except Participant Notes Receivable)

The Plan invests in a money market account, mutual funds, and a common collective trust with underlying assets consisting of any combination of stocks, bonds, fixed income securities, and other investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Market risks include global events which could impact the value of investment securities, such as a pandemic or international conflict. Due to the levels of risk associated with certain investment securities, it is at least reasonably possible that changes in fair values of investment securities will occur in the near term and that such changes could materially affect participants; account balances and the amounts reported in the statements of net assets available and the statements of changes in net assets available for benefits.

(5) Income Tax Status

A determination letter was obtained for the prototype plan document, in which the Internal Revenue Service stated that the Plan document, as then designed, was in compliance with the applicable sections of the Internal Revenue Code. The Plan has been amended since receiving the determination letter; however, the Plan Administrators believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Accordingly, no provision for income taxes have been included in the Plan's financial statements.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that, more likely than not, would not be sustained upon examination by the Department of Labor or IRS. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

(6) Participant Withdrawals

Vested, undistributed account balances of separated Plan participants totaled **\$1,164,568** and \$1,287,775 as of June 30, 2022 and 2021, respectively.

(7) Recurring Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

STANDING ROCK COMMUNITY GRANT SCHOOL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

JUNE 30, 2022 AND 2021

(7) Recurring Fair Value Measurements (Continued)

- Level One: inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level Two: inputs include:
 1. quoted prices for similar assets or liabilities in active markets;
 2. quoted prices for identical or similar assets or liabilities in inactive markets;
 3. inputs other than quoted prices that are observable for the asset or liability;
 4. inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level Three: inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The following tables present the assets carried at fair value in the accompanying Statements of Net Assets Available for Benefits by fair value hierarchy, as described above. All are measured on a recurring basis. No liabilities are measured at fair value on a recurring or nonrecurring basis.

June 30, 2022	Level One	Level Two	Level Three	Total
Mutual Funds	\$ 7,188,582	\$ -	\$ -	\$ 7,188,582
Money Market Funds	44,847	-	-	44,847
Total Assets at Fair Value	7,233,429	-	-	7,233,429
<i>Investments measured at net asset value*</i>	-	-	-	378,325
	\$ 7,233,429	\$ -	\$ -	\$ 7,611,754
June 30, 2021	Level One	Level Two	Level Three	Total
Mutual Funds	\$ 8,202,616	\$ -	\$ -	\$ 8,202,616
Money Market Funds	47,193	-	-	47,193
Total Assets at Fair Value	8,249,809	-	-	8,249,809
<i>Investments measured at net asset value*</i>	-	-	-	355,212
	\$ 8,249,809	\$ -	\$ -	\$ 8,605,021

* In accordance with FASB Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in these tables are intended to permit reconciliation of the fair value hierarchy to the line items presented in the Statement of Net Assets Available for Benefits.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodology used at June 30, 2022 and 2021.

Money Market Fund: Cash and cash equivalents are valued at the exit price of \$1 per share.

STANDING ROCK COMMUNITY GRANT SCHOOL 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS (CONCLUDED)

JUNE 30, 2022 AND 2021

(7) Recurring Fair Value Measurements (Concluded)

Mutual Funds: Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Stable Value/Collective Trust Funds: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that are valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the common/collective trust fund, the issuer reserves the right to require 12 months notification in order to ensure the securities liquidations will be carried out in an orderly business manner.

The following table is summarized investments measured at fair value based on NAV per share as of June 30, 2022 and 2021, respectively:

		Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
June 30, 2022					
Common/Collective Trust	\$	378,325	n/a	Daily	None
				Redemption Frequency (if currently eligible)	Redemption Notice Period
June 30, 2021					
Common/Collective Trust	\$	355,212	n/a	Daily	None

(8) Related Party Transactions

Fees for legal and professional services rendered to the Plan may be paid by the School at its discretion. The Plan allows participants to take out loans against their account balances.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.
