## INDEPENDENT AUDITOR'S REPORT

March 31, 2023

To the Plan Administrator of  
the Arc of Genesee Orleans 401(k) Plan:

### Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of Arc of Genesee Orleans 401(k) Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of February 15, 2022 and December 31, 2021, and the related statements of changes in net assets available for benefits for the period from January 1, 2022 to February 15, 2022 and for the year ended December 31, 2021, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of February 15, 2022 and December 31, 2021 and for the period from January 1, 2022 to February 15, 2022 and the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the accompanying financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

(Continued)

## **INDEPENDENT AUDITOR'S REPORT**

(Continued)

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit Section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

## INDEPENDENT AUDITOR'S REPORT

(Continued)

### Auditor's Responsibilities for the Audit of Financial Statements (Continued)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# ARC OF GENESEE ORLEANS 401(K) PLAN

## NOTES TO FINANCIAL STATEMENTS FEBRUARY 15, 2022 AND DECEMBER 31, 2021

---

### 1. DESCRIPTION OF PLAN

The following brief description of the Arc of Genesee Orleans 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

#### **Plan Transfer**

On October 27, 2021, Plan management adopted a resolution to merge the Plan into The Arc New York Affiliated Employers 401(k) Plan (the Arc NY Plan) with an effective merger date of February 15, 2022 (the merger date). As of the merger date, all contributions to the Plan ceased and no further employees were permitted to enter the Plan. On February 15, 2022, all of the Plan assets totaling \$4,870,378 were transferred to the Arc NY Plan.

#### **General**

On October 1, 2016, Genesee County Chapter, NYSARC, Inc. and NYSARC, Inc., Orleans County Chapter combined into one consolidated chapter, Genesee-Orleans Counties Chapter, NYSARC, Inc. (the Plan Sponsor). The Plan Sponsor created a 401(k) plan effective January 1, 2017. The Plan is a defined contribution plan established to provide retirement benefits to employees of the Plan Sponsor who meet certain eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Newport Trust Company (Newport) is the trustee of the Plan.

#### **Eligibility**

An employee must reach the minimum age of 18 to be eligible to participate in the Plan and receive employer safe harbor contributions, discretionary employer matching contributions and discretionary employer profit sharing contributions.

Participants become eligible for employer matching contributions and employer profit sharing contributions after completion of one year of service with at least 1,000 hours worked. Eligible participants must complete at least 1,000 hours of service during and be employed on the last day of the plan year to be eligible for discretionary profit sharing contributions.

Plan entry is immediately following satisfaction of eligibility requirements on a payroll-period basis.

#### **Contributions**

Participants may make voluntary pre-tax contributions in the form of salary reductions at a maximum contribution of the lesser of 100% of the participant's total compensation for the plan year or the maximum amount permitted by Section 415(d) of the Internal Revenue Code (IRC). Participants, who attain the age of 50 before the end of the Plan year, are eligible to make catch-up contributions, subject to certain limitations of the Plan and the IRC.

The Plan is referred to as a safe harbor 401(k) plan. In order for the Plan to maintain safe harbor status, the Plan Sponsor must make an annual employer safe harbor matching contribution equal to 100% of participant salary deferrals that do not exceed 5% of their eligible compensation, as defined by the Plan document. The Plan Sponsor may also make discretionary profit sharing contributions to the Plan and discretionary employer matching contributions equal to a percentage of participant salary deferrals, to be determined by the Plan Sponsor.

## 1. DESCRIPTION OF PLAN (Continued)

### **Contributions (Continued)**

The Plan Sponsor did not elect to make discretionary employer matching contributions or discretionary profit sharing contributions in 2022 or 2021.

Participants direct the investment of their contributions and Plan Sponsor contributions into various options offered by the Plan.

### **Rollover Contributions**

The Plan will accept direct rollover contributions from a qualified plan, as defined by the Plan document.

### **Participant Accounts**

Each participant's account is credited with the participant's contributions, the Plan Sponsor's contributions, any earnings or losses thereon, and charged with an allocation of administrative expenses paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

### **Vesting**

Participants are immediately fully vested in their voluntary contributions and employer safe harbor matching contributions, plus actual earnings or losses thereon. A participant is 20% vested in the Plan Sponsor's profit sharing and matching contributions plus earnings or losses thereon after two years of service and vests an additional 20% each year thereafter until full vesting is achieved after six years of service.

### **Payment of Benefits**

A participant may withdraw any part of their vested account at any time after attaining age 59 1/2, upon termination of service or due to death, retirement or other reasons. Participants or their designated beneficiaries can elect to have a qualified rollover of their vested balance, or a lump-sum distribution, as defined in the Plan document.

### **Hardship Withdrawals**

Participants may make withdraws from their vested account prior to attaining age 59 1/2 for reasons of hardship. All hardship withdrawals must comply with the rules relating to hardships, which are uniformly applicable to all participants.

### **Notes Receivable from Participants**

Plan participants may borrow from their accounts up to the lesser of \$50,000 or 50% of the participant's vested balance and have a maximum of two outstanding loans. The minimum loan is \$1,000. Notes receivable from participants are secured by their account balances and bear interest at the prime rate plus 2%.

### **Forfeitures**

Forfeitures of non-vested account balances may be used to reduce future Plan Sponsor contributions, pay plan expenses, or otherwise used at the Plan Sponsor's discretion. Forfeitures totaling \$134 were used to pay Plan expenses in 2022. Forfeitures totaling \$11,454 were used to reduce Plan Sponsor contributions in 2021. There were \$134 of forfeited non-vested accounts at December 31, 2021. There were no forfeited non-vested accounts at February 15, 2022.

### **Plan Administration Costs**

The Plan Sponsor pays certain administrative expenses of the Plan and certain costs are passed through to participants.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### **Basis of Accounting**

The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP).

### **Cash**

Cash consists of cash management funds with Newport. The Plan Sponsor has not experienced any losses in such accounts and believes it is not exposed to any significant risks with respect to cash.

### **Investments**

Investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Changes in the current value of investments held during the year, including realized gains and losses on assets bought and sold during the year, are reflected in the statements of changes in net assets available for benefits as net appreciation or depreciation in the fair value of investments. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

### **Risks and Uncertainties**

The Plan invests in various types of investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

The United States is presently in the midst of a pandemic related to a virus, commonly known as Novel Coronavirus (COVID-19). As a result of COVID-19, there has been heightened market risk and volatility associated with the pandemic, and this could materially affect participants' account balances and the amounts reported in the financial statements. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

### **Fair Value Measurement - Definition and Hierarchy**

GAAP establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair market value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under GAAP are described below:

- Level 1 Valuations based on quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access. Valuation adjustments are not applied to Level 1 instruments. Since valuations are based on quoted prices that are readily and regularly available in an active market, valuation of these products does not entail a significant degree of judgment.
- Level 2 Valuations based on quoted prices in markets that are not active or for which all significant inputs are observable, directly or indirectly.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Fair Value Measurement - Definition and Hierarchy (Continued)

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

A description of where the Plan's investments fell within the fair value hierarchy is provided in Note 4.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

### Payment of Benefits

Benefit payments to participants are recorded when paid.

### Estimates

The preparation of financial statements in conformity with GAAP requires the plan administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

## 3. CERTIFIED INVESTMENT INFORMATION

The following information was certified as complete and accurate by the trustee of the Plan and is included in the financial statements as of February 15, 2022 and December 31, 2021 and for the period from January 1, 2022 to February 15, 2022 and the year ended December 31, 2021:

<u>Description</u>	<u>2022</u>	<u>2021</u>
Cash	\$ <u>          -</u>	\$ <u>          402</u>
Investments, at fair value	\$ <u>          -</u>	\$ <u>  4,994,271</u>
Notes receivable from participants	\$ <u>          -</u>	\$ <u>      136,972</u>
Interest and dividend income	\$ <u>          26</u>	\$ <u>      167,423</u>
Interest on notes receivable from participants	\$ <u>      1,215</u>	\$ <u>      10,284</u>
Net appreciation (depreciation) in fair value of investments	\$ <u>  (222,150)</u>	\$ <u>      465,378</u>

#### 4. FAIR VALUE OF FINANCIAL INSTRUMENTS

The following is a description of the valuation methodologies used for assets measured at fair value:

##### **Registered Investment Companies**

Registered investment companies are valued at fair value based on quoted market prices in active markets.

##### **Common Collective Trust**

The Plan's investment in a common collective trust (CCT) is stated at fair value, using a net asset value per share practical expedient, based on the value of the underlying investments. The CCT invests in group annuity contracts and its interest in those contracts is calculated as contributions made, plus interest at a fixed periodic rate set by the issuer, less withdrawals, and less certain allocated expenses.

The primary investment objective of the CCT is to preserve principal while generating earnings at rates competitive over time with short-term high quality fixed income investments and maintain sufficient liquidity to provide participant-directed withdrawals at their proportionate share of contract value as defined in the Declaration of Trust. There are no unfunded commitments related to the Plan's investment in the CCT. Withdrawals from the CCT are normally paid, subject to the receipt of funds from the issuer of group annuity contracts, no later than two business days (60 business days as to a withdrawal in connection with terminating a participating plan's participation in the CCT).

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

There were no changes in the valuation methodologies for the period from January 1, 2022 to February 15, 2022 or the year ended December 31, 2021.

The following sets forth by level, within the fair value hierarchy, the Plan's assets measured at fair value, on a recurring basis, as of December 31, 2021:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Registered investment companies	<u>\$ 4,959,170</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 4,959,170</u>
	<u>\$ 4,959,170</u>	<u>\$ -</u>	<u>\$ -</u>	4,959,170
Investments, at net asset value				<u>35,101</u>
Total investments				<u>\$ 4,994,271</u>

#### 5. TAX STATUS

The Plan is exempt from federal taxes under section 401(k) of the IRC. The Plan is required to operate in conformity with the IRC in order to maintain its tax-exempt status for Plan participants. The Plan adopted a non-standardized form of a volume submitter plan sponsored by Newport. The volume submitter plan received an opinion letter from the IRS as to the plan's qualified status.

**5. TAX STATUS (Continued)**

The volume submitter plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

**6. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500**

Certain items have been classified differently between the financial statements and Form 5500. However, net assets available for benefits and changes in net assets available for benefits shown in the financial statements agreed to Form 5500 in total as of February 15, 2022 and December 31, 2021 and for the period from January 1, 2022 to February 15, 2022 and for the year ended December 31, 2021.

**7. PARTY-IN-INTEREST TRANSACTIONS**

The Plan investments are managed by Newport, therefore, transactions between Newport and the Plan qualify as party-in-interest transactions. In addition, notes receivable from participants are considered party-in-interest transactions.

**8. SUBSEQUENT EVENTS**

Subsequent events have been evaluated through March 31, 2023, which is the date the financial statements were available to be issued.
