## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of  
Children's Bureau 401(k)  
Retirement Investment Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements**

We have performed an audit of the financial statements of Children's Bureau 401(k) Retirement Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of  
Children's Bureau 401(k)  
Retirement Investment Plan

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator of  
Children's Bureau 401(k)  
Retirement Investment Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - 2022 Supplementary Schedules Required by ERISA**

The supplementary Schedule Line 4i Schedule of Assets Held (At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of  
Children's Bureau 401(k)  
Retirement Investment Plan

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter - Auditor's Report on the 2021 Financial Statements**

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2022

### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Children's Bureau 401(k) Retirement Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, including the Summary Plan Description, for a more complete description of the Plan's provisions.

#### **(a) GENERAL**

The Plan is a defined contribution 401(k) profit sharing plan which covers all eligible employees of Children's Bureau of Southern California and its affiliate, Children's Bureau Foundation (collectively, the Organization). Plan operations are overseen by the Organization. Employees who have completed one year of service, have attained age 21, and are employed by the Organization, are eligible to participate in the Plan. Eligible employees may enter the Plan on the first day of the month that coincides with or next follows the date that the employees satisfy the eligibility requirements.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan became effective on October 1, 1995, and was most recently amended on March 24, 2022, to incorporate new definitions and conditions to its contract with Fidelity Workplace Services, LLC, the Trustee of the Plan.

#### **(b) CONTRIBUTIONS**

A participant may elect to contribute up to 100% of eligible compensation, subject to IRS regulation limitations. Participants who have attained the age of 50 by the Plan year-end may also make catch-up contributions, subject to IRS limitations.

For each Plan year, the Organization may make a discretionary matching contribution equal to a uniform percentage of an employee's salary deferrals. For the year ended June 30, 2022, the Organization matched 50% of contributions up to 4% of total compensation. In addition, the Organization may make a discretionary profit sharing contribution to the Plan depending on the employee's length of service. For the year ended June 30, 2022, the Organization contributed profit sharing contributions equal to 3% of the employee's compensation for employees with over one year of service. In addition, employees with over ten years and twenty years of service received an additional 2% and 3%, respectively, of profit sharing contributions for the year ended June 30, 2022.

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2022

### **NOTE 1 - DESCRIPTION OF THE PLAN** (continued)

#### **(c) PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contributions, the Organization's contributions, if any, and an allocation of Plan earnings. The benefit to which a participant is entitled is the participant's vested account balance. Forfeitures of terminated participants' non-vested accounts are first used to pay administrative expenses, and then, to reduce employer contributions for the Plan year. The Organization did not use any forfeitures during the year ended June 30, 2022 to fund employer matching contributions. Available forfeitures at June 30, 2022 amounted to \$115,303.

#### **(d) VESTING**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization's contributions is increased by 25% for each year of continuous service. Participants are 100% vested after four years of credited service. Upon a participant's death or permanent disability while employed by the Organization, or upon retirement, the participant becomes 100% vested.

#### **(e) NOTES RECEIVABLE FROM PARTICIPANTS**

A participant may borrow up to 50% of their vested account balance subject to a minimum amount of \$1,000 and a maximum amount of \$50,000. These notes receivable from participants bear interest at a reasonable rate which is comparable to commercial lending institutions. Notes receivable from participants are secured by the participant's vested interest in the Plan, and must be paid back within five years unless the note is for the purchase of a principal residence. At June 30, 2022, the interest rate on notes receivable from participants ranged from 4.25% to 6.50%. Principal and interest are paid through payroll deductions.

#### **(f) PAYMENT OF BENEFITS**

On termination of service, a participant may elect to receive a single lump-sum payment of their vested balance. Benefits are recorded when paid. As of June 30, 2022, there were no benefit claims for any participant separated from service that have not yet been paid.

#### **(g) ADMINISTRATIVE EXPENSES**

The Organization incurs certain expenses in administering the Plan, which are not passed on as expenses of the Plan.

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2022

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **(a) BASIS OF ACCOUNTING**

The financial statements of the Plan are prepared under the accrual method of accounting.

#### **(b) USE OF ESTIMATES**

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan administrator to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

#### **(c) RISKS AND UNCERTAINTIES**

The Plan utilizes various investment instruments, including money market and mutual funds. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

#### **(d) INVESTMENT VALUATION AND INCOME RECOGNITION**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **(e) NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2022

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

#### **(f) SUBSEQUENT EVENTS**

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of June 30, 2022, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through April 10, 2023, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred.

### **NOTE 3 - INVESTMENTS**

The Plan's funds are maintained by Fidelity Workplace Services, LLC (FWS or the trustee). The funds are credited with contributions and actual earnings on the underlying investments and charged for Plan withdrawals. Information regarding the Plan investments included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

The following was certified as to being complete and accurate by the trustee:

- Investment accounts and notes receivable from participants as shown in the statements of net assets available for benefits as of June 30, 2022 and 2021.
- Investment income, interest income on notes receivable from participants and net appreciation in fair value of investments as shown in the statement of changes in net assets available for benefits for the year ended June 30, 2022.

Upon enrollment in the Plan, a participant may direct contributions to any of the available investment options. Participants may change their investment options at their discretion at any time.

## NOTES TO FINANCIAL STATEMENTS

Year Ended June 30, 2022

### NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan adopted the fair value accounting standards for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at June 30, 2022 and 2021, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

## NOTES TO FINANCIAL STATEMENTS

Year Ended June 30, 2022

### NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

- **Money Market Fund:** Valued at carrying amount which approximates its fair value.
- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### NOTE 5 - TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended and has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by FWS. FWS is a trustee as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

### **NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.

## **INDEPENDENT AUDITOR'S REPORT**

To the Plan Administrator of  
Children's Bureau 401(k)  
Retirement Investment Plan

### **Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements**

We have performed an audit of the financial statements of Children's Bureau 401(k) Retirement Investment Plan (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audits of Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audits need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

### **Opinion on the 2022 Financial Statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

To the Plan Administrator of  
Children's Bureau 401(k)  
Retirement Investment Plan

### **Basis for Opinion on the 2022 Financial Statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

### **Responsibilities of Management for the 2022 Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date that the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

### **Auditor's Responsibilities for the Audit of the 2022 Financial Statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

To the Plan Administrator of  
Children's Bureau 401(k)  
Retirement Investment Plan

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

**Other Matter - 2022 Supplementary Schedules Required by ERISA**

The supplementary Schedule Line 4i Schedule of Assets Held (At End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplementary schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplementary schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

To the Plan Administrator of  
Children's Bureau 401(k)  
Retirement Investment Plan

In forming our opinion on the supplementary schedule, we evaluated whether the supplementary schedule, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the supplementary schedule, other than the information in the supplementary schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplementary schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Other Matter - Auditor's Report on the 2021 Financial Statements**

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 13, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2022

### **NOTE 1 - DESCRIPTION OF THE PLAN**

The following description of the Children's Bureau 401(k) Retirement Investment Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, including the Summary Plan Description, for a more complete description of the Plan's provisions.

#### **(a) GENERAL**

The Plan is a defined contribution 401(k) profit sharing plan which covers all eligible employees of Children's Bureau of Southern California and its affiliate, Children's Bureau Foundation (collectively, the Organization). Plan operations are overseen by the Organization. Employees who have completed one year of service, have attained age 21, and are employed by the Organization, are eligible to participate in the Plan. Eligible employees may enter the Plan on the first day of the month that coincides with or next follows the date that the employees satisfy the eligibility requirements.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan became effective on October 1, 1995, and was most recently amended on March 24, 2022, to incorporate new definitions and conditions to its contract with Fidelity Workplace Services, LLC, the Trustee of the Plan.

#### **(b) CONTRIBUTIONS**

A participant may elect to contribute up to 100% of eligible compensation, subject to IRS regulation limitations. Participants who have attained the age of 50 by the Plan year-end may also make catch-up contributions, subject to IRS limitations.

For each Plan year, the Organization may make a discretionary matching contribution equal to a uniform percentage of an employee's salary deferrals. For the year ended June 30, 2022, the Organization matched 50% of contributions up to 4% of total compensation. In addition, the Organization may make a discretionary profit sharing contribution to the Plan depending on the employee's length of service. For the year ended June 30, 2022, the Organization contributed profit sharing contributions equal to 3% of the employee's compensation for employees with over one year of service. In addition, employees with over ten years and twenty years of service received an additional 2% and 3%, respectively, of profit sharing contributions for the year ended June 30, 2022.

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2022

### **NOTE 1 - DESCRIPTION OF THE PLAN** (continued)

#### **(c) PARTICIPANT ACCOUNTS**

Each participant's account is credited with the participant's contributions, the Organization's contributions, if any, and an allocation of Plan earnings. The benefit to which a participant is entitled is the participant's vested account balance. Forfeitures of terminated participants' non-vested accounts are first used to pay administrative expenses, and then, to reduce employer contributions for the Plan year. The Organization did not use any forfeitures during the year ended June 30, 2022 to fund employer matching contributions. Available forfeitures at June 30, 2022 amounted to \$115,303.

#### **(d) VESTING**

Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Organization's contributions is increased by 25% for each year of continuous service. Participants are 100% vested after four years of credited service. Upon a participant's death or permanent disability while employed by the Organization, or upon retirement, the participant becomes 100% vested.

#### **(e) NOTES RECEIVABLE FROM PARTICIPANTS**

A participant may borrow up to 50% of their vested account balance subject to a minimum amount of \$1,000 and a maximum amount of \$50,000. These notes receivable from participants bear interest at a reasonable rate which is comparable to commercial lending institutions. Notes receivable from participants are secured by the participant's vested interest in the Plan, and must be paid back within five years unless the note is for the purchase of a principal residence. At June 30, 2022, the interest rate on notes receivable from participants ranged from 4.25% to 6.50%. Principal and interest are paid through payroll deductions.

#### **(f) PAYMENT OF BENEFITS**

On termination of service, a participant may elect to receive a single lump-sum payment of their vested balance. Benefits are recorded when paid. As of June 30, 2022, there were no benefit claims for any participant separated from service that have not yet been paid.

#### **(g) ADMINISTRATIVE EXPENSES**

The Organization incurs certain expenses in administering the Plan, which are not passed on as expenses of the Plan.

## **NOTES TO FINANCIAL STATEMENTS**

Year Ended June 30, 2022

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

#### **(a) BASIS OF ACCOUNTING**

The financial statements of the Plan are prepared under the accrual method of accounting.

#### **(b) USE OF ESTIMATES**

The preparation of financial statements in accordance with generally accepted accounting principles requires the Plan administrator to use certain estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, and the reported revenues and expenses during the reporting period. Although the Plan administrator believes its estimates are appropriate, changes in assumptions utilized in preparing such estimates could cause these estimates to change sometime in the future.

#### **(c) RISKS AND UNCERTAINTIES**

The Plan utilizes various investment instruments, including money market and mutual funds. Investment instruments, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment instruments, it is reasonably possible that changes in the values of investment instruments will occur in the near term and such changes could materially affect the amounts reported in the financial statements.

#### **(d) INVESTMENT VALUATION AND INCOME RECOGNITION**

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on an accrual basis. Dividends are recorded on the ex-dividend date. Net depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

#### **(e) NOTES RECEIVABLE FROM PARTICIPANTS**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document.

### **NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES** (continued)

#### **(f) SUBSEQUENT EVENTS**

The Plan has evaluated events and transactions occurring subsequent to the statement of net assets available for benefits date of June 30, 2022, for items that should potentially be recognized or disclosed in these financial statements. The evaluation was conducted through April 10, 2023, the date these financial statements were available to be issued. No such material events or transactions were noted to have occurred.

### **NOTE 3 - INVESTMENTS**

The Plan's funds are maintained by Fidelity Workplace Services, LLC (FWS or the trustee). The funds are credited with contributions and actual earnings on the underlying investments and charged for Plan withdrawals. Information regarding the Plan investments included in the accompanying financial statements was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

Upon enrollment in the Plan, a participant may direct contributions to any of the available investment options. Participants may change their investment options at their discretion at any time.

## NOTES TO FINANCIAL STATEMENTS Year Ended June 30, 2022

### NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan adopted the fair value accounting standards for those assets that are re-measured and reported at fair value at each reporting period. This standard establishes a single authoritative definition of fair value, sets out a framework for measuring fair value based on inputs used, and requires additional disclosures about fair value measurements. This standard applies to fair value measurements already required or permitted by existing standards.

The three levels of the fair value hierarchy under the standard are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The following table presents information about the Plan's assets that are measured at fair value on a recurring basis at June 30, 2022 and 2021, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

## NOTES TO FINANCIAL STATEMENTS

Year Ended June 30, 2022

### NOTE 4 - FAIR VALUE MEASUREMENTS (continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

- **Money Market Fund:** Valued at carrying amount which approximates its fair value.
- **Mutual Funds:** Valued at the closing price reported on the active market on which the funds are traded.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan administrator believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

### NOTE 5 - TAX STATUS

On June 30, 2020, the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended and has not received a determination letter specific to the Plan itself; however, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

### NOTE 6 - EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain investment instruments are managed by FWS. FWS is a trustee as defined by the Plan; therefore, these transactions qualify as exempt party-in-interest transactions. Fees paid by the Plan for investment management services were included as a reduction of the return earned on each fund.

### **NOTE 7 - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

In the event the Plan is terminated, the assets will be allocated to each participant in the proportion each account balance bears to the total of all account balances.
