INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Family Central, Inc. Tax Sheltered Annuity Plan
Fort Lauderdale, Florida

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of the Family Central, Inc. Tax Sheltered Annuity Plan, (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statement of changes in net assets available for benefits for the year ended June 30, 2022, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022 and 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section

- the amounts and disclosures in the accompanying financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- the information in the accompanying financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Supplemental Schedules Required by ERISA

The supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 4, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

General

The Family Central, Inc. Tax Sheltered Annuity Plan (the "Plan") was established on July 1, 1986, to allow eligible employees of Family Central, Inc. (the "Sponsor") to defer a portion of their compensation to supplement retirement income. The Plan is subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

The following description of the Plan provides only general information. Participants should refer to the Summary Plan Description, which is available from the Plan Administrator, for a more complete description of the Plan's provisions.

Plan Amendments

The Plan was amended, effective January 1, 2018, to incorporate an increase from 2% to 3% in automatic deferrals.

Plan Administration

Under the terms of the Plan, the Sponsor acts as the Plan Administrator. The Sponsor contracted with The Variable Annuity Life Insurance Company ("VALIC") and Lincoln Financial Group Trust Company, LLC ("Lincoln") to serve as the Custodians of the Plan. Lincoln also serves as the third party administrator ("TPA").

Eligibility

All employees of the Plan Sponsor, who are of the age of 18, are eligible to make salary deferrals into the Plan on the first day of the employment. Participants are automatically enrolled after 30 days at a deferral rate of 3%, unless they affirmatively elect not to participate.

An employee is eligible for the employer contributions upon attainment of the age of 18, and completion of twelve (12) consecutive months of service and credited with at least 1,000 hours of service.

All employees of the Plan Sponsor are eligible for employer contributions except for the Executive Director of the Plan Sponsor.

Contributions

Each year a participant may defer up to 100% of pre-tax compensation through periodic payroll deductions up to contribution limits specified by the Internal Revenue Code, ("IRC"). The maximum pre-tax contribution for the year ended June 30, 2022 was \$20,500. In addition, participants over 50 years of age are permitted to make additional catch-up contributions of \$6,500.

The Sponsor also makes a discretionary matching contribution to the Plan of 50% of a participant's contribution into the Plan up to a maximum of 6% of the participant's compensation, not to exceed statutory limitations set by the Code.

At the end of each Plan year, the Sponsor also may make an additional discretionary contribution. A participant's share of the additional discretionary contribution would be in proportion to his or her annual pay divided by the total annual pay of all participants that are eligible to receive such contribution. There was no additional discretionary contribution in fiscal 2022 or 2021.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Rollovers

The Plan accepts eligible rollover distributions from qualified Plans.

Participant Accounts

The Plan maintains separate accounts for each participant. Participant accounts are credited with the participant and employer contributions and are reduced for loans, withdrawals, and benefit distributions. Participant accounts are further credited or charged with their pro rata share of the earnings or losses of the total investments in each investment fund.

Vesting

Participant contributions, plus actual earnings, are fully vested and non-forfeitable at all times. A participant's vested percentage in the portion of their account attributable to employer discretionary and matching contributions shall be determined under the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	66%
5 or more	100%

Forfeited Accounts

Forfeited balances are used to reduce future employer contributions or pay Plan expenses. Accumulated forfeitures held in the Plan totaled \$8,224 and \$19,673 at June 30, 2022 and 2021, respectively.

Investment Options

Participants may direct contributions in 1% increments to any of the investment options offered by the Plan. The investment options currently offered in the Plan are investment contracts that include numerous mutual funds with a range of investment objectives as well as separate mutual funds offered by the Plan and guaranteed investment contracts ("GIC"). The fund values are computed daily by the Custodians and reflect changes in the unit values of the investments. Investment options are listed in the supplemental schedule of assets (held at end of year).

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 reduced by the excess (if any) of; (1) the highest aggregate outstanding balance of any other loan from the Plan during the one-year period prior to the date of the new loan; (2) the aggregate outstanding balance of any other loans from the Plan on the date of the new loan, or; (3) 50% of their vested account balance. Loan terms range from one (1) to five (5) years or up to ten (10) years if funds are used for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at a rate of prime plus 1% which will be fixed for the duration of the loan. The Plan allows a maximum of one (1) loan outstanding per participant. The loans are repaid through payroll deductions.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN (Continued)

Payment of Benefits

Participants may elect to receive lump sum, installment distributions or annuity distributions. Participants are eligible for distribution upon termination, retirement, disability, death or attainment of the age of 59. Early retirement is disallowed by the Plan and hardship distributions are allowed by the Plan.

Payment of benefits can be delayed until April 1 following the end of the year in which the participant will reach 70 ½ years of age.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements have been prepared using the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("GAAP").

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value, except for fully benefit-responsive investment contracts, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's board of directors determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Benefit Payments

Benefits are recorded when paid.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the Plan document. Related fees are charged directly to the borrowing participants account statement and are included in administration fees when incurred. As of June 30, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the Plan Administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Administrative Expenses

Certain administrative functions are performed by employees of the Sponsor. No such employees receive compensation from the Plan. Certain administrative expenses, such as professional fees, are paid directly by the Sponsor. Plan expenses are recorded when incurred.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Subsequent Event

The Plan has evaluated subsequent events through February 3, 2023, which is the date the accompanying financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements and ERISA-required supplemental schedule, including investments and notes receivable from participants held at June 30, 2022 and 2021, and net appreciation in fair value of investments and interest income on notes receivable from participants for the year ended June 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Lincoln Financial and VALIC, the trustee of the Plan.

NOTE 4 – INVESTMENT CONTRACTS WITH INSURANCE COMPANIES

The Plan offers a FBRIC option, a ("GIC") with Lincoln and VALIC, which maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. The GIC issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract interest rate is a function of the relationship between the security-backed contract value and the market values of the underlying assets. Interest rates are generally reset monthly or quarterly by the third party issuer of the contract. The minimum guaranteed interest varies by participant and depends on the date the participant established their account.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan Sponsor or other Plan sponsored events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan Administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Returns are based upon the underlying mutual funds in which the assets are invested. Gains or losses are determined by the fluctuation in the market value incurred by each of the variable return contract funds holding investments. All gains and/or losses reported to the Plan by Lincoln and VALIC are unrealized. A determination of realized gain or loss can only be made at the moment all of the funds are liquidated.

The contract does not own shares, rather, it owns units. Lincoln and VALIC are the owners of the shares and are listed on their respective mutual fund accounts. The account is credited with earnings on the underlying investment and charged for Plan withdrawals and administrative expenses.

The GIC does not permit the insurance company to terminate the agreement prior to the scheduled maturity dates.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FAIR VALUE MEASUREMENTS

GAAP provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

- Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.
- Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted market prices in markets that are not active; or model-derived valuations or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.
- Level 3: Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The asset fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value; there has been no changes in the methodologies used at June 30, 2022 and 2021:

Mutual Funds: Valued at the quoted net asset value ("NAV") of shares held by the Plan at year end.

The preceding methods describe may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 5 – FAIR VALUE MEASUREMENTS (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value:

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
June 30, 2022	Fair Value			
Mutual Funds	\$ 5,647,726	\$ 5,647,726	\$ -	\$ -
	<u>\$ 5,647,726</u>	<u>\$ 5,647,726</u>	<u>\$ -</u>	<u>\$ -</u>

		Fair Value Measurements Using:		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
June 30, 2021	Fair Value			
Mutual Funds	\$ 6,879,943	\$ 6,879,943	\$ -	\$ -
	<u>\$ 6,879,943</u>	<u>\$ 6,879,943</u>	<u>\$ -</u>	<u>\$ -</u>

NOTE 6 – PLAN TERMINATION

Although it has not expressed any intent to do so, the Sponsor reserves the right to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of a Plan termination, participants would remain 100% vested in their employer contributions.

NOTE 7 – TAX STATUS

The Plan was established under Section 403(b) of the IRC as amended. A 403(b) Plan, by definition, is a tax-sheltered annuity Plan, for certain tax exempt organizations formed under IRC 501(c)(3). The Plan currently maintains a Plan document designed to satisfy the requirements of final regulations of IRC 403(b). There is no current program within the IRS whereby a Sponsor can obtain assurance that the written form of its Plan satisfies IRC 403(b). The Plan Administrator intends to apply for a determination letter on the Plan once the IRS opens such a program. The Plan is required to operate in conformity with the Code to maintain its tax-exempt status under the Code. The Plan's management believes that the Plan is being operated in compliance with the Code, and as such, no provision for income taxes has been included in the accompanying financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes the Plan is no longer subject to income tax examinations for years prior to 2017. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022 and 2021, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements.

FAMILY CENTRAL, INC. TAX SHELTERED ANNUITY PLAN
NOTES TO FINANCIAL STATEMENTS

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Lincoln and VALIC are the Plan Custodians and each qualify as a party-in-interest. All investments and investment activity, as presented in the accompanying financial statements and supplemental schedules, are considered transactions with a party-in-interest according to Department of Labor (“DOL”) guidelines. Fees paid by the Plan for administrative services amounted to \$58,300 for the year ended June 30, 2022.

Certain employees of the Plan had outstanding loans (notes receivable from participants) with the Plan as of June 30, 2022 and 2021. These loans are considered party-in-interest transactions according to the DOL guidelines. Total notes receivable from participants as of June 30, 2022 and 2021 were \$226,706 and \$218,698, respectively.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 9 – RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for plan benefits and the statement of changes in net assets available for plan benefits.

Contributions receivable from participants' in current year	(6,101)
Contributions receivable from participants' in prior year	<u>5,056</u>
Participants' contributions per Schedule H of Form 5500	<u><u>\$ 214,862</u></u>

NOTE 11- NON-EXEMPT TRANSACTIONS

During the year ended June 30, 2022, the Plan had \$ 23,665 of contributions that were not remitted within the required time as prescribed by the IRS. Subsequent to year-end, the Plan administrator paid lost earnings and interest to the plan.

NOTE 12 – COVID-19 PANDEMIC AND GEOPOLITICAL RISKS

The novel coronavirus continues to spread throughout the world and has adversely impacted global commercial activity and contributed to significant volatility in financial markets. In addition, certain geopolitical risks abroad have resulted in significant market declines. The pandemic and geopolitical risks could have a continued material adverse impact on economic and market conditions and may trigger a period of global economic slowdown. The rapid development and fluidity of this situation precludes any prediction as to the ultimate material adverse impact of these risks. Nevertheless, the coronavirus outbreak and geopolitical risks abroad present uncertainty as to the volatility of the investments in the Plan.
