INDEPENDENT AUDITOR'S REPORT

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements
We have performed an audit of the financial statements of **WW Tank 401(k) Profit Sharing Plan** (the Plan), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefit for the year then ended, and the related notes to the financial statements (2021 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements
In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2021 financial statements related to assets held by and certified to by Massachusetts Mutual Life Insurance Company (Mass Mutual) and American United Life Insurance Company (One America) agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements
We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2021 Financial Statements
Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor’s Responsibilities for the Audit of the 2021 Financial Statements
Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA
The supplemental schedule of Schedule H, Part IV 4(i) – Schedule of Assets (Held at End of Year) is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by MassMutual and One America agrees to, or is derived from, in all material respects, the information prepared and certified by the institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by Mass Mutual. In our report dated October 15, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the WW Tank 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan Document and Summary Plan Description or the Plan Agreement for a more complete description of the Plan's provisions. The Summary Plan Description is made available to all participants in the Plan and a copy of the Plan Agreement is available from the Plan Administrator. The plan was previously known as W&W Fiberglass Tank Company 401(k) Profit Sharing Plan.

General

The Plan is a defined contribution retirement plan which provides for the participation of the employees of W&W Fiberglass Tank Company and related participating employers (the Company), who have completed one year of service and attained the age of 18. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended, and is intended to qualify under Section 401(k) of the Internal Revenue Code (IRC). Under the Plan, each participant has an account for his/her salary deferral contributions, any rollover contributions and for Company contributions.

Plan Amendment

Effective May 15, 2021 the Plan was amended and restated to change the trustee/custodian from Massachusetts Mutual Life Insurance Company (MassMutual) to American United Life Insurance Company (One America). The plan assets were held with MassMutual until the transfer was completed on May 15, 2021. Additionally, the Plan was amended and restated to change eligibility requirements to 3 months of service prior to enrollment instead of one year of completed service. The Plan's investment custodians, is responsible for executing all investment transactions.

Contributions

There are two types of salary deferrals: Pre- tax 401(k) deferrals and Roth 401(k) deferrals. Each year, a participant may elect to defer a portion of pretax compensation up to 100%, subject to certain maximum limitations imposed by the IRC. Employees who are eligible to make elective deferrals under the Plan and who have attained the age of fifty (50) before the close of the Plan year are also eligible to make catch-up contributions, subject to the maximum limitation imposed by the IRC. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employer may make a discretionary matching contribution equal to percentage of participant deferral's, however no employer and profit sharing contributions made for the year 2021.

Participant Accounts and Vesting

Each participant's account is credited with the participant's contributions, allocations of (a) Company contributions and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on compensation or account balances, as defined. Restorative contributions are allocated based on account balances, rather than compensation. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants are immediately vested in their salary deferral contributions plus actual earnings thereon. Participants vest in the employer matching and any discretionary contributions plus actual earnings thereon gradually between their 2nd year of service (20%) and their 6th year of service (100%). Participants' accounts become fully vested upon attainment of the normal retirement age of 65 or in the event of death or total disability.

NOTE 1 - DESCRIPTION OF THE PLAN (continued)

Investment Allocations
Upon enrollment in the Plan, a participant may direct his/her contributions in any of the investment options currently available as determined and selected by the Plan's management. Participants may change their investment allocations daily, via phone or internet access to the Plan's investment custodian, Mass Mutual.

Payment of Benefits
Upon termination of service due to death, disability or retirement, a participant will receive a lump-sum or installment distributions. Distributions may be deferred until the participant reaches the age of 70 ½. However, the Plan Agreement stipulates that distributions must commence no later than April 1 of the year following the year in which the participant reaches the age of 70 ½, with the exception of deferment until retirement.

Beginning May 15, 2021, under certain hardship situations as described in the Plan Agreement, participants may withdraw from their account balances while actively employed, but such withdrawals are limited to hardship conditions specified in the plan document. Participant withdrawals are limited to the pre-tax deferral accounts (including Roth contributions) plus earnings.

Forfeited Accounts
On December 31, 2021 and 2020, forfeited non-vested accounts totaled $150,419 and $28,513. Forfeitures are used to supplement Company contributions. No forfeitures were utilized during 2021.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The Plan's financial statements are prepared under the accrual basis of accounting in accordance with generally accepted accounting principles.

Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets, liabilities, and changes therein, and disclosures of contingent assets and liabilities at the date of the financial statements. Estimates and assumptions are also required by the Plan Administrator for the reported amounts of revenue, expenses, gains, losses and all other changes in net assets during the reporting period. Actual results could differ from those estimates.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income Recognition
Plan investments are reported at estimated fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In accordance with stating investments at fair value, net unrealized appreciation or depreciation is reflected for the year on the Statement of Changes in Net Assets Available for Benefits. See Note 5 for disclosure of fair value measurements.

Purchases and sales of securities are reported on a trade-date basis. Interest income is recorded on the accrual basis. Investment dividends and interest are reinvested in the corresponding accounts. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payments of Benefits
Benefit payments to participants are recorded when paid.

Administrative Expenses
Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events
Subsequent events were evaluated through February 3, 2023, the date the financial statements were available to be issued.

NOTE 3 - INFORMATION CERTIFIED BY INVESTMENT CUSTODIANS

The following is a summary of the Plan's asset information as of December 31, 2021 and 2020, and for the year ended December 31, 2021, included throughout the Plan's financial statements and ERISA-required supplemental schedule(s), obtained by management and agreed to or derived from information certified by the custodians of the Plan: Massachusetts Mutual Life Insurance Company (MassMutual) as of December 31, 2020 and for the period from January 1, 2021 to May 27, 2021 and American United Life Insurance Company (One America) as of December 31, 2021 and for the period from May 27, 2021 to December 31, 2021. The Plan Administrator has obtained certifications from the custodians that the information provided to the Plan Administrator by the custodians related to the following assets is complete and accurate. Accordingly, as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to information which appears throughout the financial statements and ERISA-required supplemental schedule(s) related to the following assets:

NOTE 3 - INFORMATION CERTIFIED BY INVESTMENT CUSTODIANS

	2021	2020
Investments, at fair value:		
Mutual funds	$ 2,617,012	$ 3,292,593
Stable value account, at contract value	$ 150,419	$ -

MassMutual and One America also certified to the completeness and accuracy of $394,176 of net appreciation in fair value of investments related to the aforementioned assets for the year ended December 31, 2021.

NOTE 4 - TAX STATUS

The Plan has not received a determination letter on their adoption of the Volume Submitter (VS) plan. In accordance with Revenue Procedure 2003-6, the Plan administrator has chosen to rely on the advisory letter, dated August 19, 2020 that has been issued to the VS plan. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The Plan Administrator believes the Plan is being operated in compliance with applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. With few exceptions, the Plan is no longer subject to income tax examinations for years before 2018.

NOTE 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under ASC 820 are described below:

NOTE 5 - FAIR VALUE MEASUREMENTS (continued)

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used on December 31, 2021 and 2020.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with The Securities and Exchange Commission (SEC). These funds are required to publish their daily Net Asset Value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

In determining the appropriate levels, the Plan performs a detailed analysis of the assets that are subject to fair value measurement. The following table summarizes the financial assets and liabilities measured at fair value on a recurring basis on December 31:

December 31, 2021	**Fair Value Measurements**			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 2,617,012	$ -	$ -	$ 2,617,012
Total Investments at Fair Value	$ 2,617,012	$ -	$ -	$ 2,617,012

NOTE 5 - FAIR VALUE MEASUREMENTS (continued)

December 31, 2020	Fair Value Measurements			
	Level 1	Level 2	Level 3	Total
Mutual Funds	$ 3,292,593	$ -	$ -	$ 3,292,593
Total Investments at Fair Value	$ 3,292,593	$ -	$ -	$ 3,292,593

Changes in Fair Value and Related Gains and Losses
During 2021, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated by $394,176.

NOTE 6 - STABLE VALUE ACCOUNT WITH AMERICAN UNITED LIFE INSURANCE COMPANY

The Plan maintains a traditional fully benefit-responsive guaranteed investment contract with American United Life Insurance Company (AUL) with an outstanding balance of $150,419 and $0 as of December 31, 2021 and 2020, respectively. AUL maintains the contributions in a general account. The account earns interest at the higher of the rate guaranteed under the contract or the current rates established and declared in advance by AUL. Interest ratees for new contributions are declared prior to the beginning of a calendar quarter and are applicable to all contributions received in that quarter until the end of the calendar year next following the current year.

This contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value, as reported to the Plan by AUL, represents contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan’s ability to receive amounts due is dependent on the issuer’s ability to meet its financial obligations. The issuer’s ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events might limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another plan), (2) changes to the Plan’s prohibition on competing investment options, (3) bankruptcy of the Plan sponsor or other Plan sponsor events that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such event, which would limit the Plan’s ability to transact at contract value with participants, is probable.

The Stable Value Account has no maturity date and continues until all assets have been distributed, or no further payments are due.

NOTE 7 – PARTY-IN-INTEREST TRANSACTIONS

At December 31, 2021, the Plan held investments with a current value of $150,419, which are managed by America United Life Insurance. Thus, transactions, within these accounts, and the $4,025 and $11,202, of administrative expenses paid to Mass Mutual and America United Life Insurance Company, respectively, qualify as party-in-interest transactions as defined by ERISA.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

In December 2019, a novel strain of coronavirus (COVID-19) was reported in China. In January 2020, the World Health Organization declared COVID-19 to constitute a "Public Health Emergency of International Concern", which continues on as of the date of this report. The extent of the impact of COVID-19 on the Plan's operational and financial performance will depend on future developments, including the duration and spread of the outbreak and related travel advisories and restrictions and the impact of COVID-19 on overall demand for services and products, all of which are highly uncertain and cannot be predicted.
