INDEPENDENT AUDITOR'S REPORT

Plan Administrator and Plan Participants
Bronx Charter School for Excellence 403(b) Deferred Compensation Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the financial statements of Bronx Charter School for Excellence 403(b) Deferred Compensation Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements (2022 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022 stating that the certified investment information, as described in Note D to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Bronx Charter School for Excellence 403(b) Deferred Compensation Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Bronx Charter School for Excellence 403(b) Deferred Compensation Plan's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Bronx Charter School for Excellence 403(b) Deferred Compensation Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Bronx Charter School for Excellence 403(b) Deferred Compensation Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of the Schedule of Assets Held for Investment Purposes at End of Year – June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Bronx Charter School for Excellence 403(b) Deferred Compensation Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 11, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

403(B) DEFERRED COMPENSATION PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022 AND 2021

NOTE A: DESCRIPTION OF THE PLAN

The following description of the Bronx Charter School for Excellence 403(b) Deferred Compensation Plan (the “Plan”) provides only general information. Participants should refer to the Plan document, including amendments, for a more complete description of the Plan’s provisions.

General

Bronx Charter School for Excellence (“the “Organization”) originally adopted the Plan on July 1, 2004 and subsequently amended and restated the Plan effective July 1, 2008 and July 1, 2016. The Plan is a defined contribution plan with a 403(b) salary reduction agreement covering all eligible employees of Bronx Charter School for Excellence and Excellence Community Schools, Inc. (together the “Organizations”). Effective July 1, 2020, the Plan was amended and restated to include the eligible employees of Stamford Charter School for Excellence. The balances of all Stamford Charter School for Excellence employees were transferred into this Plan in the 2021 plan year. Employees are eligible to enter the Plan upon the date of hire and are eligible for employer matching contributions the first day of the month following their hire date. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). The Board of Trustees of the Organization controls and manages the operation and administration of the Plan.

Contributions

Each year, eligible employees may contribute up to 100% of their eligible compensation, as defined in the Plan, subject to Internal Revenue Code (“IRC”) limitations. Effective June 17, 2019, the Organizations implemented an automatic enrollment provision. Once eligibility is met, employees will become automatically enrolled in the Plan at an initial deferral percentage of 2% of eligible compensation. Employees have the option to change the deferral percentage at any time or opt out entirely.

The Organizations may make discretionary matching contributions up to 5% of each participant’s annual compensation not to exceed the participant’s salary deferral amount.

Participant accounts

Each participant’s account is credited with the participant’s contribution and the Organizations’ matching contribution and an allocation of Plan earnings. Allocation of earnings are based upon participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Investment options

Participants may direct the investment of their accounts among the investment options offered by the Plan.

NOTE A: DESCRIPTION OF THE PLAN, Cont'd

Vesting

Participants are immediately vested in their employee contributions plus actual earnings thereon. Participants become vested in employer matching contributions plus actual earnings thereon based on years of service, as shown below:

<u>Years of Service</u>	<u>Percent Vested</u>
Less than 1	0%
1 but less than 2	0%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more	100%

Payment of benefits

Distributions may be made from account balances, with participant consent, under the following conditions: separation from service or upon participant's attainment of age 59½ as provided for in the Plan and in government regulations. Vested account balances that are less than \$5,000 upon separation of service with be paid in one lump-sum or directly rolled over to an IRA if no distribution election is made in accordance with the provisions of the Plan. The Plan allows participants to receive benefits in case of hardship as provided in the Plan and in government regulations.

Forfeitures

Forfeitures of non-vested employer contributions may be used to reduce future employer contributions and Plan administrative expenses. During the year ended June 30, 2022, approximately \$87,000 of forfeitures were used to reduce future employer contributions and Plan administrative expenses. At June 30, 2022, approximately \$54,000 of forfeitures were available to reduce future employer contributions and Plan administrative expenses.

Participant notes receivable

Participant notes receivable are measured and valued at their unpaid principal balance plus any accrued but unpaid interest. The Plan allows participants to borrow from their vested account balance. The minimum amount of each loan is \$1,000. The maximum amount of borrowings permitted cannot exceed the lesser of (1) \$50,000, reduced by the highest outstanding loan balance, if any, the participant had at any one time during the previous twelve-month period ending on the day before the loan is made; or (2) 50% of a participant's vested account balance minus any existing loan balance. The notes must generally be repaid through payroll withholding in equal installments consisting of principal and interest, at a reasonable interest rate, over a period not to exceed five years unless for the purchase of a primary residence. Principal and interest payments on the notes are redeposited into the participant's account based on their current investment allocation election.

Defaulted loans are deemed distributed and recorded as benefits paid to participants in the statement of changes in net assets available for benefits.

JUNE 30, 2022 AND 2021

NOTE B: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements of the Plan are prepared on the accrual method of accounting.

Investment valuation and income recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note C for discussion of fair value measurements.

Purchases and sales are made and recorded as needed, when a contribution is made to the Plan, when distribution is made from the Plan or when a participant changes his or her investment election.

Historical cost is used to determine the net (depreciation) appreciation of investments, as reported by the Plan's custodian. Interest and dividend income is recorded as earned.

Use of estimates in the preparation of financial statements

The preparation of the Plan's financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

Administrative expenses

The Plan's expenses are paid either by the Plan, where applicable, paid pro rata from each participant's account, or the Organizations, as provided by the Plan document. Expenses that are paid directly by the Organizations are excluded from these financial statements. Certain expenses incurred in connection with the general administration of the Plan that are paid by the Plan are recorded as deduction in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in net appreciation or depreciation of fair value of investments presented in the accompanying statement of changes in net assets available for benefits. These expenses are party-in-interest transactions.

Payment of benefits

Benefits are recorded when paid.

Subsequent events

The Plan has conducted an evaluation of potential subsequent events occurring after the statement of net assets available for benefits date through April 10, 2023, which is the date the financial statements are available to be issued. No subsequent events requiring disclosure were noted.

JUNE 30, 2022 AND 2021

NOTE C: FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America ("GAAP") establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 - Valuation is based upon quoted prices for identical instruments traded in active markets.

Level 2 - Valuation is based upon:

- Quoted prices for similar instruments in active markets;
- Quoted prices for identical or similar instruments in inactive markets;
- Inputs other than quoted prices that are observable for the instruments;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are actively traded open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to report their daily net asset value and to transact at that price.

Retirement annuity contracts: Valued on the basis of the amount invested plus interest credited less funds withdrawn. The principal amount invested along with contractually specified interest rate (generally 1%) is guaranteed. The retirement annuity contracts offer the opportunity for additional interest amounts to be earned in excess of the contractually specified interest rate.

NOTES TO FINANCIAL STATEMENTS, Cont'd

JUNE 30, 2022 AND 2021

NOTE C: FAIR VALUE MEASUREMENTS, Cont'd

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

	Assets at Fair Value			
	Level 1	Level 2	Level 3	Total
<u>June 30, 2022</u>				
Mutual funds	\$ 3,935,407	\$ -	\$ -	\$ 3,935,407
Retirement annuity contracts	-	-	1,827,560	1,827,560
	<u>\$ 3,935,407</u>	<u>\$ -</u>	<u>\$ 1,827,560</u>	<u>\$ 5,762,967</u>
<u>June 30, 2021</u>				
Mutual funds	\$ 3,944,014	\$ -	\$ -	\$ 3,944,014
Retirement annuity contracts	-	-	1,395,354	1,395,354
	<u>\$ 3,944,014</u>	<u>\$ -</u>	<u>\$ 1,395,354</u>	<u>\$ 5,339,368</u>

The following is a reconciliation of the beginning and ending balances for assets measured at fair value on a recurring basis using significant unobservable inputs (Level 3) during the year ended June 30, 2022:

	Retirement Annuity Contracts
Balance at July 1, 2021	\$ 1,395,354
Contributions	754,505
Investment earnings, net of fees	231
Distributions	(239,910)

NOTE D: CERTIFIED INVESTMENTS (UNAUDITED)

Certain information related to investments disclosed in the accompanying financial statements and ERISA-required supplemental schedule, as detailed below, was obtained by management and agreed to or derived from information certified as complete and accurate by Reliance Trust Company, custodian of the Plan.

	June 30,	
	2022	2021
Investments, at fair value	\$ 5,762,967	\$ 5,339,368
Notes receivable - participant loans	158,252	203,565
Interest and dividends	140,297	
Interest income from participant notes receivable	8,246	
Net depreciation in fair value of investments	(830,715)	

All information included in the attached supplemental Schedule of Assets Held for Investment Purposes at End of Year - June 30, 2022 were included in the above certifications at and for the year ended June 30, 2022.

NOTE E: PLAN TERMINATION

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts and their accounts will be paid to them as provided by the Plan document.

NOTE F: TAX STATUS

The Plan is a Volume Submitter Plan and Trust established under the DATAIR Section 403(b) Volume Submitter Plan. The Plan was designed in accordance with the applicable requirements of the Internal Revenue Code (IRC). DATAIR received an Advisory Letter for the Internal Revenue Service, dated March 31, 2017, indicating the Plan is exempt. Accordingly, the accompanying financial statements do not reflect a provision for income taxes for the Plan.

Accounting principles generally accepted in the United States of America, and the accrual basis of accounting, which the Plan reports under, require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or reduce an asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or reduction in an asset) or disclosure in the financial statements. The Plan is subject to routine audits by tax jurisdictions; however. There are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to June 30, 2019.

JUNE 30, 2022 AND 2021

NOTE G: TRANSACTIONS WITH PARTY-IN-INTEREST

In the Plan years ended 2022 and 2021, certain plan investments are managed by Reliance Trust Company, the custodian, and MassMutual/ Empower, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions, which are exempt from prohibited transaction rules.

As described in Note B, the Plan paid certain expenses related to plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

NOTE H: RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.
