INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Plan Participants
Iron Workers Local No. 55 Profit Sharing
Annuity Plan
P.O. Box 1330
Holland, OH 43528-1330

Opinion

We have audited the accompanying financial statements of Iron Workers Local Union No. 55 Profit Sharing Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Iron Workers Local Union No. 55 Profit Sharing Annuity Plan as of June 30, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Iron Workers Local Union No. 55 Profit Sharing Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers Local Union No. 55 Profit Sharing Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Iron Workers Local Union No. 55 Profit Sharing Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers Local Union No. 55 Profit Sharing Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

INDEPENDENT AUDITORS' REPORT

To the Board of Trustees and Plan Participants
Iron Workers Local No. 55 Profit Sharing
Annuity Plan
P.O. Box 1330
Holland, OH 43528-1330

Opinion

We have audited the accompanying financial statements of Iron Workers Local Union No. 55 Profit Sharing Annuity Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Iron Workers Local Union No. 55 Profit Sharing Annuity Plan as of June 30, 2022 and 2021, and the changes in its net assets available for benefits for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Iron Workers Local Union No. 55 Profit Sharing Annuity Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers Local Union No. 55 Profit Sharing Annuity Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Iron Workers Local Union No. 55 Profit Sharing Annuity Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Iron Workers Local Union No. 55 Profit Sharing Annuity Plan's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards generally accepted in the United States of America.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion, the information in the accompanying schedule is fairly stated, in all material respects, in relation to the financial statements as a whole, and the form and content is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

1. DESCRIPTION OF THE PLAN:

The following description of the Iron Workers Local No. 55 Profit Sharing Annuity Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a multi-employer defined contribution retirement plan which provides benefits for eligible participants who are members of Iron Workers Local No. 55 of the International Association of Bridge, Structural and Ornamental Iron Workers (Union). The contributing employers are primarily located in Northwest Ohio. Therefore, the plan is affected by the economic conditions of the region. Employees of participating employers may enter the Plan after meeting the eligibility criteria. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Contributions are made by employers pursuant to terms and conditions of collective bargaining agreements with the Union, based upon negotiated rates per hour paid. Participants may also make elective deferrals in addition to the base contribution rate set forth in the collective bargaining agreement, up to the maximum percentage allowable not to exceed the limits of the applicable section of the Internal Revenue Code.

Vested participants may make rollover contributions to their accounts.

Participant accounts

Individual account balances are maintained for each participant and are participant directed. The account value includes the employer contributions earned by the participant and received by the Plan plus the participant's elective deferrals plus or minus the earnings and gains and losses from the individually selected investments of the Plan, net of expenses.

Vesting

Participants are 100% vested in the portion of the participant account that is attributed to employer contributions upon completion of at least 350 hours of service per year for two plan years with a contributing employer. Participants are immediately 100% vested in the portion of the participant account attributed to the participant's elective deferrals upon making the deferral to the Plan. The plan year is defined as a fiscal year beginning July 1 and ending June 30. There were no forfeitures available to offset administrative expenses at June 30, 2022 and 2021.

Investment options

Once participants become vested they have the option to direct their investments based on the investment options established by the fund.

Benefits

Upon termination of services due to death, disability, retirement or termination of employment where benefits are vested, the participant may elect to receive one of the standard forms of payment: a joint and survivor annuity, an annuity contract or a lump sum distribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

The following significant accounting policies of the Plan are set forth to facilitate the understanding of data presented in the financial statements.

Basis of accounting

The accompanying financial statements are presented on the accrual basis of accounting.

Notes receivables from participants

Participants may borrow from the Plan with certain limits established under the Plan. The notes bear interest at rates fixed by the Board of Trustees, but in no event will the interest rate be less than the prime rate.

Notes are to be repaid within five years except for loans used to acquire a principal residence of the participant which may be repaid over up to a ten-year term. A participant's loan will be in default if the required payment is not made within 90 days of the date that it is normally due. This 90-day grace period is called the "Cure Period." If the participant fails to make-up the missed payment, plus all other outstanding payments, by the end of the Cure Period, then the outstanding balance will be considered a deemed distribution.

Investments

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for fair value information.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains (losses) on investments bought and sold as well as held during the year.

Reciprocity contributions

Participants of the Plan and participants of the benefit plans of other affiliated local unions may have temporary employment assignments outside the jurisdiction of their local union. Therefore, the Plan has entered into reciprocity agreements with other affiliated locals to ensure that employers contributions are forwarded to the benefit plans of the participants local union. Reciprocal contributions received and reciprocal contributions paid have been recorded on the statements of changes in net assets available for benefits.

Contributions

Contributions are accrued based upon employers' reporting of hours paid to participants. Contributions are net of reciprocity to other plans. Reciprocity contributions received were \$518,864 and \$610,837 for the years ended June 30, 2022 and 2021, respectively. Reciprocity contributions paid to other plans were \$213,218 and \$61,287 for the years ended June 30, 2022 and 2021, respectively.

Benefits

Benefit payments to participants are recorded upon distribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Employer and participant contributions receivable

Employer and participant contributions receivable represents amounts due from employers including those related to participant deferrals made prior to year end that were received subsequent to year end. Therefore, the carrying amount of these receivables is not reduced by an allowance for amounts that will not be collected. In addition, it is impractical to estimate revenue recognition for amounts due but erroneously unreported by employers.

Employer and participant contributions receivable from NWOA

Employer and participant contributions receivable from Northwest Ohio Administrators, Inc. (NWOA), administrative manager for the Plan, represents contributions received by NWOA and maintained in NWOA's cash concentration account until such time as they are transferred to the Plan's cash account. Interest is earned on amounts maintained in the cash concentration account.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Subsequent events

The Plan has evaluated subsequent events through April 11, 2023, the date the financial statements were available to be issued.

3. PLAN TERMINATION:

In the event the Plan is terminated, any obligations of the Plan would be paid and all remaining assets would be distributed to participants in the manner specified in the Plan document.

4. TAX STATUS:

The Internal Revenue Service has determined and informed the Plan by a letter dated January 21, 2016, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and related trust is tax-exempt.

5. INVESTMENTS:

The Fund's investments are held and administered by a bank trustee, John Hancock Trust Company, LLC, in accounts under agreements which grant discretionary power as to investment decisions (by the bank as investment manager) within prescribed limits designated by the Board of Trustees. Vested participants may direct the investment of their account balances into one of the available fund options providing for varying degrees of risk and expected returns.

6. FAIR VALUE MEASUREMENTS:

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets' or liabilities' fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Money market funds: Valued at cost, which approximates fair value.

6. FAIR VALUE MEASUREMENTS (CONTINUED):

Registered investment companies: Valued at the net asset value (NAV) of shares held by the Plan at year end. The funds held by the Plan are registered with the Securities and Exchange Commission and are required to publish their daily net asset value (NAV) and to transact at that price. The funds held by the Plan are deemed to be actively traded.

Common/collective trust: Valued at the net asset value per share or unit. The NAV, as provided by the investment manager, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient would not be used if it is determined to be probable that the partnership will sell the investment for an amount different from the reported NAV.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022 and 2021:

<u>Assets at Fair Value as of June 30, 2022</u>					
<u>Investment</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>NAV</u>	<u>Total</u>

	<u>\$ 48,173,679</u>	<u>-</u>	<u>-</u>	<u>1,370,987</u>	<u>49,544,666</u>

6. FAIR VALUE MEASUREMENTS (CONTINUED):

The following table summarizes the fair value and redemption frequency for those assets whose fair value is estimated using net asset value (NAV) per share as of June 30, 2022 and 2021:

<u>Instrument</u>	<u>Fair Value at June 30</u>		<u>Unfunded</u> <u>Commitments</u>	<u>Redemption</u> <u>Frequency</u>	<u>Redemption</u> <u>Notice Period</u>
	<u>2022</u>	<u>2021</u>			
Capital Preservation Fund R6P (a)	\$ 1,500,749	\$ 1,370,987	-	Daily	Daily

(a) Direct Filing Entity (DFE). The Plan is not required to disclose the investment strategies of DFEs that file a Form 5500 annual report directly with the U.S. Department of Labor.

7. RELATED-PARTY TRANSACTION:

This Plan is related through common management and trustees with Northwestern Ohio Administrators, Inc., which provides administrative and depository services to the Plan. Payment for these services (principally for salaries and operating expenses) are reduced by collections for liquidated damages and certain interest income. Included in the statements of changes in net assets available for benefits are gross administrative fees charged by Northwestern Ohio Administrators, Inc.

8. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. PLAN OPERATIONS IMPACTED BY COVID-19:

On March 27, 2020, the U.S. Congress passed the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The CARES Act provides temporary relief for retirement plan sponsors and their participants with respect to distributions and participants loans. The Provisions of the CARES Act may be effective and operationalized immediately, prior to amending the plan document.

The Plan has adopted the distribution relief provisions and temporary waiver of required minimum distribution provisions included in the CARES Act.

The distribution relief provision permitted qualified individuals to request a pre-approved coronavirus-related distribution, through participant self-certification of eligibility. The maximum amount that could be requested per participant was \$50,000 through December 31, 2020.

The Plan Administrator intends to formally amend the Plan before the end of the applicable remedial amendment period to reflect such provisions.
