INDEPENDENT AUDITORS' REPORT

Retirement Plan Committee and Plan Participants
Zepf Center Retirement Savings Plan
Toledo, Ohio

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Zepf Center Retirement Savings Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of U.S. GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with U.S. GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4(i) – schedule of assets (held at end of year) as of June 30, 2022 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditors' Report on the 2021 Financial Statements

The financial statements of Zepf Center Retirement Savings Plan as of June 30, 2021 were audited by Gilmore Jason Mahler, LTD whose members and professional staff joined CliftonLarsonAllen LLP as of January 1, 2023, and has subsequently ceased operations. As permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan administrator instructed them not to perform, and they did not perform, any auditing procedures with respect to the information certified by a qualified institution. Gilmore Jason Mahler, LTD's report dated April 12, 2022, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

ZEPF CENTER RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
June 30, 2022 and 2021

Note 1—Description of Plan

The following description of Zepf Center Retirement Savings Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all eligible employees of Zepf Center (the Center or Plan Sponsor). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA).

Contributions

Employees become eligible to participate in the Plan on their first day of service as long as the employee normally works more than 20 hours per week. Participants may elect a percentage reduction in compensation, subject to Internal Revenue Service (IRS) limitations, which may be contributed to the Plan as designated by the employee as Roth elective deferrals in addition to pre-tax elective deferrals. The Plan includes an auto-enrollment provision whereby all newly eligible employees, hired after January 1, 2018, are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3% of eligible compensation and their contributions invested in a designated balanced fund until changed by the participant. There is an auto-increase of contributions of 1% each year with a maximum of 7%. Participants who have completed one year of continuous service are eligible for the matching and employer discretionary contribution. For the year ended June 30, 2022, the Center made a discretionary matching contribution of 100% of the first 3% of compensation that a participant contributed to the Plan and a non-elective contribution of 2% of eligible employees' compensation.

Participant accounts

Individual accounts are maintained for each participant in the Plan. Each participant's account is credited with the participant's contributions, their allocation of the Center's contributions, and the Plan's earnings. The Plan's earnings are allocated based on the participant's share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Notes receivable from participants

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of 50% of their account balance, not to exceed \$50,000, with the repayment schedule being no longer than 5 years unless used for a primary residence and only one note receivable can be outstanding at any time. Principal and interest is paid ratably through payroll deductions. The interest rate is based on the prime rate of interest published by WSJ Published Rate as of the date of the notes receivable plus 1%. The notes receivable are secured by the balance in the participant's account.

ZEPF CENTER RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
June 30, 2022 and 2021

Note 1—Description of Plan—continued

Benefit payments

In the event of retirement, attainment of age 59 1/2, death, termination, total and permanent disability, or other severance from employment, participants are entitled to receive an amount equal to the value of the vested interest in their accounts or in various installment annuities. Participants are not required to receive a distribution from the Plan if their balance exceeds \$5,000. Upon termination of service, a participant may receive a lump-sum amount equal to the value of his or her account. If a participant's balance is less than \$5,000 and a distribution election is not made, the full value of the account will be distributed in a single lump-sum within a reasonable period of time, either directly to the participant if the balance does not exceed \$1,000, or to an individual retirement account if the balance is between \$1,000 and \$5,000.

Hardship Withdrawals

Participants may request that all or a portion of their accounts be distributed in the case of severe financial hardship, as defined in the Plan agreement. The Center must approve any such hardship withdrawals.

Vesting

Participants are immediately vested in their Roth elective deferrals, pre-tax elective deferrals, and rollover contributions plus actual earnings (losses) thereon. Participants become vested in the Center's matching and discretionary contributions plus actual earnings (losses) over a five-year period as described below:

Less than 1 year of service	0%
1 years of service	20%
2 years of service	40%
3 years of service	60%
4 years of service	80%
5 years of service	100%
Upon death or disability	100%

Forfeitures

Forfeited balances of terminated participant accounts are used to pay the Plan's administrative fees and reduce the Center's future matching contributions. At June 30, 2022 and 2021, forfeited non-vested accounts totaled approximately \$8,900 and \$4,800, respectively. These accounts will be used to reduce future administrative fees or matching contributions. There was no employer contribution receivable for the year 2022 or 2021 and thus no utilization of the non-vested forfeitures. Forfeitures used to reduce the Center's employer contributions for 2022 were approximately \$71,000.

Termination of the Plan

Although it has not expressed any intent to do so, the Center has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts. Any unallocated assets of the Plan shall be allocated to participant accounts and distributed in such a manner as the Center may determine.

Note 2—Summary of significant accounting policies

Basis of accounting

The Plan maintains its records on the accrual basis of accounting, whereby income is recognized when earned and expenses are recognized when the obligations are incurred. Benefit payments are recorded when paid.

Investment valuation

Investments held by the Plan are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for further discussion and disclosures related to fair value measurements.

Purchases and sales of investments are recorded on a settlement date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Administrative expenses

The Center pays the administrative expenses of the Plan, unless the expenses relate to specific directions of the participant. Administrative expenses that are paid by the Center are excluded from these financial statements. Fees related to the administration of the participant's specific direction are included in administrative expenses.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

Subsequent events

The Plan has evaluated subsequent events through April 6, 2023, the date the financial statements were available to be issued and has determined there are no subsequent events that require disclosure.

ZEPF CENTER RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
June 30, 2022 and 2021

Note 3—Unaudited information

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at June 30, 2022 and 2021, and net realized and unrealized appreciation (depreciation) in fair value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended June 30, 2022, were obtained or derived from information supplied to the Plan Sponsor and certified by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, a member of the Principal Financial Group (Principal), as complete and accurate in accordance with Section 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information has not been examined by independent auditors.

Note 4—Fair value measurements

Except for the Plan's fully benefit responsive investment contract, the Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification Topic, Fair Value Measurement, are described as follows:

Level 1. Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2. Inputs to the valuation methodology include:

- a. Quoted prices for similar assets or liabilities in active markets;
- b. Quoted prices for identical or similar assets or liabilities in inactive markets;
- c. Inputs other than quoted prices that are observable for the asset or liability;
- d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3. Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The assets or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

NOTES TO FINANCIAL STATEMENTS-CONTINUED
June 30, 2022 and 2021

Note 4—Fair value measurements—continued

Following is a description of the valuation techniques and inputs used for each major class of assets measured at fair value by the Plan. There have been no changes in the methodologies used at June 30, 2022.

Mutual funds - Valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents the Plan's fair value hierarchy for those assets and liabilities measured at fair value on a recurring basis:

		Fair Value Measurements at June 30, 2022		
Description	Total as of June 30, 2022	Level (1)	Level (2)	Level (3)
Mutual Funds	\$ 17,229,280	\$ 17,229,280	\$ 0	\$ 0
Total investments, at fair value	<u>\$ 17,229,280</u>	<u>\$ 17,229,280</u>	<u>\$ 0</u>	<u>\$ 0</u>

		Fair Value Measurements at June 30, 2021		
Description	Total as of June 30, 2021	Level (1)	Level (2)	Level (3)
Mutual Funds	\$ 18,798,603	\$ 18,798,603	\$ 0	\$ 0
Total investments, at fair value	<u>\$ 18,798,603</u>	<u>\$ 18,798,603</u>	<u>\$ 0</u>	<u>\$ 0</u>

ZEPF CENTER RETIREMENT SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS-CONTINUED
June 30, 2022 and 2021

Note 5—Tax status

The Plan has been designed to qualify under Section 403(b) of the Internal Revenue Code and, therefore, it is not currently eligible to receive a determination letter from the IRS. The Plan is required to operate in conformity with the Internal Revenue Code to maintain its qualification under Section 403(b). The Plan Administrator believes that the Plan is operating in accordance with the applicable requirements of Section 403(b) of the Internal Revenue Code and therefore, believes the Plan is qualified and the related accounts are tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan Administrator has analyzed the tax positions taken by the Plan and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 6—Related party transactions and party-in-interest transactions

Certain Plan investments are held in mutual funds and an investment contract managed by Principal. Principal is the custodian as defined by the Plan, and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation (depreciation) in fair value of the investment. The Plan made direct payments to the custodian in the amount of \$140,261 during 2022.

Note 7—Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
