INDEPENDENT AUDITORS' REPORT

To The Board of Directors
Defined Contribution Pension Plan of
Staten Island Aid for Retarded Children, Inc.
d/b/a Community Resources
Staten Island, New York

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Defined Contribution Pension Plan of Staten Island Aid for Retarded Children, Inc. d/b/a Community Resources (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of April 30, 2022 (in liquidation), and the related statement of changes in net assets available for benefits for the ten months ended April 30, 2022 (in liquidation), and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of April 30, 2022 and for the ten months then ended, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section:

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the accompanying 2022 financial statements related to assets held and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Emphasis of Matter - Basis of Accounting

As discussed in Note 1 to the financial statements, the Board of Directors formally approved the termination of the Plan effective June 30, 2021. As a result, the liquidation basis is used in presenting the 2022 financial statements. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

Auditors' Report on the 2021 Financial Statements (Liquidation Basis)

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 14, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements and (b) the form and content of the information included in the 2021 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Description of Plan

The following description of Defined Contribution Pension Plan of Staten Island Aid for Retarded Children, Inc. d/b/a Community Resources (the "Plan") provides only general description. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan, which was established on July 1, 1979 as S.I.A.R.C. Pension Plan and amended and restated as Defined Contribution Pension Plan of Staten Island Aid for Retarded Children, Inc. d/b/a Community Resources effective September 1, 2019, is a defined contribution plan whereby contributions are made by Community Resources Staten Island, Inc., formerly known as Staten Island Aid for Retarded Children, Inc. d/b/a Community Resources (the "Sponsor"), on behalf of its employees. Employees who were eligible to participate in the Plan were persons who were at least age 21, who had worked at least 1,000 hours per year and who had completed one year of service prior to the beginning of the Plan year, provided that they were not covered by a collective bargaining agreement, or who were commensurate employees who were workshop consumers. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Board of Directors is responsible for oversight of the Plan. The Board of Directors determines the appropriateness of the Plan's investment offerings and monitors investment performance. The custodian and recordkeeper of the Plan is Mutual of America Life Insurance Company ("MOA").

Plan Termination

In April 2021, the Plan's Board of Directors approved the termination of the Plan, which became effective on June 30, 2021. The Plan was amended effective June 30, 2021 to include provisions for the termination of the Plan. At the effective date of the termination of the Plan, all participants in the Plan became 100% vested and were provided the option to have their account balances converted to an annuity, defer receipt of benefits by purchasing a deferred annuity contract, or receive a lump sum distribution. All assets of the Plan have been distributed as of April 30, 2022.

The Sponsor determined in March 2023 that for one participant, a fully vested balance of \$10,659 was forfeited in error instead of being distributed to the participant in October 2021. The Sponsor directly paid the benefit of \$10,659 plus interest to the participant on April 7, 2023.

Contributions

The Plan called for the Sponsor to contribute an amount equal to a percentage of the participant's total compensation for the plan year for separate classifications as follows:

Group A	CEO, COO, CFO	7.5% of Total Compensation
Group B	Agency Directors	7.5% of Total Compensation
Group C	Others not in Group A and B	5.0% of Total Compensation

Note 1 - Description of Plan (cont'd.)

Contributions (cont'd.)

For purposes of determining employer contributions, compensation did not include any amounts on or after the effective date of the termination of the Plan. Therefore, there were no employer contributions for the period from July 1, 2021 through April 30, 2022.

The Plan did not allow participants to contribute to the Plan except for amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. At the effective date of the termination of the Plan, no new rollover contributions were permitted.

Participants directed the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account was credited with the Sponsor's contributions as well as allocations of the Plan's earnings. Allocations were based on participant earnings or account balances, as defined. The benefit to which a participant was entitled is the benefit that could be provided from the balance in the participant's vested account.

Vesting

Prior to the effective date of the termination of the Plan, the vesting schedule of the Plan was set forth as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
At least 6	100%

In addition, a participant became 100% vested at the attainment of age 55 while employed by the Sponsor.

At the effective date of the termination of the Plan, all participants in the Plan became 100% vested.

Payment of Benefits

Prior to the effective date of the termination of the Plan, on termination of service due to death, disability, or retirement, a participant or beneficiary could elect to receive either a lump sum amount equal to the value of the participant's vested interest in his or her account or have the account balance converted to an annuity.

Note 2 - Summary of Significant Accounting Policies

Forfeited Accounts

At April 30, 2022 and June 30, 2021, forfeited non-vested accounts totaled \$0 and \$6,808, respectively. For the ten months ended April 30, 2022, forfeitures amounting to \$17,526 were allocated to participants' accounts.

Basis of Accounting

Due to the termination of the Plan effective June 30, 2021, the financial statements of the Plan as of and for the ten months ended April 30, 2022 have been prepared using the liquidation basis of accounting. The liquidation basis of accounting requires the Plan assets to be reported at current market values.

At June 30, 2021, the financial statements were also prepared using the liquidation basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Board of Directors determines the Plan's valuation policies utilizing information provided by the Plan's investment advisers. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities were recorded on a trade-date basis. Interest income was recorded on the accrual basis. Dividends were recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold during the ten months ended April 30, 2022

Notes Receivable from Participants

Notes receivable from participants were not separately stated as an asset on the statements of net assets available for benefits, as they were loans borrowed directly from MOA that were collateralized by the participants' vested account balances. At April 30, 2022 and June 30, 2021, \$0 and \$158,383, respectively, was outstanding. The collateral of 120% of the loan balances was transferred from the separate account funds to the general account funds. Loan interest rates were variable at prevailing interest rates and could be increased or decreased by MOA. At June 30, 2021, the interest rate on loans was 4.00%.

Note 2 - Summary of Significant Accounting Policies (cont'd.)

Notes Receivable from Participants (cont'd.)

Delinquent loans were reclassified as distributions once the participant was no longer employed by the Sponsor. Principal and interest were paid ratably by the participant directly to MOA.

Payment of Benefits

Benefits were recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan were paid directly by the Sponsor and are excluded from these financial statements. Fees related to the administration of loans or benefits paid to participants were charged directly to the participant's account and are included in administrative expenses. Investment-related expenses are included in net appreciation or depreciation in fair value of investments. Certain administrative functions were performed by officers or employees of the Sponsor. No such officer or employee received compensation from the Plan.

Note 3 - Information Certified By Custodian

The following information, including investments at April 30, 2022 and June 30, 2021, and investment loss for the ten months ended April 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Mutual of America Life Insurance Company, the custodian of the Plan.

Note 4 - Fair Value Measurement

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The three levels of the fair value hierarchy under Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") Topic 820, *Fair Value Measurement*, are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices in active markets for identical assets or liabilities that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

Separate Account Funds

MOA's Separate Account values its investments at fair value in accordance with U.S. GAAP. Fair value is an estimate of the price the Separate Account would receive upon selling a security in an orderly, arm's-length transaction. Separate Account investments consist solely of investments in mutual funds registered with the Securities and Exchange Commission and are carried at the net asset value at which the mutual fund shares are actively traded.

MOA is the custodian of assets of the Separate Account and handles the collection and distribution of proceeds of shares of the underlying funds bought and sold by the Separate Account. The account value is represented by Accumulation Units. Each Subaccount's Accumulation Unit has a different value, based on the value of the Subaccount's investment in shares of the related Underlying Fund and the charges deducted from the Separate Account. To determine the change in a Subaccount's Accumulation Unit value from the close of one valuation day to the close of the next valuation day ("Valuation Period"), an Accumulation Unit Change Factor is used.

STATEN ISLAND AID FOR RETARDED CHILDREN, INC.
d/b/a COMMUNITY RESOURCES
NOTES TO FINANCIAL STATEMENTS
APRIL 30, 2022

Note 4 - Fair Value Measurement (cont'd.)

Separate Account Funds (cont'd.)

For Subaccounts that invest in shares of the Mutual of America Investment Corporation funds, the Accumulation Unit Change Factor for each Subaccount for any Valuation Period is:

- (a) the ratio of (i) the share value of the Underlying Fund at the end of the current Valuation Period adjusted by the Cumulative Dividend Multiplier for the current Valuation Period, to (ii) the share value of the Underlying Fund at the end of the preceding Valuation Period, adjusted for the Cumulative Dividend Multiplier for the preceding Valuation Period, divided by,
- (b) 1.000000 plus the component of the annual rate of total Separate Account charges against the Subaccount's assets for the number of days from the end of the preceding Valuation Period to the end of the current Valuation Period.

General Account Funds

MOA's General Account (i.e., the Interest Accumulation Account) is part of MOA's general assets, which are segregated from the Separate Account funds. The General Account, which is comparable to a cash equivalent, includes liquid assets and is not subject to any form of interest rate adjustments, "haircut" or loading charge. The crediting interest rate is a current rate determined by MOA from time to time. MOA bears the full investment risk for the amounts participants allocate to the general account. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investments at the account value. The amount included in the financial statements is the accumulated contribution plus interest credited less administrative expenses, which approximates fair value.

The preceding methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4 - Fair Value Measurements (cont'd.)

General Account Funds (cont'd.)

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value at April 30, 2022 and June 30, 2021. Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. For the ten months ended April 30, 2022, there were no transfers between Levels 1 and 2 and no transfers in or out of Level 3.

	<u>Assets at Fair value at April 30, 2022</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Separate account funds	\$ -	\$ -	\$ -	\$ -

Total Investments at Fair Value				<u>\$ -</u>

	<u>Assets at Fair Value at June 30, 2021</u>			<u>Total</u>
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	
Separate account funds	\$ 5,292,461	\$ -	\$ -	\$ 5,292,461
General account funds (a)				<u>885,023</u>
Total Investments at Fair Value				<u>\$ 6,177,484</u>

- (a) MOA's General Account ("Interest Accumulation Account") includes liquid assets and is not subject to any form of interest rate adjustments, "haircut" or loading charge. The General Account is comparable to a cash equivalent and therefore exempt from hierarchy leveling requirements of FASB ASC Subtopic 820-10.

Note 5 - Related Party Transactions and Party-In-Interest Transactions

Certain Plan investments were shares of mutual funds managed by MOA, the custodian and recordkeeper of the Plan. Therefore, the transactions related to these investments qualify as party-in-interest transactions.

Note 6 - Tax Status

The Plan has not received a determination from the Internal Revenue Service as to whether it qualifies under Section 401(a) of the Internal Revenue Code. The Plan has been constructed to comply with all tax laws, and the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code, and therefore believes that the Plan is qualified and the related trust is tax exempt.

Note 6 - Tax Status (cont'd.)

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by a government authority. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that at April 30, 2022, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or asset, or require disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2019.

Note 7 - Risks and Uncertainties

The Plan invested in various investment securities. Investment securities were exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities occurred and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Note 8 - Subsequent Events

The Plan administrator has evaluated all events or transactions that occurred after April 30, 2022 and through April 11, 2023, which is the date that the financial statements were available to be issued. During this period, there were no material subsequent events requiring disclosure except for the \$10,659 benefit paid out to a participant as disclosed in Note 1.
