Manhattan Insurance Group, Inc. 401(k) Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements

We have performed an audit of the financial statements of **Manhattan Insurance Group, Inc. 401(k) Plan** (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit]. The financial statements comprise the statement of net assets available for plan benefits as of December 31, 2021, and the related statement of changes in net assets available for plan benefits for the year then ended, and the related notes to the financial statements (2021 Financial Statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 4 to the financial statements, is complete and accurate.

Opinion on the 2021 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America ("GAAP").
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2021 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

INDEPENDENT AUDITOR'S REPORT (continued)

Responsibilities of Management for the 2021 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the Plan; and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2021 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

INDEPENDENT AUDITOR'S REPORT (continued)

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2021 Supplemental Schedule Required by ERISA

The supplemental schedule of assets (held at year end) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated January 25, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that, derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the plan

Effective October 1, 1992, Manhattan Life Insurance Company (the “Company” or “Sponsor”), along with participating companies (Central United Life Insurance Co., Family Life Insurance Company, Investors Consolidated Insurance Company, and Western United Life Assurance Company), adopted Manhattan Insurance Group, Inc. 401(k) Plan (the “Plan”) to provide retirement benefits for all eligible employees. The Plan was amended as of May 3, 2021 to include the following participating companies: Family Life Insurance Company, Manhattan Life Assurance, Standard Life and Casualty, Western Skies MGU LLC, and Western United Life Assurance Company. The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan’s provisions.

General

The Plan is a defined contribution plan covering individuals who are employed by the Company and certain affiliated employers, except for union employees, residents of Puerto Rico and nonresident aliens. There is no age requirement, and employees are eligible to enter the Plan on the first day of the month following the completion of three months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”), as amended.

Trustee and administration

The Plan’s assets are held by Fidelity Management Trust Company (“Fidelity”), the trustee of the Plan, and are invested through participant-directed accounts in various mutual funds or other investments offered by the trustee. Duties of the trustee include, among others, recordkeeping, receiving and investing cash contributions and investment income, and making payments from the Plan funds as directed by the participants and the Plan administrator.

Administrative functions are performed by officers or employees of the Company. Certain administrative services and costs are incurred by the Company without cost to the Plan. No officer or employee receives compensation from the Plan.

Contributions

Participants may make contributions to the Plan under a 401(k) salary deferral arrangement up to the maximum percentage (90%) of annual compensation, as defined by the Plan, and the dollar amount permitted under 402(g) of the Internal Revenue Code (“IRC”) not to exceed \$19,500 in 2021. Additionally, participants who are at least 50 years of age as of December 31, 2021, are permitted to make catch-up contributions up to \$6,500 for 2021. Participants are also allowed to contribute amounts representing distributions from other qualified plans.

During 2021, the Company made safe harbor matching contributions equal to 100% of the employee’s elective salary deferral up to a maximum of 4%. Additionally, the Company may make discretionary profit sharing contributions and/or non-elective contributions unrelated to employee contributions to the Plan. During 2021, the Company made no profit sharing or non-elective contributions.

Participant accounts

Each participant’s account is valued on a daily basis and credited with the participant’s contribution, his or her portion of the Company’s matching, profit sharing and non-elective contributions and account earnings and is charged with applicable withdrawals and an allocation of certain administrative expenses as determined by the different investment options he or she directs the Plan trustee to make on his or her behalf. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the plan (continued)

Vesting

Participants are immediately vested in their contributions and Company safe harbor contributions plus earnings thereon. Vesting in the Company's discretionary matching, profit sharing or non-elective contribution portions of their accounts plus actual earnings thereon is based on continuous service. Participants are vested in the Company discretionary matching, profit sharing and non-elective contributions based on the following table:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 1	-0-%
1	20%
2	40%
3	60%
4	80%
5 or more	100%

Investments

Upon enrollment in the Plan, a participant may direct the allocation of their contributions and Company contributions among various investment funds offered by the Plan's trustee. Each participant can choose to deposit all contributions in one fund or split the investment among the investment options in any whole percentages. The funds are invested in a broad range of stocks and bonds with varying risks. The allocation of investment income for each of the investment options is based on the ratio that each participant's account balance bears to the total account balance of all eligible participants.

Participant loans

Under provisions of the Plan, participants may borrow a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% from the vested portion of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Generally, loan terms may not exceed five years unless the loan is for the purchase of a primary residence, in which case the Plan administrator may permit a longer repayment term not to exceed ten years. The loans are secured by the balance in the participant's accounts and bear interest at a rate commensurate with local prevailing rates as determined by the Plan administrator. Interest rates on participant loans outstanding as of December 31, 2021 ranged from 4.25% to 6.50%. Principal and interest are repaid through periodic payroll deductions.

Payment of benefits

On termination of service, a participant who has a vested interest in their account which is less than or equal to \$1,000 shall receive a lump sum equal to the vested interest of their account. If a participant's account balance is between \$1,000 and \$5,000 on the date of termination, and the participant does not request a distribution, the Plan administrator will rollover the account balance into an individual retirement account. Participants who have a vested interest in their account which exceeds \$5,000 may elect to leave their account balance in the Plan or receive a single sum payment equal to the vested interest of their account.

Under the terms of the Plan, participants who attain retirement age or become totally disabled prior to their retirement date will receive all amounts credited to their accounts. Upon the death of the participant while actively employed, the distribution is made in accordance with the participant's previous direction. All participants will receive their account balance in either a lump sum or in installments equal to the vested value of their account.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(1) Description of the plan (continued)

Withdrawals

Participant may make early withdrawals of \$500 up to the full balance of their elective deferral contributions in their account under the hardship provisions of the Plan. A participant may make unrestricted withdrawals of their vested accounts on or after age 59 ½.

Forfeitures

Forfeitures consist of the non-vested portion of terminated participant account balances and may be used by the Plan to pay for Plan expenses or reduce any employer contributions. As of December 31, 2021 and 2020, forfeiture account balances totaled \$4,747 and \$3,817, respectively. During 2021, no forfeitures were used to pay Plan expenses or reduce employer contributions.

(2) Summary of significant accounting policies

Basis of financial statement presentation

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("GAAP").

Use of estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation and income recognition

Investments are reported at fair value. Fair value is defined as the price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment gain includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Participant loans receivable

Loans to participants are reported as participant loans receivable at the unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis.

Payment of benefits

Benefits are recorded when paid.

Federal income tax

The Plan would recognize the financial statement impact of a tax position when it is more likely than not that the position will be sustained upon examination. The Plan administrator believes that all significant tax positions utilized by the Plan will more likely than not be sustained upon examination. As of December 31, 2021, the tax years that remain subject to examination by the major tax jurisdictions under the statute of limitations are from the year 2018 forward (with limited exceptions). Tax penalties and interest, if any, would be accrued as incurred and would be classified as tax expense in the statement of changes in net assets available for plan benefits.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(2) Summary of significant accounting policies (continued)

Subsequent events

The Plan has evaluated subsequent events through March 2, 2023, the date financial statements were available to be issued. Except as noted below, no subsequent events occurred which would require adjustment or disclosure to the financial statements as December 31, 2021. The Plan was amended on January 20, 2022; however, the changes had no impact to the description of the Plan described in note 1.

(3) Coronavirus Aid, Relief, and Economic Security Act

The Plan has implemented certain requirements by the Coronavirus Aid, Relief, and Economic Security Act (the "CARES Act"), which changed the Plan, among others, to allow certain eligible individuals to receive coronavirus-related relief for loan repayment, suspend required minimum distributions, and delay the commencement date for required minimum distributions. Pursuant to the CARES Act, the Plan permitted qualified participants to take coronavirus-related distributions of up to \$100,000, or 100% of their vested balance, whichever is less, with repayment terms of up to three years. In addition, pursuant to the CARES Act, the Plan adopted the temporary loan repayment deferral provision which allows qualified Plan participants who have Plan loan repayments to elect to defer loan repayments that occurred between March 27, 2020 and December 31, 2020. The ability to request special coronavirus-related distributions and/or request to defer loan repayments under the CARES Act ceased as of December 31, 2020. On January 20, 2022, the Plan was restated to reflect operational changes and comply with the latest applicable tax laws and regulations. The prototype plan received its most recent determination letter on June 30, 2020.

(4) Information certified by the trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the trustee. Accordingly, the trustee has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate.

- a. Investments and participant loans receivable as shown in the statements of net assets available for plan benefits as of December 31, 2021 and 2020.
- b. Investment activity, as shown in the statement of changes in net assets available for plan benefits for the year ended December 31, 2021.
- c. The information in the supplemental schedule of assets (held at year end) as of December 31, 2021.

The Plan's independent public accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

(5) Fair value measurements

GAAP provides the framework for measuring fair value and expands disclosures about fair value measurement. The Plan categorizes its fair value measurements into a three-level fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(5) Fair value measurements (continued)

The three levels of the fair value hierarchy are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
 - Quoted prices for similar assets and liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Interest-bearing cash

Interest-bearing cash consists of money market funds that are valued at the net asset value of shares held by the Plan at year end.

Registered investment companies

Investments in registered investment companies are valued at fair value based upon the net asset value of the shares held by the Plan at year end.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement as of the reporting date.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(5) Fair value measurements (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2021 and 2020:

	2021			
	Fair Value	Level 1	Level 2	Level 3
Interest-bearing cash	\$ 1,384,664	\$ 1,384,664	\$ -	\$ -
Registered investment companies	36,117,485	36,117,485	-	-
	<u>\$ 37,502,149</u>	<u>\$ 37,502,149</u>	<u>\$ -</u>	<u>\$ -</u>
	2020			
	Fair Value	Level 1	Level 2	Level 3
Interest-bearing cash	\$ 3,005,953	\$ 3,005,953	\$ -	\$ -
Registered investment companies	27,542,095	27,542,095	-	-
	<u>\$ 30,548,048</u>	<u>\$ 30,548,048</u>	<u>\$ -</u>	<u>\$ -</u>

(6) Related party transactions

Certain plan investments are shares of mutual funds managed by Fidelity. Fidelity is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. The Plan has participant loans receivable as of December 31, 2021 and 2020. As a result, these investments, the participant loans, and all related transactions qualify as party-in-interest transactions. These transactions are exempt from being prohibited transactions by ERISA.

Fees paid by the Plan to the trustee and the third-party administrator for administrative services amounted to \$11,304 for the year ended December 31, 2021.

(7) Plan termination

Although it has not expressed any intent to do so, the Company has the right to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, all participants will have a 100% vested interest in their accounts at the date of termination.

(8) Tax status

The Plan was established under a volume submitter profit sharing 401(k) Plan, which received its most recent determination letter on March 31, 2014, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the IRC and is, therefore, not subject to tax under present income tax law. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and ERISA and, accordingly, was tax exempt as of the financial statement dates.

MANHATTAN INSURANCE GROUP, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2021 and 2020

(9) Risks and uncertainties

Investment securities are exposed to various risks such as interest rate, credit, and overall market volatility risk. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

The global outbreak of the Coronavirus ("COVID-19"), which was declared a pandemic by the World Health Organization in March 2020, has led to significant volatility in financial markets. The ultimate impact of COVID-19 on the Plan, which may be material, is uncertain and will depend on future developments.

(10) Deferred vested benefit obligations

Vested participant balances for former employees that have not been paid as of December 31, 2021 amounted to \$373,018 and are included in the statements of net assets available for plan benefits.
