**REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

Plan Sponsor and Administrator  
MedRisk LLC 401(k) Plan

**Scope and nature of the ERISA Section 103(a)(3)(C) audit for the 2021 financial statements**

We have performed an audit of the financial statements of MedRisk LLC 401(k) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2021 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2021 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note C to the financial statements, is complete and accurate.

**Opinion on the 2021 financial statements**

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section:

- The amounts and disclosures in the accompanying 2021 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2021 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Basis for opinion on the 2021 financial statements**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2021 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

**Responsibilities of management for the 2021 financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

**Auditor's responsibilities for the audit of the 2021 financial statements**

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2021 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2021 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### **Other matters**

##### **2021 supplemental schedule required by ERISA**

The supplemental schedule of assets (held at end of year) as of December 31, 2021 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the 2021 supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to the auditing procedures applied in the audit of the 2021 financial statements and certain additional procedures. These additional procedures included comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2021 financial statements or to the 2021 financial statements themselves, and other additional procedures in accordance with US GAAS. For information included in the 2021 supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the 2021 supplemental schedule, we evaluated whether the 2021 supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion

- The form and content of the 2021 supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, is presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the 2021 supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

**Auditor's report on the 2020 financial statements**

We were engaged to audit the 2020 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

***Contributions***

Participant Salary Deferral

Participants in the Plan may contribute a discretionary amount of their annual compensation and bonus provided that the participant's contribution does not exceed the maximum dollar amount determined by the Internal Revenue Service ("IRS") each year. Participants who have attained age 50 before the end of the Plan year are eligible to make additional catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Newly eligible employees are automatically enrolled in the Plan with a 6% salary deferral if they do not otherwise elect to participate in the Plan. Automatically enrolled employees may subsequently elect not to defer compensation under the Plan. Participants with a deferral rate than zero will have that deferral increased annually on February 1 by 1% until a deferral rate of 6% is reached. Effective October 18, 2021, additional automatic enrollment provisions and exceptions to automatic deferral provisions have been added to the plan.

Employer Discretionary Matching Contributions

Participants are eligible to receive a discretionary matching contribution based on either a discretionary percentage of a participant's compensation or a discretionary dollar amount. The matching contribution is made on a payroll date basis for all participants eligible for salary deferrals in the payroll period. During the year ended December 31, 2021, the Company made matching contributions equal to 25% of the first 6% of salary deferral by participants.

Employer Discretionary Profit-Sharing Contributions

The Company may make discretionary profit-sharing contributions to participants. There were no discretionary profit-sharing contributions for the year ended December 31, 2021.

***Vesting***

Participants are immediately vested in their contributions plus actual earnings thereon. Participants vest in the Company's discretionary matching contributions plus actual earnings thereon based on the following schedule:

| <u>Years of Service</u> | <u>Vesting Requirement</u> |
|-------------------------|----------------------------|
| Less than 2 years       | 0%                         |
| 2 but less than 3 years | 50%                        |
| 3 or more years         | 100%                       |

Participants vest in the Company's discretionary profit-sharing contributions plus actual earnings thereon after three years of service.

***Participant Accounts***

Participants may direct contributions to any of the investment options offered by the Plan. Participants may change their investment options on a daily basis. Individual participant accounts are credited with applicable participant contributions, an allocation of the Company's contributions and investment earnings or losses. Allocations are based upon participant earnings or account balances, as defined in the Plan document. The benefit to which a participant is entitled is equal to the vested portion of the participant's account.

***Forfeitures***

A participant who terminates employment and is less than 100% vested forfeits the non-vested portion of their account. Forfeitures are used to reduce future employer matching contributions. At December 31, 2021 and 2020, forfeited non-vested accounts totaled \$72,484 and \$37,475, respectively. For the year ended December 31, 2021, employer matching contributions were reduced by \$64,484 from forfeited non-vested accounts.

***Distributions***

Distributions from the Plan are permitted under the following circumstances: (i) attainment of age 59½, (ii) termination of employment, (iii) death or permanent disability, and (iv) a proven hardship. Distributions of a participant's account are made in the form of a lump-sum payment or installments over a period of not more than the participant's assumed life expectancy (or the assumed life expectancy of the participant and their beneficiary). Death benefits generally must be paid to the beneficiary within five years after the participant's death. Minimum required distributions for participants who have reached age 72 (or age 70½, if the participant attained age 70½ prior to 2021) also apply per IRS regulations.

The Plan adopted certain provision of the Coronavirus Aid, Relief, and economic Security Act (the "CARES Act." Pursuant to the CARES Act, qualified individuals were permitted to take a coronavirus-related distribution prior to December 31, 2020 in an amount up to the lesser of the vested portion of the participant's account balance or \$100,000.

***Notes Receivable from Participants***

In general, the Plan administrator may permit participants to borrow an amount not to exceed the lesser of (i) \$50,000 or (ii) 50% of the vested amount of the participant's account attributable to salary deferrals and rollovers from other plans. The minimum amount of any loan is \$1,000. The Plan allows participants to have a maximum of two outstanding loans under the Plan at any one time.

**MedRisk LLC 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

Loans bear interest at an interest rate determined by the Plan administrator based on rates charged for similar types of loans by other lenders. Interest rates for loans outstanding at both December 31, 2021 and 2020 ranged from 4.25% to 7.5%. The loans are secured by the balance in the participant's account. Loans shall be repaid over a period of up to five years unless the loan is for the purchase of a primary residence. Loans are repaid through payroll deductions. All participant loans are considered party-in-interest transactions which are exempt from the prohibited transaction rules.

Effective October 18, 2021, when a participant that terminates employment, the outstanding principal and accrued interest on the participant's outstanding loan shall not be immediately due and payable. Instead, such loan shall continue to be payable in accordance with the provision of the loan note and loan provisions of the plan document.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

***Basis of Accounting***

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

***Investment Valuation and Income Recognition***

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Dividends are recorded on the ex-dividend date. Interest is included in income when earned, based on the terms of the investments and the periods during which the investments are owned. Purchases and sales of securities are recorded on a trade-date basis.

The Plan presents, in the statement of changes in net assets available for benefits, the net change in the fair value of its investments, which consists of the realized gains or losses and the unrealized appreciation or depreciation on those investments.

***Notes Receivable from Participants***

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as benefits paid to participants based upon the terms of the Plan document. Interest income is recorded on an accrual basis. No allowance for credit losses has been recorded at December 31, 2021 and 2020.

***Benefit Payments***

Benefits are recorded when paid. At December 31, 2021 and 2020, there were no benefits processed and approved for payment, but not paid.

***Excess Contributions Payable***

Amounts payable to participants for contributions in excess of the amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions.

**MedRisk LLC 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

***Use of Estimates***

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits, and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of Plan income and expenses during the reporting period. Actual results could differ from those estimates.

***Administrative Expenses***

Certain administrative expenses of the Plan are paid by the Company. The participant's quarterly statement reflects an administrative fee based on the investment options chosen by the participant and varies from quarter to quarter based on the difference, if any, between the amounts of revenue sharing associated with the Plan's investment options and the fixed administrative fee paid to the Trustee for recordkeeping and administrative services.

Investment management fees and operating expenses charged to the Plan are deducted from investment income earned on a daily basis and are not separately reflected. Consequently, investment management fees and operating expenses are reflected as a reduction of investment return.

**NOTE C - INVESTMENTS AND INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE**

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company ("Fidelity"), trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments, at fair value, and notes receivable from participants, as shown in the statements of net assets available for benefits as of December 31, 2021 and 2020;
- Investment income and interest income on notes receivable from participants, as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2021; and
- Schedule H, Line 4i - schedule of assets (held at end of year) as of December 31, 2021.

The Plan's independent accountants did not perform auditing procedures with respect to information certified by the Trustee.

**NOTE D - FAIR VALUE MEASUREMENTS**

Financial Accounting Standards Board Accounting Standards Codification ("ASC") No. 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

**MedRisk LLC 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methods used at December 31, 2021 and 2020.

*Mutual Funds:* Valued at the net asset value ("NAV") of shares held by the Plan at year end based upon quoted market prices (Level 1 inputs).

*Collective Trust:* Valued at fair value of the underlying securities held by the fund, which represents NAV of the units held by the Plan at year end (see Note E).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2021 and 2020:

|                                            | 2021                 |                      | 2020                 |                      |
|--------------------------------------------|----------------------|----------------------|----------------------|----------------------|
|                                            | Level 1              | Total                | Level 1              | Total                |
| Mutual funds                               | <u>\$ 23,063,796</u> | \$ 23,063,796        | <u>\$ 18,592,168</u> | \$ 18,592,168        |
| Investments measured at NAV <sup>(a)</sup> |                      | <u>655,149</u>       |                      | <u>653,689</u>       |
| Total                                      |                      | <u>\$ 23,718,945</u> |                      | <u>\$ 19,245,857</u> |

<sup>(a)</sup> In accordance with ASC Subtopic 820-10, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient (see Note E) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented in the statements of net assets available for benefits.

**MedRisk LLC 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one level to another. In such instances, the transfer is reported at the beginning of the reporting period.

**NOTE E - INVESTMENTS IN MORLEY STABLE VALUE FUND**

The Plan is applying the practical expedient as of December 31, 2021 and 2020 to its investment in the Morley Stable Value Fund ("MSF Fund"), a collective trust fund. The MSF Fund files as a direct filing entity. The fund consists of a diversified portfolio of high-quality stable value investment contracts issued by life insurance companies and banks, and other financial institutions. The principal value of these assets is intended to remain stable regardless of bond and stock market fluctuations. There are no unfunded commitments from participants in the Plan who invest in the MSF Fund.

Participants ordinarily may request withdrawals from the MSF Fund for benefit payments and transfers to noncompeting investment options at contract value. Such withdrawals are redeemed within 30 days after written notification has been received and are made on the next valuation date following the MSF Fund trustee's approval. Investments in the MSF Fund are restricted to be transferred into a competing fund for a 90-day period. Other withdrawals and transfers initiated by the plan sponsor are made at contract value one year after notification is received from the participating plan. The MSF Fund trustee, however, reserves the right to grant a withdrawal earlier than that mentioned above if liquidity of the MSF Fund is sufficient and it is not detrimental to the best interest of the MSF Fund. Contract value represents contributions made to the MSF Fund plus earnings less participant withdrawals and administrative expenses. The MSF Fund imposes certain restrictions on the Plan.

The contracts and securities purchased for the fund are backed solely by the financial resources of the issuers of such contracts and securities. An investment in the fund is not insured or guaranteed by the manager(s), the plan sponsor, the trustee, the FDIC, or any other government agency. The contracts purchased by the fund permit the fund to account for the fixed income securities at book value (principal plus interest accrued to date). Through the use of book value accounting, there is no immediate recognition of investment gains and losses on the fund's securities. Instead, gains and losses are recognized over time by periodically adjusting the interest rate credited to the fund under the contracts.

The contract value of the investment as of December 31, 2021, and 2020 was \$655,149 and \$653,689, respectively, which approximates fair value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is calculated based on the characteristics of the underlying contracts and securities. For the years ended December 31, 2021 and 2020, the crediting interest rate credited to participants was 1.68% and 2.10%, respectively.

**NOTE F - RELATED-PARTY TRANSACTIONS**

The Plan permits notes receivable from participants. These transactions qualify as party-in-interest transactions which are exempt from the prohibited transaction rules.

**MedRisk LLC 401(k) Plan**

**NOTES TO FINANCIAL STATEMENTS - CONTINUED**

**December 31, 2021 and 2020**

**NOTE G - TAX STATUS**

The Plan has obtained an opinion letter on the prototype non-standardized profit-sharing plan with a cash or deferral arrangement plan ("prototype plan") dated June 30, 2020 stating that the form of the Plan is acceptable under Section 401 of the Internal Revenue Code (the "Code"). The Plan has been amended since receiving the opinion letter. The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and, therefore, believes that the Plan is qualified, and the related trust is tax-exempt.

The Company is aware of a certain plan document failure that allowed certain participants to make a one-time election for bonuses and commissions, which was previously not allowed under plan provisions, and, if not properly corrected, could affect the tax qualified status of the Plan. On June 11, 2020, the Company retroactively amended the Plan document to allow for this one-time election and correct the failure.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2021 and 2020, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

**NOTE H - RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with investment securities, it is at least reasonably possible that changes in the values of investment securities may occur in the near term and those changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE I - PLAN TERMINATION**

Although it has not expressed any intent to do so, the Company has the right, under the Plan, to discontinue and to terminate the Plan subject to the provisions of ERISA. In the event the Plan is terminated, participants will become fully vested in their accounts.

**NOTE J - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500**

The plan document and its adoption agreement were amended and restated effective April 18, 2022, as part of the IRS Cycle 3 plan restatement.

Subsequent events have been evaluated through August 19, 2022, which is the date the financial statements were available to be issued. There were no additional subsequent events that would require recognition or disclosure in the Plan's financial statements.
