INDEPENDENT AUDITOR'S REPORT

To the Trustees of
Alternatives, Inc. 401(k) Plan:

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements

We have performed an audit of the financial statements of Alternatives, Inc. 401(k) Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements ("2022 financial statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan ("investment information") by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA ("qualified institution").

Management has obtained a certification from a qualified institution as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section:

- The amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- The information in the accompanying 2022 financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of Alternatives, Inc. 401(k) Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Alternatives, Inc. 401(k) Plan's ability to continue as a going concern for one year from the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if, there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Alternatives, Inc. 401(k) Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Alternatives, Inc. 401(k) Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Other Matters

2022 Supplemental Schedule Required by ERISA

The supplemental schedule H, line 4a – schedule of assets (held at end of year), is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of Alternatives, Inc. 401(k) Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated March 16, 2022, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2021 financial statements, and (b) the form and content of the information included in the 2022 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Alternatives, Inc. 401(k) Plan
Notes to Financial Statements
June 30, 2022 and 2021

1. DESCRIPTION OF PLAN

The following description of the Alternatives, Inc. 401(k) Plan, (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan qualifying under Section 401(k) of the Internal Revenue Code ("IRC"). The Plan was established for the purpose of providing all eligible employees (the "participants") of Alternatives, Inc. and Affiliate (the "Employer") and their beneficiaries, funds for retirement and is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Eligibility

All employees of the Employer age 21 years or older are eligible to participate in the Plan beginning with the year of completion of 1,000 hours of service, as defined. The Plan does not cover employees who are members of a collective bargaining unit. Participants' entry dates for the Plan are the first day of the Plan year and the first day of the fourth, seventh and tenth month of the Plan year. To meet continuing eligibility requirements for the non-elective discretionary contribution, participants must be employed on the last day of the Plan year and earn at least 1,000 hours of service during the Plan year. Employees are automatically enrolled in the Plan at a deferral rate of 1% of compensation unless they choose a higher rate or opt out of the Plan. Deferral rates are increased by 1% annually on July 1 until the participant reaches a maximum of 6%.

Contributions

Participants may enter into a salary reduction agreement with the Employer in an amount not greater than 90% of compensation, as defined, and not in excess of limits prescribed by the Internal Revenue Code ("IRC"). Participants who have attained or are expected to attain age 50 before the close of the calendar year will be permitted to make catch-up contributions to the Plan. Participants direct the investments of their contributions into various investment options offered by the Plan. A participant may suspend, increase or decrease his or her level of participation on the first day of each quarter of the Plan year.

The Employer may elect to make a discretionary employer match and/or a discretionary non elective contribution to the Plan. For the year ended June 30, 2022, the plan sponsor approved an employer match equal to 50 percent of the employee's deferrals up to a maximum of 6 percent of compensation. For the year ended June 30, 2022, the Employer recorded an employer match of \$229,654. The combined contribution by the participant and the Employer cannot exceed limits prescribed by the IRC.

Participant Accounts

Individual accounts are established for each participant. The participant's account is credited with the amount of the participant's salary reduction and an allocation of the (a) Employer's contributions and (b) Plan earnings (collectively "accrued benefits"). Allocations to a participant's account are made as defined in the Plan. The Participant's account is reduced by withdrawals, losses on investments and any forfeitures. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are 100% vested in all salary reduction amounts paid to the Plan and are vested 25% after two years, 50% after three years and 100% after four years in the Employer's discretionary match and non-elective contribution amounts credited to their accounts on their effective dates of participation as defined.

Notes to Financial Statements
June 30, 2022 and 2021

Distributions and Withdrawals

Except in the case of death, disability or financial hardship, as defined in the Plan, withdrawals are not permitted from a participant's account prior to either termination of employment or the reaching of age 59-1/2.

At a participant's normal retirement (age 65), disability date or upon death, the participant's entire account balance is available for distribution. Such distributions are made in the form of a lump-sum payment.

Notes Receivable From Participants

The Plan allows for loans to be extended to participants for financial hardship or financial needs. All loans are considered a direct investment of the participant and payments of principal and interest are credited to the participant's account. The maximum a participant may borrow, including the outstanding balance of existing Plan loans, is 50% of their vested account balance, not to exceed \$50,000, reduced by the outstanding balance of any existing Plan loan. The loans bear interest at rates ranging from 3.25% to 5.50% as of June 30, 2022 with maturities through May 2027. Principal and interest are paid ratably through bi-weekly payroll deductions over periods not to exceed five years, generally.

Forfeitures

Forfeitures of non-vested Employer contributions are applied first to payment of the Plan's administrative expenses at the Employer's option. Remaining forfeitures may be allocated to the remaining Plan participants. As of June 30, 2022 and 2021, unallocated forfeitures amounted to \$20,983 and \$13,928 respectively. During the fiscal year 2021, \$11,222 was allocated to current participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, including contingencies. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements are discussed in Note 4. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of June 30, 2022 and 2021. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Notes to Financial Statements
June 30, 2022 and 2021

Administrative Expenses

The expenses necessary to administer the Plan are either paid by the Employer or allocated to each participant at the Employer's option. They include but are not limited to, retaining necessary professional assistance from an attorney, an accountant, an actuary, or an investment advisor. Certain expenses have been paid by the Employer and are excluded from these financial statements. Investment related fees are reflected as an offset of net investment income (loss) and are not readily determinable. For the year ended June 30, 2022, the Plan paid administrative expenses of \$3,300.

Risk and Uncertainties

The Plan's assets are invested in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit risk and market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Payment of Benefits

Benefits are recorded when paid.

3. INFORMATION CERTIFIED BY TRUSTEE (UNAUDITED)

No auditing procedures were performed by the independent public accountants as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA with respect to information certified as complete and accurate by Fidelity Management Trust Company (the "Trustee") except for comparing such information with the related information included in the financial statements. Based on information provided and certified by the Trustee, there are no fixed income obligations, leases, or debt instruments in default or deemed uncollectible, as defined by ERISA, as of June 30, 2022 and 2021.

The following information as of June 30, 2022 and 2021 and for the year ended June 30, 2022, was prepared from reports certified by the Trustee:

	<u>2022</u>	<u>2021</u>
Investments, at fair value		
Mutual funds	\$ 11,153,255	\$ 12,839,545
Money market funds	\$ 150,510	\$ 66,810
Notes receivable from participants	\$ 355,969	\$ 316,111
Net depreciation in fair value of investments	\$ (3,132,504)	
Interest on notes receivable from participants	\$ 13,807	
Interest and dividends	\$ 1,095,975	

4. FAIR VALUE MEASUREMENTS

The Financial Accounting Standards Board established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

The hierarchy gives highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

Alternatives, Inc. 401(k) Plan
Notes to Financial Statements
June 30, 2022 and 2021

The three levels of the fair value hierarchy are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 - Unobservable inputs that are supported by little or no market activity and that are financial instruments whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which the determination of fair value requires significant judgment or estimation.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for the Plan's assets measured at fair value. There have been no changes in the methodologies used at June 30, 2022 and 2021.

Money Market Funds: Money market funds are valued at quoted market value prices which represent the fair value of the amount invested into the fund plus interest earned.

Mutual Funds: Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year end.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2022:

	2022			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 150,510	\$ -	\$ -	\$ 150,510
Mutual funds	11,153,255	-	-	11,153,255
Total assets at fair value	<u>\$ 11,303,765</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 11,303,765</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2021:

	2021			
	Level 1	Level 2	Level 3	Total
Money market funds	\$ 66,810	\$ -	\$ -	\$ 66,810
Mutual funds	12,839,545	-	-	12,839,545
Total assets at fair value	<u>\$ 12,906,355</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 12,906,355</u>

Alternatives, Inc. 401(k) Plan
Notes to Financial Statements
June 30, 2022 and 2021

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. PARTY-IN-INTEREST

Certain Plan investments are shares of mutual funds and a money market account managed by Fidelity Management Trust Company or its affiliates. Fidelity Management Trust Company is the Trustee as defined in the Plan and, therefore, these investments and related transactions qualify as party-in-interest transactions. Notes receivable from participants are granted and administered by the Trustee and, therefore, these loan transactions qualify as exempt party-in-interest transactions.

6. INCOME TAX STATUS

On June 30, 2020, the Internal Revenue Service ("IRS") issued an opinion that the prototype form of the Plan is qualified under Code Section 401 which stated that the Plan, as designed then, was in compliance with the applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRS. Therefore, no provision for taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2022 and 2021 there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. In addition, there have been no tax related interest or penalties for the periods presented in these financial statements.

7. PLAN TERMINATION

The Employer intends to continue the Plan indefinitely for the benefit of its employees, but reserves the right to modify, amend, or terminate the Plan at any time by resolution of its Board of Trustees. In the event of termination of the Plan, all amounts credited to participants' accounts shall be 100% vested and non-forfeitable. All participants shall receive a total distribution of their accounts as described in the Plan. Any amount in the forfeiture account upon termination, which has not been applied to reduce the Employer contribution, shall be allocated on a pro rata basis to the participant's account.

8. SUBSEQUENT EVENTS

Management has evaluated subsequent events occurring after the statement of net assets available for benefits date through the date of March 30, 2023, which is the date the financial statements were available to be issued. Based on this evaluation, management has determined that no subsequent events have occurred, which would require adjustment to or disclosure in the financial statements.
