March 30, 2023

Board of Trustees
Waldo Community Action Partners
Belfast, Maine

We have audited the financial statements of the Retirement Plan of Waldo Community Action Partners (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) [ERISA Section 103(a)(3)(C) audit] for the year ended December 31, 2021, and we have issued our report thereon dated March 23, 2023. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Metropolitan Life Insurance Company, Brighthouse Life Insurance Company, and Equitable Financial Life Insurance Company, the Custodians, which are a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit did not extend to the certified investment information, except for obtaining and reading the certifications, comparing the certified investment information with the related information presented and disclosed in the financial statements and supplemental schedule, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America (GAAP). Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP. Professional standards require that we provide you with information about our responsibilities under auditing standards generally accepted in the United States of America (GAAS), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated June 6, 2022 in addition to our planning discussions with you on June 24, 2022, and our email communications to you on March 18, 2022. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Matters

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted, and the application of existing policies was not changed during 2021. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimate affecting the financial statements was:

- The estimate of fair value of the Plan's investments. The use of different methodologies or assumptions could result in different fair values at the reporting date.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. The most sensitive disclosure affecting the financial statements was:

- The disclosure of investment balances in Note 3 to the financial statements provides a basis to determine the level of market risk inherent in the participants' accounts.

The financial statement disclosures are neutral, consistent, and clear.

Form 5500 Procedures

We are required to obtain and read a substantially complete draft of Form 5500 prior to dating our auditor's report. The purpose of this procedure is to identify any material inconsistencies between the draft Form 5500 and the Plan's financial statements. We identified no material inconsistencies in performing and completing our audit.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management.

No such known or likely misstatements were identified during our audit.

The attached schedule summarizes uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements taken as a whole. The uncorrected misstatements or the matters underlying them could potentially cause future period financial statements to be materially misstated, even though in our judgment, such uncorrected misstatements are immaterial to the financial statements under audit.

Reportable Findings

For purposes of this letter, a reportable finding is a matter that includes one or more of the following: (1) noncompliance or suspected noncompliance with laws and regulations, (2) a finding that in our professional judgment is significant and relevant to you regarding your responsibility to oversee the financial reporting process, and (3) an indication of internal control deficiencies identified during the audit that have not been previously communicated to management by other parties and that we determined are sufficiently important to merit management's attention.

We identified the following reportable finding:

Documentation of Loan Policy

We noted during the course of the audit that there was no loan policy related to the Plan. The loan policy should be a part of the plan document or a separate policy. The loan policy should include key provisions for loans as well as accounting treatment of loans in default. It was noted that there was a deemed distributed loan during 2021. 

Disagreements With Management

For purposes of this letter, a disagreement with management is a disagreement on a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 23, 2023, a copy of which accompanies this letter.

Management's Consultation With Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

Our responsibility for the ERISA-required supplemental schedule accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the ERISA-required supplemental schedule, other than that agreed to or derived from the certified investment information, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure Under ERISA, and whether the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Internal Control Matters

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of the Plan, an employee benefit plan subject to ERISA, as of and for the year ended

December 31, 2021, in accordance with GAAS, we considered the Plan's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of issuing our report on the financial statements, but not for the purpose of expressing our opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform an ERISA Section 103(a)(3)(C) audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit did not extend to any statements or information related to assets held for investment of the Plan ("investment information") by Metropolitan Life Insurance Company, Brighthouse Life Insurance Company, and Equitable Financial Life Insurance Company that prepared and certified the statements or information regarding assets so held in accordance with 29 CFR 2520.103-5. Our audit also did not include a consideration of internal control relating to the investment information.

Our consideration of internal control was for the limited purpose described in the preceding paragraphs and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies; therefore, material weaknesses or significant deficiencies may exist that were not identified. In addition, because of inherent limitations in internal control, including the possibility of management override of controls, misstatements due to error or fraud may occur and not be detected by such controls. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies in internal control, such that there is a reasonable possibility that a material misstatement of the Plan's financial statements will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiencies in the Plan's internal control to be significant deficiencies.

We identified the following deficiencies in internal control that we consider to be significant deficiencies:

Participant and Employer Match Contributions – Prior Year Finding

During the testing of participant and employer match contributions, it was noted that some taxable wages were not included in compensation used as a basis to calculate contributions, specifically gift cards were not included. This is not consistent with the definition of compensation defined in the plan document which is defined as W-2 wages, increased by elective deferrals. During the 2021 audit, it was noted that the 2021 Form W-2's issued had correctly included the taxable amount of gift cards given to

employees, but those amounts were not included in the initial calculation of participant deferrals and the employer matching contribution. During the 2020 audit, it was noted that income reported on the 2020 Form W-2's incorrectly omitted gift cards issued to employees which is taxable compensation. During the 2019 audit, it was noted that compensation in 2019 on the W-2's issued to employees included gift cards, but the taxable wage component of gift cards was not included in compensation used as a basis to calculate the 2019 participant or employer contributions.

A correction was made during July 2022 to fund the missing amount for the participant and employer match contributions for the 2021 gift cards. There has not been a correction for the omission of the contributions for the 2020 and 2019 gift cards.

We will review the status of this comment during our next audit engagement. We have already discussed many of these comments and suggestions with various plan personnel, and we will be pleased to discuss them in further detail at your convenience, to perform any additional study of these matters, or to assist you in implementing the recommendations.

Conclusion

This information is intended solely for the use of the Board of Trustees of Waldo Community Action Partners and, if appropriate, management of the Plan and is not intended to be, and should not be, used by anyone other than these specified parties.

Sincerely,

This representation letter is provided in connection with your audit of the financial statements and supplemental schedules of Retirement Plan of Waldo Community Action Partners (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), which comprise the statements of net assets available for benefits as of December 31, 2021 and 2020, and the related statement of changes in net assets available for benefits for the year ended December 31, 2021, and the related notes to the financial statements, for the purpose of expressing an opinion as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (US GAAP) and whether the supplemental schedules is fairly stated in all material respects in relation to the financial statements as a whole. As permitted by Regulation 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), we have instructed you to not perform any auditing procedures with respect to information prepared and certified to by Metropolitan Life Insurance Company, Brighthouse Life Insurance Company, and

Equitable Financial Life Insurance Company, the custodians, in accordance with DOL Regulation 2520.103-5, except for comparing the information with the related information included in the financial statements and supplemental schedule. Because of the significance of the information which you did not audit, we understand that you will not express an opinion on the financial statements and supplemental schedule taken as a whole. We understand that the form and content of the information in the financial statements and supplemental schedule, other than that derived from the information certified by Metropolitan Life Insurance Company, Brighthouse Life Insurance Company, and Equitable Financial Life Insurance Company, has been audited by you in accordance with auditing standards generally accepted in the United States of America (US GAAS), and was subjected to tests of our accounting records and other procedures you considered necessary to enable you to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

We confirm, to the best of our knowledge and belief, as of the date of this letter, the following representations made to you during your audit.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated June 6th, 2022, including our responsibility for the preparation and fair presentation of the financial statements.
2. The financial statements referred to above are fairly presented in conformity with US GAAP, the notes include all disclosures required by laws and regulations to which the Plan is subject, including the DOL's Rules and Regulations for Reporting and Disclosure under ERISA, and the supplemental schedule referred to above are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.
3. We acknowledge our election to have an ERISA Section 103(a)(3)(C) audit does not affect our responsibility for the financial statements and for determining the following:
 - a. The circumstances permit an ERISA Section 103(a)(3)(C) audit.
 - b. A qualified institution has prepared and certified the investment information as described in 29 CFR 2520.103-8.
 - c. The certification meets the 29 CFR 2520.103-5 requirements.
 - d. The certified investment information is appropriately measured, presented, and disclosed in accordance with U.S. GAAP.
4. We acknowledge our responsibility for administering the Plan and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants to determine the benefits due or which may become due to such participants.

5. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
6. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
7. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
8. Related-party relationships and transactions and relationships and transactions with parties-in-interest, as defined in ERISA Section 3(14) and regulations thereunder, have been appropriately accounted for and disclosed in accordance with the requirements of US GAAP and ERISA Section 3(14) and regulations thereunder.
9. No events have occurred subsequent to the date of the financial statements for which US GAAP requires adjustment or disclosure.
10. The effects of uncorrected misstatements are immaterial, both individually and in the aggregate, to the financial statements as a whole. A list of the uncorrected misstatements is attached to the representation letter.
11. There are no known actual or possible litigation, claims, and assessments that must be accounted for and disclosed in accordance with US GAAP.
12. There are no other matters (e.g., breach of fiduciary responsibilities, nonexempt, nonexempt transactions, loans or leases in default, events reportable to the PBGC, or events that may jeopardize the tax status) that must be disclosed.
13. Significant estimates and material concentrations have been properly disclosed in accordance with US GAAP.
14. Financial instruments with concentrations of credit risk have been properly recorded or disclosed in the financial statements.
15. There are no guarantees, whether written or oral, under which the Plan is contingently liable.
16. The supplemental schedule or financial statements disclose the following, where applicable:
 - a. All non-exempt party-in-interest transactions [as defined in ERISA Section 3(14) and regulations thereunder].

- b. Investments in default or considered to be uncollectible.
- c. Reportable transactions [as defined in ERISA Section 103(b)(3)(H) and regulations thereunder].

Information Provided

17. We have provided you with:

- a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters.
- b. A substantially complete draft of Form 5500.
- c. Additional information that you have requested from us for the purpose of the audit.
- d. Unrestricted access to persons within the Plan from who you determined it necessary to obtain audit evidence.
- e. Current plan instruments, trust agreements, insurance contracts, or investment contracts and amendments to such documents entered into during the year, including amendments to comply with applicable laws.

18. All material transactions have been recorded in the accounting records and are reflected in the financial statements.

19. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

20. We have no knowledge of any fraud or suspected fraud affecting the Plan and involves:

- a. Management,
- b. Employees who have significant roles in internal control, or
- c. Others where the fraud could have a material effect on the financial statements.

21. We have no knowledge of any allegations of fraud or suspected fraud affecting the Plan's financial statements communicated by employees, former employees, participants, regulators, beneficiaries, service providers, third-party administrators, or others.

22. We have no knowledge of any instances of noncompliance or suspected noncompliance with laws and regulations (including ERISA, DOL, and IRS regulations) whose effects should be considered when preparing financial statements.
23. We are not aware of any pending or threatened litigation, claims, or assessments or unasserted claims or assessments that are required to be accrued or disclosed in the financial statements in accordance with US GAAP, and we have not consulted a lawyer concerning litigation, claims, or assessments.
24. We have disclosed to you the names of all the Plan's related parties and parties-in-interest and all the related-party and party-in-interest relationships and transactions, including any side agreements of which we are aware.
25. The Plan has satisfactory title to all owned assets, which are recorded at fair value, and there are no liens, encumbrances, or security interests requiring disclosure in the financial statements have been properly disclosed.
26. We have no:
- a. Plans or intentions that may materially affect the carrying value or classification of assets and liabilities.
 - b. Intentions to terminate the Plan.
27. Amendments to the Plan instrument, if any, have been properly recorded or disclosed in the financial statements.
28. The Plan has complied with all aspects of debt and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
29. The methods and significant assumptions used to estimate fair values of financial instruments, including nonreadily marketable securities, are as disclosed in Note 3 to the Plan's financial statements. The methods and significant assumptions used result in a measure of fair value appropriate for financial measurement and disclosure purposes.
30. All required amendments to and filings of Plan documents with the appropriate agencies have been made. We intend to formally amend the Plan to incorporate the following provisions under which the Plan is currently operating, that were adopted to comply with new laws or regulations.
- a. On March 27, 2020, the Coronavirus Aid, Relief, and Economic Security Act ("CARES Act") was signed into law, which includes provisions relating to retirement plans. The Plan

was amended to implement certain changes provided for under the CARES Act, including allowing certain eligible individuals to receive coronavirus-related distributions, increased maximum retirement plan loan amounts, and deferments of certain participant loan payments for up to one year.

Written amendments to the Plan to reflect these operational changes will be adopted at a later date in accordance with applicable law and IRS guidance.

31. The Plan is qualified under the appropriate section of the Internal Revenue Code and we intend to continue them as a qualified plan. The plan sponsor has operated the Plan in a manner that did not jeopardize this tax status. Any required nondiscrimination testing related to Code Section 401(k) and 401(m) arrangements, as applicable, has been completed for the Plan, and any excess deferrals or contributions have been disposed of in accordance with regulations.

32. The Plan has complied with the DOL's regulations concerning the timely remittance of participant contributions to trusts containing assets for the Plan.

33. The Plan has complied with the fidelity bonding requirements of ERISA.

34. We have apprised you of all communications, whether written or oral, with regulatory agencies concerning the operation of the Plan.

35. We have obtained appropriate fee disclosures from covered service providers and have concluded the fees are reasonable. The Plan is in compliance with DOL regulations regarding ERISA Section 408(b)(2).

36. We believe the form and content of the supplemental schedule are fairly presented in conformity with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

There are 2 investment contracts: \$17,720 with Equitable Financial Insurance Company and \$3,110 with Metlife Insurance Company	For these FBRICs, certain disclosures for the fully benefit investment contracts are not included in the financial statements. The nature, how they operate, events that limit the ability to execute transactions, description of events/ circumstances that permit issuers to terminate the contracts and settle at different amounts are not disclosed

Acknowledgments:

Known Misstatements - We acknowledge that you have requested that we correct all known misstatements that you have brought to our attention (including those that no longer appear on the accompanying schedule - if applicable).

Likely Misstatements - We acknowledge that you have requested that we examine the class of transactions, account balance, or disclosure (as applicable) to identify any likely misstatements that exist and make corrections.

Likely Misstatements Involving Estimates - We acknowledge that you have requested us to review the assumptions and methods used in developing our estimate - and as a result we affirm the accounting for the estimates involved as finally recorded.

Conclusion:

Based on our evaluation of the unadjusted audit differences, both individually and in the aggregate, as well as a consideration of qualitative factors and the possibility of undetected misstatements, we are not aware of any material modifications that should be made to the financial statements in order for them to be in conformity with the Company's financial reporting framework.

Retirement Plan of Waldo Community Action Partners

Financial Statements and Supplemental Schedule

Year Ended December 31, 2021

Independent Auditor's Report

To the Plan Administrator
Retirement Plan of Waldo Community Action Partners
Belfast, Maine

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the financial statements of the Retirement Plan of Waldo Community Action Partners, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of December 31, 2021, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Retirement Plan of Waldo Community Action Partners's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended December 31, 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section:

- The amounts and disclosures in the financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (GAAP).
- The information in the financial statements related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by institutions that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Retirement Plan of Waldo Community Action Partners and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion:

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with GAAP, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retirement Plan of Waldo Community Action Partners's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the plan, and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Retirement Plan of Waldo Community Action Partners's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Retirement Plan of Waldo Community Action Partners's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of GAAP.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with GAAP.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedule Required by ERISA

The supplemental Schedule H, Line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2021, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with GAAS. For information included in the supplemental schedule that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including its form and content, is presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion:

- The form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- The information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2020 Financial Statements

We were engaged to audit the 2020 financial statements of the Retirement Plan of Waldo Community Action Partners. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform and we did not perform any auditing procedures with respect to the information certified by a qualified institution. In our report dated October 13, 2021, we indicated that (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, we did not express an opinion on the 2020 financial statements, and (b) the form and content of the information included in the 2020 financial statements other than that derived from the certified information were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Retirement Plan of Waldo Community Action Partners

Notes to Financial Statements

Note 1: Description of Plan

The following description of the Retirement Plan of Waldo Community Action Partners (the "Plan") provides only general information. Participants should refer to the plan document for a more complete description of the Plan's provisions.

General

The Plan is a 403(b) participant-directed defined contribution plan covering all employees of Waldo Community Action Partners (the "Organization") who normally work more than 20 hours per week. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. The plan administrator is responsible for oversight of the Plan and determines the appropriateness of the Plan's investment offerings and monitors investment performance.

Eligibility

Employees are immediately eligible to contribute a pre-tax deferral into the Plan. To receive the Organization's matching contribution, employees must complete 720 hours of service within 12 consecutive months from the eligible employee's commencement date.

Contributions

Each year, participants may contribute a portion of their pretax annual compensation, up to the maximum allowed by law, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollovers). Participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers several mutual funds, variable annuities, and a group annuity insurance contract.

The Organization will make a matching contribution amount equal to 100% of the amount of the participant's elective deferrals that do not exceed 6% of the participant's compensation. During the year ended December 31, 2021, the Organization made matching contributions of \$102,486. Contributions are subject to certain Internal Revenue Service limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions, Organization matching contributions, and allocations of Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Retirement Plan of Waldo Community Action Partners

Notes to Financial Statements

Note 1: Description of Plan (Continued)

Vesting

Participants are vested immediately in their contributions, plus actual earnings thereon. Vesting in the Organization's matching contribution is based on years of service. Participants vest at a rate of 20% per year, after one year of service. Participants become fully vested after five years of service, as defined by the Plan.

Notes Receivable From Participants

Participants may borrow from their fund accounts a minimum of \$1,000, up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The notes are secured by the balance in the participant's account and bear interest at rates ranging from 4.25% to 6.50%, which are commensurate with local prevailing rates at the time of the note origin. Loans must be repaid within five years, unless the loan is used to acquire a dwelling to be used as the principal residence of the participant, in which case the loan must be paid within fifteen years. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

Participants may elect to receive the balance in their account either as a lump-sum distribution upon retirement, termination or other qualifying event, or as substantially equal installments over a payment period not to exceed the life expectancy of the participant or their beneficiary. If the balance is less than \$5,000 (vested account balances, minus any rollover contribution account, but including any outstanding note receivable balance), the plan administrator may automatically distribute the balance as a lump-sum distribution. Provided certain conditions are met, the participants may also be entitled to a distribution upon attaining age 59 1/2. The Plan also permits withdrawals from the Plan due to circumstances of financial hardship, in accordance with provisions specified in the plan document.

Forfeitures

At December 31, 2021 and 2020, forfeited nonvested accounts totaled \$10,930 and \$5,396, respectively. These accounts will be used to reduce future Organization contributions, or be allocated to participant accounts, or to pay plan expenses in accordance with the plan document. During the year ended December 31, 2021, \$1,374 of forfeited nonvested accounts were allocated to participant accounts.

Note 2: Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements of the Plan are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value, except for fully benefit-responsive investment contracts (FBRICs). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

FBRICs are reported at contract value, which is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan.

Notes Receivable From Participants

Notes receivable from participants are measured at their unpaid principal balance, plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2021 and 2020. Delinquent participant notes receivable are recorded as benefit payments on the basis of the terms of the plan document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Organization. Expenses that are paid by the Organization are excluded from these financial statements. Investment-related expenses are allocated proportionately to plan participants based on their respective account balances and are included in net investment income.

Note 3: Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described, as follows:

Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) in active markets for identical assets or liabilities that the Plan can access at the measurement date.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, such as:

- Quoted prices for similar assets or liabilities in active markets.
- Quoted prices for identical or similar assets or liabilities in inactive markets.
- Inputs other than quoted prices that are observable for the asset or liability.
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs that are unobservable inputs for the asset or liability.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used as of December 31, 2021 and 2020.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Variable Annuities: Valued based on the initial input of the quoted price obtained for the underlying mutual funds, which is then adjusted to apply factors disclosed in the annuity contract.

Notes to Financial Statements

Note 3: Fair Value Measurements (Continued)

The following tables set forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of December 31, 2021 and 2020. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement:

	Assets at Fair Value as of December 31, 2021			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 20,930	\$ -	\$ -	\$ 20,930
Variable annuities	-	1,952,639	-	1,952,639
Total investment assets at fair value	\$ 20,930	\$ 1,952,639	\$ -	\$ 1,973,569

	Assets at Fair Value as of December 31, 2020			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 17,997	\$ -	\$ -	\$ 17,997
Variable annuities	-	1,670,073	-	1,670,073
Total investment assets at fair value	\$ 17,997	\$ 1,670,073	\$ -	\$ 1,688,070

Note 4: Fully Benefit-Responsive Investment Contracts (FBRICs)

The Plan has a fully benefit-responsive guaranteed investment contract with Metropolitan Life Insurance Company (MetLife). The GTS Fixed Account (Traditional) is a general account product. MetLife is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The entire general account assets of MetLife back these guarantees. The methodology for calculating the interest crediting rate is based on the value of the underlying assets on the immediately preceding date and the net interest factor. The net interest factor is the assured net interest rate of 3% plus any interest in excess of the assured net interest rate, plus 1.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by MetLife, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value, subject to equity wash provisions.

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2021 and 2020, was \$562,482 and \$592,936, respectively.

Retirement Plan of Waldo Community Action Partners

Notes to Financial Statements

Note 4: Fully Benefit-Responsive Investment Contracts (FBRICs) (Continued)

The Plan holds other fully benefit-responsive contracts at contract value, with Equitable Financial Life Insurance Company and Brighthouse Life Insurance Company totaling \$20,830 and \$20,503 respectively.

Certain events may limit the Plan's ability to transact at contract value, such as termination of the contract, corporate relocation and partial or total termination of the Plan. In these situations, a market value adjustment or other withdrawal restrictions may apply. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

Note 5: Information Prepared and Certified by Custodians

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information disclosed in the accompanying financial statements and supplemental schedule, including investments and notes receivable from participants at December 31, 2021 and 2020, and net appreciation in fair value of investments, interest and dividends and interest income on notes receivable from participants for the year ended December 31, 2021, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Metropolitan Life Insurance Company, Brighthouse Life Insurance Company, and Equitable Financial Life Insurance Company, the Custodians of the Plan.

Note 6: Party-in-Interest Transactions

Certain plan investments are held under a guaranteed investment contract by MetLife. MetLife is defined as a Custodian of the Plan and, therefore, these transactions qualify as party-in-interest transactions. Certain Plan investments are held by Brighthouse Life Insurance Company and Equitable Financial Life Insurance Company. Brighthouse Life Insurance Company and Equitable Financial Life Insurance Company are defined as Custodians by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Notes receivable from participants also qualify as party-in-interest transactions, which are exempt from the prohibited transaction rules of ERISA.

Note 7: Plan Termination

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Organizations matching contributions.

Note 8: Income Tax Status

The Plan is designed after a volume submitter 403(b) Plan which received a favorable opinion letter, dated March 31, 2017, which states that the volume submitter plan document is acceptable under Section 403(b) of the Internal Revenue Code (IRC). The Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified and the related trust is tax exempt.

Retirement Plan of Waldo Community Action Partners

Notes to Financial Statements

Note 9: Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near-term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 10: Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2021, to Form 5500:

	2021
Net assets available for benefits per the financial statements	\$ 2,597,334
Deemed distributed loans reported per Form 5500	(7,050)
Other differences	(91)
Net assets available for benefits per the Form 5500	\$ 2,590,193

The following is a reconciliation of the net increase in net assets available for benefits per the financial statements for the year ended December 31, 2021, to Form 5500:

	2021
Net increase in net assets available for benefits per the financial statements	\$ 236,491
Deemed distributed loans reported per Form 5500	(7,050)
Other differences	(91)
Net increase in net assets available for benefits per the Form 5500	\$ 229,350

Note 11: Subsequent Events

Management has evaluated subsequent events through March 23, 2023, the date that the financial statements were available to be issued.
