INDEPENDENT AUDITOR'S REPORT

To the Plan Administrator
Mainstream Living, Inc. 403(b) Plan
Ames, Iowa

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We have performed an audit of the accompanying financial statements of Mainstream Living, Inc. 403(b) Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C) (ERISA Section 103(a)(3)(C) audit). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended June 30, 2022, and the related notes to the financial statements (2022 financial statements).

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution, as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Opinion on the 2022 Financial Statements

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section—

- the amounts and disclosures in the accompanying 2022 financial statements, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the 2022 financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion on the 2022 Financial Statements

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the 2022 Financial Statements section of our report. We are required to be independent of the Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current Plan instrument, including all Plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the 2022 Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit of the 2022 Financial Statements section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the 2022 financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2022 Supplemental Schedule Required by ERISA

The supplemental schedule of Schedule H, Line 4i – Schedule of Assets (held at end of year) as of June 30, 2022, is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedule, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedule, other than the information in the supplemental schedule that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedule related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Auditor's Report on the 2021 Financial Statements

We were engaged to audit the 2021 financial statements of the Plan. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information certified by a qualified institution. In our report dated April 12, 2022, we indicated that, (a) because of the significance of the information that we did not audit, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion, and, accordingly, we did not express an opinion on the Plan's 2021 financial statements, and (b) the form and content of the information included in the 2021 financial statements, other than that derived from the certified information, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

MAINSTREAM LIVING, INC. 403(b) PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description

The following description of the Mainstream Living, Inc. 403(b) Plan (“the Plan”) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan’s provisions.

General: The Plan is a defined contribution Plan covering substantially all full-time employees of the Employer. The Employer that has adopted this Plan (referred to as “Employer”) is Mainstream Living, Inc. To become a participant in the Plan, an employee must have worked at least 12 months. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Board of Trustees oversees governance of the Plan.

Contributions: The Plan provides for the following types of payments to be made to the Plan:

Participant salary deferred contributions: Employees who are eligible in this plan may elect to contribute a share of their compensation as defined in the Plan, up to the maximum amounts allowed by ERISA and the Internal Revenue Code. Employees who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions as allowed by the Internal Revenue Code. Participants may also designate all or a portion of their elective deferral as a Roth elective deferral. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover).

Employer contributions: The Plan provides that the Employer make a matching contribution as follows: employees with more than one but less than two years of service will receive a matching contribution equal to 100% of their salary deferrals up to 1% of eligible compensation; employees with more than two but less than three years of service will receive a matching contribution equal to 100% of their salary deferrals up to 2% of eligible compensation; employees with more than three but less than four years of service will receive a matching contribution equal to 100% of their salary deferrals up to 3% of eligible compensation; employees with more than four but less than five years of service will receive a matching contribution equal to 100% of their salary deferrals up to 4% of eligible compensation; employees with more than five but less than 10 years of service will receive a matching contribution equal to 100% of their salary deferrals up to 5% of eligible compensation; employees with more than 10 but less than 15 years of service will receive a matching contribution equal to 100% of their salary deferrals up to 6% of eligible compensation; employees with more than 15 years of service will receive a matching contribution equal to 100% of their salary deferrals up to 7% of eligible compensation. The matching contribution is paid each pay period by the Employer into the Plan.

Participants’ accounts: Individual accounts are maintained for each Plan participant. Each participant’s account is credited with the participant’s contributions, the Organization’s contributions, and charged with an allocation of administrative expenses. Plan earnings are allocated based on the participant’s share of net earnings or losses of their respective elected investment options. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting: The participant's salary deferral contributions and matching employer contributions plus earnings thereon are fully vested immediately.

NOTES TO FINANCIAL STATEMENTS

Note 1. Plan Description (Continued)

Payment of benefits On retirement, death, disability, termination of service, or attainment of the age 59 ½, a participant (or participant's beneficiary in the event of death) may elect to receive a lump-sum distribution equal to the participant's vested account balance, installment payments, or Ad-Hoc distributions, if the vested account balance is greater than \$5,000. If a participant's vested account balance is less than \$5,000, the balance will be automatically distributed in cash. In addition, hardship distributions are permitted if certain criteria are met.

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 to a maximum 50% of their account balances not to exceed \$50,000. Only one outstanding note received is permitted at any time and the note receivable repayment schedule can be no longer than 60 months unless it is used for the purpose of a principal residence. Principal and interest is paid ratably through payroll deductions. The loan interest rate is determined by the Plan Sponsor's management and shall be charged based on rates currently being used by financial institutions lending money under similar circumstances. The notes receivable are secured by the balance in the participant's account.

Forfeited accounts: Forfeited balances of terminated participant accounts are used to pay Plan administrative fees or reduce employer contributions. At June 30, 2022 and 2021, forfeited non-vested accounts totaled \$874 and \$774, respectively. No forfeitures were used to reduce administrative expenses or employer matching contributions during the year ended June 30, 2022.

Investment options: Participants must direct their salary deferral contributions to selected investments as made available and determined by the Plan Administrator. Participants may change their investment options any time throughout the year via direct phone or Internet access to Lincoln Financial Group Trust Company, the custodian of the Plan.

Note 2. Significant Accounting Policies

Basis of accounting: The Plan maintains its records on the accrual basis, whereby income is recognized when earned and expenses are recognized when the obligations are incurred. Benefit payments are recorded when distributed by the Plan.

Use of estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of June 30, 2022 and 2021, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

NOTES TO FINANCIAL STATEMENTS

Note 2. Significant Accounting Policies (Continued)

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurement.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of benefits: Benefits are recorded when paid.

Administrative expenses: Plan fees and expenses, including fees and expenses connected with the providing of administrative services by external service providers are paid by either Plan or the Employer, as provide by the Plan document. Fees for the administration of notes receivable from participants are included in administrative expenses and charged directly to the participant's accounts. Investment related expenses are included in net appreciation of fair value of investments.

Excess contributions payable: Amounts payable to participants totaling \$10,258 and \$19,068 at June 30, 2022 and 2021, respectively, for contributions in excess of amounts allowed by the IRS are recoded as accounts payable, with a corresponding reduction to 2022 and 2021 contributions.

Subsequent events: Subsequent events have been evaluated through April 13, 2023, which is the date the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.

Note 3. Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at June 30, 2022 and 2021, and the net appreciation (depreciation) in the value of investments, interest, dividends, and interest income on notes receivable from participants for the year ended June 30, 2022, were obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Lincoln Financial Group Trust Company. Such information has not been examined by the independent auditors.

NOTES TO FINANCIAL STATEMENTS

Note 4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Codification Topic 820, Fair Value Measurement, are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- a) Quoted prices for similar assets or liabilities in active markets;
- b) Quoted prices for identical or similar assets or liabilities in inactive markets;
- c) Inputs other than quoted prices that are observable for the asset or liability;
- d) Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies and assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Note 4. Fair Value Measurements (Continued)

The following tables reconcile the beginning and ending balances of fair value measurements using significant unobservable inputs (Level 3) of the guaranteed investment contract with the insurance company for the years ended June 30, 2022 and 2021.

Ending balance	\$ 2,123,816	\$ 2,053,307

Note 5. Party-in-Interest Transactions

The Plan contracts with Lincoln Financial Group Trust Company, to serve as its custodian. The Plan also invests a portion of its assets in funds maintained by Lincoln Financial Group Trust Company and, therefore, these transactions qualify as party-in-interest transactions. For such responsibilities, Lincoln Financial Group Trust Company receives fees at customary and reasonable rates as provided in the Plan. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan. Fees paid directly to Lincoln Financial Group Trust Company for investment management incurred by the Plan totaled \$74,258 for the year ended June 30, 2022. All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTES TO FINANCIAL STATEMENTS

Note 7. Tax Status

The Internal Revenue Service has determined and informed the Employer by a letter that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan Administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at June 30, 2022 and 2021, to the Form 5500:

	2022	2021
Net assets available for benefits per the financial statement	\$ 10,283,946	\$ 11,815,067
Excess contributions payable	10,258	19,068
Contributions receivable	(28,891)	(29,417)
Net assets available for benefits per the Form 5500	<u>\$ 10,265,313</u>	<u>\$ 11,804,718</u>

The following is a reconciliation of changes in net assets available for benefits per the financial statements for the years ended June 30, 2021 to the Form 5500:

	2022
Net (decrease) in net assets available for benefits per the financial statements	\$ (1,531,121)
Change in excess contributions payable	(8,810)
Change in contributions receivable	526
Net (decrease) in net assets available for benefits per the Form 5500	<u>\$ (1,539,405)</u>

NOTES TO FINANCIAL STATEMENTS

Note 10. Subsequent Events

The Plan has evaluated subsequent events through April 13, 2023, the date the financial statements were available to be issued and has determined there are no subsequent events that require disclosure except for the following:

Effective July 1, 2022, the Plan Sponsor transferred Plan assets to Vanguard to serve as the Plan's trustee and provide administrative and record keeping functions.
