INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Phillips Brooks Defined Contribution Retirement Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit for the 2022 Financial Statements

We were engaged to perform an audit of the financial statements of Phillips Brooks School 403(B) DC Plan dba, Phillips Brooks Defined Contribution Retirement Plan (the "Plan"), an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 ("ERISA"), as permitted by ERISA Section 103(a)(3)(C) ("ERISA Section 103(a)(3)(C) audit"). The financial statements comprise the statement of net assets available for benefits as of June 30, 2022, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements for the year ended June 30, 2022 ("2022 Financial Statements").

Management, having determined it is permissible in the circumstances, has elected to have the audit of the Plan's 2022 Financial Statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the Plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained certifications from qualified institutions as of and for the year ended June 30, 2022, stating that the certified investment information, as described in Note 3 to the financial statements, is complete and accurate.

Disclaimer of Opinion on the 2022 Financial Statements

We do not express an opinion on the 2022 Financial Statements of the Plan. Because of the significance of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements.

Basis for Disclaimer of Opinion on the 2022 Financial Statements

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, we were unable to apply auditing procedures sufficient to determine the extent to which the 2022 Financial Statements may have been affected by these conditions.

Further, as described in Note 3 to the 2022 Financial Statements, the Plan has excluded from investments in the accompanying statement of net assets available for benefits, at June 30, 2022, certain annuity contracts and custodial accounts issued to current and former employees prior to January 1, 2009, as permitted by the DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*. The investment income and distributions related to such accounts have also been excluded in the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2022. The amount of these excluded annuity contracts and custodial accounts and the related income and distributions are not reasonably determinable. Accounting principles generally accepted in the United States of America require that these accounts and the related income and distributions be included in the accompanying 2022 Financial Statements.

Responsibilities of Management for the 2022 Financial Statements

Management is responsible for the preparation and fair presentation of these Financial Statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Plan's ability to continue as a going concern for one year after the date the Financial Statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments, administering the Plan, and determining that the Plan's transactions that are presented and disclosed in the financial statements are in conformity with the Plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditors' Responsibilities for the Audit of the 2022 Financial Statements

Our responsibility is to conduct an audit of the Plan's 2022 Financial Statements in accordance with auditing standards generally accepted in the United States of America ("GAAS") and to issue an auditors' report. However, because of the matters described in the Basis for Disclaimer of Opinion on the 2022 Financial Statements section of our report, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

We are required to be independent of the Plan and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit.

Other Matters

2022 Supplemental Schedules Required by ERISA

The supplemental schedules, *Schedule H, Line 4i - Schedule of Assets (Held at End of Year)* as of June 30, 2022, and *Schedule H, Line 4a - Schedule of Delinquent Participant Contributions*, for the year ended June 30, 2022, are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the Financial Statements. Because of the significance of the matters described in the Basis for Disclaimer of Opinion of the 2022 Financial Statements section of our report, it is inappropriate to and we do not express an opinion on these supplemental schedules referred to above.

Report on 2021 Compiled Financial Statements

Plan management is responsible for the accompanying statement of net assets available for benefits as of June 30, 2021, of the Plan. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the statement of net assets available for benefits as of June 30, 2021, nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the statement of net assets available for benefits as of June 30, 2021.

PHILLIPS BROOKS DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of Phillips Brooks School 403(B) DC Plan dba, Phillips Brooks Defined Contribution Retirement Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

GENERAL

The Plan is a qualified, tax-exempt trust established on July 1, 1992, for the benefit of the employees of Phillips Brooks School (the “School”). The Plan operates under §403(b) of the Internal Revenue Code (“IRC”) and complies with the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

The Plan allows for participant elective salary before-tax deferrals, employer non-elective contributions, and employer matching contributions made by the School for all eligible participants.

The Plan is designed to provide participants with a means to defer a portion of their compensation for retirement and to provide benefits in the event of disability, death, or termination. The School’s Board of Trustees and Finance Committee oversees the Plan, determines the appropriateness of the Plan’s investment offerings and monitors investment performance.

ELIGIBILITY

All employees except for student employees are eligible to participate in the Plan.

Participants who have completed one year of service beginning on the anniversary of their employment commencement date, are eligible to receive employer non-elective and matching contributions.

CONTRIBUTIONS

Participants

Each year participants may voluntarily contribute 100% of their pretax annual compensation, as defined by the Plan, up to the IRC limit (\$20,500 and \$19,500 for calendar years 2022 and 2021, respectively). Participants who have attained age of 50 before the end of the plan year are eligible to make catch-up contributions up to the IRC limit (\$6,500 for each of calendar years 2022 and 2021).

Participants may also contribute amounts representing distributions from other qualified retirement plans (rollover contributions). The Plan will accept amounts rolled over from an employee’s prior plan, if the prior plan was qualified under Code §401(a) or from a §403(b) plan.

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Employer

The School will match 100% of all eligible participant contributions up to 2% of eligible compensation. The School will also make non-elective contributions at a fixed rate of 5% of eligible compensation.

PARTICIPANT ACCOUNTS

The Plan maintains a separate account for each participant, which is credited with the participant's contributions, the School's contribution, and Plan earnings. Participant accounts are charged with an allocation of administrative expenses. Participants self-direct their funds among the available investment options and may change their investment options daily. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are immediately 100% vested at all times in all accounts.

NOTE RECEIVABLE FROM PARTICIPANT

Participants may borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, or 50% of their vested account balance. Generally, the term of the loan may not exceed five years. However, if the loan is for the purchase of a principal residence, the plan administrator may permit a longer repayment term. Loans are secured by the balance in the participant's account and bear fixed interest rates equal to the Federal Reserve Board Bank prime rate plus 1% at the time of loan origination. Repayment of principal and interest are handled through payroll deduction or ACH agreement or other repayment method agreed to by the investments' arrangement to repay the loan. In the event of a participant termination, the loan provision allows the Plan to forfeit the lost participant's account up to the amount of the unpaid loan balance.

PAYMENT OF BENEFITS

Distributions and withdrawals are payable upon severance, retirement, termination, disability, or death. A participant shall receive a distribution which may take the form of a lump sum, installment payment, annuity, or ad-hoc distribution in the amount equal to the value of the participant's account.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The Plan prepares its financial statements in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), which involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred regardless of the timing of cash.

USE OF ESTIMATES

The preparation of financial statements in accordance with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

The Plan's investments are reported at fair value, except for the fully benefit responsive insurance contracts and Stable Value Fund, which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the relevant measure for these accounts because contract value is the amount participants would normally receive if they were to initiate permitted transactions under the terms of the Plan. The School's Board of Trustees determines the Plan's valuation policies utilizing information provided by the investment advisors, custodians and insurance company.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net realized and unrealized depreciation includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

NOTE RECEIVABLE FROM PARTICIPANT

Note receivable from participant is measured at its unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of June 30, 2022 and 2021. Delinquent participant loans are offset by the participant's vested account balance. Related fees are recorded as administrative expenses and are expensed when they are incurred.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

ADMINISTRATIVE EXPENSES

The School absorbs a portion of the Plan's costs. Expenses paid by the School are not included in these financial statements. Fees that relate to participant loans and service fees are charged directly to the participant's account and are included in administrative expenses.

NOTE 3 - INFORMATION PROVIDED AND CERTIFIED BY THE CUSTODIAN

Certain information related to investments and note receivable from participant disclosed in the accompanying financial statements and ERISA-required supplemental schedules, including investments and note receivable from participant held at June 30, 2022 and 2021, and net depreciation in fair value of investments, and interest and dividends for the year ended June 30, 2022, was obtained by management and agreed to or derived from information certified as complete and accurate by Teachers Insurance and Annuity Association of America and College Retirement Equities Fund ("TIAA-CREF") and Fidelity Management Trust Company ("Fidelity") (the custodians of the Plan). This information has not been audited by the Plan's auditor.

The Plan has not maintained sufficient accounting records and supporting documents relating to certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. Accordingly, the Plan may have excluded from investments in the accompanying statements of net assets available for benefits as of June 30, 2022 and 2021, certain annuity and custodial accounts issued to current and former employees prior to January 1, 2009. The DOL's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for §403(b) Plans*, permitted this exclusion. Accordingly, the investment income and distributions related to such omitted accounts have also been excluded in the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2022. The amount of these excluded annuity and custodial accounts and the related income and distributions is not reasonably determinable. U.S. GAAP requires that these accounts and the related income and distributions be included in the accompanying financial statements.

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's financial assets and liabilities that are carried at fair value are classified for disclosure purposes, based on a hierarchy that gives the highest ranking to fair values determined using unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest ranking to fair values determined using methodologies and models with unobservable inputs (Level 3). An asset's or a liability's classification is based on the lowest level input that is significant to its measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs. The three levels of the fair value hierarchy are described below:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted market prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Certain inputs to the valuation methodology that are unobservable (supported by little or no market activity) and significant to the fair value measurement.

There have been no changes in the methodologies used at June 30, 2022 and 2021. The following is a description of the valuation methodologies used for assets measured at fair value:

MUTUAL FUNDS

Mutual funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their Net Asset Value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

NON-BENEFIT RESPONSIVE INSURANCE COMPANY GENERAL ACCOUNT CONTRACTS

The non-benefit responsive insurance company general account contracts consist of investments in the TIAA Traditional Annuity. The fair value of the TIAA Traditional Annuity equals the accumulated cash contributions and interest credited to the Plan's contracts, less any withdrawals and administrative expenses. The TIAA Traditional Annuity is not available for sale or transfer on any securities exchange. Accordingly, transactions in similar investment instruments are not observable.

POOLED SEPARATE ACCOUNTS

The pooled separate accounts are stated at their net asset values as reported by the investment manager of the fund based on the underlying mutual funds' NAV at the measurement date. The NAV is used as a practical expedient to estimate fair value. Investments in pooled separate accounts provide for daily liquidity and have no redemption features or other restrictions. The practical expedient is not used when it is determined to be probable that the Plan will sell the investment for an amount different than the reported NAV.

INVESTMENTS

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30:

The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

NOTE 4 - FAIR VALUE MEASUREMENTS (CONTINUED)

The following table represents the Plan's Level 3 assets, the valuation techniques used to measure the fair value of those assets as of June 30, 2022 and 2021, and the significant unobservable inputs and the ranges of values for those inputs:

Instrument	Fair Value 2022	Fair Value 2021	Principal Valuation Technique	Significant Unobservable Inputs	Range of Significant Input Values
TIAA	\$ 1,434,433	\$ 1,427,054	Discounted	Risk-adjusted	RA - 3.00% - 3.80%
Traditional			cash flow	discount rate	GRA - 3.00% - 3.80%
Annuity				applied	RC - 2.75% - 3.90%

NOTE 5 – FULLY BENEFIT RESPONSIVE CONTRACTS WITH NATIONAL INSURANCE COMPANY

FULLY BENEFIT RESPONSIVE FIXED ANNUITY CONTRACTS

The fully benefit responsive fixed annuity contracts consist of investments in the TIAA Traditional Annuity which are reported at contract value. The contract value of the TIAA Traditional Annuity equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers, if any, less any withdrawals and transfers, if any. The TIAA Traditional Annuity is a fixed annuity contract that is fully and unconditionally guaranteed by TIAA-CREF, a New York domiciled non-profit, legal reserve life insurance company.

During the accumulation phase, the TIAA Traditional Annuity provides a guarantee of principal, a guaranteed minimum rate of interest (generally 1% to 3%), and the potential for additional interest if declared by TIAA-CREF. Additional interest, when declared, remains in effect for the "declaration year," which begins each March 1. Additional interest is not guaranteed for future years. When the accumulation in TIAA Traditional Annuity is converted to an annuity based on life expectancy, the present value of the stream of payments is equal to the accumulation. The TIAA Traditional Annuity does not permit TIAA-CREF to terminate the agreement prior to the scheduled maturity date.

PHILLIPS BROOKS DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 5 – FULLY BENEFIT RESPONSIVE CONTRACTS WITH NATIONAL INSURANCE COMPANY (CONTINUED)

STABLE VALUE FUND

TIAA Stable Value Fund is a fixed-rate group annuity contract held with an insurance company which is reported at contract value. The contract value of the TIAA Stable Value Fund equals the accumulated cash contributions, interest credited to the Plan's contracts, and transfers, if any, less any withdrawals and transfers, if any. The TIAA Stable Value Fund contributions are deposited into a non-unitized separate account where the contract provides a guaranteed minimum rate of interest between 1% to 3%. Although the liability to provide contract guarantees and accumulations is backed by the assets in the separate account, any amount to be credited above the minimum guaranteed rate is determined by TIAA-CREF. Contract holders and plan participants do not participate in, and do not receive the earnings of, the assets in the separate account. All guarantees are based upon TIAA-CREF's claims-paying ability.

At June 30, 2022, the portion of the TIAA Traditional Annuities that were fully benefit responsive and TIAA Stable Value Fund was \$1,039,190 and \$331,529, respectively. At June 30, 2021, the portion of the TIAA Traditional Annuities that were fully benefit responsive and TIAA Stable Value Fund was \$1,030,738 and \$338,669, respectively. The Plan earned average yields of 2.90% and 2.95% during the year ended June 30, 2022.

Certain events limit the ability of the Plan to transact at contract value with TIAA (the issuer). Such events include the following: (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan); (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provision; (3) bankruptcy of the School or other School events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan; or (4) the failure of the trust to qualify for exemption from federal income taxes. The plan administrator does not believe that the occurrence of any such events is probable.

While transactions involving the purchases/sales of individual TIAA Traditional Annuity and Stable Value contracts are not observable in a public marketplace, contract value has historically provided an approximation of fair value. The Plan has provided no reserves against such contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon by the issuer, which will not be less than zero percent. Such interest rates are reviewed on an annual basis for resetting.

PHILLIPS BROOKS DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 6 - PARTY-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Certain Plan investments are managed by TIAA-CREF and Fidelity. TIAA-CREF and Fidelity are the custodians for the Plan and, therefore, these transactions qualify as party-in-interest transactions. During the year ended June 30, 2022, the Plan paid administrative fees of \$14,839 and \$280 to TIAA and Fidelity, respectively. The Plan also makes loans to participants which qualify as party-in-interest transactions.

NOTE 7 - PLAN TERMINATION

Although it has not expressed any intent to do so, the School has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, any unallocated assets of the Plan will be allocated to participant accounts and distributed in such manner as the School may determine. As indicated in Note 1, participants are immediately vested in all contributions plus actual earnings thereon.

NOTE 8 - TAX STATUS

The Plan has been designed to qualify under §403(b) of the IRC. The plan administrator and the Plan's tax counsel believe that terms of the Plan have been prepared to conform with the written Plan requirements of Regulation 1.403(b)-3 of the IRC. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for participants under §403(b). Management believes the Plan is operating in conformity with all such requirements. The Plan's annual information returns are subject to examinations by taxing authorities. There are no examinations pending or in progress.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan invests in fixed annuity contracts, stable value fund, mutuals funds, and pooled separate accounts. Investment are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment, it is at least reasonably possible that changes in the values of investment will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

PHILLIPS BROOKS DEFINED CONTRIBUTION RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED JUNE 30, 2022

NOTE 10 - NON-COMPLIANCE

At July 1, 2021, the Plan had not secured a fidelity bond required by ERISA, Title I, §412, which requires that every fiduciary and every person who handles funds or other property of a plan be bonded. On March 14, 2023, management obtained a \$500,000 fidelity bond to bring the Plan into compliance with this bonding requirement.

NOTE 11 - DELINQUENT PARTICIPANT CONTRIBUTIONS

Under DOL Regulation §2510.3-102, participant contributions that have been withheld from participants are required to be remitted to the custodian on the earliest date on which the contributions can reasonably be segregated from the School's general assets. For the year ended June 30, 2022, the School remitted \$198 in certain participant contributions late. The School has voluntarily self-corrected these delinquent contributions.

NOTE 12 - SUBSEQUENT EVENTS

The Plan has evaluated all subsequent events through April 12, 2023, the date the financial statements were available to be issued. No events requiring recognition or disclosure in the financial statements were identified, except obtaining a fidelity bond as described in Note 10.
