INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of the
Plumbers and Pipefitters Local 760 Savings and Investment Plan

Scope and Nature of the ERISA Section 103(a)(3)(C) Audit

We have performed an audit of the accompanying financial statements of Plumbers and Pipefitters Local 760 Savings and Investment Plan, an employee benefit plan subject to the Employee Retirement Income Security Act of 1974 (ERISA), as permitted by ERISA Section 103(a)(3)(C). The financial statements comprise the statements of net assets available for benefits as of June 30, 2022 and 2021, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management, having determined it is permissible in the circumstances, has elected to have the audit of Plumbers and Pipefitters Local 760 Savings and Investment Plan's financial statements performed in accordance with ERISA Section 103(a)(3)(C) pursuant to 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As permitted by ERISA Section 103(a)(3)(C), our audit need not extend to any statements or information related to assets held for investment of the plan (investment information) by a bank or similar institution or insurance carrier that is regulated, supervised, and subject to periodic examination by a state or federal agency, provided that the statements or information regarding assets so held are prepared and certified to by the bank or similar institution or insurance carrier in accordance with 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA (qualified institution).

Management has obtained a certification from a qualified institution as of and for the years ended June 30, 2022 and 2021, stating that the certified investment information, as described in Note 5 to the financial statements, is complete and accurate.

Opinion

In our opinion, based on our audit and on the procedures performed as described in the Auditor's Responsibilities for the Audit of the Financial Statements section—

- the amounts and disclosures in the financial statements referred to above, other than those agreed to or derived from the certified investment information, are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.
- the information in the financial statements referred to above related to assets held by and certified to by a qualified institution agrees to, or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Plumbers and Pipefitters Local 760 Savings and Investment Plan and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our ERISA Section 103(a)(3)(C) audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error. Management's election of the ERISA Section 103(a)(3)(C) audit does not affect management's responsibility for the financial statements.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local 760 Savings and Investment Plan's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Management is also responsible for maintaining a current plan instrument, including all plan amendments; administering the plan; and determining that the plan's transactions that are presented and disclosed in the financial statements are in conformity with the plan's provisions, including maintaining sufficient records with respect to each of the participants, to determine the benefits due or which may become due to such participants.

Auditor's Responsibilities for the Audit of the Financial Statements

Except as described in the Scope and Nature of the ERISA Section 103(a)(3)(C) Audit section of our report, our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Plumbers and Pipefitters Local 760 Savings and Investment Plan's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Plumbers and Pipefitters Local 760 Savings and Investment Plan's ability to continue as a going concern for a reasonable period of time.

Our audit did not extend to the certified investment information, except for obtaining and reading the certification, comparing the certified investment information with the related information presented and disclosed in the financial statements, and reading the disclosures relating to the certified investment information to assess whether they are in accordance with the presentation and disclosure requirements of accounting principles generally accepted in the United States of America.

Accordingly, the objective of an ERISA Section 103(a)(3)(C) audit is not to express an opinion about whether the financial statements as a whole are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplemental Schedules Required by ERISA

The supplemental schedules of Form 5500, Schedule H, Part IV, Line 4a – Schedule of Delinquent Contributions and Schedule H, Part IV, Line 4i – Schedule of Assets (Held at Year End) are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information included in the supplemental schedules, other than that agreed to or derived from the certified investment information, has been subjected to auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with generally accepted auditing standards. For information included in the supplemental schedules that agreed to or is derived from the certified investment information, we compared such information to the related certified investment information.

In forming our opinion on the supplemental schedules, we evaluated whether the supplemental schedules, other than the information agreed to or derived from the certified investment information, including their form and content, are presented in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

In our opinion—

- the form and content of the supplemental schedules, other than the information in the supplemental schedules that agreed to or is derived from the certified investment information, are presented, in all material respects, in conformity with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.
- the information in the supplemental schedules related to assets held by and certified to by a qualified institution agrees to or is derived from, in all material respects, the information prepared and certified by an institution that management determined meets the requirements of ERISA Section 103(a)(3)(C).

SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the Plumbers and Pipefitters Local 760 Savings and Investment Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan Document, for a more complete description of the Plan's provisions.

General

The Plan operates as a multi-employer, collectively bargained, defined contribution plan providing retirement benefits to eligible employees who reside within the service area, which includes several counties throughout the state of Alabama. The Plan was established on July 1, 1986. The Plan was restated on January 1, 2015. Effective January 1, 2017, the Plan agreement was amended to reflect new participant vesting standards. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) as amended. Operations of the Plan are under the joint control of labor and management trustees.

Participation

Prior to December 31, 2016, any employee employed by an employer and for which a contribution was owed was considered a Plan participant. On and after January 1, 2017, an employee who has never been a participant in the Plan will be considered a participant upon completion of 500 hours of service with an employer.

Contributions

Contributions are paid at the following rates:

	Regular Contractor	TVA Contractor
January 1, 2020 – December 31, 2020	\$ 2.80	\$ 4.29
January 1, 2021 – December 31, 2021	\$ 2.80	\$ 4.29
January 1, 2022 – December 31, 2022	\$ 2.95	\$ 5.00

Apprentice contributions are made as a percentage of the preceding two rates based on the apprentice's period, which ranges from 1st – 10th periods. Periods are based on hours of service. Apprentices begin receiving contributions in the 3rd period of service (1,701 – 2,550 hours). Apprentices reach the next period every 850 hours. For periods 3 – 10 the contribution percentage increases in increments of 5% from 60% - 95% of regular contractor rates and in increments of 3% - 4% from 63% - 90% of TVA contractor rates.

Additionally, three contributing employers operate under their own agreements. The contributing rates for these three employers are 7%, but not less than \$1.10 for all hours paid, \$2.65 per hour, and \$3.30 per hour respectively.

Included in the rates found above is an \$.08 per hour administrative fee to cover Plan expenses.

Vesting

Prior to January 1, 2017, participants were completely vested immediately upon entering the Plan. On and after January 1, 2017, participants become fully vested upon completion of three years of service. A year of service consists of 500 service hours.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

Participant Accounts

Each participant's account is credited with the employer's contributions, and an allocation of the Plan's earnings. Participant accounts are charged with an allocation of the Plan's administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

Participants may direct the investments of their accounts into various investment options offered by the Plan. If the participant does not make a selection, the plan administrator will invest the participant's benefits in a default investment vehicle, as specified in the Plan Document.

Forfeitures

As of June 30, 2022 and 2021, forfeited non-vested accounts totaled \$5,111 and \$6,814, respectively.

Termination

Although there is no intent to do so, the Trustees reserve the right to amend, modify or terminate the Plan at any time. If the Plan is terminated, the assets will be used for the sole and exclusive benefit of the participants.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates

The preparation of financial statements in conformity with GAAP requires the Plan to make adjustments and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Employer Contributions Receivable

Contributions receivable from employers as of June 30, 2022 and 2021 represent uncollected contributions earned during each year as determined by subsequent collections. All contributions were received after each respective year-end, and as such, an allowance for doubtful accounts was deemed unnecessary.

Investment Valuation

Investments are stated at fair value. Fair value of a financial instrument is the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, see Note 6.

**PLUMBERS AND PIPEFITTERS LOCAL 760
SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Income Recognition

Purchase and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Risks and Uncertainties

The Plan invests in various investment securities which are exposed to various risks, such as interest rate, credit risk and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and those changes could materially affect the amount reported in the financial statements. Also, market quotations are not readily available for certain plan investments, see Note 6.

Because of the inherent uncertainty in valuing those investments, the fair value may differ from the value that would have been used had a ready market for such securities existed, and the difference can be material. Accordingly, the value received upon the sale of the asset may differ from the fair value.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum amount or various installments over a certain period that does not exceed beyond the participant's life, or the lives of their designated beneficiaries. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump sum distribution. Upon proof, to the satisfaction of the plan administrator, of an immediate and heavy financial need, amounts contributed may be withdrawn for a hardship purpose. Distributions taken before attaining age 59^{1/2} is generally subject to income tax penalties. Benefits are recorded when paid.

Date of Plan Management's Review

Plan management has evaluated subsequent events through April 10, 2023, which is the date the financial statements were available to be issued.

NOTE 3 – CURRENT VULNERABILITIES DUE TO CERTAIN CONCENTRATIONS

The Plan maintains cash deposits at a financial institution which, from time to time, may exceed federally insured limits. The exposure of the Plan from these transactions is solely dependent upon those daily account balances and the financial strength of the respective institution. The Plan manages this risk by maintaining its deposit accounts at a high-quality financial institution. As of June 30, 2022 and 2021, cash balances exceeded the federally insured limit by approximately \$683,000 and \$540,000, respectively.

**PLUMBERS AND PIPEFITTERS LOCAL 760
SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 3 – CURRENT VULNERABILITIES DUE TO CERTAIN CONCENTRATIONS (CONTINUED)

COVID-19 Outbreak

In response to the COVID-19 pandemic, the Plan continues to evaluate risks as it relates to the impact on contributions, investments, and other operating performances. The extent of the impact continues to depend on future developments. The Plan has taken preventive measures by strictly adhering to and monitoring the Center for Disease Control's updated guidelines and regulations.

NOTE 4 – FEDERAL INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Plan by a letter dated July 17, 2015 that the Plan is exempt from Federal income taxes under Internal Revenue Code (IRC) 401(a) and, therefore, no provision for federal income taxes has been made. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if it has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan has taken no such positions. The Plan is subject to routine audits by taxing jurisdictions, however, there are currently no audits for any tax periods in progress. The Trustees believe the Plan is no longer subject to audit for tax periods prior to 2018.

NOTE 5 – ERISA SECTION 103(a)(3)(C) AUDIT

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under ERISA, all information pertaining to the Plan's investments, see Note 6, which are presented on the statements of net assets available for benefits, the statement of changes in net assets available for benefits, and the supplemental schedules was obtained and derived from information certified as complete and accurate by Bank of America, N.A., the trustee of the Plan as of and for the years ended June 30, 2022 and 2021.

NOTE 6 – FAIR VALUE MEASUREMENTS

Accounting standards provide a framework for measuring fair value based on a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows:

**PLUMBERS AND PIPEFITTERS LOCAL 760
SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 6 – FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include • Quoted prices for similar assets or liabilities in active markets; • Quoted prices for identical or similar assets or liabilities in active markets; • Inputs other than quoted prices that are observable for the asset or liability; and • Inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Assets and liabilities are classified in their entirety on the lowest level of input that is significant to the fair value measurement.

Asset Valuation Techniques

Changes in valuation techniques may result in transfers in or out of an investment's assigned level within the hierarchy.

Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets at fair value. There have been no changes in the methodologies used as of June 30, 2022 and 2021.

- *Registered investment companies - mutual funds:* Valued at the daily closing price as reported by the fund. These are open-end funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV), which is derived by dividing the total value of all the cash and securities in the fund's portfolio, less any liabilities, by the number of shares outstanding. The fair value of the mutual funds is generally based on quoted prices in active markets.
- *Common/collective trusts:* The Capital Preservation Fund (the Fund) is a collective investment fund that is considered to be a stable value fund with underlying investments in fully benefit responsive investment contracts and is valued at the NAV of units of the collective investment fund. The NAV is used as a practical expedient to estimate fair value. The practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily.

NOTE 7 – RECIPROCAL AGREEMENT

The Plan is signatory to a master reciprocal agreement along with the various unions outside the Plan's territorial jurisdiction. Frequently, employees who are normally employed within the territory of one local union may be temporarily employed within the territory of another local union. Eligibility for benefits is generally determined from an employee having earned a certain amount of contributions during a stated period of time.

**PLUMBERS AND PIPEFITTERS LOCAL 760
SAVINGS AND INVESTMENT PLAN
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEARS ENDED JUNE 30, 2022 AND 2021**

NOTE 7 – RECIPROCAL AGREEMENT (CONTINUED)

To prevent deprivation of benefits to employees solely because of temporary employment within the jurisdiction of a local union other than their home local union, the reciprocal agreement provides for the following:

- When an employee of the home local union works in the territory of a reciprocating local union, the latter is to make contributions to the former's fringe benefit funds on the employee's behalf. The reciprocal contribution amount received shall be the fringe benefit contribution set forth in the employee's agreement of his home local union. Reciprocal contributions are reflected in total contributions in the statement of changes in net assets available for benefits.
- The monies received by the Plan on behalf of employees from participating local unions are forwarded to the employee's home union fringe benefit plan. The reciprocal contribution amount paid out shall be the fringe benefit contribution set forth in the employee's agreement of his home local union. Reciprocal contributions transferred out are reflected in total contributions in the statement of changes in net assets available for benefits as reciprocal transfers.

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Payments for services such as administrative, investment, legal, auditing, and consulting are reasonable and customary for the services provided and are exempt from the prohibited transaction rules of ERISA.
